Forward

THE Class of 1951 decided upon "King Arthur and His Knights of the Roundtable" as the theme of the Cauldron.

Let us picture while we gaze through and enjoy this yearbook of M. M. H. S., that we are one of the Knights or Ladies of King Arthur's Court.

Think of the Seniors as the Kings and Queens of the Court in search of success in their undertakings in life (The Holy Grail). For anyone can be King or Queen in that life in which he is placed, if he draws forth the sword of Success from out of the "Iron of Circumstances." And when your adventures or risks come, for come they will, you may be like King Arthur that day when he entered into his birthright of Royalty. You, too, may achieve Success with the entire satisfaction of a job well done to your great glory, and perfect happiness!

SCHOOL SONG

Oh M-A-D-I-S-O-N Madison,
Oh sing of the praises of the victories we have won.
Oh M-A-D-I-S-O-N Madison,
Oh that's alright we've won the fight,
But we must keep right on.
Here's to the blue and white of M. H. S.
May she lead us to success,
And may we show our fine school spirit grand,
And prove ourselves a loyal band!

M. M. H. S. M. M. H. S.
Keep that goal in sight,
Find your work and never shirk,
And we will be alright.
Rah! Rah! Rah!
M. M. H. S. M. M. H. S.
Strive on for her fame,
Strive, ever strive and we will win again!

CLASS OF 1951

*Y*OU are richer today
than you were yester-
day if you have laughed
often, given something,
forgiven even more,
made a new friend today,
or made stepping stones
of stumbling blocks.

You are richer if you have thought more in terms of "thyselF"
than "myself", or if you have managed to be cheerful even when
you were weary.

You are richer if a little child has smiled at you, or a stray dog
has licked your hand, or if you have looked for the best in others,
and have given others the best in you.

Our road through life is a new way for all of us. We travel it only
once. Each day finds us beginning anew our journey with no idea of what
experiences, what scenery, what joys, what sorrows may come to us.
But travel we must.

With what confidence you go on your journey will depend upon to what
extent you have mapped out each detail of your journey.

*Best Wishes
Howard W. Donaldson*

History

IN September, '47 frightened students met to form the Freshman class of '47 with Mr. Raveling and Mrs. Behm as class advisors. We started the year off by electing Dick Bates as President, with Norman Nichols, Freeman Pudder and Evangeline Bobitch as our other officers. In October we held our first social event, a Halloween Party. As Freshmen we stayed as much as possible in the background until Interclass Tournaments. To our surprise and delight the Freshman girls, under the able guidance of Mr. Raveling, managed to beat the Senior girls in a closely contested basketball game.

Our Sophomore year began with our hopes high and our treasury low. Evangeline Bobitch, Barbara Naughton, Betty Woidtke, and Dick Bates were our class officers and Mr. West and Mr. Moritz served as our advisors. Realizing our financial need we solved the problem with a carnival held at H. N. K. S. This proved to be a great success financially, not to mention the enjoyment shared by everyone. The Sophomores then surprised the school, as well as themselves with the Spring Hop, which was one of the best dances ever held at M. M. H. S. Incidentally, the Sophomore girls came through to win the championship again during the Interclass Tournaments.

In the Junior year we called on Joan Davidson, to lead us through the strain of the Junior Play and the Prom. Dick Bates, Joanne Blackburn, and Earl Schiring assisted her, and Mr. Grafel and Miss Harding (Mrs. Custer) were advisors. We knew that the Prom would be a drain on our treasury so we set about to compensate for this by selling candy and magazines. Next we held a Skating Party which was also a success. Later we staged a Style Show and Cake Walk which filled our auditorium to overflowing. "Three Fingers In the Door," a mystery play under the direction of Mr. Grafel and Mrs. Custer, was also a great success. The Prom brought to a close our string of events and proved to be the wonderful evening we had all anticipated. This event was held on May 20th at Richmond Valley Inn. We enjoyed a most delicious dinner and danced to the music of Russ Harmon's orchestra. This year was outstanding for another reason because both boys and girls won the Interclass Tournaments.

At last our Senior year arrived--the happiest one of our school life. We started the year off by electing officers and Cauldron Editor. The Senior Class officers were Dick Bates, Eileen Ellertson, Jean Hanson, and Grace Chegvidden. Our Cauldron Editor was Frances Nash. We held our advanced Cauldron sale in October and were well pleased with the results. As it has always been traditional for the Seniors to have class parties, we started the year off in style, having a Halloween Party on October 30th. It is also traditional for the Seniors to sponsor the Homecoming Dance at which time one of our members was crowned Football Queen. The lucky person was Nancy Fischer who was escorted to the throne by Bill Jopko, captain of the football team. Her attendants were Joanne Blackburn and Eleanor Mercer, escorted by Don Robinson and Dick Bates, respectively. The girls were gowned in ballerina length dresses and carried bouquets of chrysanthemums. During the year we held three more class parties. On the 1st and 2nd of April we produced the Senior Play under Mrs. Trescott's direction. On May 31st we received the reward for our years of work: our goal -- graduation. This diploma, I am sure, will mean much to us all our lives, and our school life at M. M. H. S. will remain a colorful page in our book of memories.

HEAR YE! HEAR YE! HEAR YE! SCHEDULE SIDLEY SITE CEREMONY

Madison--A dedication ceremony will be held tonight of the new, and already world-famous, Madison Square Gardens, located on the site of the old Sidley Farm. Robert Sidley, upon retiring left a large portion of his high fortune for the purpose of erecting a stadium on the donated land. Rumor has it he gave the gift to escape a 120% income tax on his fortune which, if enforced would soon have left the cattle king bankrupt.

The main attraction of the evening will be a wrestling match between Adeline "One Eye" Larko and Betty "Bombshell" Brown. Clarabelle Cutler, Brown's manager, staunchly declares confidence in a victory for her contestant.

CLIMBING IN COMEDY CREATIONS

Climbing the ladder to success in the comedy world are a new team, Jean Hatch and Dale Gibbon. Jean is the "man behind the gun" as she pours forth page after page of the humor that sets us rocking as we hear it over the air from the lips of Dale Gibbon over Station HaHa.

FISCHER FEATURES FANCY FOOTSTEPS

Another newsnote from Hollywood is the success attained by the Fischer Fancy Footsteps Studio. Miss Fischer herself has appeared in many movies, and has recently realized her dreams of producing the dance sequences in an entire production. And a very fine job she has done too.

DIET DISCOVERIES DUE

Doctor Raymond Berus has been making extensive surveys to stop those derogatory remarks from your husband about your added weight. And it's all without diet. Pat Atkin and Pat Brumbaugh gave up their former profession as dietician to enter this promising new field. Ladies, be patient, for you may soon be relieved of your excessive weight safely and scientifically.

AGRICULTURE ARTISTS AMAZING AMERICA

Agriculture researcher, Roy Ferrick, has made startling new discoveries in the field of plant and animal husbandry. These facts, still in the experimental stage, are being worked on night and day by the owner of the Neville Testing Farm and his wife and Business Manager, the former Barbara Naughton.

SHOW IS SMASHING SUCCESS

Broadway has another hit! The nationally famous Grace Chegwiddden--Eileen Ellertson duo was a great calling card for producer Franklin Dodge's latest and greatest. No little credit for the success of the show, "M. M. H. S. Pinafore" must go to Mary Nash, the versatile composer of the breezy romance which has smashed Broadway the hardest of any show since "South Pacific."

HIGH HIRES HELPERS

At a recent meeting of the Madison School Board, the president, Richard Donaldson introduced several new teachers. Nancy Lexso is the new Home Economics teacher, Betty Woidtke, was enthusiastically appointed music director, and Dorothy Hummel is the girls' new physical education director.

MARINE MARRIAGE MARKS MONOPLY MILESTONE

Ruth Bender, owner of the Bender Boats[®] has made shipping a family affair by uniting in marriage with the owner of the "Whipple Whipping Shipping Company." The ceremony was performed in the Navy Chapel with Donald Robinson, pastor, officiating. The former Mary Ann Vernick, sister-in-law of the bride, was maid of honor, and Dorothy Johnson, managing hostess of the company was bridesmaid. All were attired in watered silk gowns. The newlyweds spent their honeymoon at Niagara Falls.

"HAMBURG HOTSPOT HIGHLIGHT"

The proprietress of "Hamburg Hotspot" Jean Beck, has worked long and tirelessly to make the drive-in a success. News of the courteous service received from Catherine Berus and Eleanor Wickert has won national acclaim. Latest and most sensational of the events to entertain patrons was a style show featuring Miss Doralee Fish's latest creations. Powers Models Marilyn Brockway, Evangeline Bobitch, and Jeanne Hanson displayed the costumes of their particular types to perfection. World famous fashion authority, Joanne Blackburn was mistress of ceremonies for the entire show held in the beautiful second floor ballroom.

SOLITARY SITTING SATISFACTORY

On the day of his graduation a new flag-pole sitting champ, James Morris assumed his present position atop a pole. Buffeted by wind, rain, and snow, he remains firm in his decision to stay aloft. "I like it up here, he replies to all inquires, "there's nobody bothering you."

FRINK FEATURES FORDS

A Model "A" Museum is Richard Frink's life undertaking. Starting as a junkyard, his business has been converted to a show-place for American youth. He gets untold pleasure from expanding the virtues of his beloved Fords.

SCIENTIST'S SOLUTION TO SORROW

The "Mad Scientist", Don Frink, has done it again! His latest is Had-a-Cold. One teaspoonful of this wonder panacea will produce eternal bliss, and the cost is very slight. The only drawback is that after your first dose, your loved ones must call the coroner.

WOMEN WIN IN WASHINGTON

With her campaign speech of "two hats on every head", Honest Joan Davidson has become America's first woman president. Frances Nash, the president's private secretary, has announced some new cabinet members to be. The new Post-Mistress General is Norma Nichols, who gained her experience helping her father during rush seasons. The Attorney General is Wilda Griggs, famed criminal lawyer.

No official photographs are yet available of the president because of a consistent breaking of cameras on first exposure. Richard Bates, official photographer is under constant supervision because of threatened suicide.

Eleanor Mercer has been hired to paint Miss Davidson's portrait. What a pity if she should confuse this with her past profession of cartoon artist.

AMERICA ACCEPTS ATHLETIC HONORS

Royal Play

ON December 1st and 2nd the Junior class presented a three act comedy entitled "One Too Many", under the direction of Mrs. Trescott and Mr. Kilpatrick.

The play takes place on a dude ranch resort in Cactus Springs, Arizona. Bill Crane, the manager of the ranch was interested in selling it. Jane Ivey and Sam Finch both wanted to buy the resort.

The guests, Lester Jenkins, his wife and daughter, and Charleen Newby were mystified by the sudden appearance of a young Mexican lad, supposedly Pancho's brother. All except Kathryn, that is, who knew the "stranger" was Dudley, her fiance. The disguise was to fool Mrs. Jenkins because she was against her daughter's marriage to a "sodajerk". With the help of the workers at the ranch, however, she finally convinced her mother that she was right.

The members of the cast were:

Bill Crane - Manager of the resort	-----	Barry Brumbaugh
Jane Ivey - Representative of St. Louis Real Estate Firm	-----	Elizabeth Raveling
Lester Jenkins - A henpecked husband	-----	Joe Sironen
Luetta - his domineering wife	-----	Marilyn Woidtke
Kathryn - their daughter	-----	Phyllis Kenyon
Dudley Brackenbergen - in love with Kathryn	-----	Clifford VanDyke
Hannah Lafferty - Cook - Housekeeper	-----	Patricia Miller
Sam Finch - Prospective Buyer	-----	Tom Flanigan
Charleen Newby - an artist from Milwaukee	-----	Judy Cone
Pancho - Man - of - all - work	-----	Robert Madden
Danny Simms - A boy with ideas	-----	Eugene Mann

The Juniors worked hard to make their play a success and deserve a lot of applause for a swell performance.

Music

Choral Club

THE Choral Club got off to a good start in their first public concert of the year when they gave a broadcast over WICA. The annual Cantata headlined the Christmas Season, and their caroling party was enjoyed by everyone. Their first big event of the New Year was the Winter Concert, followed by the district chorus competition. Several members also represented M. M. H. S. at the Mt. Union Festival. Their final performance, the Spring Concert, was a special affair because for many of them it was their last appearance with the group.

WITH the first game only a week away the band worked hard to put on a swell show. They went on to play at five other games, both at home and away. The season was highlighted by the expert twirling of the majorettes. Nan and Barb Fischer were the star performers with their acrobatic routines.

After football season, the band wasted no time in preparing for the Winter Concert. This year the band entered the competition at the district contest with some of the members also participating in the Mt. Union Music Festival. The Band's final concert was leading the Memorial Day Parade.

*T*HIS is a picture of the Championship Football Team of M. M. H. S. This team worked hard for many weeks to bring Madison this honor. The fellows started practicing under the able coaching of Mr. Moritz and Mr. Cover even before school opened in the fall. Through their united efforts they sailed through a victorious season, fighting just as hard in non-league games as in Western Reserve competition to finish up with six wins and three losses. We're very proud of our champions and wish the best of luck to next year's team in their struggle to keep on top of the heap.

MADISON 7 PERRY 32

The Perry Pirates, defeated an over-confident Madison Blue Streaks 32---7. It was a team victory for Perry with the scoring being very evenly distributed. The score would have been a lot different if Madison's star half-back, Bill Jopko had not been injured in practice.

Perry scored two quick touchdowns early in the game and from there on it was Perry all the way. Madison scored its lone touchdown in the fourth quarter on a long pass from Robinson to Pierfelice.

MADISON 0 GENEVA 52

The Geneva Eagles defending Champions of the Lake Shore League thoroughly trounced and underdog, Madison eleven, 52---0.

The first quarter was very even with the Eagles leading, 6---0. From there in Geneva scored at will. It was Don Partick and Jim Rabinstein who did most of the damage for Geneva. Bill Jopko was Madison's big gun on offense and defense as he continually stopped Geneva's offensive attack.

MADISON 18 EDGEWOOD 7

The Blue Streaks playing one of the roughest forty-eight minutes all season, defeated Edgewood 18-7. The Streaks outclassed their opponents to get back in the win column. Bill Pasco scored all three touchdowns, behind good hard blocking and alertness. Although this game carried more penalties than any other game, it had no bad effects on the game. Even though this wasn't a league game the Streaks fought hard every minute of the way.

MADISON 6 JEFFERSON 0

It was a tough and stubborn Jefferson team that made the Streaks resort to a last period score to win the game 6-0. The game was a see-saw battle all the way with the teams intercepting each others passes. With a few minutes remaining in the game, the Falcons drove to the Streaks two yard line. There Madison held them for three downs and on the fourth, B. Jopko intercepted a pass in the end zone and drove to the eight yard line. Two plays later Jopko broke away for an eighty-eight yard run.

MADISON 7 WICKLIFFE 6

A first quarter touchdown and extra point paved the way for a hard fought victory. Jopko's score and Behm's drop kick provided the margin as Madison's defense tightened to keep the lead and win the game. Wickliffe's tally came in the second quarter and the kick was no good. The second half was a rough see--saw battle filled with excitement. The victory meant a lot to the Madison team and fan's.

MADISON 21 CHARDON 6

Although out weighed, Madison's fleet-footed left half, Bill Pasco ran wild to score all three Madison touchdowns. Even though the Blue Streaks had their work cut out for them, they came through with the speed and determination and a victory. The game was packed with thrills as both teams fumbled considerably. It was a good test for our squad, and they proved worthy of the victory.

MADISON 71 KIRTLAND 0

The Blue Streaks journeyed to Kirtland to meet a team high in spirit. Kirtland had been having one of their best seasons in recent years. The Streaks had command of the game from start to finish, with Bill Pasco making six touchdowns. Don Robinson and Mario Izzarelli each contributed two and Bob Pierfelice went over for another one. The Streaks thus proved they were on their way for the Western Reserve League Championship, no matter who stepped in the way.

MADISON 0 FAIRPORT 40

The Blue Streaks ventured to Fairport where they were defeated by a superior Fairport team in a driving rain. The Blue Streaks gave the small group of fans a lot of excitement. When they recovered a fumble on the 25 yard line in the first five minutes of the game. Bill Jopko driving off tackle, carried the ball down to the two yard line, but an off side penalty put the ball back to the seven yard line. Bill Pasco carried the ball down to the one inch line on their fourth down.

It was a good game regardless of the score. Bill Jopko was Madison's offensive and defensive star as he continually broke up Fairport's plays.

MADISON 48 PERRY 0

The Madison Blue Streaks reached their goal, by defeating the heavily favored Perry Pirates 48-0. This was truly a team victory, for not only did they score 48 points, but their opponents never got past the Streaks 37 yard line. The Streaks wanted this game for three good reasons; to win undisputed league Championship, to regain the prestige they lost in the 37--7 beating earlier in the season, and to gain themselves a 6---3 record for the 1950 season. They by far did their best blocking of the season, and by playing their hearts out turned in a championship team. It was the last game for eight seniors in the squad who helped to make the season victorious.

DID YOU KNOW THAT

The 71-0 whipping the Blue Streaks gave Kirtland, set a new record?

In league play, the Streaks had only 12 points scored against them while they scored 147 points?

The beating the Blue Streaks gave Perry was the worst that Madison has beaten in football history? That score was 48-0.

The Blue Streaks, Bill Pasco, set a record for the most touchdowns in one game, the number was six.

Bob Pierfelice had the best yards per try average because of the end around play? He had 11 yards per try.

This was the first Western Reserve Championship in football history of the school? It was also the first Championship in 24 years in any league?

This years squad was small per player, with 24 boys in the squad at a line average of 165 pounds?

Bill Pasco received the most valuable player award, while Dale Gibbon received the outstanding lineman award?

Do you realize how these facts show that it was a team victory, a swell season, and a grand group of guys?

Basketball

FIRST ROW: BILL JOPKO, BOB PIERFELICE, MR. COVER, DON ROBINSON, CARL NICELY, BILL PASCO.
SECOND ROW: EUGENE MANN, DALE GIBBON, RONALD QUIRK, DAVE BEHM, DICK BATES.

CONTINUING Madison's victories, the basketball team struggled through a difficult season to tie with Chardon for the league championship. In game after game, the Blue Streaks came from behind to win in the last few minutes. It was an exciting season and the boys played hard in every game. Besides being the Western Reserve co-champions, they have the added distinction of being the only team in the league that could beat Chardon. This year's championship teams have set an example which we hope the future teams of M. M. H. S. will successfully follow.

RAH, MADISON!

As the boys in blue come out on the floor;
The people from Madison stand up and roar.

After minutes, it seems, the warm-up is over,
Then the boys get together with Mr. Cover.

It's seconds before the game shall begin;
The balls are thrown in and "it's out to win!"

The cheerleaders, dressed in traditional colors;
Hope their cheers will help our boys out-play the others.

Madison takes the ball and is off like a streak;
The opponents tighten their defense, (which seems weak),

In hopes they can stop the Madison five,
Because right now the score is tied.

Though the minutes left in the game are but four,
Madison doggedly raises the score.

And there goes the winning point for Madison!
Was it Pasco, Jopko, or Robinson?

As the crowd goes passing by
I know not whether to laugh or cry.

Whether it's football or basketball it's still the same,
We're in there punching to win the game!

So win or lose we heave not a sigh,
But keep on plugging for ole Madison Hi.
