Alma Mater

Oh, we love our Alma Mater,
Alma Mater fair and true,
And though we wander far away
We'll often think of you.

From the day we entered high school
To the day we'll say good-bye,
Our memories have gathered
Like the clouds in the sky.

Though life be sad or gay
Our thoughts will always be
Among the friends we knew so very well.
No matter where we roam,
No matter where we stray,
Our memories of Madison will stay.

Oh, we love our Alma Mater,
Alma Mater fair and true,
And though we wander far away
We'll often think of you.

MR. DONALDSON

DEMOCRACY is not a salute to the flag of the singing of patriotic songs or the study of the dry bones of government, important though these things may be. Rather, it is playing the game, not letting the other fellow down, a give and take, a living together as friendly neighbors. For only through you may it come to pass that the power and the glory of this precious concept of democracy may not perish.

Class History

HOW well we remember that first morning we entered M. M. H. S. as Eighth Graders! As we entered the crowded halls, we all had the feeling of insignificance. There were so many people, and so many rooms! One day we managed to all end up in the same room, and realized this was the opportune time to elect officers. Elected that year were: Pres., Jim Klingbeil, V. Pres., Chuck Booth, Sec., Carolyn Sidley, Treas., Anthony Incorvati, and Student Council Representative, Marjorie Raveling. During that first month, everything was so different and strange that it seemed we'd all have inferiority complexes, but after a party at Watson's, we became better acquainted, and gained enough courage to keep our chins up and face those upper classmen together. With the help of our homeroom advisors, Mr. Meyer and Mr. Brockett, we sponsored activities to start funds for the future. We also became ardent toboggan fans and traveled to Chardon for a cold but enjoyable time. A wonderful class picnic at Buchanan's brought to a close our first year at M. M. H. S.

Next year we were Freshmen--really in high school now! Homeroom teachers this year were Mr. Kilpatrick and Mrs. Behm. Jerry Hejduk was our class president, and other officers were: V. Pres., Jim Klingbeil, Sec., Mary Jane Watson, Treas., Mary Bukky, and Student Council Representative Dave Buchanan. Our activities consisted of a skating party at Austinburg, and another toboggan party. Thus this year, a valuable one to all of us, came to a close with our class party at Buchanan's.

Time was fleeing, and already we were Sophomores! "Stew" Buchanan led us through a happy and successful year. Our other officers were: V. Pres., Jim Klingbeil, Sec., Mary Bukky, Treas., Jim Kinkolph, and Student Council Representatives Dave Buchanan and Jim Klingbeil. Then, as "money-making" projects we sponsored a skating party at Austinburg, a carnival in the H. N. K. gym, and the original Amateur Talent Show for Students. After all this work, we treated ourselves to another toboggan party. Mrs. Trescott and Mr. Rickleman, our homeroom advisors, helped us greatly through this year. Mrs. Buchanan's lemonade has won fame as something we looked forward to at our annual picnics at Rowland Beach, or better known to us as Buchanan's Beach.

Our Junior year was a big year for us! Throughout the year we made lots of money by selling magazine subscriptions, candy and stationery. Officers for this year were Pres., Jack Austen, V. Pres., Karen Cone, Sec., Mary Bukky, Treas., Dave Buchanan, and Student Council Representatives Carolyn Sidley, Jim Klingbeil, and Jerry Hejduk. Homeroom teachers this year were Mr. Andrews and Mr. Cover. We worked like Trojans to put on our three-act mystery comedy play "Room 13" and enjoyed every minute of it. This year we started what we hope will become a tradition--the basketball homecoming dance called the "Basket Ball". Mary Ann Dynes was chosen to reign as queen, and Mary Jo McCormick, Sally Mavko, and Nancy Dixon were her attendants. May 15th was here! Our Prom! It was everything we had dreamed it to be. It was held at the Madison Country Club. After this, we had a Post-Prom Party and breakfast at the Elks Club in Painesville. Jerry Hejduk and Jim Klingbeil were sent to Boys' State this year, and Carolyn Sidley attended Girls' State. Even with all the work on our many activities, we had time for a couple class parties. Our Junior year came to an end with a swell class picnic at Buchanan's.

Seniors! Our last year of high school, and we find that it isn't as thrilling as we thought because each one realizes that after this year we will never be able to come back to M. M. H. S. as students. Lee Stewart was elected as president for our last year. Other officers were: V. Pres., Peg Shane, Sec., Mary Ann Dynes, and Treas., Tom Sparr, and Cauldron Editor, Nancy Roth. Stewart and Dave Buchanan, Mary Wright and Carolyn Sidley served on the Student Council for the year. Our first activity was the Homecoming Dance following the Madison-Kirtland game. Carolyn Sidley was voted to reign as Football Queen, and her attendants were Mary Bukky, Helen Hummel, Mary Ann Dynes and Mary Wright. Our Senior play was a great success. As we look back upon our years at M. M. H. S., we shall remember and cherish every wonderful moment. We shall remember also the times when things seemed discouraging, but from these things we grew up. We feel capable to meet the years ahead because of the lessons learned and past experiences in the classrooms, on the football field, in clubs, and in other school activities. Now we must leave all these behind to go on using the knowledge we've gained. In the traditional blue and white caps and gowns, and to the strains of "Pomp and Circumstance", we march to receive our symbols of achievement--our diplomas. In whatever field we choose, we shall always remember what we owe to our alma mater. Thank you, M. M. H. S.

Class Prophecy

WALKING home one day from my work as a file clerk at Dave Nelligan's Golf Ball Manufacturing Company, I noticed with interest a new establishment in the center of town. Amused by the sign "Fortunes Told", I decided to be one of the fortune-teller's first customers. What a surprise for me to see seated before the crystal ball--Mary Lou Massey who was recognizable even behind her dark veil. Coming out of my daze I chatted with her a few minutes and then I requested her to gaze in her crystal ball and tell me what all my old classmates of Madison High are now doing. This is what she told me.

In a new hospital financed by wealthy philanthropist, Alva Shahan, are nurses Peggy Shane and Karen Cone, and medical technologist, Mary Jane Watson.

Classmates who joined the sports world after graduation were Jack Austen and Bill Booth, pro football players, Jerry Hietenan, prize fighter, and Gordon Head, wrestler.

Carolyn Sidley is doing wonders in the New York slum area as a socialologist where Stew Buchanan is building many new homes at low prices for the people.

Band leader Howard Donaldson and vocalist Dave Buchanan are touring the country, and are now at the Copa Banana, owned by Al Olsen. Mary Wright is employed there also as a hat-check girl.

Helen Hummel has been engaged to paint portrait of President "Honest" Jack Finley, the shortest president ever to occupy the White House. Secretary of the Treasury, Lee Stewart announced that since "Honest Jack" was inaugurated their National debt has been paid off and the United States is finally making money.

Gloria Luikart has recently made her debut as pianist in the All-Girl Orchestra.

The famous animal Clinic of West, Klingbeil and Branicky has recently announced that they are specializing in French poodles. Mary Bukky, famous beautician has been giving the dogs "poodle cuts" and manicures.

Naomi Harvey, missionary penetrated the deepest part of Africa only to find Jerry Hejduck, expeditionist, there to meet her. He informed her that he was searching for a zooliculetural bug.

Of special interest to all the people who are plagued by the bite of the zooliculetural bug is the discovery of serum X60 by Tom Urso. Tom announced if the serum is applied immediately after the bite one's chances of living are greatly increased.

Wealthy Florida manufacturer Mary Ann Dynes' private secretary Eileen Shinsky, revealed today that their company will make the serum available to the public as soon as possible.

The first feature picture to be shown this year at the new Warren Prince Theatre in Chicago is "Private Secretary" starring Norma Morgan and character actor Robert Hayes.

Much public claim has been given to newspaper reporter Nancy Roth for aiding F. B. I. Chief Jerry Mier in recovering the \$30,000 stolen from Don Mitzell's Self-Service Station.

Tom Throop's latest book "The Tallest Tales" has become an overnight best-seller. The novel is of such simplicity and sincerity that the reader is compelled to read it from cover to cover before laying it aside.

The dude ranch of Texan Ray Peters has been attracting vacationers from far and wide. Among the dudes visiting there now are JoAnne Butler, Broadway actress, food connoisseur Walter Rooks, and hydrogen scientist Jim Kinkolph.

Barbara Berta's manager, Shirley Johnson, announced to the press recently that the Tennis Champion will make a cross-country tour of the major cities very soon. All proceeds from the appearances will go to charity.

My visit with the fortune teller over, I felt that I had never lost touch of my old classmates. Happy over the success of the class of '54, I walked home that night with much lighter steps.

Junior Play

*A*FTER many weeks of practice, the Junior Class presented their three-act comedy play, "Hillbilly Weddin", under the direction of Mr. Theodore Grafel, on the evening of November 20th.

The play took place in the hills and portrayed the story of problems facing an anxious father, trying to marry off his three eldest daughters.

Complications set in, but after a series of hilarious events, Ceelie ends up with a husband, Bonnie Mae with a nursing career, and everyone just plain happy.

An excellent performance was given by all.

Sports History

ON August 20, 1953 Coach Rickelman issued his annual call for football players. We had lost most of our team through graduation but the new boys worked hard and soon shaped up into a fine team.

September 11

We opened the football season with the W. R. L. preview at Chardon. The team looked fine in the short scrimmage as they battled Chardon 0-0.

September 18

Our first game was with our arch rival, Perry, for the Little Brown Jug. Madison went down to defeat under Perry's power. Bob Booth made the first Madison score of the year on an exciting 20 yard jaunt. Madison's final tally came when Jack Austin intercepted a Perry pass and ran it back for a touchdown.

September 26

Madison went down to defeat under a powerful Riverside eleven 20-6 with Madison's only tally coming on a "Dave Hayes to Chuck Woidtke" pass in the fourth period.

October 2

Kirtland journeyed to Madison to play the twice beaten Streaks for their Home Coming. Morale was low as we went down to defeat 45-0.

October 9

The winless Spencer Wildcats travelled to Madison and downed a stubborn Blue Streak eleven 7-6 with Bob Booth scoring from ten yards out.

October 16

The Blue Streaks stinging from four straight defeats met and defeated the highly favored Edgewood Bulldogs 6-0. The game was topped by terrific line play. After three scoreless periods, Jack Austen blocked an Edgewood kick and several plays later Bob Booth scored giving Madison their first win of the season.

October 23

The resurging Blue Streaks met and tied an undefeated Jefferson eleven 6-6. After three uneventful quarters both teams bit the searing column. Chuck Woidtke got the honors for Madison on a lateral from Bill Booth on the two yard line.

October 29

Madison travelled to Chardon to play the powerful Hilltopper team and dropped the fifth game in seven tries. The Streaks scored with Hayes scoring the touchdown and passing for the point after in its first period. Late in the fourth period Chuck Woidtke scored but too late as the Streaks went down to defeat 24-14.

November 6

A badly injured Blue Streak eleven limped to Wickliffe to face the winless Blue Devils. Wickliffe jumped to a twenty point lead at half time. The Madison defense finally found themselves in the second half as they played Wickliffe even with each team scoring 6 points in the fourth quarter. Woidtke got the Madison scoring honors as the Streaks went down in a hard fought game 26 to 6.

Good Luck

November 13

The keyed up Blue Streaks traveled to Perry to play the undefeated Pirates. The Madison defense held the Pirates well in check with the Pirates leading 6 to 0 at half time. After a scoreless 3rd period the bottom dropped out from under the Streaks as Perry scored 33 points in the final period to beat us 39 to 0 and win the W. R. L. championship.

The team ended up with a record of 1-7-1 for a not too successful season but a well remembered one.

Coach Rickleman's Quint had a fairly even season. Having a little trouble at the beginning, the team worked hard and at the end of the schedule, they became a definite threat to any team in the league.

JOHN AUSTEN NO. 88

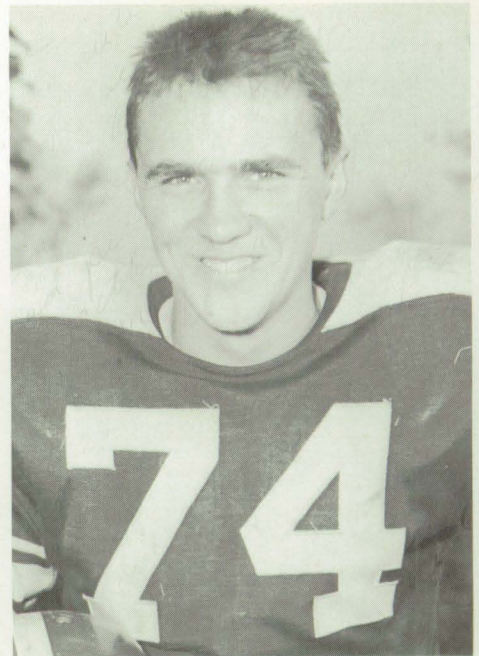

“Herb”, who was co-captain, and the only four year man on the team, secured the right tackle position on the all league team. With all these qualifications behind him, he was definitely our big gun.

STEWART BUCHANAN NO. 90

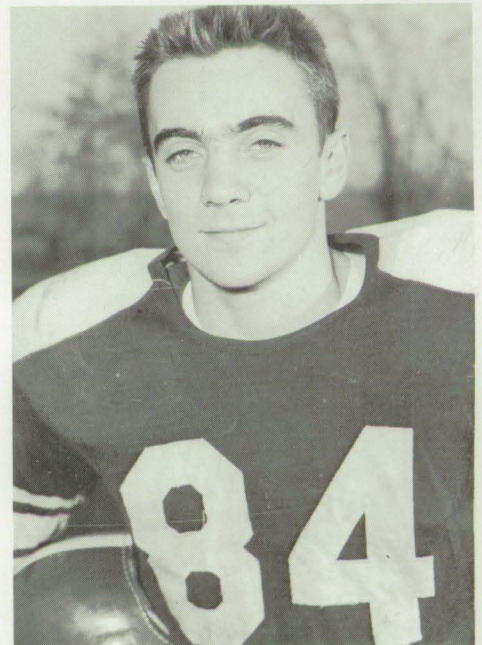

“Bruno” played his second year on the varsity and although he did not always come up to his opponents in size, he proved by far that he could snag passes with the best of them.

I. G. A. SELF-SERVE

WILLIAM BOOTH NO. 74

“Slugger” was co-captain and the only senior backfield man on the team. This was his second year on the varsity and by his fine running, turned out to be a big wheel in the Madison machine.

GERALD HEJDUK NO. 84

“Harold” has played three years on the varsity and made All League honorable mention in his senior year.

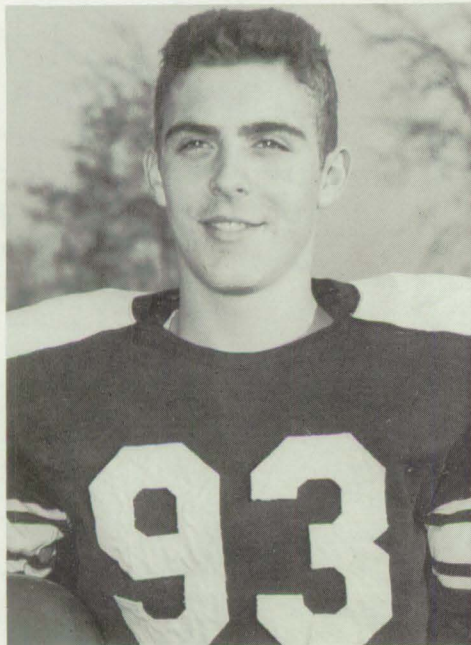

Best Wishes for a Successful Future

N. Madison, O.

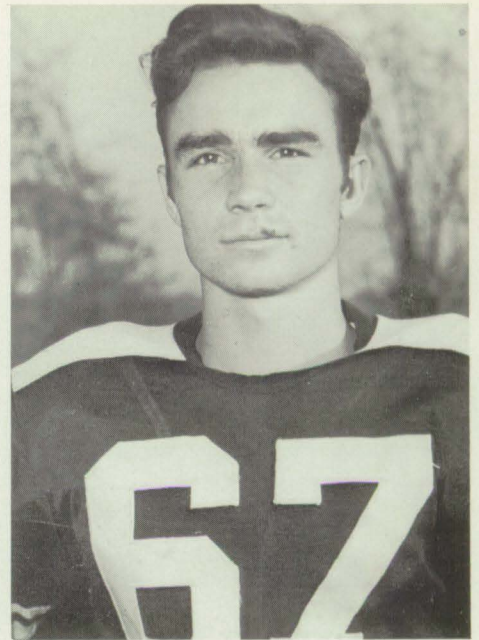

JAMES KLINGBEIL NO. 76

“Killer” has served three years on the team and has played four different positions. From his fine play-calling this year, he proved himself to be the best strategy man on the team.

THOMAS SPARR NO. 93

“Whittie”, although being plagued with injuries, came back to win his second varsity letter. He proved to be very helpful to the Streaks in the few games that he played.

DONALD MITZELL NO. 67

“Mitz”, being away for a year, was only able to get one year's action on the Blue Streaks varsity. Don's keen defensive eye was a definite asset to the Streaks.

LELAND WEST NO. 78

This was “Lee's” first year of football for the Streaks. He had the desire and showed great improvement throughout the season.
