# IN MEMORIAM

With thoughtfulness, we wish to include his picture among those of the class of 1955, and the other many friends here, so that memories will linger and be complete. To Larry Hupertz we dedicate this, our yearbook.

MEMORIAL  
LARRY HUPERTZ  
CLASS OF 1955

#### ALMA MATER

Oh, we love our Alma Mater  
Alma Mater fair and true,  
And though we wander far away  
We'll often think of you.

From the day we entered high school  
To the day we'll say good-bye,  
Our memories have gathered  
Like the clouds in the sky.

Though life be sad or gay  
Our thoughts will always be  
Among the friends we knew so very well,  
No matter where we roam,  
No matter where we stray,  
Our memories of Madison will stay.

Oh, we love our Alma Mater,  
Alma Mater fair and true,  
And though we wander far away  
We'll often think of you.

MESSAGE TO THE SENIOR CLASS

Much of the confusion in our lives comes because we do not have a true perspective of things. The problems that confront and baffle us may become barriers to a complete and useful life, or they may be only experiences, which will enrich us and make us stronger. Which they will be, will depend on our viewpoint. If we take "first things first," we will find ourselves more able to cope with events as they appear.

Sincerely,  
H. W. Donaldson

## CLASS HISTORY

On a warm day in September, 1950, we entered M.M.H.S. feeling small and out of place. Our Homeroom Teachers were Mr. Meyers and Mr. Brockett. To lead us through the year, we elected Sally Mavko as President and to assist her Dave Hayes, Vice-President; Janice Sidley, Secretary; and Tony Incorvati, Treasurer. Jim Stevens was chosen as our Student Council Representative. We treated ourselves to a hayride and a class picnic at Madison-on-the-Lake. The class awarded Sally Mavko and Joe Pocza with the Citizenship Awards.

Freshmen! We were very happy and proud to at last be a part of M.M.H.S. and we slowly overcame our fears with Mrs. Behm and Mr. Hagen acting as our advisors. For our officers we elected President, Joe Pocza; Vice-President, Sally Mavko; Secretary, Carol Jenkins and Treasurer, Mary Lou Hribar. Our Student Council Representative was Linda Behm. Early in the year we treated ourselves to a Soc Hop. (Will you ever forget Linda Behm and Slavo Ruzzic, who reigned as King and Queen?) As money making projects we sponsored a Skating Party at Austingburg and a successful Bake Sale. Early in May we had a May Day Dance, which turned out very well. We ended the year with a class picnic at Madison-on-the-Lake.

Entering our Sophomore year, we voted Linda Behm, President; Regina Kaferle, Secretary; and Chuck Woidtke, Treasurer. Our Representatives to Student Council were Linda Behm and Dave Braski. Our Homeroom Advisors were Mr. Rickelman and Mrs. Trescott. Getting down to business we had a Bake Sale and sponsored the Annual Talent Show and the Sophomore Carnival. We also had a Christmas Dance. Bringing the year to a close we had our class picnic at Madison-on-the-Lake.

September, 1953, found us back at M.M.H.S. as Juniors. We were proud to be Upperclassmen, but we knew that a lot of work lay ahead of us for this year was to be our biggest and busiest year. Our advisors that year were Mr. Andrews and Mr. Rickelman. We chose Dave Braski, President; Nancy Semones, Vice-President; Janice Sidley, Secretary; and Chuck Woidtke, Treasurer. To represent us in Student Council we elected Linda Behm, Sally Mavko, and Carol Jenkins. To raise money, we sold candy in the lower hall at noon and we also sold magazines and stationery. After the Magazine Sales we treated ourselves to a class party. After long hours of hard work and loads of fun, we put on one of the best plays ever presented at M.M.H.S.--"Hillbilly Weddin'." At the end of basketball season, we sponsored the annual "Basketball" Homecoming. The queen for the night was Betty Fish and her attendants were Martha Janovsky, Barb Bush and Mary Anne Dynes. At last the big day came . . . . May 15 . . . . The Prom. After long hours of planning and preparing we held our Junior-Senior Prom at Madison Country Club. It was a beautiful event and we will long remember it. Nancy Semones was chosen to go to Girls' State and Dave Braski and Dave Hayes were chosen to attend Boys' State. Bringing the year to a close, we had a wonderful class picnic at Sidley's Beach.

Returning to M.M.H.S. we were happy to be back but; we sadly realized that this was our last year. Our wonderful Advisors were Mr. Barr and Mr. Grafel. We re-elected Dave Braski as President and for his assistants we elected Chuck Woidtke, Vice-President; Carol Jenkins, Secretary; and Don Norris, Treasurer. We were represented in Student Council by Linda Behm, Sally Mavko, Joe Pocza, and Nancy Semones. Janice Sidley was chosen to be Cauldron Editor. After the Madison-Burton game we sponsored the annual "Football Homecoming." The team chose Betty Fish to reign as Queen and her attendants were Sally Mavko, Janice Sidley, Linda Behm and Nancy Semones. We continued selling milk in the lower hall at noon. Early in the year we treated ourselves to a class party. After many hours of work and many laughs, we finally presented our Senior play with the aid of Mrs. Trescott. It was a big success and we all enjoyed it! We had our class picnic and we all had fun. Slowly we walk away from M.M.H.S. our long-awaited diplomas in hand. We have much to thank M.M.H.S. for. She has taught us to get along and to strive for what we want. We leave her now to follow in our own paths.

## CLASS PROPHECY

On a cool morning in March, 1970, I went to the mail box expecting to find the usual assortment of miscellaneous mail when, to my surprise and pleasure I found a recent issue of "The Echo," Madison Memorial High School's paper. Scanning through the pages I noticed that they published an article on what the Class of '55 is doing. I glanced at those ever-so-familiar names:

SALLY MAVKO--fashion artist for Sak's 5th Avenue, New York. (This is no surprise, for Sally always did have the art ability.)

NANCY SEMONES--runs her own school for majorettes. (I bet they not only learn to strut and lead a band, but also get tips on personality.)

LINDA BEHM--at last fulfilled her one desire "to be a Mother to oodles of orphans." She manages the Tiny-Tot Playland Orphanage.

JANET BALCH--Chief reporter for the New York Times.

CAROL DAVIS--an Obstetric nurse at St. Luke's Hospital in Cleveland.

DAVE BRASKI--Ohio Representative. (Dave always acted like a Congressman.)

DAVE BINNIG--President of the Farm Bureau.

BILL VANDERVORT--Disc-jockey for WERE Cleveland.

WILLIAM GROF--Professor of Math at Ohio State University.

DAVE ERNST--Fuller Brush Salesman.

DAVE HAYES--Pro football player for the Cleveland Browns. He was recently voted the most valuable player.

JAMES WOITKE--Architect. (Yes, I saw in the papers where Jim has just completed the blueprints for the Whitehouse.)

RALPH BENEDICT--heads the R. L. Benedict Mining Company, South Africa.

CAROLYN DAVIS--popular Opera star. She is accompanied by DAVID LEET. Their next appearance will be at Opera Hall, Paris, France.

DON NORRIS--aeronautical engineer. He designed the latest jet passenger.

JIM STEVENS--jet test pilot.

CAROLYN FENNER--manager of the Fenner Riding Academy.

ANNA MAE RIGGS--M. D. in Logan, West Virginia.

TOM MITCHELL--star cyclist of the Rivero Motorcycle Daredevils Troup.

# Madison Edges Wickliffe, 13-6, in Final

By GEORGE BENAMAN  
Telegraph Sports Writer

MADISON — Madison High's Blue Streaks scored two touchdowns in the last three minutes of the first half to score a 13-6 victory over Wickliffe, in Friday night's "season finale" for both teams at Madison.

In a game marred by roughness and unnecessary fouls, play got so bad between the two teams that officials had to call time in the early part of the fourth quarter, escort both captains to the center of the field to shake hands, and go back to their huddle to warn teammates against further personal fouls. A total of 110 yards in penalties were walked off, with numerous other infractions

being refused. Three players were banished from the game. Wickliffe's only touchdown came three minutes after the intermission on a Ronnie Nasco to Tony Lastoria pass play that covered 36 yards. The Blue Devils carried the ball to the Madison 25 yard line and of... game to be... but two passes went... and Madison dominated... period to win.

The... started fast, moving... Wickliffe 29 after the opening kickoff... to fumble... the first scoring opportunity... Minutes later, a Blue Devil fumble gave them another chance, this time they moved to the loser's 21 before their second fumble.

Finally, with three minutes to go in the first half, Madison got the game's first... Dave Hayes picked off a... pass on the Madison... to the 48. Bob Booth altered... the Wickliffe 30.

Wickliffe hit... for three, and... got the two yards in two... the second one through a... hole at... tackle. The point plunge by Woidtke was no good and the Blue Streaks had a 6-0 lead.

Hayes continued to apply defensive pressure. After he kicked... following the score, the... halfback stormed downfield... crash into the Wickliffe receiver at the 32 yard line, causing him to fumble. Wickliffe recovered but seconds later Hayes grabbed another Nasco pass, this time his own 45, and with the aid of some downfield blocking, turned it to the visitors 17 yard line. With only a minute remaining before intermission, Keith Groves, filling in at quarterback for injured Norm Smith, fired a 16 yard scoring pass to the night hero, Dave Hayes who reached high in the right coffin corner to pull it in for the second score. On a fourth down and six to go gamble, Masco threw a flat pass to Tony Lastoria, a small but fleet halfback who plunged through a broken field yard run and a touch-down plunge for the extra point. Madison and Madison still...

Norm Smith and Chuck Woidtke seemed to have Madison's second half off to a walk. Wickliffe, meanwhile, was having difficulty with interceptions and fumbles at the wrong times. Backs Tony Aventi and Ronnie Holman missed the battle because of injuries.
