MADISON
MEMORIAL
HIGH SCHOOL

East Main Street
Madison, Ohio

FOREWORD . . .

The pageantry of student life, the complexity of experiences gained in any given year . . . this is a story as familiar as it is traditional, as unique as the individuals and their time. Old walls mirrored in the chrome and glass of new structures take on a fresh look. The manners of student living undergo subtle changes as Brahms bows to Presley, Newton to Bohr. Classes and individuals grow. Yet, in the end, the same great tradition is served—the better preparation of young men and women for a better life. Madison High did this in 1959-1960, effectively, brilliantly, excitingly!

$$\log_b r = \log_b M \text{ or } \frac{1}{r} (\log_b M)$$

What is this . . . ancient hieroglyphics or Greek? It is neither, of course, as any math major can tell you. It is simply the formula for finding the logarithm of the root of a number. We proudly salute Madison's mathematical wizards for the fine job they do in this ever-important, ever-progressing field.

LANGUAGES,

LIBRARIANS,

ARTS

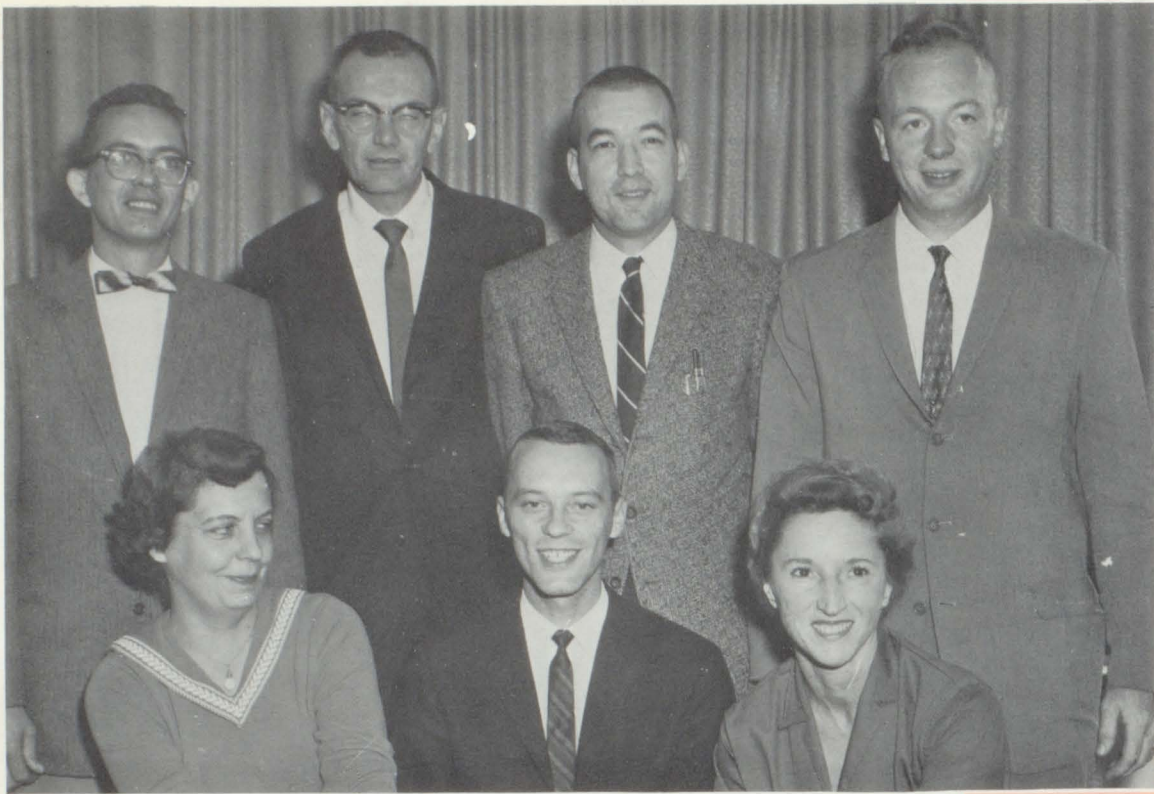

Conjugations, verbs, infinitives . . . the mastery of a foreign language is truly an art. French, Latin, and Spanish evolve under the direction of Mrs. Trescott and Mr. Grafel.

Students in these classes are constantly reminded of the fine arts by the lovely paintings which grace our halls. We thank Mr. Heichel for his fine direction in art and yearbook activities.

To meet the problems of research and reading material, our library, under the direction of Mrs. DeLong, has expanded and improved its facilities.

Row One: Mrs. Trescott, Mrs. DeLong. Row Two: Mr. Heichel, Mr. Grafel.

Row One: Mrs. Abeshaheen, Mr. Walther, Mrs. Rust. Row Two: Mr. Webb, Mr. Andrews, Mr. Byers, Mr. Guy.

ENGLISH

Although many students are taking a foreign language, there are many of us still trying to master our native tongue, English. To meet the demands of a growing school, the English Department has added two new teachers, a course in remedial reading and a chance to overcome the barriers of poor speech.

Miss Shafer, Home Economics; Mr. Orchard, Driver Training; Mr. Kandare and Mr. J. Mackey, Industrial Arts.

DRIVER'S TRAINING INDUSTRIAL ARTS HOME ECONOMICS

Crash! Is that a pan dropping? A hammer falling to the floor? Or our driver training car hitting a tree? No matter which it is, the year is still young and the courses are still unfamiliar. By the end of the year, however, the students in Industrial Arts, Driver's Training, and Home Economics are well-versed in manipulating their tools whether it be a hammer, pan or car.

Row One: Mrs. Acker, Home Economics and Commercial; Mrs. Featheringham, Physical Education. Row Two: Mr. Pethtel, Physical Education; Mr. Featheringham, Commercial.

PHYSICAL EDUCATION COMMERCIAL

Madison is very proud of the merger which took place last September fifth. Miss Schieda, our gymnastic instructor, and Mr. Featheringham, our commercial teacher, incorporated their co-ordinating talents to form the concern of Featheringham and Featheringham. The Featheringhams are assisted in their school chores by Mrs. Acker of our commercial department, and Mr. Pethtel of the Boy's Physical Education Department.

Mrs. Behm, Mr. Quiggle, Mr. Ferencz, Mr. Winne.

SCIENCE . . .

From General Science to Physics, the students can feel the impact of the scientific phenomena occurring in the world today. Although he is overwhelmed with the enormity of subject matter, our scientific staff has coped with the situation and produced some of the most competent science students in the county.

SOCIAL STUDIES

Around the world in 180 days! This is the "all-expense paid" tour offered to students who take one of the many social studies courses provided. Your own seat becomes the magic carpet which takes you to new adventures in the past and gives you a look at your place in society today.

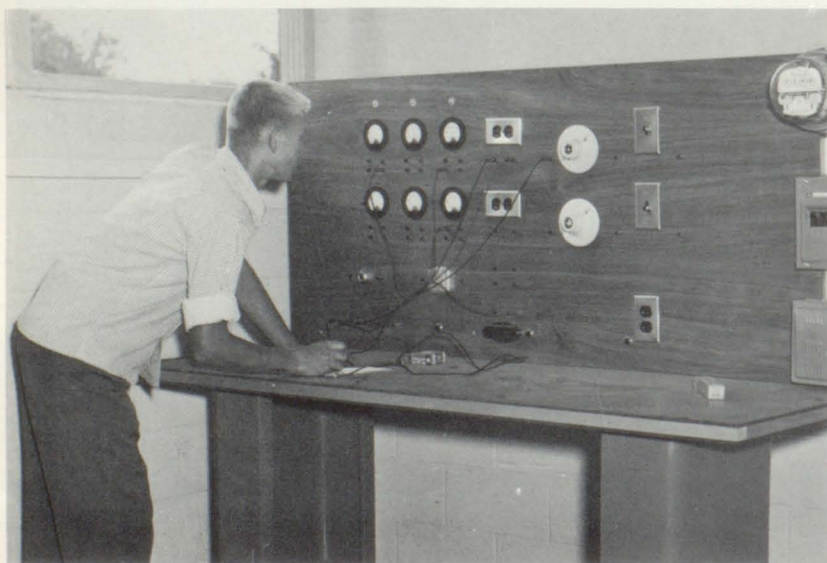

Row One: Mr. Martin, Miss McCracken, Mr. White, Mr. Foote. Row Two: Mr. Winton, Mr. Hribar, Mr. Ruland,

The new Industrial Arts wing as it looked at the start of this school year.

NEW SHOP WING

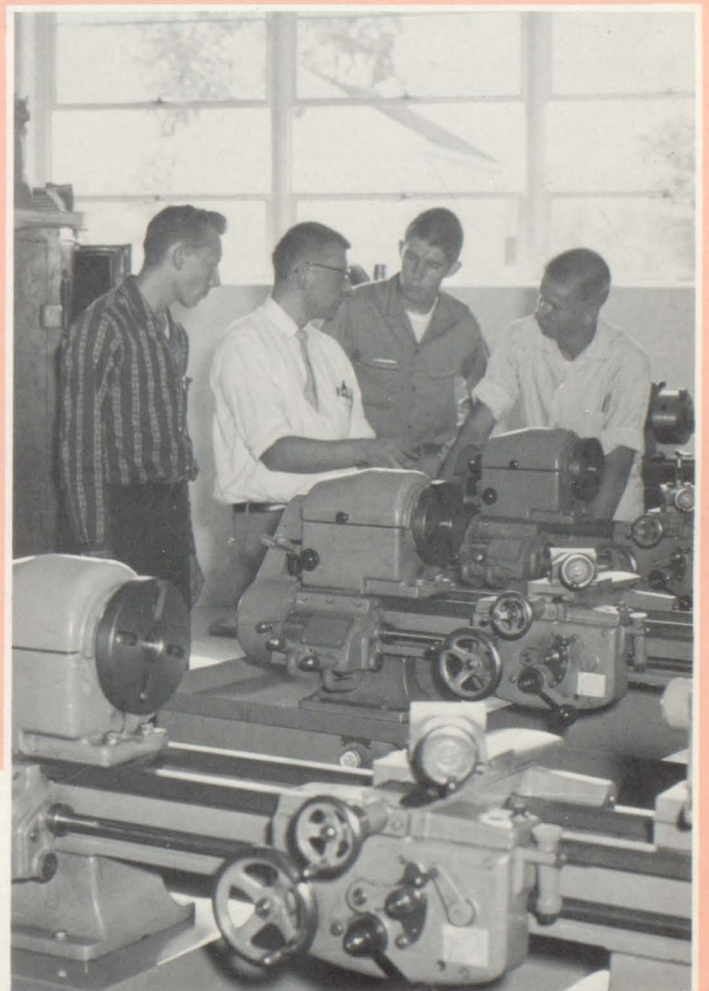

Wayne Roper takes readings from the board in the new electrical section at the shop.

Madison Memorial High School salutes the generous people of Madison for supplying the money to enlarge our mechanical arts building. With the new forty by six foot shop addition, the mechanical arts department is able to offer three separate areas of development.

In addition to our former wood and drafting area, we are now introducing an all metal section which includes courses in sheetmetal, ore and glass welding, electricity, machine shop and automotives.

New equipment includes a bench shear which cuts metal to one-sixteenth of an inch, a brake for bending metal, three machine lathes and a shaper which cuts metal vertically to an angle.

The teachers of mechanical arts now have their own private offices in their own building. It is also interesting to note that our own high school boys are doing much of the final work themselves.

Mr. Mackey demonstrates the working parts of new lathes in metals section of shop.

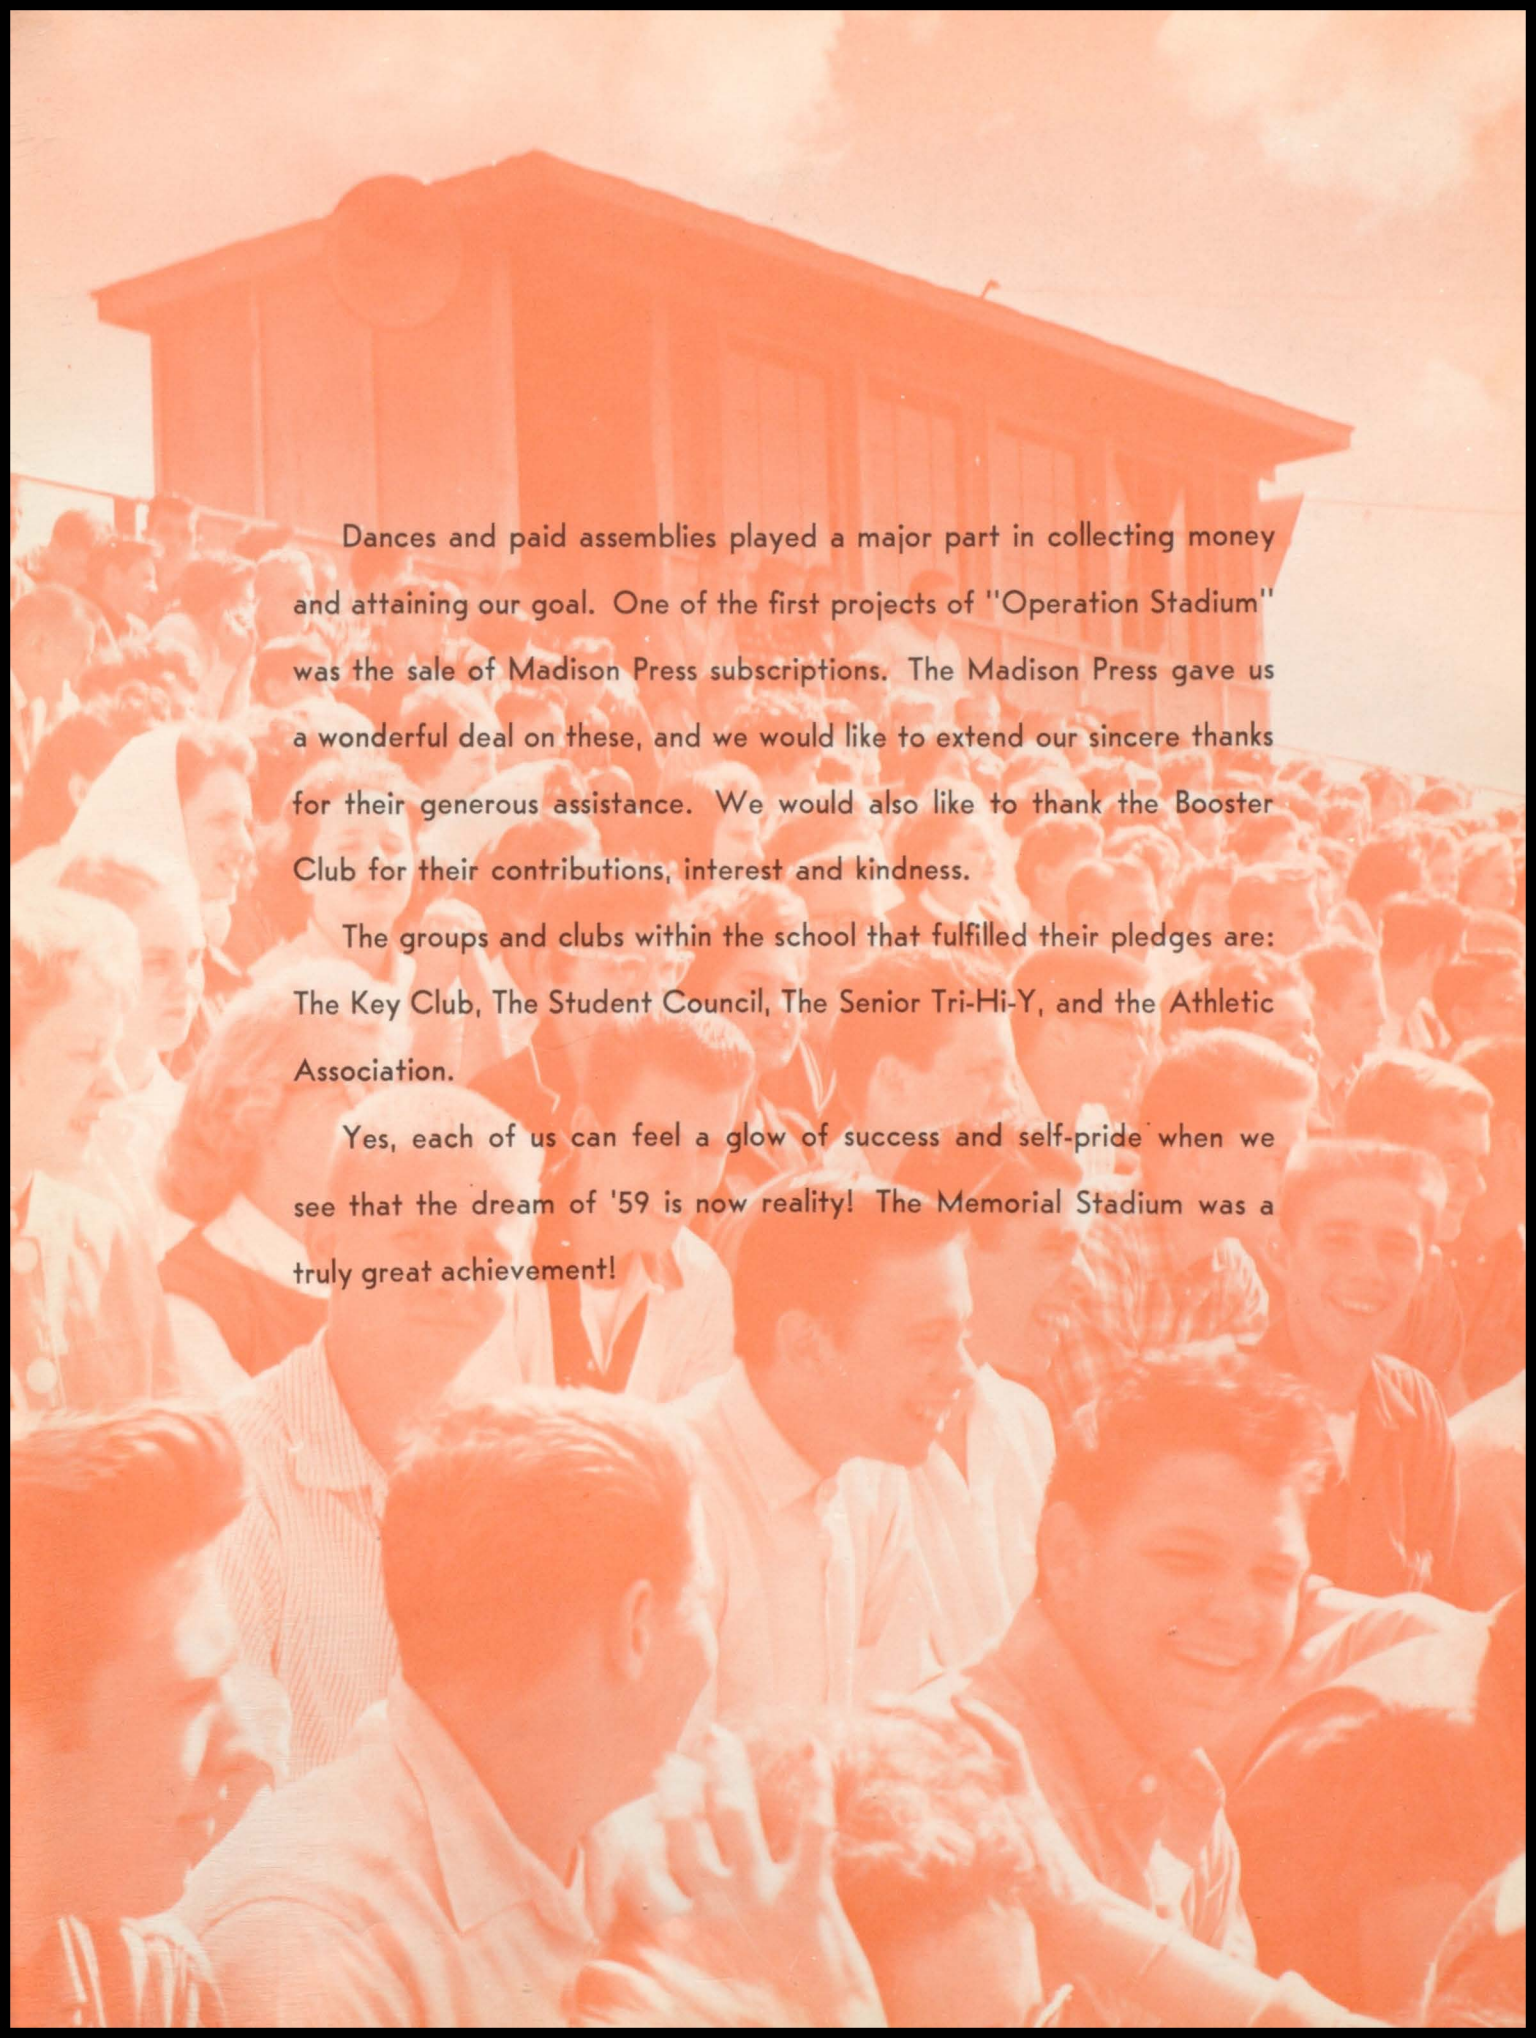

Steering Committee Front, Mr Barr, Mr. Stoll, Mr. Quiggle. Rear, Mrs. Behm, Ardythe Ashley, Jim Hejduk, Lenore Lasko at the wheel.

OPERATION STADIUM

A dream come true! Operation Stadium, the project started by the students, under the Steering Committee's leadership is a success! The students of Madison Memorial High School saw their dream realized on September 18th for that was the night that the Memorial Stadium was dedicated.

During the school years 1958-1960, Operation Stadium was the project of the entire school. All the students and many outside groups supported this worthy endeavor. We all wanted our football field to be a part of our high school!

Money was raised in a variety of ways. The class of '59 started the ball rolling by donating the scoreboard. Each of the classes pledged a certain amount with the gold star going to the class of '64. These students, without a penny in their treasury, really got out and worked. They sold everything that was sellable and came in with the second highest pledge! We are proud of our enthusiastic younger classmates!

A large crowd of students is seated in bleachers, filling the foreground and middle ground. In the background, a large, dark-colored building with a prominent roofline is visible. The entire scene is bathed in a warm, orange-red light, giving it a vintage, nostalgic feel. The students are dressed in mid-20th-century attire, and many are looking towards the camera or slightly to the side with various expressions of interest and engagement.

Dances and paid assemblies played a major part in collecting money and attaining our goal. One of the first projects of "Operation Stadium" was the sale of Madison Press subscriptions. The Madison Press gave us a wonderful deal on these, and we would like to extend our sincere thanks for their generous assistance. We would also like to thank the Booster Club for their contributions, interest and kindness.

The groups and clubs within the school that fulfilled their pledges are: The Key Club, The Student Council, The Senior Tri-Hi-Y, and the Athletic Association.

Yes, each of us can feel a glow of success and self-pride when we see that the dream of '59 is now reality! The Memorial Stadium was a truly great achievement!

HOMECOMING

OUR RADIANT QUEEN
Gloria Anderson

Directed and financed by the Senior Class, homecoming celebrations were festive and well-planned. Friday, October 9, featured an exciting game in which the Blue Streaks tied the Chardon Hilltoppers in a 0-0 thriller. The halftime program revolved about the coronation of the 1959 Football Homecoming Queen, lovely Gloria Anderson. The weekend was climaxed by a Homecoming Dance Saturday, October 10, which was decorated in hues of rose with a crown of gold as the main attraction suspended from the ceiling over the court of senior girls. The charming attendants: Diane Brown, Sandra Huetter, Amanda Lashlee, and Peg Podgurski reigned with Gloria over the gala affair.

JR. CLASS PLAY

"A Star Is Born"

"Stage Door," the Junior Class Play, was cast, produced, and directed by Mr. Glenn Andrews. The juniors worked diligently at creating the scenery and drilling the participants for this major production involving a thirty-member cast. The stage, set as the drawing room of a boarding house for actresses—the "Footlights Club"—became the platform from which Zona Heise delivered an outstanding performance as she executed the lead role of a stage-struck actress. Congratulations are also in order for each and every member of the cast, who all put forth an utmost effort to achieve the grand success that met the play in its two-day run.

Mr. Andrews contemplates the outcome of his next production.

This page compliments of Diamond Alkali Company.

Prior to her suicide Nancy Bodle, as Kay, reveals her woes to the leading lady, Zona Heise.

Awaiting their que.

CAULDRON STAFF

In September when school began, the Cauldron Staff was already hard at work gathering material for the Cauldron. The merchants had to be contacted and asked to advertise or sponsor pages. After this was done the staff began to take orders for the Cauldron. While everyone else was busy selling Cauldrons, Nick Square (Art Editor who is not pictured) began laying out the first pages of the book.

After four months of hard work the final pages were completed, the pictures were developed, and the layout was finished. Everyone on the staff breathed a sigh of relief when the finished copy was finally mailed to the publishers.

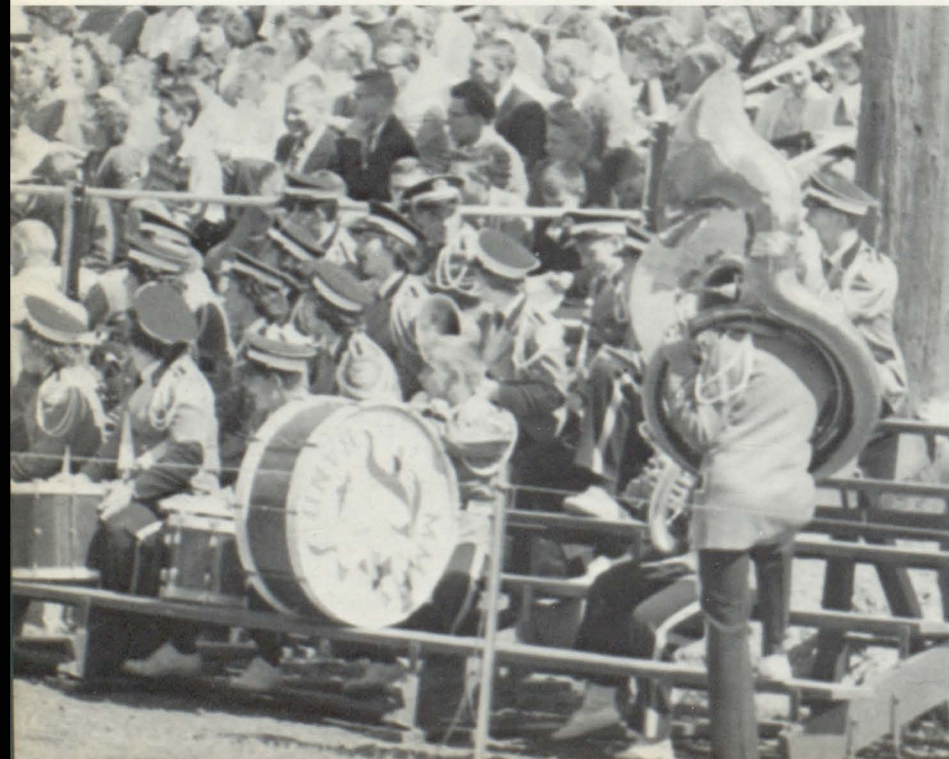

The Cauldron Staff wishes to thank Mr. Heichel for all the extra time and patience he spent with us in order that we might bring you this yearbook.

BLUESTREAKS OF 1959

This page compliments of Jerry-Faye Shoppe in Madison and Baker Drug of North Madison.

NOTES ON THE '59' SEASON

September 4, 1959, a crowd gathered at Memorial Stadium for a special review of our team.

The following week Madison was host to the Lake County Western Reserve League Preview. This included games between Kirtland and Chardon; Madison and Perry. The Kirtland-Chardon game ended in a no point tie, and Madison beat Perry 14 to 0.

An independent game between Madison and Geneva proved disappointing to the Madison fans as it ended in a 16 to 6 victory for Geneva. Madison's touchdown was scored by Biscotti who caught a short pass from Bukky and soared over the line for a touchdown.

Madison traveled to Jefferson for her first league game. Madison used the air route while on offense and the Bukky-Biscotti combination worked again as they scored the Blue-Streaks two touchdowns.

Madison romped over Spencer at her first home W.R.L. game. Early in the first quarter Len Izzarelli carried the pigskin over the line for our first touchdown. Bukky tossed to Biscotti for the second. Fullback Dick Fischer broke loose in the fourth quarter for our last touchdown. Madison lived up to the sportswriters' predictions and came out on top, 24-0.

On a muddy Homecoming field, the Bluestreaks tangled with Chardon Hilltoppers, and due to slippery conditions the action was limited and the game ended in a no point tie.

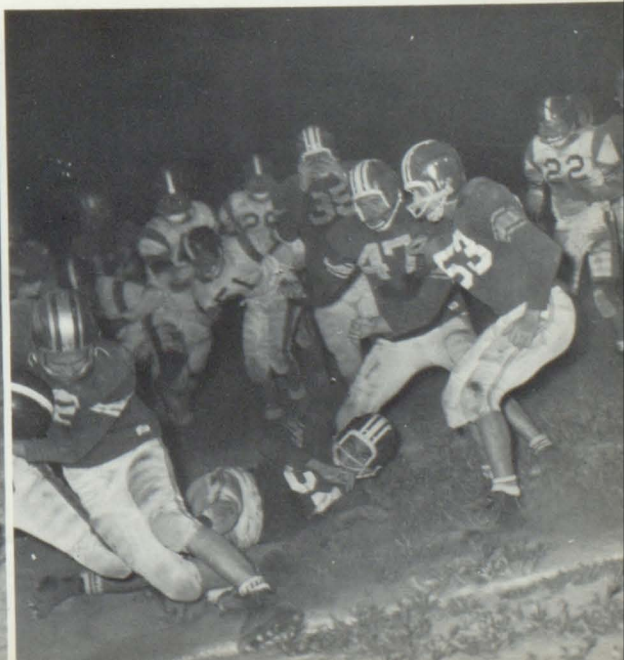

In their next game the Bluestreaks got off to a terrific start as Len Izzarelli galloped 65 yards in the first quarter for a touchdown. In the final quarter the Bukky-Biscotti combination worked once again but to no avail, for Madison came out on the bottom as Ashtabula Harbor beat Madison 32-14.

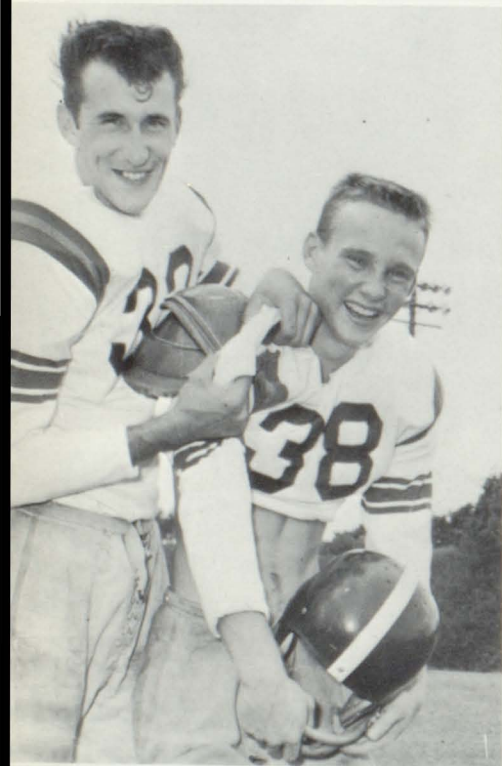

The Bluestreaks played an excellent defensive game as they held Edgewood, the leading league team, to only 6 points. Dick Fischer ran 65 yards into the end zone for a thrilling touchdown. Bukky and Biscotti connected for a touchdown, which to the Streak's great dismay, was ruled "no good."

The Madison-Perry game was a gigantic success for the Streaks because we won the game and also regained possession of the traditional "Little Brown Jug" for another year. John Bukky and Dick Fischer combined efforts by scoring the total 28 points.

On a cold Friday afternoon, the Streaks traveled to Kirtland for their last W.R.L. game of the season. The team struggled to break Kirtland's defensive line but their efforts were in vain.

Our last game was played against Ashtabula St. John and although the Streaks pushed ahead in the second quarter, St. John bounced back to wrap up a hard-won victory.

ROUNDBALLERS LAUNCH SUCCESSFUL SEASON

Row One: Boy Myers, Ray Bodak, Dave Rudolf, Tom Lowry, Bill Springer, Bob Bush. Row Two: Gary Ward, Steve Danyi, Joe Biscotti, John Bukky.

Backed with the experience of six seniors, the 1959-60 Basketball team of MMHS quickly assumed first place to thus-far undefeated season of league play. The team showed steady improvement and was a well-working unit of cooperation and team effort. The outcome of our season will be a featured item in the yearbook supplement.

Centered around an underwater theme, "Sea Myth," Madison's 1959 Prom was held at the Madison Golf and Country Club. The main attraction was a 3-dimensional waterfalls over which tumbled a constant stream of water lit by pastel blue spotlights. Featuring the music of George Parrish's 13-piece orchestra, the occasion was well-attended and successful. King Glenn Harvey and Queen Martha Elliott reigned over the festive affair. The post-prom party, sponsored by the high school P.T.A., featured a lively entertainment program directed by Joe Finan, and free food for all attending.
