We'll Always Remember . . .

When sitting down to plan a yearbook the editors must keep in mind the true meaning of high school. To some, the social life may be the most important and most sought after diversion. In the yearbook these people are reminded of their interests with numerous pictures of various activities. To others, education ranks highest among high school interests. The special honors given to these students are also emphasized in the yearbook. To everyone, the past experiences of school days may be relived again and again when leafing through the yearly publication. In this Cauldron, designed with the 1959 class colors, black and gold, in mind, it is hoped that students and teachers alike will be reminded of past experiences that did so much to influence their futures.

Row One: Bill Springer, Bruce Gerred, Larry Cermak, Tom Coss, Farrell Gallagher, Gene Cone, and Ted McCormac. Row Two: Coach Clark, Doug Harper, Dick Carl, Barre Borer, Dave Van Resselaer, Tom Lowry, Dave Rudolph, Howard Elliott, and Gus Carl.

It's Bound To Get Better

Fans of baseball in 1958 saw almost an entirely new roster of players on the Madison team, as there were only three lettermen returning. The team also acquired a new coach, Coach Clark. Mr. Clark won the respect of all the players because of his knowledge of baseball. Although the team lacked experience, its spirit was high, and it was a favorite of all at Madison as it began its season play.

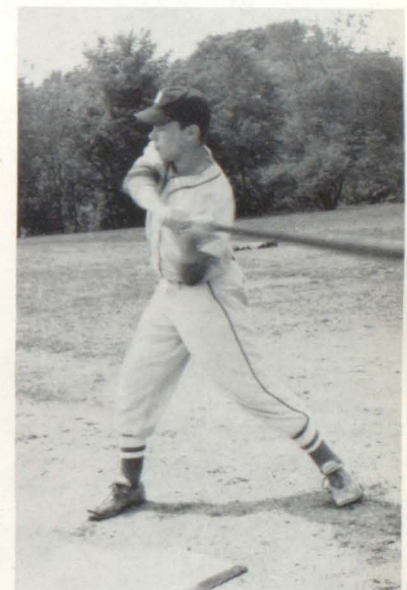

In the first game with Harvey the team was too eager and made five errors, helping Harvey win, 9 to 1. Their next encounter was with Riverside. Even though the boys played hard, the Beavers edged them, 11 to 10. At the end of the third game, played with Madison's long time rival, Perry, the team was again on the short end of the scoring, 13 to 7. In a pitchers' battle Madison lost a close one to Edgewood, 2 to 1. Then came the annual game with the faculty. The faculty won, but the team left the diamond saying that next year would be different. In the fifth regular game, Madison lost to Chardon, 10 to 2. The next game was with Warrensville and the Streaks were set back, 9 to 5. Harvey had no trouble scoring in the second game with them and Madison lost, 18 to 8. The team finally tasted victory in a duel with Edgewood. The final score was 4 to 1. The Riverside Beavers again dropped the Madison team in a hard fought game, 7 to 2. In the next game the team turned on full strength, but the Perry Pirates did the same, and Madison lost, 8 to 7. The team, however, hadn't given up. They showed us their spirit by nipping Burton, 6 to 4. The last game of the season was played with Middlefield. The Cardinals finished on top, 17 to 3.

Although the baseball team won but two games while losing ten, Madison High can be proud of them and can look forward to a promising season next year when many of the players return.

Faculty Increased

As the enrollment of our school steadily increases, our faculty must also increase. In reality, a new teacher experiences somewhat the same feelings as a new student, so while introducing the faculty we also welcome the new members.

New teachers this year are as follows: Mrs. Acker, home economics and commercial; Mr. Baker, science and arithmetic; Mr. Byers, English; Mr. Foote, driving; Miss Schieda, physical education; Miss Wentz, librarian; and Mr. White, social studies.

The Seniors will soon put to use the knowledge they have acquired during their high school years. Even though it was sometimes a hard struggle to meet deadlines on homework assignments, they thrilled to hear the praise of their favorite teachers for a "better than average" grade on the hardest assignments. In recognition of the faculty's contributions to their education, the graduating class of Madison Memorial High extends their "thank you."

Stairway To The Stars Prom Theme

After long months of timely preparation, the 1958 Junior-Senior Prom finally became a reality. The stairway to the stars created a dreamy atmosphere and also provided the background for pictures on this beautiful spring evening of May 17.

The age old tradition of an early dinner before dancing was done away with this year and only the dance floor of the Madison Country Club was occupied. Decorations included stars, clouds, and a silver moon.

Junior Class President, Tony Zubek, crowns Queen Judy Zakrajsik as King Steve Davis looks on.

The Grand March, led by Mr. Girton, gave faculty and guests a chance to see the beautiful gowns of the girls.

Dancing from 8:00 until 12:00 included jitterbugs, waltzes, the "Hokey Pokey," and an original promenade.

Punch, decorative sandwiches, and tiny cakes were served by the sophomore punch girls, Gloria Anderson and Paula Miles.

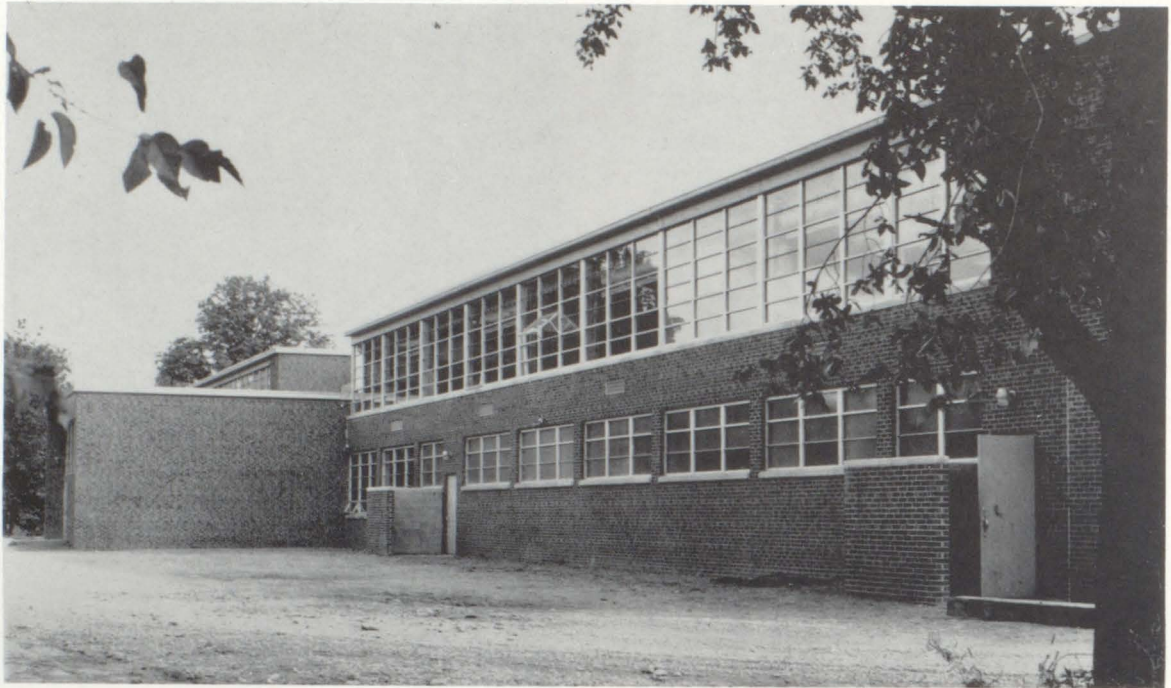

To complete the evening, the annual Post-Prom party, sponsored by the Parent-Teacher Association, was held at the Elks' Club in Painesville. Relief from the very formal Prom was enjoyed at the Post-Prom as everyone relaxed. Refreshments were served and dancing lasted until 4:00. "Biggy" Wilson acted as emcee. His jokes and entertainment kept everyone alert the remainder of the morning.

Six More Classrooms Added

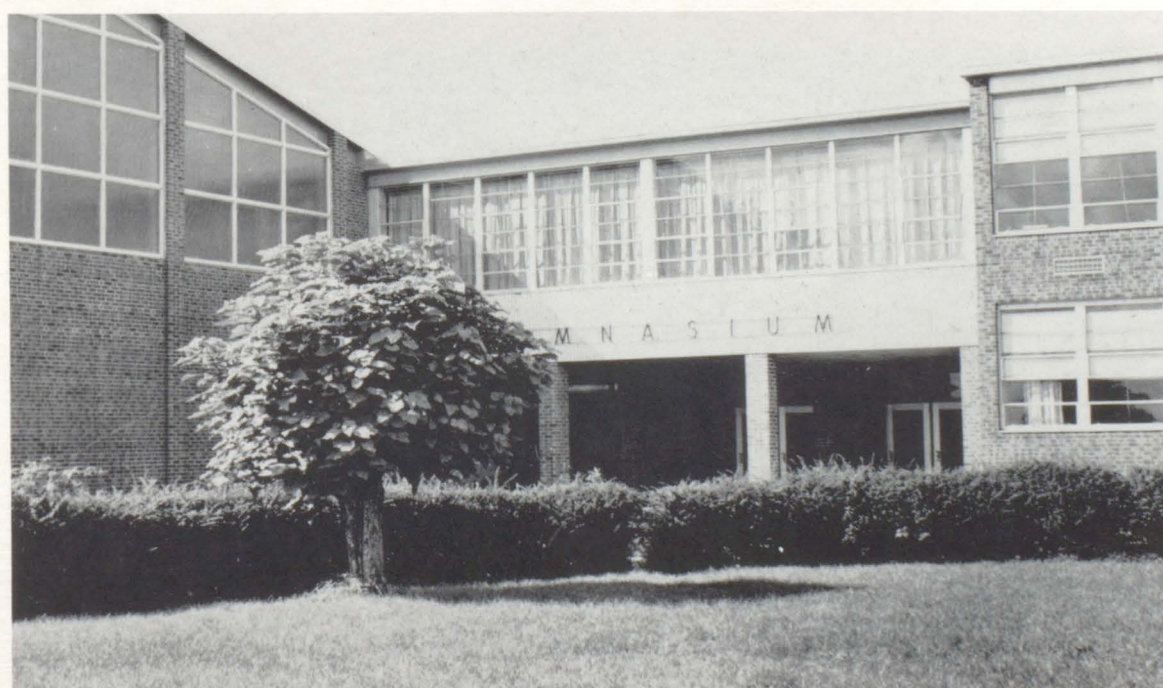

No expanding school system can function properly without also expanding its school space. The new wing; consisting of six new rooms, soon will be an insufficient amount of space for the ever increasing number of junior high students. This year it fills our needs; but in years to come a completely new junior high school will be needed. Up until the need does arise, however, senior high students occupy this beautiful new section, and the junior high students remain in the old part of the building. This progress going on throughout the school, to make it a better school, insures a better education for everyone. The new wing has new classrooms equipped to be used for foreign languages, advanced math, social studies, and a new art department.

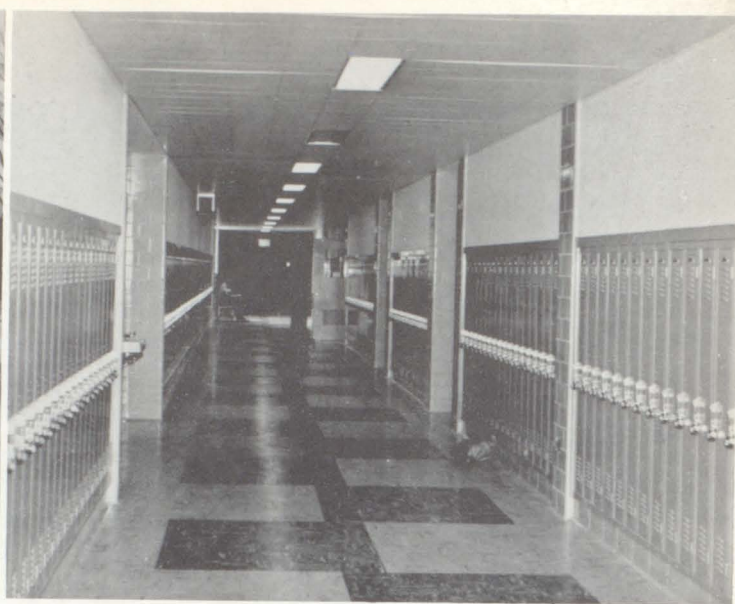

The completion of the new wing also completed the new entrance and lobby of the building. The gymnasium, although it is a year old, still constitutes a part of the new section.

For the first time in many years actual physical education classes are now being conducted. Students are enjoying new and interesting games. Equipment for learning new skills is being provided. The well-planned physical education programs is under the supervision of Miss Schieda and Mr. Pethtel. Building healthy minds and bodies is the largest contribution of the gym.

The gymnasium also provides excellent facilities for after-school activities. Pep rallies during school remind students to cheer for the Blue Streaks at basketball games, also held in the gym, later in the evenings. This, however, is not the main feature of the gym but is second to developing a student's body and mind.

The new gymnasium entrance.

Throughout the school year of 1957-58 this view was common to students as they looked from the second floor out over the locker room roof. To the right, is the new 1958-59 view. Looking from the same spot, six new classrooms can now be seen.

These students, among the first to use the new art room are sketching from still life and using the new art "horses."

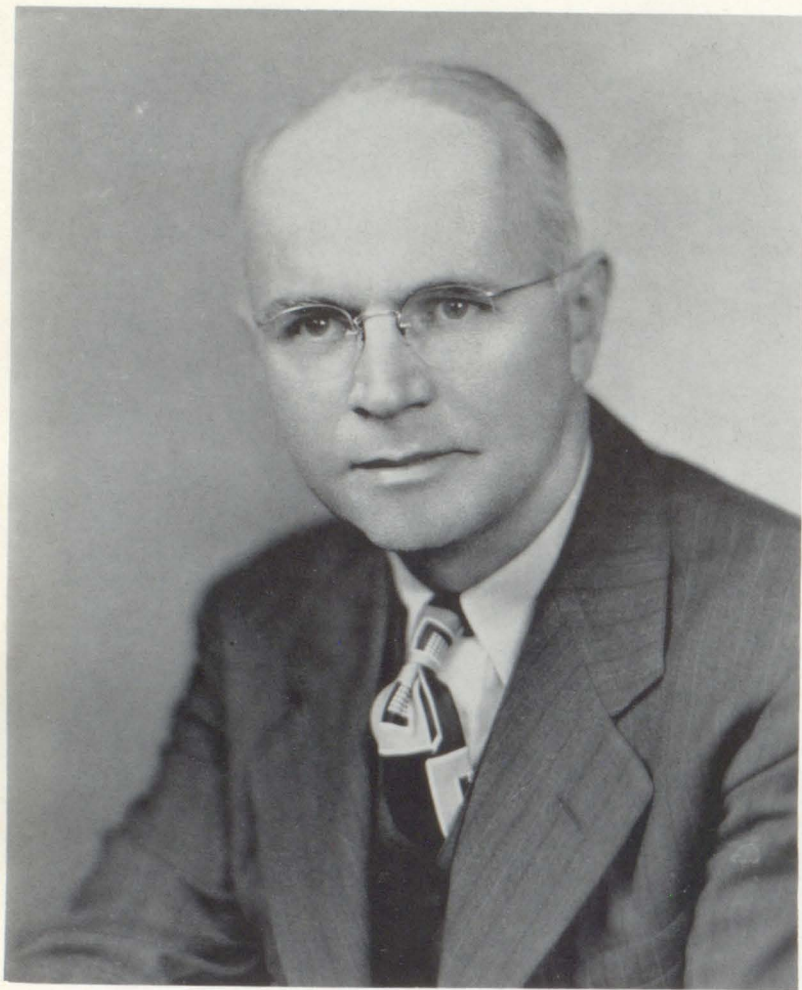

Mr. Matuscak's algebra class has the experience of using one of the new rooms. He hands out the homework assignment with a smile.

Mr. Ruland's American history class seems deeply engrossed in the subject.

Seniors Reach The Top . . .

The long climb to the top of the ladder was finally reached as the Class of 1959 became the leaders of the school. Now it was up to them to set examples for the Senior classes of the future. The prestige which always before had seemed to accompany the Seniors, somehow didn't seem so apparent when it was actually experienced by the Class of 1959. What seemed like the larger part of the struggle was finally won, but actually the real test is yet to come after graduation. Through the help and experience offered to each student by the teachers of M.M.H.S., the ability to fill the shoes of a future leader in society will be accomplished. Without this guidance from each teacher, a wise, future voter could not have been created.

Clubs- Organizations

To complete any school curriculum, it is just as important to have organizations which promote educational development and interests as it is to have the routine, day to day, class work. It is for the interest of each student enrolled in school that these organizations have been formed.

As the student enrollment at M.M.H.S increases so does this list of clubs. With the ones that have been added this year, there is at least one which will meet the interests of each individual. At various times throughout the school year, clubs from different schools combine with those of Madison in social activities. Without these activities, the school year would not be complete.

Row One: Janice Bernard, Kathy Buttwin, Vicky Wilder, Ed Shook, Barbara Hummel, Martha Elliott, Jo-Anne Jenkins. *Row Two:* Carol Jacobson, Carol Caldwell, Rosemary Vandervort, Faith Patrick, Cindy Burnheimer, Paul Hasse, Joe Davis, Lilly Vogrig, Ted McCormac. *Row Three:* Marilyn Johnstone, Eileen Nixon, Betty Bukky, Linda Dame, Tim Square, Jim Hejduk, Kay Thor. *Row Four:* Mr. Quiggle, Tony Zubek, Larry Hunter, Lenore Lasko, Damon Asbury, John Wheatley, Joel Klingbeil.

Student Council Sets Pace

In the spring of last year Student Council elections were held. A new method of running for a Student Council office was used. Each candidate was required to have a petition of twenty-five signatures in order to prove he was capable of running for office. Students then found it necessary to register to make it possible to vote for the candidate of their choice on election day.

The governing body of Madison High School strives for leadership, tries to promote a good student-

teacher relationship, and inspires the student body to work together. Under the supervision of Martha Elliott, with Mr. Quiggle as advisor, class representatives enjoy exercising their administrative and legislative powers for the good of the students.

This organization like other clubs at school also sponsors several projects during the school year such as dances and stunt day, and in particular this year, the float parade for the Homecoming football game.

Row One: Joe Schlevenski, Wayne Neely, John Greene, Damon Asbury, Ted McCormac, Mike Jamison, John Wheatley, Paul Hasse. *Row Two:* Mr. Matuscak, Joe Davis, Larry Cermak, Jon Billington, Bob Bush, Dick Carl, Gus Carl, Bill Potter. *Row Three:* Dennis Jersey, Pat Finnigan, Jon Eckert, Tom Beal, Tony Zubek, Stuart McIntosh. *Row Four:* Clifford Vandervort, Keith Marty, Jeff Cimino, Joel Klingbeil, Dave Rudolf, Tom Lowry. Key Club Serves School And Community

The Key Club is a service organization of the high school which is sponsored by the Kiwanis Club. It consists of 10th, 11th, and 12th grade boys who are the leaders and workers of their classes. The objectives of the Key Club are to serve the school and the community, and to cooperate with the Kiwanis. The projects include

inter-class basketball tournaments, the talent show, Father-Son Banquet, and campaigning for school bond issues and levies. Their services this year were the planting of shrubbery in front of the school and the raising of \$300 for "Operation Stadium."

Row One: Carol Peters, Dorothy Hudson, Sharon Barnett, Roberta Bush, Miss Wentz. *Row Two:* Molly Madsen, Edwina Remy, Donna Bixel, Caroline Scott, Linda Myers, Judy Watkins, Frances Cinco. *Row Three:* Mildred Elliott, Terry Hogan, James Hejduk, Leroy Lanham, Donald Spangler, Margaret Brotzman, Karen Cz.

Librarians Offer Service To All

Watching the books in our ever-growing library and assisting students in their search for a new publication is the job of the librarians. Assigned to help in the library during a study period, these librarians accomplish the work that

would be impossible to be taken care of by Miss Wentz alone. Along with the requests for ordinary reading entertainment, information for students writing themes of all kinds can easily be found by these competent people.

Row One: Judy Watkins, Mike McAdams, Wayne Neely, Bob Morgan, Frances Cinco. Row Two: May Williams, Joe Davis, Janet McMahon, Jimmy Hamblin. Row Three: Bob Merchant, John Greene, John Wheeler, Richard Bauer, Betty Curtiss. Row Four: Mr. Winne, Richard Swallow, Mr. Baker.

"Shutterbugs"

In its second year of existence at Madison High is the Camera Club. Under the supervision of Mr. Winne this club meets once a month to learn techniques of photography. For those interested in improving their pictures many opportunities are given. Members of the club are often called upon to produce many of the needed pictures of school activities. Students participating in this club are very active all year and find enjoyment in taking, developing, and distributing photos.

It's New--

Newly formed this year is the Debate Club under the supervision of Mr. Webb. This club plans to debate Riverside and then other schools within the State. This club was organized to give students experience in public speaking of all types.

Row One: Paul Hasse, Amy Braski, Sue Spaller. Row Two: Larry Cermak, Roy Golic, Eileen Nixon. Row Three: Bill Springer, Edward Keyse, Mr. Webb.

Row One: Carolyn DeLaney, Mike McAdams, Nettie Twigger, Barb Dyer, Linda Hart, Leslie Laird. *Row Two:* Betty Curtiss, Pat Jamison, Barb Benedict, Sue Winfield, Charlotte Stipe, Mary Ann Gustincic, Mr. Winne. *Row Three:* Richard Swallow, Marilyn Johnstone, Diane Brown, Kay Thor, Sydney Wentzell, Amanda Lashlee, Karen Cz, Karol Klapp, Mr. Matuscak.

"The Pause That Refreshes"

Of the clubs at school, one of the most important which receives the least recognition is the Service Club. Refreshments which are essential to each sport event are taken for granted by the majority of those attending the Blue Streak games. Very seldom are members of this club thanked for the work they do and the

great service they contribute to the school by sacrificing their own enjoyment for a feeling of well-being achieved from serving others. Club advisors, Mr. Winne and Mr. Matuscak, see to it that all refreshments are taken care of in an adequate manner.

"Bosses In The Making"

A brand new club recently established at M. M. H. S. is the Future Business Leaders of America. This club is a national organization; therefore, the constitution which is used is a necessary factor of its existence.

include two years of business courses in school. Seniors in the club are referred to as the "leaders." Field trips enable those students interested in a business career to see and experience actual business procedure. The group advisor is Mr. Featheringham.

"Check Mates"

The chess club, while not too well known or publicized, has nevertheless brought its share of honor to the school, having won several chess tournaments in this area since it was first formed last year. No doubt this club will do even better this year under the leadership of its new advisor, Mr. Baker.

Row One: Wayne Neely, John Greene, Luther Barber, Peggy Grafel. *Row Two:* Bill Curtiss, Dick Bauer, Joe Davis, Harry Fitzgerald, Edwina Remy. *Row Three:* Richard Helpenstell, Mr. Quiggle, Mr. Baker, Paul Hasse.

"Scientific Interest"

The science club, formed and advised by Mr. Quiggle, has a dual purpose: to develop interest in the various sciences through experimentation and to encourage its members to further their studies in the field of science. This club has been active since early last year and to date has been quite successful in accomplishing its purposes.

Row One: Brenda McCroskey, Miss Wentz, Doris Myers. *Row Two:* Nancy Balla, Martha Buchanan, Pat Watkiss, Martha Elliott. *Row Three:* Jo-Anne Jenkins, Maria Gaster, Judy Grapatin, Pat McElwee, Sue Spaller.

The Tri-Hi-Y and Junior Tri-Hi-Y are the two all girl clubs of Madison High. The first is senior high; the second, junior high. These two groups are devoted to service "throughout the home, school, and community." The Senior club will sponsor the Mother-Daughter Banquet, the Basket Brawl, World Clothing Week, and any other projects which are suggested through the year. Both groups prepare food baskets for the poor. The Junior club is larger than ever and promises to be an important asset to the school in future years. The advisors this year are Miss McCracken and Miss Wentz.

Future Teachers

The Future Teachers of America Club is one of the most active in the area. Their duties consist of substitute teaching or playground supervision at either of the grade schools or right here in the high school. So far they have proved to be a reliable group and a big help to the administration. The members of this group are interested in all levels of teaching as a possible career.

Row One: Margaret Brotzman, Barbara Benedict, Janice Saari, Linda Berwaldt, Corinne Carr, Susan Postman, Gloria Anderson, Barbara Dyer. *Row Two:* Linda Dame, Susan Webster, Linda Hearn, Carol Welsh, Mary Stevens, Ruth Moll, Sandra Butler, Charlotte Stipe, Pat Jamison.

Most Active Club

The Future Nurses of America, only in its second year at Madison High, is also distinguished as being one of the most active clubs at school. Each member takes her turn in the clinic during the school day. Assignment in the clinic is for the sole purpose of aiding students when Mrs. Fairbarin, school nurse and club advisor, is not available. The club, consisting of those interested in a further nursing career, meets to teach some of the basic fundamentals of nursing.

Row Three: Jackie Louster, Maren Schmidt, Faye Cudzilo, Lois Davidson, Joan Cantaral, Pay Yuill, Janet Stewart, Charlotte Winfield, Elaine Kozlevcar. *Row Four:* Mary Ann Gustincic, Edwina Remy, Dianne Gress, Starr Cz, Mildred Elliott, Barb Prince.

Unexpected Guests

"January Thaw"

One of the highlights of the 1958 school year, was the presentation of the Junior Class Play, "January Thaw." The three act comedy by William Roos was presented on November 21. The play revolves around the Gage family who buys an old house in Connecticut at an auction, only to discover that the original owners, the Rockwoods, are alive and want their home back! The return of the Rockwoods and the situations which ensue are riotous and ridiculous.

Shouldering the heaviest speaking parts were Phil Blair and Bonnie Cone. Phil as Mr. Gage had to exhibit controlled anger throughout the

play, and Bonnie, as Marge, played the ever-loving wife and mediator.

The comedy element was comprised of David Van Rensselaar, Sandra Huetter, and Jon Billington as they portrayed staid New Englanders.

Rounding out the cast were Damon Asbury, Lenore Lasko, John Wheatley, Bob Bush, Birdie Bush, Barb Benedict, Janice Whipple and Ray Leitch.

The presentation marked the end of five long weeks of rehearsal, a combination of work and pleasure, under the able direction of Mr. Glenn Andrews,

Floats And Rain Make Homecoming - -

An entirely new idea in Homecoming activities was experienced by Madisonites this year. The senior class, who traditionally is in charge of the Homecoming, with the help of the Student Council this year prepared a different type of Friday night, Madison versus Perry, football game entertainment. A Homecoming parade consisting of floats made by different clubs and classes at school was the main attraction. Pre game

activities consisted of the judging of these floats as the parade traveled around the football field.

The half-time ceremonies of the game, although it was raining, continued with the announcement and introducing of the Homecoming queen and her court; plus the winners of the float contest. The Key Club's winning float with the theme "Bluestreaks Sink Pirates" showed a sinking pirate ship.

The biggest event of the week-end, however, was the dance held on Saturday night, October 25. All students from grades nine through twelve, alumni, and faculty were invited to enjoy the music of Bill Hambor's trio. Her highness, Miss Jo-Anne Jenkins, was crowned by class president, Joel Klingbeil, under a setting of light blue. Pretty, little Beth Mayhew escorted by George Lowry bore the crown as they followed the court through the streamers toward the chair of honor. The queen and her court: Martha Elliott escorted by Terry Hambleton; Phyllis Leet escorted by Roy Golic; Carol Jacobson escorted by Glenn Harvey; Nancy Balla escorted by Bill Warner, reigned from 8:00 until 11:30.

Honor Section

On the following three pages the Cauldron would like to introduce to you the new honor section. This section is dedicated to those students who deserve recognition for outstanding academic achievement.

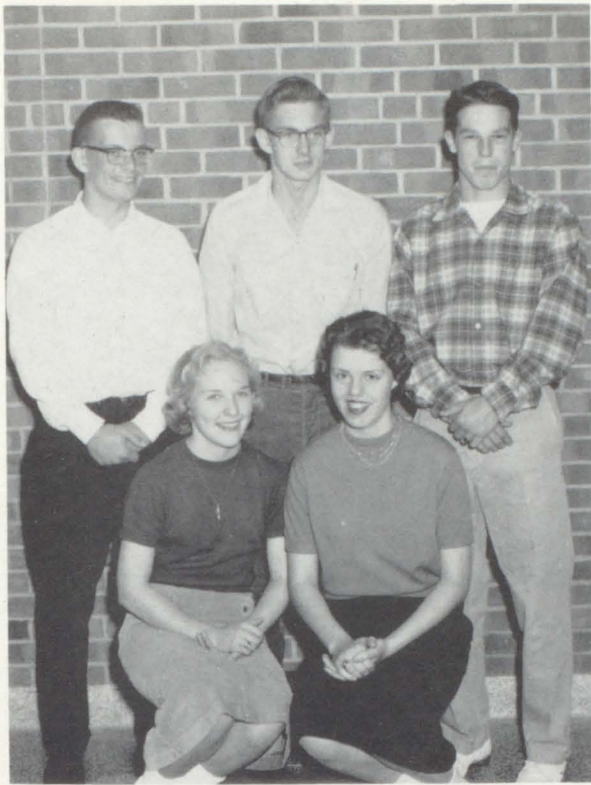

Scholarship Club

The Scholarship Club is one of the most distinctive clubs in high school. It is composed of students in the upper 4 grades with high scholastic standing. This club encourages the regular and faithful performance of academic work. Being a member of the Lake County Scholarship

Club, the Madison Club submits a member each year to serve an official position in the county association. This year's member will hold the office of president. Each year a banquet is held for members of the clubs from each school.

Row Two: Jon Eckert, Tony Zubek, Dick Carl.

"Better Citizens Created"

One of the many activities of the junior year in high school is the selection of the most qualified group of students to represent the school in Columbus at Boy-Girl State. It is here that they learn about the system of State government used by setting up their own. Mock elections and operations are actually experienced by these students. Through this experience in running a tiny State of their own, students realize the necessity of being better citizens.

"Madison Hi's Best"

The National Honor Society is an organization existing for the purpose of giving honorable recognition to those students outstanding in scholarship, character, leadership, and service. These students are those which have shown a genuine interest in promoting the general welfare of the school and student body. The main activity of this organization is the annual Spring induction ceremony for those juniors and seniors who have been selected as members. Mr. Barr advises them.

Row One: Doris Myers, Pat McElwee, Jo-Anne Jenkins. *Row Two:* Martha Elliott, Martha Buchanan. *Row Three:* Tony Zubek, Jon Eckert.

Valedictorian

PATRICIA ANN MCELWEE, who has maintained a 4-point average, followed the college preparatory course majoring in English, foreign languages, mathematics, and social studies. She displayed a special interest in mathematics and music. Miss McElwee is planning to attend Ohio State University where she will prepare for a teaching career.

Salutatorian

DORIS JEAN MYERS, who has maintained a 3.9 average, followed a commercial course of study. Her favorite subjects were shorthand and typing. Miss Myers plans to apply her commercial background in a secretarial position.

MEMORIAL HIGH SCHOOL

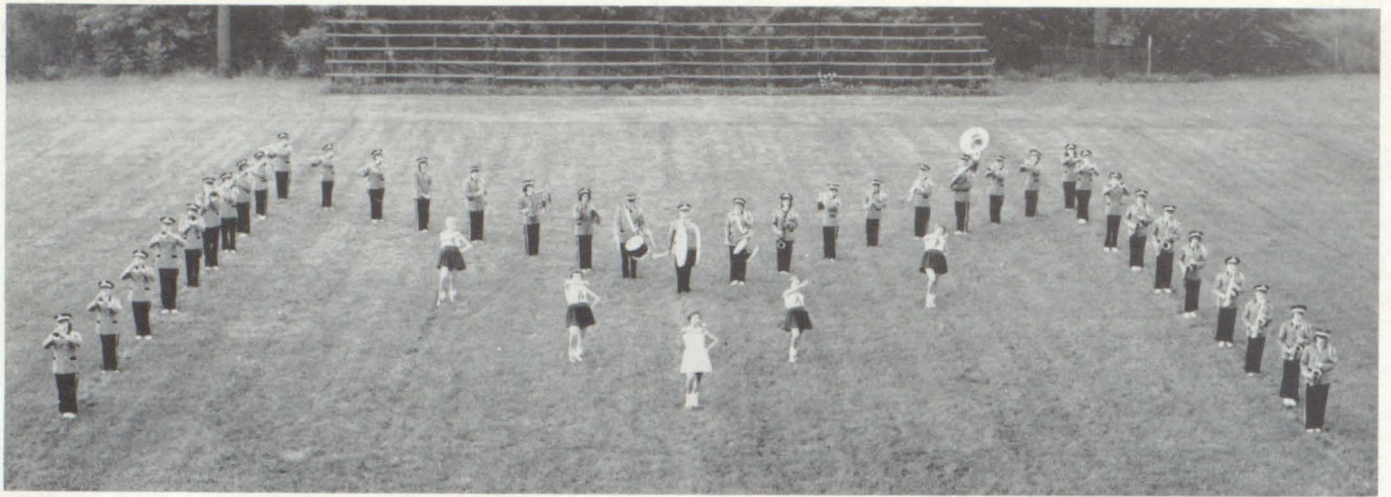

Row One: Corinne Carr, Carol Quirk, Barbara Benedict, Connie Michelson, Dick Bauer, Douglas Harper, Richard Joiner, Dick Carl, Martha Buchanan, Nancy Bodle. *Row Two:* Martha Elliott, Paula Miles, Robert Moll, Fred Nardei, John Greene, Roy Golic, Jon Eckert, Jackie Mlakar, Louanna Behm, Patricia McElwee, Bernice Zielke, Janice Saari. *Row Three:* Kathy Carrick, Eileen Nixon, Paul Hasse, Jim Hejduk, Dave McElwee, Gus Carl, Ruth Moll, Delores Kozlevcar, Zona Heise, Amy Braski, Susan Postman, Pat Golic.

Senior Chorus

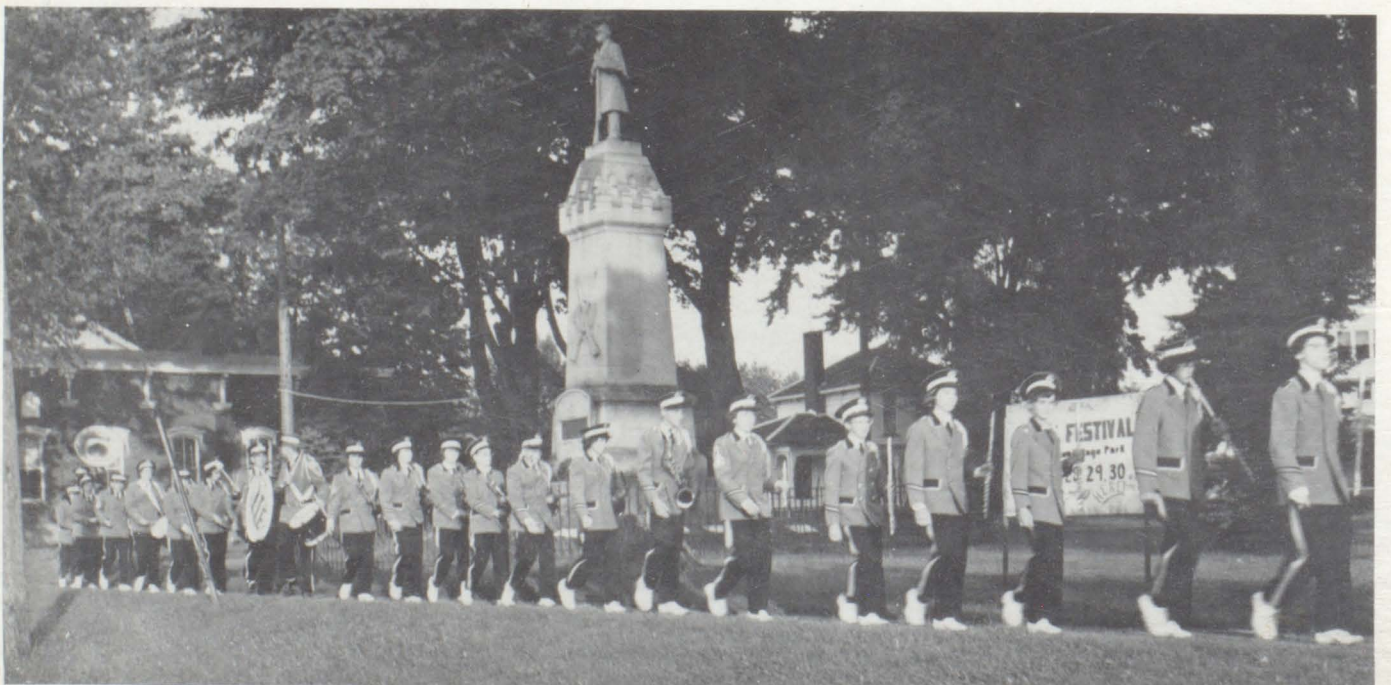

Composing an important part of Madison's Music Department is the senior chorus under the direction of Mr. Leslie Girton. The chorus carries a rather loaded schedule throughout the school season beginning with a Thanksgiving concert in November. A major presentation always is the collection of Christmas music sung numerous times during the Yuletide Season. After the holidays comes the time when real skill is tested. Regional

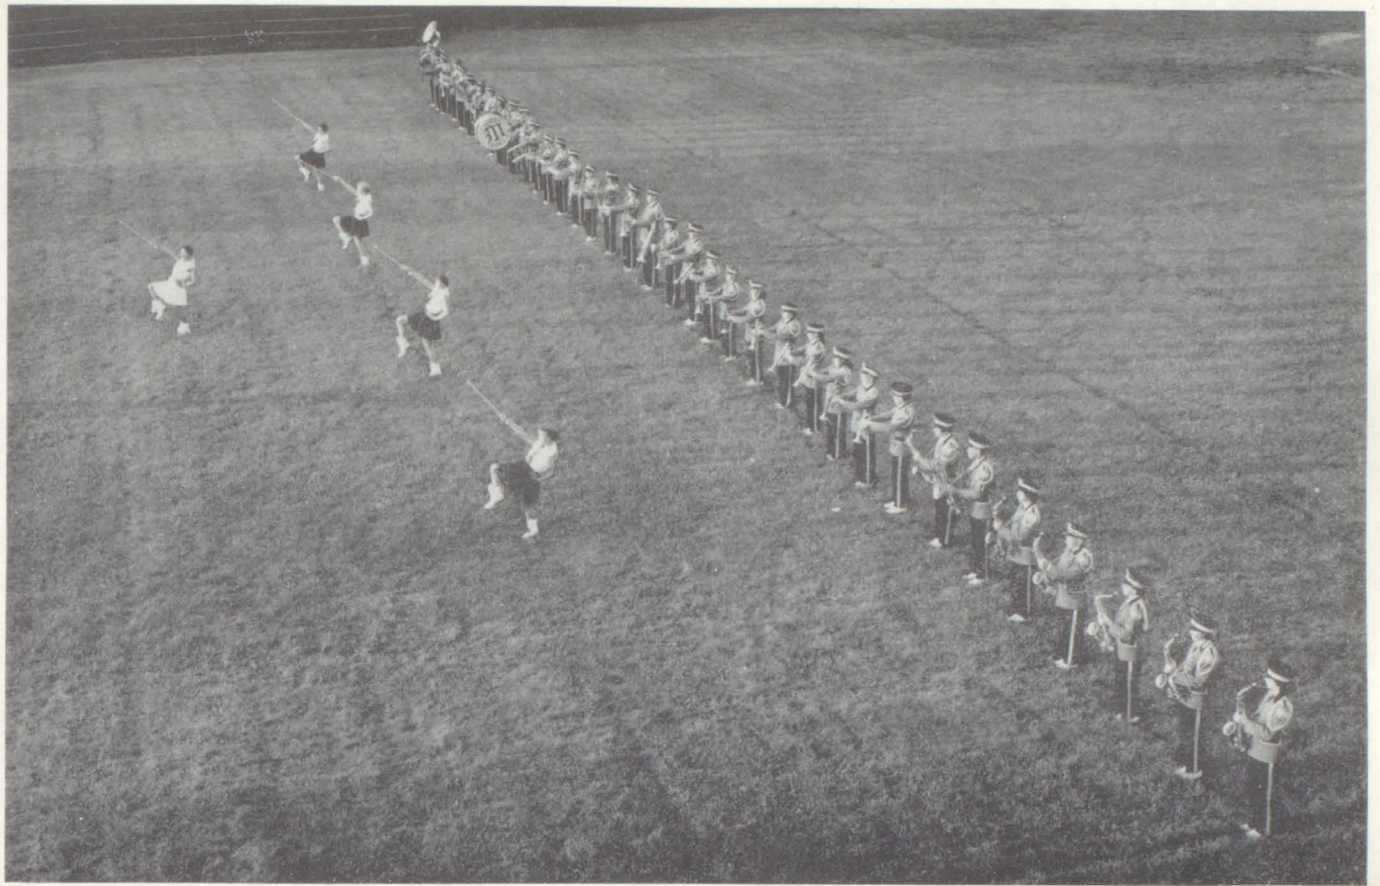

contests and vocal spring concerts take up many enjoyable Sundays when the choir travels to other schools as well as inviting their choirs to our school. The year's final performance comes during the last few days of May when the graduating class members receive their diplomas in the Commencement exercises. The senior chorus has enjoyed a full and eventful school year.

The Best Is Yet To Come - - -

The marching band, as you can see here, has come a long way. Through hard work and long hours of practice they have rapidly become a polished, high-stepping marching unit. As it is a very young group, Madison High can look forward to many good bands in the future.

Row One: Ruth Moll, Jimmy Hejduk. *Row Two:* Jon Eckert, Delores Kozlevcar, Bonnie Cone, Ruth Hummel, Rick Materna. *Row Three:* Jeff Cimino, Gary Carl, Carol Quirk, Dave McElwee, Nick Square.

June - Nighters -

In the near future Madison High students may find themselves dancing to a twelve or thirteen piece band. This swinging group of individuals is known as the Madison High June-Nighters. Just started about a year ago, they already have about fifty numbers in their repertoire.

Row One: Pat Yuill, Tony Zubek, Delores Kozlevcar, Bonnie Cone, Jimmy Hamblin, Kay Thor, Janet Bezdek, Ruth Moll. *Row Two:* Jim Wheatley, Nick Square, Carol Quirk, Janice Whipple, Dave McElwee, Eileen Nixon, Louanna Behm. *Row Three:* Bob Moll, Stuart McIntosh, Rick Materna, Edward Keyse.

Pep & Spirit

Without this small band the weekly pep assemblies, held on Fridays, would not be the same. The louder the band, the peppier the cheers. In raising school spirit this small group achieves what the crowd alone cannot.

"Season Starts With Smashing Victory . . ."

On August 20, 1958, the first day of football practice, a team of anxious, eager, spirited boys answered the call to play football under the experienced coaching of Mr. Hribar assisted by Mr. Pethel and Mr. Ruland. The boys and coaches were determined to have a winning team. They practiced hard and by game time Madison had every reason to be proud of their team.

September 19: Jefferson

The first league game of the season was a smashing success in more ways than one. The "standing room only" crowd was thrilled by the eager attitude shown by all of the team.

On offense the Blue Streaks displayed amazing ball control allowing Jefferson only 12 offensive plays the first half. Meanwhile the Streaks ran off 74 plays!

Defensively, the Blue Streaks showed plenty of strength. Highlight of the defense performance was a blocked kick by big Jerry Hupertz, co-captain, deep in the Jefferson territory.

Madison stuck to the ground for their scoring with Glenn Harvey going over for three touchdowns and 2 extra point tries. John Bukky added 15 points and Len Izzarelli added an extra point.

The final score was 38 - 0, our favor.

September 27: Spencer

The Streaks again held their opponents to a scoreless game as they battled the Geneva Spencer Wildcats to a 20 - 0 score in an afternoon contest. The defensive line effectively blocked kicks and passes showing all that Madison was going to be a tough team to beat.

October 3: Chardon

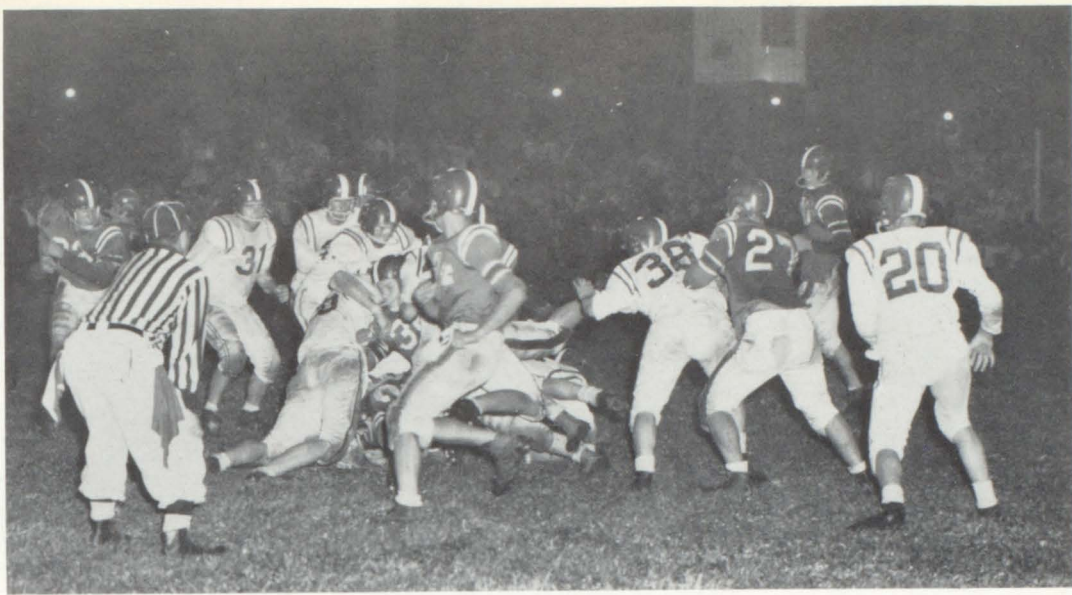

Madison journeyed to Chardon where they met the Hilltoppers and held them for a 14-0 victory. Madison's first scoring was done in the 2nd quarter when Glenn Harvey scored from the three yard line after the Streaks had marched from midfield in 8 plays. The extra point try failed. In the 3rd period fullback Len Izzarelli rambled 65 yards for a touchdown. Again the point try failed. Madison gained two points when a snap back in to the end zone was fumbled and recovered by the Madison line for a safety.

Madison's defense held the Hilltoppers to a net total of 36 yards and 1 first down while the Streaks had a net total of 182 yards and 9 first downs.

October 10: Ashtabula Harbor

In a bruising battle the Blue Streaks came out on the short end of a hard fought 20-12 gridiron contest with Ashtabula Harbor. Both teams scored touchdowns in the first half, but failed to make the extra points. Harbor broke the scoring ice in the 1st quarter, with a 5 yard drive by Laffey. The Streaks tied the game in the second quarter on a 5 yard run by Len Izzarelli. In the 3rd period Laffey again went over for a touchdown and in the 4th period Clark went over for the touchdown and conversion. Glenn Harvey showed his usual power as he sometimes carried as much as 210 or 240 lbs. on his back. Harvey also ran 65 yards for a touchdown in the fourth period.

October 18: Edgewood

Edgewood played host to the mighty Blue Streaks and they were soundly beaten 30-0. The members of the Edgewood team found it impossible to halt the Streaks as Glenn Harvey built up his point average.

October 25: Perry

The Madison Blue Streaks downed bitter rivals, the Perry Pirates, by a score of 22-6 before a rain drenched homecoming crowd at Hickock field. The game was played for possession of the "Little Brown Jug."

An amazing feature of this contest was the fact that despite an almost continual downpour, Madison did not fumble the ball once. The Streaks stuck to the ground as they blasted away for 3 touchdowns and a safety. Glenn Harvey made 14 points; Dick Fisher

made 6; and John Bukky 2. Sines went over for Perry's only points.

November 7: Kirtland

In the final game of the season fullback Glenn Harvey led the Blue Streaks in the scoring department with 44 points—six touchdowns, and four two-point conversions to shellack the Kirtland Hornets 52-0. But our hard running back received much help from the splendid offensive and defensive work of linemen Wayne Border and Roy Golic.

Madison concluded a very successful season by finishing in 2nd place in the Western Reserve League, and having one of the state's top scorers, Glenn Harvey. You football fans can look forward to an equally successful season next fall.

GLENN HARVEY

Climaxing his high school career, 6' 2", 192-pound Glenn Harvey showed outstanding ability and sportmanship during the 1958 football season. Scoring a total of 44 points in the Kirtland-Madison game earned him the school record. Ranking third highest in Ohio and again breaking the M.M.H.S. record, Harvey had an over-all season's total of 138 points. In eight games, this senior player gained 1,443 yards.

To use the old-fashioned expression, "triple threat," Glenn Harvey was termed this because of his outstanding ability in passing, punting, and ball carrying. As a result of this outstanding record in football, he has been offered scholarships from numerous colleges in Ohio, not to mention one from Indiana.

A deep interest in supporting a team was shown by the junior high boys as many turned out to play football. Contributing to the "not as good as expected" season, was the fact that the team was opposed by older boys of the ninth grade from Kirtland, Riverside, and Chardon. Although

the team possessed an outstanding backfield, the line was not as good in comparison. A win against rival team Perry helped their season's record of 2 wins and 4 losses. Outstanding players were: Bill Lane, Tom Bukky, and Larry Gerred.

Varsity

It is in the hopes and dreams of almost all Junior High and Reserve cheerleaders to some day reach to "top o' the heap" as a Varsity cheerleader. This year our Varsity cheerleaders seemed to have had an outstanding year, not only because of our winning football and basketball teams, but also because of the help given them by their advisor, Miss Schieda. The cheering club was again headed by the President, Jo-Anne Jenkins; Vice-President, Joan Cantral; Recording Secretary, Nancy Balla; Corresponding Secretary, Gloria Anderson; and Treasurer, Phyllis Leet.

An Open Letter

Dear Reader,

We will never forget how we have cheered in torrents of rain and during snowstorms in football season and the excitement and near panic we have experienced during some of the basketball games. We hope our cheering squads in future years get as much enjoyment and fun out of cheering as we have.

We'll always remember the days when we yelled, "Victory, victory is our cry!" We must say "thanks" to our student body at M.M.H.S. for cheering with us; without your co-operation our year could not have been nearly so successful.

Sincerely,
Your Senior Varsity Cheerleaders

Streaks Cop Second Place In W.R.L.

Jefferson — December 2.

The Madison Bluestreaks took the opening game by nipping the Jefferson Falcons 48-43. Outplayed and outscored the first half, the Streaks came back in the third quarter with 21 points to knock the fight out of the spirited Jefferson team. Jump balls and foul shots filled the last eight minutes of the game with both teams scrambling and fighting over the ball. Tom Lowry was high point man of the game with 29 points. Larry Carlson had 19 for Jefferson.

Kirtland — December 5.

The Kirtland Hornets played host as the Bluestreaks whipped them 72-45. The third quarter proved to be the "magic third" as the Streaks poured in 24 points limiting Kirtland to 3. The Hornets took a fast lead, but the Bluestreaks came back, pulled out in front, and were never threatened again. Bill Springer and Glenn Harvey both with 19 points, and Tom Lowry with 18 led the Bluestreaks attack. Tim Johnson with 14 was high for Kirtland.

Perry — December 9.

Madison scuttled Perry 65-41 in an afternoon game at the loser's court. Lowry's hot shooting helped

Madison gain its 3rd straight victory, when he tied Madison's individual scoring record by sinking 34 points. The game was very close in the first half as the scores were 11-7 and 29-20 at the end of the first two periods. Glenn Harvey also hit the double-figure column for the Bluestreaks when he scored 12 points. Juris Zemzars was high point man for Perry with 10. This victory created a three way tie for first place in the league among Madison, Spencer, and Harbor.

Edgewood — December 12.

Madison, playing host to the Edgewood Bulldogs, extended its league wins to four by dynamiting the Bulldogs 67-38. Taking an early lead of 14-5 in the first period, the Bluestreaks kept piling up point after point. The only time the Bluestreaks were challenged was in the 2nd period when the Bulldogs came within four points of the lead. Tom Lowry and Glenn Harvey were top scorers with 21 and 17 points respectively. Silverburg, with 7 points, was the top scorer for the Bulldogs. Harbor suffered a defeat from Spencer, leaving only Madison and Spencer tied for first place.

Riverside — December 13.

Madison traveled to Riverside to wallop them 59-

30. It was a close game in the early periods, but once the Streaks got warmed up, they couldn't be stopped. Lowry, Harvey, and Bukky all hit the double figure column with 19, 14, and 11 points respectively. McCormack was high with 8 points for Riverside.

Ashtabula Harbor — December 16.

Madison remained undefeated when in the final four minutes of the game they beat Harbor 56-44 at the Fawcett Gym. The Streaks spurted for 10 consecutive markers in wrapping up the game. Harbor fought to stay in the lead, but was unsuccessful. Tom Lowry, hitting consistently on jump shots, ended up with 31 points. Harvey had 12 and Bukky, 10. Bill Davidson was high with 15 and George Rasanen had 12 for the Harbor Mariners.

Spencer — December 19.

Madison lost its first game when they were topped by the Spencer Wildcats 46-37. It seemed to be one of those nights when the Streaks just couldn't do anything right. The Wildcat defense held Tom Lowry to 10 points, while Harvey was high with 17. Pepin was the big man for Spencer with 19 points.

Alumni — December 30.

For the second straight year, the Bluestreaks beat the Alumni in this traditional game. The Alumni played a good game, but the Streaks proved to be too much for them as they won 49-31.

Geneva — January 3.

Traveling to Geneva, the Bluestreaks dropped the Geneva Eagles 55-47 in the last minute of the game. Bob Bush was the Bluestreak's hero this night when he sank 2 field goals and 2 free throws in the final minutes to put the game in the bag. He ended up with a total of 15 points. Lowry scored 18 and Harvey 12. This gave the Madison team 7-1 season mark.

Mentor — January 6.

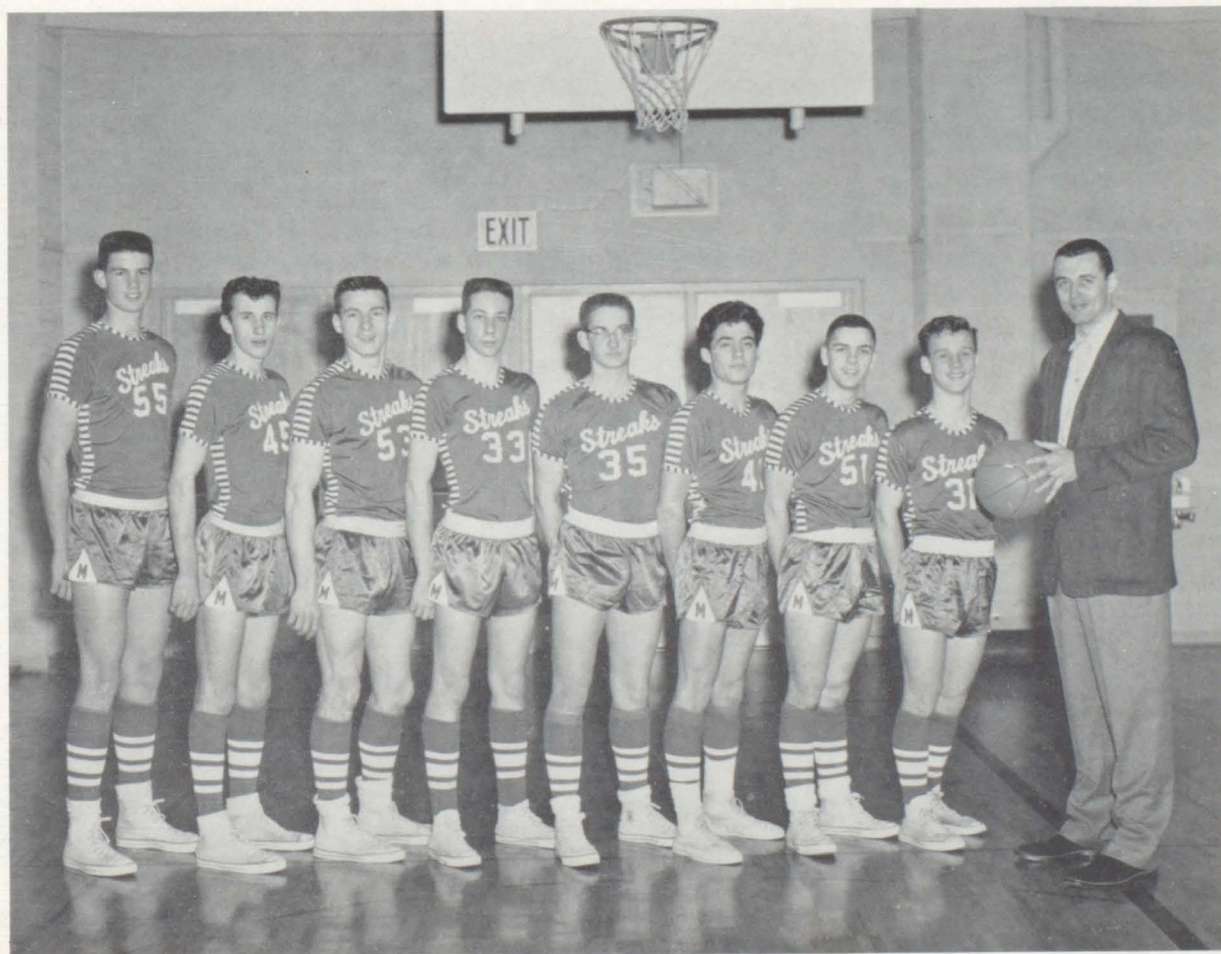

Madison beat their second straight NEC opponent when they trimmed Mentor 55-44. Getting revenge for the beating from Mentor last year, the Streaks jumped to a 17-5 first period lead. Harvey was high point man for Madison with 18, and Lowry and Bukky hit for 15 and 12 respectively. Bob Roy was high for the Cardinals with 17.

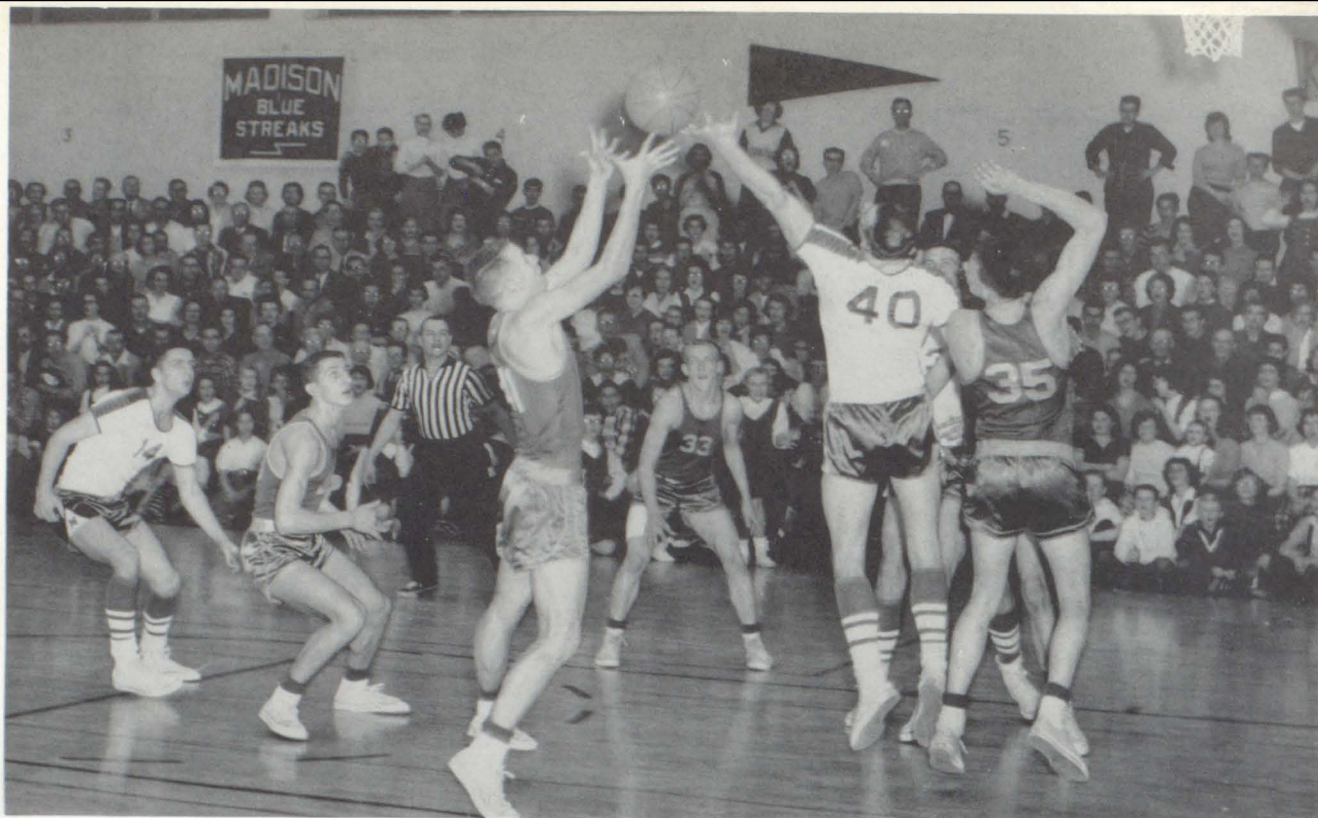

Chardon — January 9.

Outclassed is the word to describe the defeat handed to Chardon by the Bluestreaks. The Hilltoppers

were outshot, out-rebounded, and all-around out-played. There were four Bluestreaks in the double figure column — Bush with 15, Bukky with 14, Lowry with 12, and Harvey with 10.

Jefferson — January 13.

This game, which started the 2nd round of the season will long be remembered by both the Madison and Jefferson fans. Mighty Tom Lowry, the WRL number one scorer, set a new school record for Madison with 44 points, as the Falcons were defeated 80 - 50. Lowry couldn't be stopped as he consistently sank shot after shot. He finished the game with 18 field goals and 8 foul shots. Harvey also hit his highest with 20 points. Carlson was high for the Falcons with 17.

Kirtland — January 16.

Kirtland was again defeated by the Bluestreaks 67 - 28. Kirtland, trying to play a different brand of ball, failed as the Streaks jumped to a 37 - 14 half-time lead, and continued to pile up points in the second half. Lowry was high with 12.

Perry — January 20.

Perry, trying to freeze the ball throughout the game, was beaten 53 - 23 at Madison in the afternoon game. Trying to play like Kirtland had the previous week, they were also unsuccessful. Lowry sank 16 points and Harvey 11.

Edgewood — January 24.

The Bluestreaks traveled to Edgewood to beat the Bulldogs 64 - 49. Edgewood couldn't get started and Madison couldn't be stopped. Lowry hit the buckets

for 29, and Harvey for 15. Marsick sank 15 for the Bulldogs.

Ashtabula Harbor — January 30.

Playing host to the Mariners, the Bluestreaks won their eighth game in a row after one defeat. The highly regarded Mariners were held without a field goal in the third period, as they lost 52 - 34. Lowry paced the Bluestreaks with 16 points, while Harvey and Bukky 12 and 10 respectively.

Spencer — February 6.

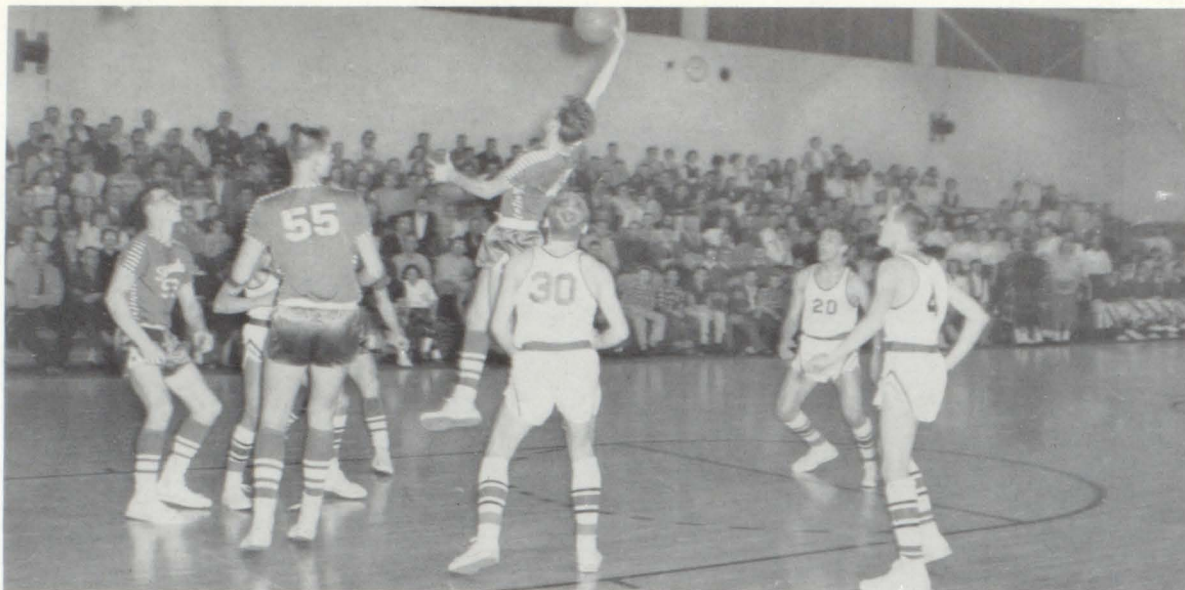

With a record breaking crowd of 1,700 spectators at the Madison Gymnasium, the Spencer Wildcats came from behind in the final minutes to beat the Bluestreaks 25 - 23. This was a heartbreaking game for the Bluestreak fans as it ruined the team's chances for tying for first place. High point man for Madison was Bob Rush with 8 points.

Chardon — February 13.

In their last league game the Bluestreaks again came out on top as they showered their opponent 53 - 37. Playing at Chardon, Lowry was high with 21 points; Bush came second with 11. Chardon's top scorer for the game was Budenz with 10. Lowry ended his season with 387 points and a 21.5 average to make him top scorer in the league. With this game Madison had one of its best seasons in the four years with Coach Winton as they ended the season with a 12 - 2 record. The Cauldron Staff and the students of Madison High School wish to commend Coach Winton and the mighty Bluestreaks for their fine playing and sportsmanship this year.

The End!!!

Reserves Show Promise

The Reserve basketball team, coached by Mr. James Martin, began a rather unsuccessful season due to a lack of experienced players. As the season continued, little by little, experience was gained by the junior Bluestreaks and they began to function as a

team. The losing streak was reversed as games began to be chalked up in the "win" column for the Reserves, including two wins over Geneva Spencer. The season ended with promising players as prospects for a Varsity team of the future.

Row One: J. Bodnar, B. Morgan, R. Hart, L. Cermak, L. Warren. *Row Two:* Coach J. Martin, T. Beall, M. Behm, D. Rudolf, T. McCormac, S. Danyi, M. Lanham.

Seventh And Eighth Grades Combine

The seventh grade Bluestreaks, coached by Mr. T. Mackey, had a very successful season. As future varsity players they showed a great deal of talent while holding 2nd place in the league, next only to Painesville Harvey. Each boy did his best and succeeded in helping the group function as one. In addition to a great deal of athletic ability, excellent ball handling contributed to the

seventh grade's successful season.

The small and inexperienced eighth grade basketball team, in spite of its endless efforts, led an unsuccessful season. The loss of several key players from last year's seventh grade team explained this inexperience. Throughout the season's play and careful coaching of Mr. Ruland, definite signs of improvement were apparent.
