Foreword

The publication of this yearbook signifies for some of us the end of another school year. For others, this Cauldron suggests something far more profound. It is the end of an era. We will leave Madison for the last time, some to lofty levels of education, others into jobs. We will depart from this phase of our lives far richer from this learning experience.

Reminisce with us, in these pages, the events of the seasons past which have made our year at Madison so enjoyable; such things as clubs, athletics, plays and dances, which in addition to furnishing entertainment and amusement, also provide valuable experience in sportsmanship and co-operation with our fellow students.

Yes, it has been a wonderful year. Even though we leave behind the experiences associated with our school life, the fond memory of Madison will remain with us always.

AUTUMN

Autumn is an anticipation of winter and a memory of summer. It is a beginning and a renewal. Clubs are again organized after the long summer recess. Friendships resume after the lapse of the summer months, and everyone settles once again into the routine.

Football season, with all the excitement of victories, the disappointments of defeats, and the canteens after the games, are the season's main social events. The Homecoming Game and Dance, climaxed by the coronation of the Homecoming Queen and her Court, are anticipated by all.

With this phase of the season over, the number of club meetings, dances, and other events increases, accompanied by a yearly "hustle."

The Patcharama is next on the social agenda. With the arrival of this event, the end of the fall season is upon us.

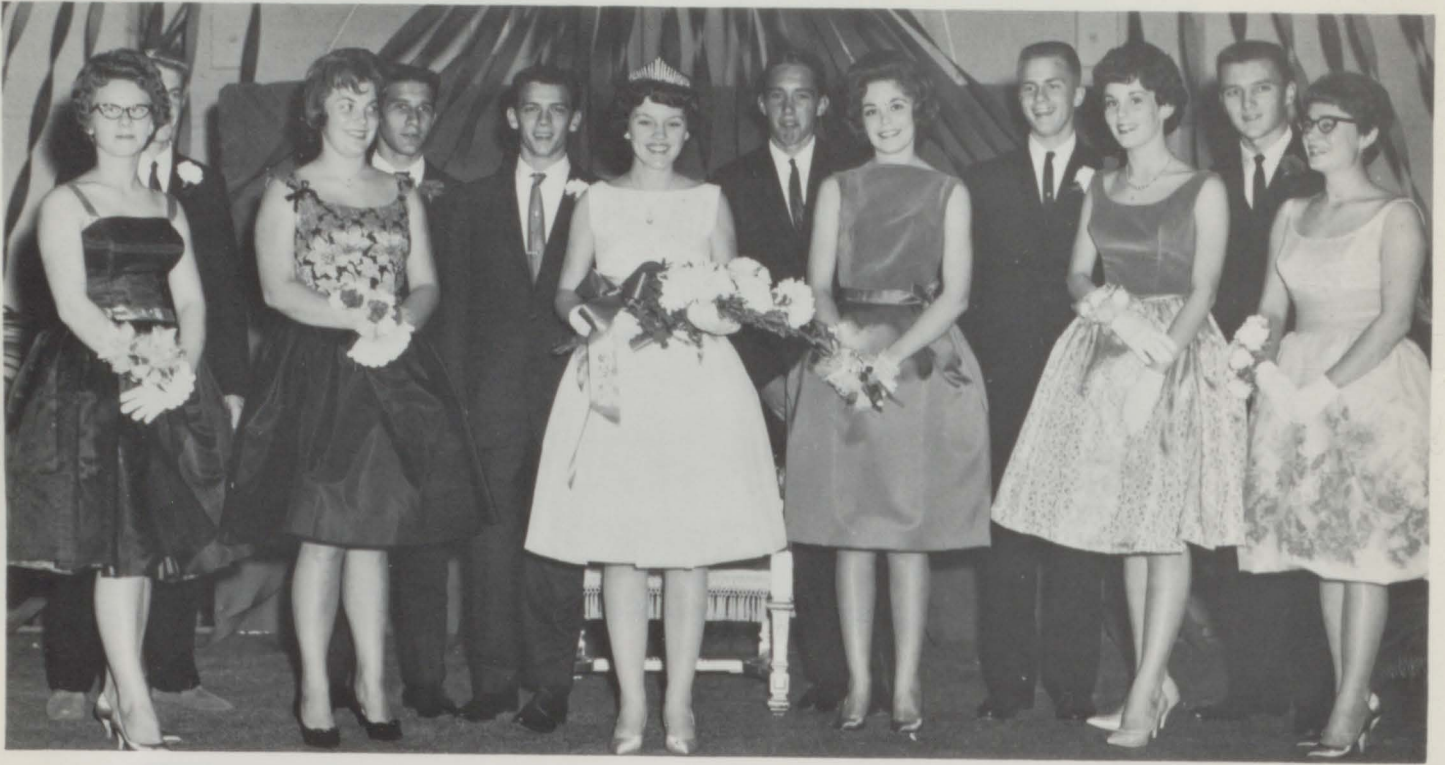

GETTING BACK TO SCHOOL

Well, it's back to the same old grind. We have to get up early to catch the bus. Again the halls become crowded after the long summer vacancy. The familiar chaos in the cafeteria, enjoyment of the new library, and football season back in swing, make up one portion of our daily routine.

HOMECOMING

The fall schedule of events started on October 12 with the annual Homecoming Football Game with the Dance being held on Saturday the 13th.

The Madison Blue Streaks hosted the Perry Pirates for this annual game. Unseasonably cold weather faced the crowds and although the Blue Streaks lost the game, the weekend was not completely marred. During the halftime festivities, lovely Rosemarie Vandervort was chosen Madison's 1962 Homecoming Queen. She was presented an attractive bouquet by Senior Class President Tom Graves. Miss Vandervort's court consisted of Judy Nixon, Leslie Laird, Susan Bucar, Shelby McGlothlin and Mary Lou Martin.

Climaxing the wonderous weekend was the dance held on Saturday. The queen's throne adorned the far end of the gymnasium. The high ceiling of fall colors produced a sentimental atmosphere. Tiny golden crowns filled with sweets graced the festive tables. Highlighting the evening was the crowning of Queen Rosemarie Vandervort by Tom Graves. After the impressive coronation, the queen had the pleasure of a dance with her escort, Doug Ferguson. The queen's attendants also enjoying the dance with their escorts were: Shelby McGlothlin and Keith Pechak, Mary Lou Martin and George Raico, Judy Nixon and Ed Stevens, Leslie Laird and James Knerem, and Susan Bucar and James Hutchinson.

September 7, Geneva

Our team suffered a defeat when they met Geneva for their first game of the season. The loss was blamed on inexperience, but the boys battled gamely against the older team. Tom Bukky came through with the only touchdown and P.A.T., so the game was not a total loss. Final score was 28-8.

September 16, Conneaut

We suffered a second defeat to Conneaut 20-6. The game was fast and furious, with many fumbles. Tom Bukky was again the only scorer, bursting through to make a touchdown.

September 23, Chardon

Our varsity recouped for its losses with a resounding victory of 36-20 over the Chardon Hilltoppers. Rick Dingus, Tom Bukky, and Chuck Houston scored points for Madison to bring us our first victory of the season.

September 30, Harbor

Madison fans saw our team suffer another defeat when the Mariners sailed over the Streaks 20-14. In our second league encounter, Dingus and Bukky made our only points, but to no avail.

October 6, Edgewood

The Bluestreaks seemed on a losing streak when they lost their fourth game of the season to the Warriors with a final score 22-6. Bukky was again the only scorer from Madison.

October 12, Perry

The Perry Pirates battled the Bluestreaks to win our Homecoming game 28-16. The record attendance roared as Tom Bukky and John Gabele made the touchdowns for Madison.

October 18, Rowe

Coach Opron's Bluestreaks smashed the Vikings for another victory. The action packed game was highlighted with touchdowns made by Gabele, Bukky, Houston, Biscotti, and Dingus.

October 26, Jefferson

Madison soared to its third victory of the season when they defeated the Falcons 36-0. The Streaks were in fine form, and Bukky, Gabele, Dingus, Bodak, and Biscotti burst through the Falcon line to rack up points for Madison.

November 1, Fairport

In Madison's final game of the season, fans saw the Streaks take on the Skippers and go on to win one of the most brilliant games of the season. Jim Reese, Tom Bukky, and Rick Dingus tallied touchdowns against the powerful Fairport squad to highlight the game.

CROSS COUNTRY

Madison added a new sport to its growing athletic department this year. Cross-Country Racing, coached by Mr. Donald Strother, was received with enthusiasm and a team of 14 was produced. A course was laid out consisting of gullies, tractor paths, wood areas, and the track, totaling $2\frac{1}{4}$ miles. Madison met teams such as Edgewood, Perry, and Mentor during the year. An Invitational Meet, held at Perry, climaxed the season.

M.M.H.S. MARCHING BAND

This is an outstanding and hard working group. They have performed and participated in many activities. They have made enjoyable half-time shows at all football games. This year, the band has grown in size and enthusiasm. Its director, Mr. Joseph Acerra, has been in charge of the group for two years. He has been responsible for a new approach now adopted by the marching band which is to spend one week at camp just before the opening of the school season. At camp, the group gets better acquainted and are able to help each other and the new members in marching techniques. In moderate rain or on a very hot day, the young musicians can be found on the practice field running through fundamental marching drills and practicing shows for the future season's football games. That week is also spent memorizing music for the shows. Actually, the week isn't all hard work. There are many recreational activi-

ties for everyone to enjoy; swimming, dancing, hiking, participating in skits, etc.

The band's biggest goal was that of raising enough funds to make a final payment on the new uniforms, the purchasing of additional uniforms, and buying plumes for the new hats. The marching band has participated in the dedication of the new bridge on Route 528, the Mardi Gras Parade, the Fourth of July and Memorial Day Parades, and sponsored many fish fries throughout the summer.

The Prep band is a promising group making preparations for entering the High School Band. It is made up of mostly freshmen. These hard working students take part in Junior High Concerts and the annual Spring Music Festival.

A branch of the marching band is the Pep Band. The group is made up of a few of the many outstanding players in the band. They play at all pep assemblies and at all home basketball games.

STUDENT COUNCIL

The Student Council, as the governing body of the high school, tries to develop citizenship by giving the students the opportunity to elect members to this representative group. The Council regulates various aspects of student life and attempts to complete projects of benefit to the school. This year, under the expert leadership of President Donnie Debeve and her executive committee, the organization has been extremely active with such new endeavors as the mock November elections, publication of a new Student Handbook, six weeks honors recognition, the Student Council bulletin board, club of the semester award, coat hanger drive, and Apple for the Teachers Day. The Council has also continued projects such as the support of Kim Sook Jung, our Korean Foster Child, the basketball game

coat check, and the Streaker. Aside from intraschool activities, Madison's Student Council has also hosted several Lake County Area Student Council functions as Donnie acted as president of this group of representatives from area student governments. In the fall, the annual L. C. A. S. C. dance was held in our gym, and, as always, it was a success. This spring, Madison organized and held the Area Student Council Workshop. The purpose of this was to extend the knowledge of those people who had attended Ohio Workshops and conferences to people who had not had such opportunities. Over one hundred people from Northeastern Ohio schools came to the all-day affair. The Student Council has been hard working, and enthusiastic and the members agree that it has been the most successful group in many years.

SERVICE CLUB

The Service Club proved to be one of our most outstanding and interesting clubs this year. After basketball season, the Service Club was recognized as the most outstanding club by the Student Council for its good work during football and basketball season. This was well deserved. The members withstood the cold, rainy football games and the crowded, smoky snack bar.

The popcorn machine was by far the most interesting piece of equipment the club had and used. Several times it filled the snack bar with smoke but this only added to the fun and excitement. Each member enjoys the time he spends working in the Service Club.

WINTER

The "terrible" winter of '62 will long be remembered by MMHS students as they received more than a week's vacation due to the inclement weather.

During this storm, however, the junior class was making final preparations for the "Tinsel Twirl." A novel, and highly delightful touch was added to this year's yuletide dance. A king and queen from each class were chosen to reign at the annual affair. Members of the Christmas Court were: seniors Gwen Jenkins and Ed Stevens, juniors Nancy Claypool and Tim Behm, sophmores Susan Waterman and Bob Zubek, and freshmen Polly Hearn and John Jenkins.

During the winter season our indoor sports, basketball and wrestling, reached their peak of social importance. Although wrestling is a relatively new sport, Mr. Guy's team brought home many victories and next year's team promises to be even better. Our basketball team under the direction of Coach Miller, credited us with many exciting games. With the end of the winter season, came semester exams and with them behind us, we anticipated the coming of spring.

The future members of our high school bands lie in the hands of these Junior High students. These students work diligently every day to obtain the necessary skills which make a Concert Band.

"THE MATCHMAKER"

This year, the senior class presented "The Matchmaker," a comedy in four acts. It was an even bigger success than their last hit, "The Late Christopher Bean." The cast worked very hard through five short weeks of rehearsals and were well rewarded with the laughter of the audiences.

The leads were Ann Natoli, Mary Lou Martin, and James Beall. Ann played the part of Mrs. Dolly Levi, a widow and friend of Mr. Horace Vandergelder. Mary Lou was Mrs. Irene Molloy, a millineress, and Jim played Mr. Vandergelder, a merchant of Yonkers, New York. Mrs. Levi was trying to match Horace and Irene but ended up marrying Horace herself.

Mr. Andrews did a remarkably good job and was assisted by student director Pat Harper. Together they shaped the play into a success.

Other members of the cast included James Knerem, Linda Hart, George Raico, Jim Millsop, Robert Arnold, Connie Pethel, Jim Hutchinson, Sue Bucar, Ron Hagerdon, Dave Cocherell, Gary Bauer, Penny Mayle, and Cindy Burnheimer.

The Matchmaker and her match.

THE LANGUAGE LABORATORY

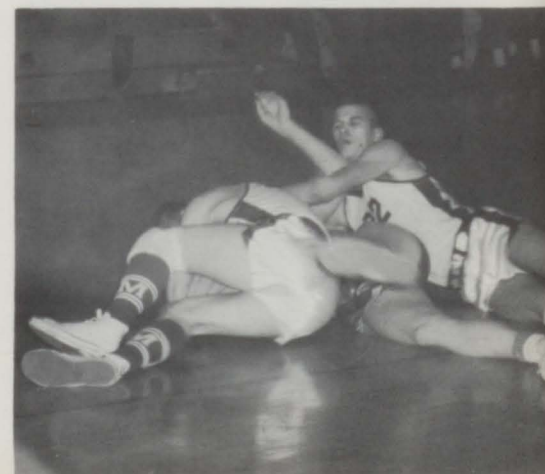

The language laboratory, which is now a little over a year old, has proved to be a help in the conversational phase of the modern language program. Our laboratory has places for thirty students. It has three tape recorders and one record player.

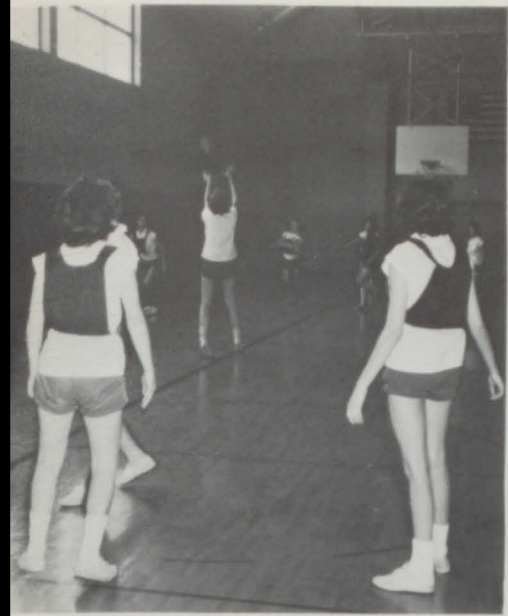

Listening to the various native voices on the tapes enables the student to understand better the differences in the pronunciation of the phrases and sentences that he learns by repetition, the key to learning conversation in a foreign language. Practicing the conversations with one another and with the teacher is another part of learning to speak fluently.

The language lab has other uses besides listening to tapes. It enables the student to hear himself when he is repeating the phrases that he hears. The teacher can listen to each individual and correct and grade him on pronunciation. Each student can be recorded on the tape for testing purposes. By testing in this manner, the degree of understanding and fluency is very evident.

Even with this very fine piece of electronic equipment, the burden of learning still falls upon the student. The interest, willingness, and degree of concentration that the student seriously puts forth will determine the amount of knowledge of a foreign language that he acquires.

STREAKS END BASKETBALL SEASON WITH LEAGUE RECORD OF 6-8

The Madison High School Blue Streaks finished their season with an over-all record of 7-11 and a league record of 6-8, thus placing them in sixth place in the Western Reserve League standings.

Friday, November 24, 1962, the Blue Streaks traveled to Conneaut to take part in a preview game to open their basketball season. The Streaks defeated the Rowe Vikings, 25-18.

Friday, November 30, the Streaks played host to Edgewood for their first league encounter. They slipped by Edgewood, 50-45. Madison led the entire game.

The December 7, 14, and 15 games had to be cancelled due to bad weather, but were rescheduled at future dates.

December 21 saw the next league action from the Streaks as they defeated Harbor, 53-52. The Streaks trailed during the first half, but came back to gain a third period lead and then sink the winning points in the last minutes of the game.

Friday, December 28, Madison traveled to Geneva for their first non-league encounter only to be defeated, 63-42.

Saturday, December 29, the Streaks traveled to Fairport for a re-scheduled league game. The Skippers blasted them, 84-65.

Friday, January 4, 1963, saw the Blue Streaks at Chardon for another league encounter. The Hilltoppers slipped by, 47-45. The Streaks led the game until the final quarter when the Hilltoppers came from behind to win.

Saturday, January 5, we played a non-league game with Conneaut. The Streaks blasted them, 66-50 with Bob Zubek's 36 points (his highest for the season).

Friday, January 11, the Blue Streaks played host to the Rowe Vikings. They were behind the entire game as the Vikings defeated them, 46-44.

Saturday, January 12, the Streaks were at home again for a re-scheduled game with Perry. Madison led the entire game, trouncing the Pirates, 63-43.

Friday, January 18, Madison traveled to Edgewood for another league encounter and also the most exciting game of the season. After trailing for the

entire game, the Blue Streaks defeated Edgewood, 65-60, in a double overtime. The first quarter saw them behind, 9-15. At half-time, they were still behind, 22-27, and in the third period, 39-41. Then in the fourth and supposedly final period, the Streaks sparked to life and surged ahead to tie the game in the final seconds. The first overtime started but no one could gain a good lead in it. The second overtime began with the lead swaying back and forth. Then the Streaks surged ahead and gained the lead for good.

Friday, January 25, the Blue Streaks played host to the Jefferson Falcons who bounced the Streaks, 47-43.

Friday, February 1, the Streaks once again were hosts to the Perry Pirates. The final score was almost a repeat of the first Madison-Perry game, as the Streaks romped by the Pirates, 63-40.

Saturday, February 2, the Streaks journeyed to Jefferson only to be defeated by the Falcons, 58-44. Although the Madison team tied the score at half-time, the Falcons regained their lead and held on for good.

Friday, February 8, we traveled to Harbor for a game that proved to be the worst one of the season. The Streaks just couldn't seem to get going as the Mariners tromped them, 61-36.

Saturday, February 9, Madison was host to Fairport in a league encounter. The Skippers slipped by the Blue Streaks, 72-65.

Friday, February 15, the Streaks played host to Chardon. The game proved to be a real close one as the Hilltoppers slipped by, 53-52. Madison trailed by only one point at half-time, then streaked ahead to gain a 43-35 lead at the end of the third quarter. The Hilltoppers came from behind to score the winning points in the last minutes and came out the victors.

Saturday, February 16, we went to Riverside for a non-league game. The Beavers spanked the Blue Streaks, 71-30.

Friday, February 22, the Streaks journeyed to Rowe to end their basketball season with a victory. The Streaks stopped the Vikings, 78-72.

The wrestling team now looks back to their successful season. Placing second in the Western Reserve League, the mat-men were victorious over ten of their opponents and were handed five defeats.

The league record for our team stands at six wins and two losses. Out of their seven non-league encounters, the grapplers won four and lost three. The two league defeats were to Chardon which was undefeated. Non-league grapplers that met Madison on the mats were from Kirtland, Kenston, Harvey, Mentor, Burton, and Cardinal High Schools.

Sectional tournaments were held at Willoughby North High School where Rick Dingus placed fourth in his weight division. Dick Hamblin and Byron Buck placed sixth and seventh, respectively for Madison.

The seniors in the choir can well remember the days when we were in the Freshman Chorus. This is where we received valuable experience which enabled us to qualify for the Concert Chorus. This year's freshman chorus promises a large number of candidates for the future Concert Choir.

The high school Concert Choir is an organization of which we can all be proud. The choir began the year by working on sight reading and vocal techniques. Then the concert season started: The Christmas Concert, Lake County Vocal Festival, Band and Choir Contest, Spring Concert, and, of course, Baccalaureate and Commencement. One can easily see that the chorus is busy throughout the year. Under the fine leadership of Mr. Girton, the choir always has done a fine job.

The Mixed Ensemble is composed of select choir members and is one of the finest vocal groups in the area. The ensemble has performed at various community functions, chorus festivals, and radio programs. As in the previous years, the ensemble has met rigid requirements receiving a "superior" rating at the District State Solo and Ensemble Contest.

A NEW LOOK IN LIBRARY

Our return to school this year was rewarded with a "new look" in the library.

Gone are the rows of desks filled with pupils each period. Gone is the confusion so often created in study hall. GONE ARE THE LIBRARY STUDY HALLS!

With all of these things gone, we miss none of them, for now we have the makings of an effective library, bright, quiet and ready to serve pupils and teachers alike.

The "homey" touch of our new tables and chairs was thoughtfully provided by Mr. Matuscak, who personally selected the fabric to be made into the drapes.

Several hundred books have been added to our collection to supplement those we already have, and we are looking forward to increasing this so that our library will compliment each and every department completely.

With the cooperation of the student body, the library should be able to serve us all in a way never before possible.

The Future Nurses Club is an organization for girls interested in a nursing career. Their main purpose is that of assisting in the clinic. The clerical work and first aid which they do provide valuable experience for their chosen career.

KEY CLUB

Key Club is one of the most important service organizations, serving both school and community. This club, sponsored by the Kiwanis, consists of tenth, eleventh, and twelfth grade boys who are the workers and leaders in their class. They sponsor many projects, making the club an asset to our school.

SPRING

The songs of birds, and scents of flowers tell us that it is spring in Madison.

The minds of students are divided between studies and more pleasant things. During this season, the American pastime, baseball, demands much attention, and the team plays with enthusiasm. The track team is also at a peak of activity during the spring. Taking advantage of the warm weather, the golf team engages in extensive practice to be in their usual fine form for matches with teams from other schools in the league.

Preparations for the Senior Prom are in the final stages. The theme is kept in utmost secrecy. The night finally arrived for the most important social event of the year. The girls glowed in their new formals, and the boys looked unusually dignified in tuxedos.

With corsages pressed in dictionaries, and tuxes returned to tailors, the realization that final exams are just around the corner caused the seniors to unearth the notes taken so painstakingly in class. With their exams over, and the school career finished, the halls seemed strangely quiet as underclassmen prepared for their exams.

Suddenly it is finished—another year is behind us.

For the seniors, the end of the school year is denoted by commencement. The culmination of four years of hard work, novel experiences, and wonderful memories is upon us.

SEWING CLASSES IN NEW SPACE

The sewing classes were pleased to find new space for their projects in the form of a sewing room as they started the school year. No longer must the girls share a space with pots and pans; they have a room of their own. The new space has done much to improve the learning situation and is just one of the changes that are being made to keep our school the best.

INTERCLASS

Interclass Tournaments were held on March 15, sponsored by the Key Club. Both boys and girls participated in the event. The championship game found the senior boys vs. junior boys and the senior girls vs. junior girls. Both trophies were won by the juniors.

JUNIOR CLASS PLAY

"I Remember Mama" was in the making when our book went to press. The play was to be presented on April 5th and 6th. Playing the lead parts were: Mama, Nancy Korte; Papa, Pete Turkenburg; Uncle Chris, Matt Biscotti; Aunt Jenny, Karen Ward; and Katrin, Cheryll Ray. Mr. Andrews predicted that the play would be a success.

F.B.L.A. PRESENTS BASKET BRAWL

On March 8th, the F.B.L.A. presented the Basket Brawl, in which the students noted the prowess of our faculty on the basketball court. The first game was a rousing encounter between the women teachers and the F.B.L.A. girls. The teachers routed their opponents 28-7. The next game was an exciting battle between the Ohio-Pennsylvania and West Virginia teachers. Among the stars appearing were "Valence Vogan," "Porky Pig Martin," "Scarlet Letcher," "20 x 20 Melin," "Big Ben Grimm," "Daisy Maize," "Einstein Rumancik," "Hercules White," "Jingles Girton," "Better Late Than Never Fowler," "Scientific Baker," "Muscles Guy," "Multiplication Mackey," "Debits Byers," "Immigrant Buck," and "Apple Orchard."

M.M.H.S. CONCERT BAND

The performances of the concert band have been regular features of the holiday seasons. The group, under the guidance and direction of Mr. Leslie Girton, has always tried to maintain high standards of musical achievements. It performs pieces composed by the great masters as well as those of contemporary musicians.

Each spring, in a culmination of activities, the band travels to contest. There, it performs and listens to groups from all of Northern Ohio. Judging is in terms of a I, II, III, or IV rating. In previous years, our band has made very respectable showings.

Many branches extending from the band are ensembles, Stage Band, soloists, and Brass choirs.

National Honor Society

Membership in the National Honor Society is the supreme honor that can be bestowed upon a high school student. Up to ten percent of the junior class is selected on the basis of citizenship, service, scholarship, and leadership. The following year, up to five percent of the senior class and ten percent of the junior class is chosen; thus each class may have fifteen percent of its students within the society. This year's senior members have helped the school by tutoring people who may have trouble in a particular subject. The National Honor Society members are characterized as the outstanding and well-rounded students of our high school.

GIRLS' STATE

One of the activities of the junior year is the selection of two girls to represent our school in Columbus. They are chosen by the American Legion Auxiliary of North Madison and Madison. It is here that they learn about the system of our state and local governments. Mock elections are held and for one week, Buckeye Girls' State is a state of its own, making its own rules, and being run by girls elected to their respective offices. Through the experience in running their own government, students realize the necessity of being better citizens.

BOYS' STATE

At the end of our junior year came the selection of three boys chosen to represent our school in Columbus. They were sent by the American Legion of North Madison and Madison. The purpose of the convention was to show these students the system of state government. While at Boys' State, they set up mock elections and operated their own tiny state government. The objective of Boys' State is to make a better citizen out of these young men by promoting interest in government.

SCHOLARSHIP CLUB 1962-1963

Lake County Scholarship Club members are selected at midterm on the basis of a 3.1 or above average for the preceding year. These people are awarded pins signifying the years of membership, and are treated, by the P.T.A., to the annual Lake County banquet. Each participating

school selects a county officer for the year. This year, our officer was second vice president, Leslie Laird. The banquet was held at Fairport McKinley School and was sponsored by Fairport Harding High School. A student of the host school presides as president.

NATIONAL MERIT SCHOLARSHIP

Each spring the National Merit Scholarship Qualifying Test is given to interested Juniors. This test, if completed with a very high score, can be a great boon or, even, an insurance in getting scholarship aid given by various schools and businesses. If a student attains a ninety-ninth percentile and has above a certain number of points, he is eligible for the semifinalist and then the finalist phases of the contest. If a student acquires a ninety-ninth or ninety-eighth percentile and just misses the cut-off point, he is awarded a Certificate of Commendation which is also a tremendous help in acquiring financial aid. In this year's Senior class, Susan Bucar and David Cocherell received finalist status. Leslie Laird and Donnie Debevc received commendations.

In order to become a fourth year Scholarship Club member, one must have maintained, at least a 3.1 average in every year of high school. The four year members are awarded a special Certifi-

cate of Merit for excellence in scholastic achievement at the annual Lake County banquet. Madison's recipients, this year, have been especially outstanding as they have all attained a comprehensive high school average of 3.5 or above, which has entitled these seven people to graduate from our high school with honors.

TOP TEN

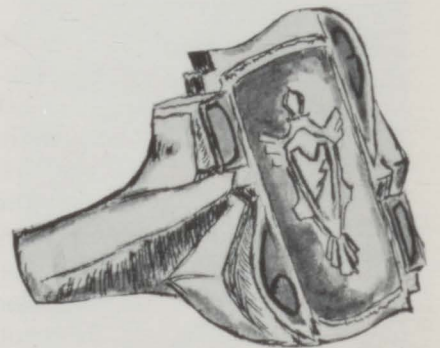

The Cauldron has, this year, selected to be honored, the top ten percent of the graduating class. These people have attained the highest class averages in their four years of high school as a result of efforts in studying for tests, preparing reports, or learning assignments. It is obvious that these people are intelligent, but it is not this which is primarily commendable. It is, instead, the desire to learn, and the eagerness to do the highest quality of work, which has placed these people at the apex of the academic ladder. It is not at all strange that, with this striving for excellence, these people have extended their application to areas other than those which are scholastic. One will notice that all of these people have been successful leaders as well as successful students. The Cauldron congratulates these people on their outstanding high school careers.

SENIOR CLASS HISTORY

Our senior year is drawing to a close. Often, in all the excitement of this last year, we find ourselves remembering the history of our class.

The first two years of high school we remember as times of successful selling campaigns. In our freshman year we sold soap; in our sophomore year, candy.

Our junior and senior years were full of more impressive accomplishments. Our artists and organizers were mainly responsible for such successes as the Noel Cotillion, the Prom, and the Homecoming. Our Junior Play, "The Late Christopher Bean," was followed the next year by "The Match Maker."

The class of '63 is the last of the small classes. As such, we have enjoyed a closeness not to be found in larger classes. Also, we will be reminded of the intangible feeling of walking to get our diplomas with people we have known since ninth grade. This is the part of our history which can never be recorded.

FINIS

As you receive your yearbook, the seniors will be leaving. No more will they experience these things brought to life by this Cauldron. When you put this book on the shelf there will be another publication in the making to continue the record of life at MMHS.
