The Star-Spangled Banner

O--say! can you see by the dawn's early light,
What so proudly we hail'd at the twilight's last gleaming?
Whose broad stripes and bright stars, thro' the perilous fight,
O'er the ramparts we watched were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there

CHORUS

O--say, does that Star-spangled Banner yet wave
O'er the land of the free and the home of the brave?

O--thus be it ever when freemen shall stand
Between their lov'd homes and the war's desolation!
Blest with vict'ry and peace, may the heav'n rescued land
Praise the Pow'r that hath made and preserved us a nation!
Then conquer we must, when our cause it is just,
And this be our motto, "In God is our trust!"

CHORUS

And The Star-spangled Banner in triumph shall wave
O'er the Land of the free and the home of the brave!

I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one Nation indivisible, with liberty and justice for all”

Dedication

We, the Senior class of 1943, wish to dedicate our Caldron to those who are serving in the armed forces of our country during this present trying period in the life of our nation. We wish that they may realize how much we appreciate the sacrifices they are making for the preservation of democracy which has entitled us to a calm and victorious journey through Madison Memorial High School.

"Boys in the Service We salute you
In your Khaki, Blue, and Brown,
With your freedom loving spirits
Surely YOU will never go down."

"And now as you march ever onward
We'll be proud to sing of your story
As you give your best—your all
For the sake of our own "Old Glory."

Foreword

With the fangs of war closer and closer, this year has brought numerous and rapid changes into our calm schedule of existence. As if a bombshell had exploded in our midst, we saw our friends and relatives marching away. It is to these loved ones, who are sacrificing their lives for our sake, that we dedicate this book. We sincerely hope they will remember us in the years to come by anything of value in our Caldron.

In the following pages you will discover we have imitated the army style to a certain degree. Our officers are well trained with a wealth of experience. If they don't wear medals, it isn't because they haven't earned them.

Without further ado, we now invite you to review our passing ranks. Forward, March!

Class History

'Way back in September of 1939 a group of hardy, hale recruits entered the training station of Madison Memorial High. After being sworn in at the first assembly (we signed up for four years), we were stationed in Rooms two and three. Immediately we endeavored to master the art of maneuvers and steering clear of danger zones, but the hardest thing to accustom ourselves to was discipline from our commanding officers. Our activities were not limited even though it was our first year. We sent two representatives to the Advisory Board, and six of our Company 43 gained membership in the Scholarship Club. It was a proud day when we cheered for our own company on the athletic fields. Then came three month's furlough.

With renewed enthusiasm, we returned to our station, but were disappointed to find that some of our company had sought destinies elsewhere. We advanced rapidly and were known to be quite sophisticated. We even tried our hand at theatrics.

In no time at all we found ourselves in the third year of our training period. Having completed our basic training quite satisfactorily, we engaged in a drive for funds to entertain Company 42 at the annual Junior-Senior Prom. It was a gala event held at the Mentor Yacht Club. We

found it very refreshing after our routine drills and maneuvers.

Following our third and final furlough, we were determined to finish with high honors and maintain the splendid records we had established through the years. It is true that we could now only count forty loyal, patriotic, well-trained individuals as many of our original number had either deserted, left for other units, or were just A.W.O.L. But we could still proudly say, "Quality if not quantity." In April we presented an appropriate play, "The American Way."

Finally we reached the place where we had seen others fondly take their last cherished glances and bid farewell to the place that had prepared them for active duty. As a unit we said goodbye to our officers and friends, and as a unit determined that Madison Memorial High should always be proud of Company 43. We also determined that we shall take our places in this unsteady old world and do our best with the training we had received to make it safe for democracies, religion, and freedom. Although the single unit is being divided, we shall still be united in thought and creed, and shall all gladly take our stands for what is right. Now we bid adieu until we have once again completed our mission and victory is won. V . . .

Class Prophecy

I heard some of the fellows from the class of '43 got together for a stag party the other night. Among those present were: The Pethtel twins, Tom Nash, Tony Perme, Joe Lastition who were all working for various defense plants. Incidentally I found out what the entertainment was. The host was that well known photographer, Ralph Skinner. He has been taking pictures for the Associators Press Wirephoto. However, as a hobby he has taken many pictures of his former classmates in his spare time. Feeling the fellows would be interested to know what their classmates were doing, he conceived the idea of showing his film to them.

In the first scene could be seen a huge factory. On the front written in bold type was "Bailey Aircraft Company." As the scene changed, the fellows saw a spacious, well-furnished office. Sitting in a chair, drawn up to the desk was Dave Bailey. In a chair beside his desk industriously taking dictation, sat Dave's private secretary, Harriet Jelenc.

The next scene showed the interior of the plant. At the farthest end of the plant was a room with the words "Factory Nurse" written above the entrance. Inside the room the fellows saw Leta Scott in her trim white uniform.

The next scene was that of a large flying field with a number of army transports ready to take off. The boys immediately recognized Norman Tuuri. Ralph explained he had been serving with the armed forces for two years and was about to be commissioned as a Command Pilot.

What was that next scene? They couldn't quite make out what it was. Upon examining the picture more thoroughly the fellows could see the interior of an immaculate hospital. Down the corridor stood Ruth Berwaldt. The next scene showed Ruth with scalpel in hand bending over a motionless patient. Who'd ever thought Ruth could be a doctor?

Then Ralph showed several scenes of the fellows at the party at work in their respective defense plants.

Thelma Fortney was standing behind the counter of a large delicatessen store in the next scene. Who should be sitting at

the counter but Janis Jayred and Melissa Fell. Janis had achieved a position as Dean of Women in Ohio State University. Someone mentioned that Melissa was employed as a secretary in one of the near-by insurance offices in Columbus.

The next scene did not surprise the fellows to any great extent. It was the scene of a small house at the side of which stood Frank Behling and his wife Ruth Zeman Behling.

The Bronze Room in the beautiful Ritzy Hotel, New York, was the setting for the next scene. Quite a number were dancing to music supplied by the music maestro, Squires Bartholomew, with vocals by that class songbird, Jake Mayko.

The scene changes quickly to that of the Mayo Clinic, where seated at a table in the dietitian kitchen, the boys recognized Irma Hensel.

Mexico furnishes the setting for the next scene. Standing in the midst of the halls of Montezuma was Don Easterbrook putting into practice his skilled profession as an archaeologist.

Ralph showed a number of scenes of the girls from our class serving in the armed forces. Among them were Dorothy Askew, Margaret Lonser, in the WAAC's. Dorothy Orcutt, Mildred Ruzick, and Shirley Ostrander in the WAVES.

The scenes showing the boys from our class serving in the armed forces included Bob Jones as a Sergeant in the Signal Corp, and Ed Struna as a doctor in a General Army Hospital.

Whoa there, what's happened? Machine broken down? I guess the boys thought they'd see no more pictures that night. Eugene Melville a mechanic? Yes, he had it fixed in no time. Three cheers for Melville!!

The next scene, with an airport for a background, showed several large passenger planes. Standing on the steps leading to one of the planes was Dorothy Klasen in a trim uniform of an air hostess.

Occupying the last scene was that swimming enthusiast of high school days, Carol Melcher, receiving a cup as champion of a swimming match held at Los Angeles, California.

The Junior class came back last year prepared for the task of raising prom money. Everyone tried the "Madame, may I interest you in a magazine subscription" line with excellent results.

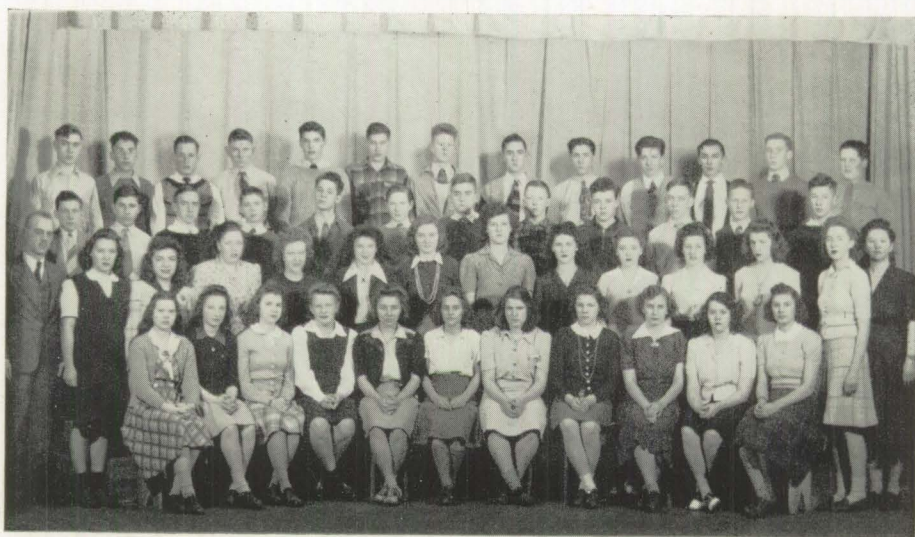

We sold candy in the hall during the noon hours and during basketball and football games.

The Juniors held their Christmas dance in December. A skating party entertained the student body in January at Keener's Shore Palace.

Officers were: President, Lawrence Wirtzberger; Vice-President, Leonard Zindarsic; Secretary, James Carroll; and Treasurer, Walter Stickel; Class representatives on the Student Council were Agnes Debevc, Joan Wickert, Bob Elmore, and Sheldon Whipple.

Our Prom was a glorious event taking place at the Madison Country Club on May 7. We happily arrived at the satisfying conclusion that our prom was decidedly worth all the effort and worries caused by the preparations and financial drives.

Our dance in February was well attended. The decorations were patriotic, and music was furnished by the Rhythm Kings. Since this dance was our big project for the year, it was a fitting conclusion to our activities.

Football "42" - "43"

With the week before school in September of 1942 came the opening of football practice. Coach Duffy found himself again confronted with a shortage of man power with only 23 boys reporting. However, out of these 23 he had 9 lettermen with which to form his team. The lettermen consisted of six seniors, Captain Roy Pethtel, Ray Pethtel, Dave Bailey, Bob Jones, Norman Turri, and Tony Perme. The other three were Rolland Conklin, Lon Wirtzberger, and John Henninge. The rest of the squad consisted of Jack Page, Walter Neubert, John Spaulding, Neil Skinner, Don Easterbrook, Leonard Zindarsic, Howard Luse, Bill MacBeth, Roy Whipple, Ed Plants, and Herbert Kubach.

The Blue Steaks were set to work immediately and worked hard on those first warm days of September. Then under the lights of Hickok Field late in September the Blue Streaks met their first trial. They met the former football greats of their high school, the Alumni, who put a strong team on the field coached by Frank Tarr, former coach of Madison. The Streaks fought hard that night but in the final seconds of play after battling through almost four scoreless periods the Alumni pushed across a touch down to carry off a hard earned victory 6-0.

A week later the Blue and White traveled to Chagrin Falls to open the Western Reserve League Play. Madison had just entered the league this year and was anxious to win. However, after leading at the half 12-0, the Streaks bowed to Chagrin 13-12.

Following the Chagrin game the Perry Pirates payed us a visit. It was a bad night for the Blue Streaks for everything seemed to and did happen to them. They left the field with a 54-0 score against them and trying to understand just what had happened.

With their pride at a low ebb and their fighting spirit at a new high the Streaks

went to visit Mentor's Champion Cardinals. The first period went scoreless with Madison fighting a great weight advantage, and then the Mentor Machine began to roll, the outcome being a 33-14 defeat.

Following Mentor came the Chardon Mountain Boys who scored twice in the first three minutes of the second half to turn what might have been a victory into a 19-0 loss.

Back came the Alumni full of confidence and sure of a victory, but on a cold October night the Blue Streaks avenged themselves and won their first victory. They outplayed their rival for three periods to win 6-10.

Wickliffe then came and in a sea of mud made one fifty yard run and kicked a beautiful field goal in the closing minutes to win 9-0.

Ten seniors found themselves under the lights of Hickok Field and in the Blue and White uniforms for the last time when Geneva came to town on a cold November night. The ground was frozen and the lack of weight in Madison's backfield failed to dent Geneva's Second Place Lake Shore League team, and the outcome of that battle was a 19-0 defeat.

Madison's season in the score column was not good, but the enjoyment of playing together with their team mates and other boys made them enjoy it just the same.

At the close of the season Madison had two men picked on the Western Reserve League All Star Teams. Bob Jones—first team center and Capt. Roy Pethtel—second team guard.

To Roy Pethtel outstanding during his three years on the Madison Varsity and unanimous choice for Captain his senior year, we pay tribute for his hard work and fine leadership the past season.

To next year's football team we, the seniors, wish to say "Good Luck."

Sharpshooters

First row: David Bailey, Neil Skinner, Rolland Conklin, Robert Jones, Roy Pethtel, Mr. Duffy.
 Second row: Roy Whipple, Orton Cowles, Tony Perme, Walter Neubert, Forrest Wickert.
 Third row: Jimmy Carroll, Richard Darrow, William MacBeth, Walter Stickel, Lawrence Wirtzberger, Charles Ballard.

In December of '42 when Coach Duffy called the opening basketball practice, he found only 20 men reporting and out of these only 2 lettermen. The lettermen, Bob Jones and Dave Bailey, together with Roy Pethtel, Herb Kubach, Tony Perme, Rolland Conklin and Neil Skinner soon comprised the Blue Streak Varsity. The Madison Courtmen opened the season fine by drubbing Thompson, 48-22 on their own floor, which is the first time in several years they had beaten Thompson there.

Then the season's scores came as follows:

| | | | |
|---------|----|-----------|----|
| Madison | 48 | Thompson | 22 |
| Madison | 15 | Geneva | 35 |
| Madison | 22 | Fairport | 46 |
| Madison | 35 | Perry | 28 |
| Madison | 38 | Thompson | 29 |
| Madison | 21 | Perry | 31 |
| Madison | 26 | Wickliffe | 34 |
| Madison | 24 | Alumni | 20 |
| Madison | 18 | Perry | 29 |
| Madison | 30 | Fairport | 43 |
| Madison | 18 | Geneva | 26 |
| Madison | 30 | Wickliffe | 42 |

| | | | |
|---------|----|----------|----|
| Madison | 29 | Perry | 18 |
| Madison | 25 | Alumni | 28 |
| Madison | 24 | Perry | 15 |
| Madison | 18 | Kirtland | 36 |

The Western Reserve League, which Madison recently joined, had been dissolved for the duration and all the games were independent contests. At the close of the regular season, Lake County needed a representative of Class B to go to the sectional tournaments at Orange. This brought about a playoff of Kirtland, Madison, Perry, and Wickliffe at Mentor on Washington's Birthday. Madison placed second in the County when they beat Perry, but lost to Kirtland's Champion Hornets. The Blue Streaks' record is not outstanding, but it held its share of victories.

The Baby Streaks played hard, and although their victories were few, their games were close and exciting.

The graduating Blue Streaks feel sure that if the boys would only turn out, next year's varsity could carry the Blue and White to greater success.

Morale Builders

We four cheerleaders really had our hands full this year. Due to the transportation problem we were often the only representatives from our school at out-of-town games. We were able to attend all but one football game and that one afternoon our thoughts were with the fellows, cheering for them as though we were there too.

During basketball season, we went with the team on the Silver Bullet (the team's bus) to all the games. The day we accompanied the team to the basketball tournament at Mentor was a red-letter day for us. Then, as always, the team made us proud of them and of our school.

Girl Reserves

Approximately seventy-five girls attended the meetings and took part in the activities of the Girl Reserves this year. Our officers are: Shirley Ostrander, President; Shirley Emmett, Vice-president; Elsie Mavko, Secretary; Dorothy Askew, Treasurer; Margaret Lonser, Program Chairman; and Marilyn Trescott, Social Chairman. Miss Phillips was our advisor for the year. Sponsors were the members of the Legion Auxiliary of the Jay Wilson Post. We held our formal initiation for the Freshmen in September.

We had many projects completed for the Red Cross in addition to our Thanksgiving and Christmas baskets given to the needy of our community. For the ladies of the Madison Home we sent Thanksgiving and Christmas favors. For the first time, we observed Girl Reserve Week in March. Our intention was to have everyone become more aware of the purposes of our organization. A penny supper and dance was held to which the entire student body was invited.

The Hi-Y

The Hi-Y club opened its activities by inviting the Sophomore boys to an initiation party September 28. After a evening of fun we discovered 14 new names answering the roll call enlarging our membership to 40.

Under the guidance of Mr. Trescott we set out early in the year to organize our club into a more definite pattern than has been previously followed. During the opening meetings Mr. Trescott discussed the history and purpose of our club. He and Herbert Kubach attended the Hi-Y convention in Columbus, returning with many ideas for the proper way to plan and execute our meetings.

We had several guest speakers, a song fest, and a quiz-bee in the way of entertainment. However, the bigger share of our time was spent in reorganizing. Our officers for the year were: David Bailey, President; Herbert Kubach, Vice-president; Jake Mavko, Secretary; and Tony Perme, Treasurer.

Student Council

Because of schedule difficulties, we had quite an obstacle to overcome before we could arrange for regular meetings. At our first meeting we elected these officers: Jacob Mavko, President; Shirley Ostrander, Vice-president; Joan Wickert, Secretary; and Ray Pethtel, Treasurer.

The athletic committee worked out a competitive volleyball schedule for both the boys and girls during the noon hours. The service committee conducted regular locker inspection. Defense stamps were successfully sold during the noon hour. Improvements for Air Raid Drills were discussed, and assemblies were planned.

Scholarship Club

Our eighteen members were guided during the past year by the following officers: John Spaulding, President; Charlotte Ellis, Vice-President; Stella Lezak, Secretary; Ruth De Heck, Treasurer; and Joan Nash, County Vice-President.

In order to expand our treasury, we sold pins and sponsored assembly movies. Seventeen attended the annual county banquet in Willoughby on February 24. Dr. Helen Bragdon, President of Lake Erie College, and Dr. Harry Carmen, of Columbia University, addressed us. As a reward for scholastic achievements, members were granted releases from all study halls if they so desired.

M. M. H. S. Chorus

The Chorus of the 1942-1943 school year was organized under the direction of Mrs. Evelyn Scott in September. Under her leadership the boys and girls practiced in separate groups. Preparations for a Christmas program were being made when our instructor was called to other duties and for several weeks no rehearsals were held.

Shortly after the first of the year the group was reorganized as a mixed chorus under the direction of Mr. Elton Mosher. Rehearsals were held every Monday and Thursday. Plans were made for a Spring program and participation in the commencement exercises.

The Chorus was composed of 45 members. Shirley Ostrander was secretary; Don Easterbrook, stage manager and Mildred Ruzick, librarian.

Band

"Something new has been added"—we thought. Yes, we had a woman to direct us this year, at least until December when Mrs. Scott left us. There we were for over a month, wondering whether we had been forgotten. But with January came Mr. Mosher, and a program was soon worked out including a highly successfully War Bond Concert held in the spring. This year we also had a band-chorus "get-together" enjoyed by all.

We have officers too. They are: President, Joan Wickert; Secretary-Treasurer, Jack Stanton; Librarian, Shirley Stanton; and Stage Manager, Roy Whipple. Our band was supplemented this year by some of the more skillful grade school players.

"The Men Behind The Men Behind The Guns"

First row: Jack Page, Joe Green, Ed Struna, Lawrence Wirtzberger, Walter Stickel, Robert Elmore, John Spaulding, Leonard Wirtzberger.
Second row: Walter Neubert, Omer New, Richard Deming, Mr. Yant, Don Plants, Stanley Downing, Merle Bradley.

This is the Madison Chapter of the Future Farmers of America a nation-wide organization of students of Vocational Agriculture.

Officers for the year were elected as follows: President, Ed Struna; Vice-President, Joe Lastition; Secretary, Walt Stickel; Treasurer, Lon Wirtzberger; Reporter, Bob Elmore. Mr. Yant, our Vocational Agricultural teacher, is our adviser.

During the past school year we have had two class projects—laying hens and a hotbed. As a foundation for our flock, we started with 600 pedigreed chicks, 200 of which we kept as hens. We expanded over last year in our hotbed project.

A supper was held in February to which some of the F.F.A. Alumni were invited. Due to the tire situation many of the county contests were discontinued.

The Show

The Show

On Friday and Saturday evenings, April 15 and 16, Company '43, other army units, and civilians of Madison gathered in the auditorium of the barracks for the show of the year. They were entertained by **The American Way**, a comedy in three acts written by James Reach.

The American Way, as is suggested by the title, was an especially timely presentation, and under the capable directing of Mrs. S. B. Trescott was a great success.
