Alma Mater

Oh, we love our Alma Mater,
Alma Mater fair and true,
And though we wander far away
We'll often think of you.

From the day we entered high school
To the day we'll say good-bye,
Our memories have gathered
Like the clouds in the sky.

Though life be sad or gay
Our thoughts will always be
Among the friends we knew so very well.
No matter where we roam,
No matter where we stray,
Our memories of Madison will stay.

Oh, we love our Alma Mater,
Alma Mater fair and true,
And though we wander far away
We'll often think of you.

In Memoriam

R. G. RYAN

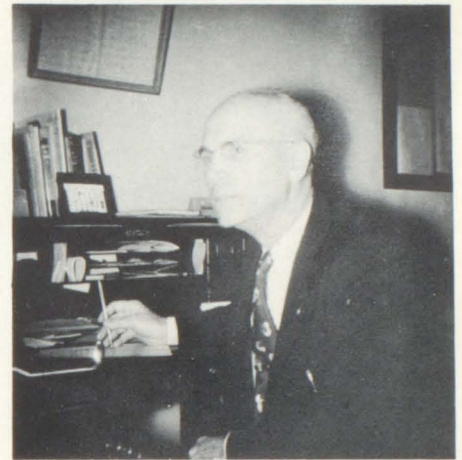

*W*E know no man whose life has influenced so many people. As a missionary, minister, and teacher, this man will be long remembered as one of Madison's most loved and respected citizens.

“His death is our loss,

His life should be our lesson.”

We humbly dedicate this yearbook to “Pop”
Ryan.

Admiral

A really great man once said, "You Can't Grow Petunias by Stomping On Them." This man was talking on human relations and I think it was the most Common-sense talk I ever heard on this subject.

Humans, like petunias, grow and flourish when the climate is warm and friendly. We have come to the notion that we learn all over; that we can't be split up. We have changed to the concept that learning isn't atomistic at all. It is organismic. We learn all over. We learn as a whole. Youngsters may not just become conditioned to facts. They may be learning to hate the teacher, to hate arithmetic. They may be learning to hate school and to cheat. They are learning all kinds of things at the same time we think that we are drilling them--conditioning them.

If we can successfully teach Readin', Writin', 'Rithmetic, and the fourth "R", Human Relations, we will have done our job. I feel that our job as leaders is to carefully and sanely evaluate all these things that we are so interested in as educators, and then do our job of selling them to the people. I think it will take some courage.

Class History

ON a bright and sunny day in September 1948, a group of excited and eager freshmen entered the portals of Madison High to start their years as high school students. We entered with the will and determination to make a success of the years that lay ahead. Our officers elected for the year were: President, Bob Frink; Vice President, Bob Reese; Secretary, Marilyn Ferrick; Treasurer, Betty Raveling. Student Council was represented by Marilyn Woidtke, Sue Brichford, and Bob Frink. Our class colors were red and white; our flower, the red rose. Our advisors this year were Mrs. Behm and Miss Pipas. Our social events of the year were a skating party held March 15 at the Austinburg Rink, and a class party in May at Tuttle Park. Thus we come to the close of our first year at Madison High.

September 1949--and again we enter the portals of Madison High, this time as sophomores. This year we elected the following officers: President, Bob Pierfelice; Vice President, Bill Pasco; Secretary, Marilyn Ferrick; Treasurer, Bob Frink. We elected Clifford Van Dyke, Pat Miller and Bob Pierfelice to represent us in Student Council. Miss Lothian and Mr. Moritz were our advisors for the year. Our biggest social event of the year was the Sophomore Carnival held on April 14 at Homer Nash Kimball gym. A class party was held in May at Madison-on-the-Lake. Half of our years at Madison High were now at an end.

September 1950--we entered Madison High this time as upper classmen--- Juniors! Our big project for this year was to raise money to sponsor the annual Junior-Senior Prom. Mr. Cover and Mrs. Custer were our advisors and we elected our officers as follows: President, Clifford Van Dyke; Vice President, Bill Swertfager; Secretary, Marilyn Ferrick; Treasurer, Bob Frink. Representing us in Student Council were Clifford Van Dyke, Bill Pasco, Margaret Mavko, and Bill Swertfager. To meet the problem facing us--"How to Raise Money"--we sold stationery, magazines, and candy. On December 7 and 9, we presented the Jr. Play, "One Too Many". Now our big problem--The Prom. After many discussions and meetings, we finally set the date as May 26 at The Unionville Tavern, and we think this Prom was one of the greatest one's yet. So we come to the end of our Jr. year and we have only one more to go.

September 7, 1951--again we embark upon the portals of Madison High for our last attempt to prove what we said we would do to make a success of our four years. We are now seniors--the highest rank to be achieved. What did we do this year? Let's see--Mr. Barr, senior advisor, had charge of us. We elected the following officers: President, Bob Frink; Vice President, Peggy Jones; Secretary, Marilyn Ferrick; Treasurer, Margaret Mavko. Student Council was headed by these seniors: Peggy Jones, Martin Rand, Cliff Van Dyke, Bob Pierfelice, and Bob Frink. The problem facing us was the Cauldron, and we elected Pat Miller as editor. We all worked very hard to put out a good yearbook. We also held several class parties throughout the school year. The dates for our Senior Play were May 2 and 3. The prom this year was on May 16 and we were the guests of the Juniors, whom we thank for their grand Prom. This is now the end of the trail; we leave Madison Memorial High School behind us as we slowly march up the aisle on May 29, 1952, to receive those long awaited diplomas. Thus we close the history of our years at Madison and each of us will begin a new history of the future.

Joan Shinsky

Prophecy

I, Robert Pierfelice, received a notice from the Economic Recovery Administration that I was to leave for France on July 25, 1962, to engineer a new project which the government was building.

The day before we left, I went to get my hair cut by my favorite barber, Carl Nicely, who by the way is married and living in Madison.

Leaving the children with their tutor, Sue Brichford, we left for Cleveland. We stopped at North Madison to get some gas at Bill Clark's Hi-Speed Station. In Painesville we stopped at Sear's to pick up a few last minute items. I discovered that Ed Wentzel is the new manager of the store.

I stopped in Cleveland to see my lawyer, who is married to Nancy Kless. His secretary, Ruby Claypool, was one of my high school classmates. Our business settled, we left the car at Art Luhnnow's Garage for the duration of the trip.

Boarding our plane for New York, we were surprised to see that Carol Cooper was the stewardess. Carol, by the way, is still looking for an eligible pilot. When her duties were finished, she stopped to talk with us about "the good old days." She informed us that Ted Eland was piloting our plane.

I asked Carol if she still had contacts with Peggy Jones. She said yes, that they had been writing regularly and that Peggy is now a nurse to Drs. Bob Frink and Bert Cochran, who have a joint office in Cleveland, Ohio. About a month before our trip Carol said that Barbara Jerome, now a registered nurse, had flown to England accompanying a wealthy convalescent. Carol also told us that Barbara Fischer had recently flown to Ireland to marry her five-year pen pal, and that Betty Raveling had married a doctor whom she had met while in training.

Carol wondered if any of our classmates were still living in Madison. I told her that Anne Sabo is the physical education teacher at our old Alma Mater, Tom Flanigan is a reputed auctioneer, and Dick Harmon is a carpenter working on a housing project. I also told her that Bob Janezic owns a large dairy farm, Judy Cone is married and living in Fairport, and that Kay Donna Kurtz is a housewife caring for her three children. She wasn't surprised to hear that Tony Malnar had made a career of the army and is now a major, but she was very surprised when I told her Martin Rand had developed a new plant which botanists have been attempting to develop for years.

By now we had neared New York and Carol had to leave us to prepare the passengers for the landing.

After leaving the airport, we were looking for a place to stay when we noticed a hotel that had a familiar name, "W. A.'s Hotel." After we registered we were taken to our room by Bill Vaughn, the bell hop. We were much surprised to find him working here and he told us that Bill Swertfager owned the hotel but was down in Florida with his wife taking things easy. Then it dawned on us why the name of the hotel had sounded so familiar.

In need of relaxation my wife left for the nearest beauty salon and I asked Bill Vaughn where there was a good steam bath. He said that there was an excellent one just around the corner from the hotel. You could have knocked me over with a feather when I discovered that Bob Madden managed it! Much relaxed after my steam bath I settled down to read the "New York Times." I turned to my favorite section, the sport's page, and the headlines aroused my interest. They read, "Charlie Becker Wins Heavy Weight Bout." The writer of the article was none other than Bill Pasco. As I was reading human interest stories I noticed that Catherine Nash, a social worker, had found an abandoned baby. Just then my wife burst in full of excitement. It seems that the beauty salon that she had gone to was owned and operated by Carolyn Lonser and Joan Shinsky and that they had told her that a great Broadway hit, starring Barry Brumbaugh, was featuring music written by Patricia Miller, I was glad to hear that so many of my classmates were so successful.

For entertainment that evening, we went to the Latin Quarter for dinner and dancing. The floor show starred a new dancing team, who had been discovered by Carole Dill, a renowned rumba instructor. Dancing in the chorus line was Donna Eager, who was voted as "the girl with the nicest legs" when we were seniors in high school.

The next morning before boarding the Queen Elizabeth we went through customs where our goods were inspected by agent Joe Kaferle.

Aboard ship I decided to read the latest issue of Life, whose new editor is Marilyn Woidtke. Leafing through the pages, I saw Doraldine Herlin's sparkling smile in a tooth paste advertisement. One of the main features of this edition was an article about the Kentucky Derby. Being interested in horse racing, I read the article and found that the winner was Blue Diamond, owned by Marilyn Ferrick of Phoenix, Arizona. My wife was admiring an outfit modeled by Margaret Miller.

In the recreation room that evening, we met Tom Gress. His agent, Paul Williams, had scheduled him to race in the famous "International Hotrod Races" in France.

The first thing I did upon my arrival in Paris was to report at the office of the Economic Recovery Administration. Also reporting at the office was a young chemist. He and his wife, the former Margaret Mavko, had just arrived by plane.

We had dinner at the famous Rue de Pax; just as we were comfortably seated, who should come walking in but Phyllis Kenyon evidently in search of excitement. The first thing my wife noticed was her beautiful gown. Later, when she stopped at our table, she told my wife that it was a Dame Creation. The waiter approaching our table was none other than Eugene Mann. After he had served us he informed us that we were eating honey which had come all the way from Clifford Van Dyke's honey farms in Ohio.

It seems as though I've seen or heard of everyone of my graduating class except Edna Kelley. Everyone seems to have lost track of her.

As I look back I am willing to bet that when we were seniors we never dreamed we'd be where we are today.

Junior Play

ON the evenings of November 30th and December 1st, the Junior Class presented their play, "Jumpin' Jupiter", under the direction of Mr. Ted Grafel.

The play centered around three girls who shared an apartment in a theatrical district of New York City. Each girl had high ambitions. Abby wanted to become a singer; Dot, a dancer; Pat, an actress. All three were jobless and penniless, when Pat, the curious one, accidentally discovered a bundle of ransom money in an old ash-can. Bob and Mollie, the landlady, were at the girls' apartment when they opened the package.

How they tried to get rid of the money and then tried to catch "Baby-Face" Ben, the kidnapper, made a very interesting play. When Irene Manning, the kidnapped girl, was delivered at their apartment door they were really in trouble. How all things cleared up made a very amusing play.

The members of the cast were:

Abigail Baker, a singer	-----	Permelia Dixon
Dorothy Preston, a dancer	-----	Barbara Keyse
Gilda, the maid	-----	Jeanette Wilson
Minnie Mildew	-----	Myrna Raveling
Robert Wright, a musical comedy writer	-----	Dave Behm
Mollie Malone, the landlady	-----	Vivian Barber
Patricia Arnold, an actress	-----	Carolyn Ritola
Messenger Boy, sings a message	-----	Dick Bidlack
Policeman, a visitor	-----	Bob Wickert
Oscar Bimbleton, an astrologer and magazine salesman	-----	Alfred Nicely
Irene Manning, the kidnapped girl	-----	Marilyn Quirk
Ben, who wants to be bold and daring	-----	Bob Kemerait

Every member in the cast played his part well, and the play was a success.

AFTER a weekend jaunt to Columbus and the State Fair, the band returned to busily prepare for the football preview which was held at Hickock Field the first week of school. Fifty-two members in new white jackets and five peppy young majorettes highlighted the halves at seven games, both at home and away. A ten-piece pep band was also formed for assemblies.

After the football season, the band started preparing for the Winter Concert. The following officers were elected:

President- Sue Brichford

Secretary- Carolyn Sidley

Publicity Manager- Carolyn Ritola

Business Manager- Tony Incorvati

A Banquet for the band members was held February 14. The band had a very successful year.

Football History

AUGUST 20, 1951 we filed onto the field for our first day of practice under our new coach, Mr. Rickelman, and his assistant Mr. Cover. It wasn't long before the team began to take shape. We were champs last year and we were out to keep that championship for another year. It was hard work, but it was worth it.

Sept. 14

We played Perry on our field and were victorious. Pasco scored the first touchdown on a ten yard sweep. Izzarelli followed to tie the score 13-13 with a 16 yard jaunt. Pasco went 80 yards in the fourth quarter as we won 18-13. We took the "Little Brown Jug" back to Madison High.

Sept. 21

We went to Chardon to drub the Hilltoppers 38-6. Izzy paved the way that night with three touchdowns. Pasco scored two and Frink received a pass from Behm on the five and stepped into the end zone for our final tally.

Sept. 28

This was the one game we wanted to win more than any other. We battled Wickliffe all the way only to see our unbeaten season ruined as the Blue Devils set us back 18-12. Nicely gave us all he had that night scoring twice on line bucks.

Oct. 5.

We took a breather as we swamped Geneva Spencer 69-0. Five of our men got into the scoring column that night as Pasco scored four, Izzarelli 3, Nicely 2, Behm 1 and Mann 1.

Nov. 9

The final game of the year was with Perry. The Pirates were out for this game and played way over their heads but we finally overpowered them 13-6. Pasco scored both touchdowns and Norm Smith booted the extra point.

This ended our season, the finest in Madison history. Seven wins, one loss, and one tie, a record that we will long be proud of.

Oct. 12

We met Ashtabula Edgewood on our own field and sent them limping home with a 37-0 licking. Pasco led the scoring that night with three touchdowns, Izzarelli followed with two and Dave Shahan galloped 73 yards for our final score that night.

Oct. 18

Jefferson came into town with a big team but went down in defeat as Nicely paced the way with three touchdowns and Izzy and Frink added one apiece to send the Falcons home nursing a 33-12 swamping.

Oct. 26

This was the game we had to win to stay in the championship running. Kirtland was supposed to have the big boys. We took measure of them and won; going away 27-13. Pasco scored twice and Nicely and Behm added one apiece.

Nov. 2

We battled Windham through a blizzard but neither team could score. Hampered by a wet, slippery ball and freezing fingers our offense just couldn't get rolling. The final gun sounded with the score 0-0.

Seniors

DICK HARMON Co-Captain

Dick played tackle on offensive and was a center line backer on defense. He was one of the best linemen in Madison High history. He was on the Western Reserve All League Team in his junior and senior year. In both his sophomore and senior year, he received the most valuable line trophy. Many opposing linemen will remember Dope's hard blocks and clean sportsmanship.

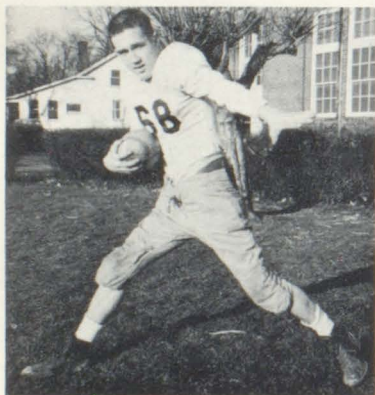

EUGENE MANN

Gene transferred from Spencer in his junior year and played his first football for the Streaks. In his junior year he made the varsity and in his senior year played defensive halfback and filled in as quarterback with plenty of know how when called upon.

BILL PASCO Co-Captain

Wart played four years of football, three on the varsity. He played offensive fullback and defensive safety man. In his junior and senior year he was on the Western Reserve All League Team. He was also voted the most valuable player of his last two years.

BUZZ NICELY

Buzz played three years of football for Madison, two on the varsity. He switched from end to halfback in his senior year and played a major role in winning some of Madison's vital games. A fast, elusive runner, he was always a threat.

TOM FLANIGAN

Tom played only one year on the team. He did his share of the work and played a good defensive game as well as some offensive play at center.

BILL SWERTFAGER

Bill was a defensive center and played three years of football, one on the varsity. He was a vital spot in the Streaks defensive line.

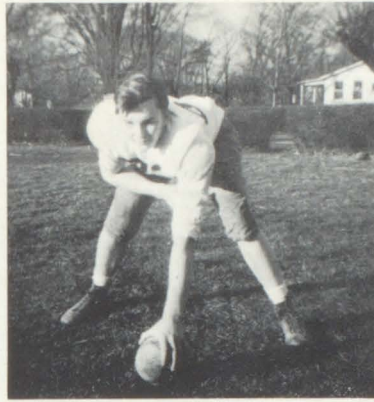

MADISON HARDWARE

Next Door To The A & P

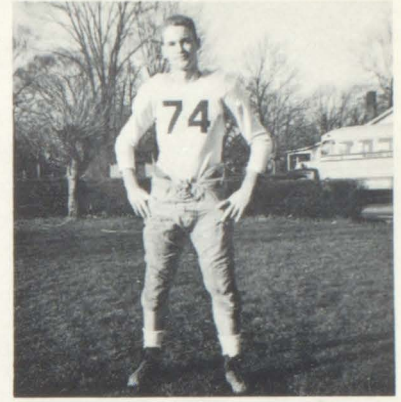

CLIFF VAN DYKE

Cliff played two years on the Madison Varsity. He played offensive and defensive end. You could always depend upon him to do his share of the work and give all he had for a victory.

MARTIN RAND

Martin played four years of football, three on the varsity. Mart played defense his first two years and offensive center in his senior year and will be a hard man to replace in the Streaks lineup.

BOB FRINK

Bob was the only senior this year who has played four years of varsity football for Madison. Doc played offensive and defensive end and was one of the finest players and sportsman we had.

CARL NICELY

Buzz played two years on the J. V's. and two on the varsity. A high scoring forward, Buzz was one of the best shots in the league. He was the top scorer in the district in his senior year. We will long remember his spirit and will to win.

BILL PASCO

Bill is the only member of this year's squad with three years on the varsity. Bill's floor game and his persistent scoring was a threat to the opponents. Bill will be remembered for his team spirit.

BOB FRINK

Doc played three years of basketball, two on the J. V's. and one on the varsity. As a guard he was a fine ball handler and a good defensive player.

BOB PIERFELICE

Perf played two years on the J. V's. and took over a starting position on the varsity in his junior year. One of the tallest men on our team, he did a lot of good rebound work for the Streaks and scored his share of points as center.

THE Madison High School basketball team opened their season at the new Riverside gym. The big floor and the well seasoned Riverside team proved too much for the Streaks. The Cagers next encountered the Class A Mentor Team, and came away with a hard fight for victory. Geneva was their next opponent and they took measure of our team in a close contest. Next came the first of the Western Reserve League games. Our boys won all their league games until Chardon downed them. After Christmas they lost two more league games, thus dropping to second place in the league.

In the way of victories they won independent games from Dorset, Rock Creek and Thompson; and dropped decisions to Spencer and Ashtabula Harbor.

This year the Blue Streaks played in an invitational tournament at Windham. Although coming out on the short end of two games, the team had a good time on the trip.

There were no outstanding players, but Buzz Nicely was high point man in the Cleveland Area. The 1951-52 Blue Streaks team had four seniors and six juniors. The four seniors are Carl Nicely, Bill Pasco, Robert Pierfelice and Robert Frink.

Lack of height was a big handicap this year. The team, however, had lots of spirit and fight. These factors were instrumental in winning ball games for them.
