Long before the colorful leaves of fall begin to tumble, the halls of Madison Memorial High School are thronged with alert cheerful students. The first week's activities ended with a bang, as the Bluestreaks won their first football game against Geneva on September 10th. The old and new clubs begin meeting again after a long summer vacation. The first six weeks ran into the second. The first annual Powder Puff Football game saw the mighty seniors of the G.I.R.L.S. Club as the victors. The third and fourth six weeks zoomed by with basketball hitting the spotlight. Fifth six weeks came and went along with the blue skies of spring and green buds. Seniors began to think of college or work and then, before we knew it the school year came to a close and the seniors graduated. With the end of the year came our Cauldron, recapping experiences that occurred, bringing back fond memories.

Varied Aspects of Our Phys. Ed. Program

Unlike the higher institutions of learning, colleges and universities, high schools are limited in the extent to which they can fulfill their fitness program. At M.M.H.S. the program is varied to include the many aspects of physical education for girls and boys. The program provides the opportunity for every student to feel the exhaustion of exer-

cise and pride in muscular development. A year round schedule of events include Soccer, Football, Field Hockey, Baseball, and Track outdoors, while in the gym, the program hosts, Basketball, Volleyball, Gymnastics, and Wrestling. All these are only a part of varied physical education program at Madison.

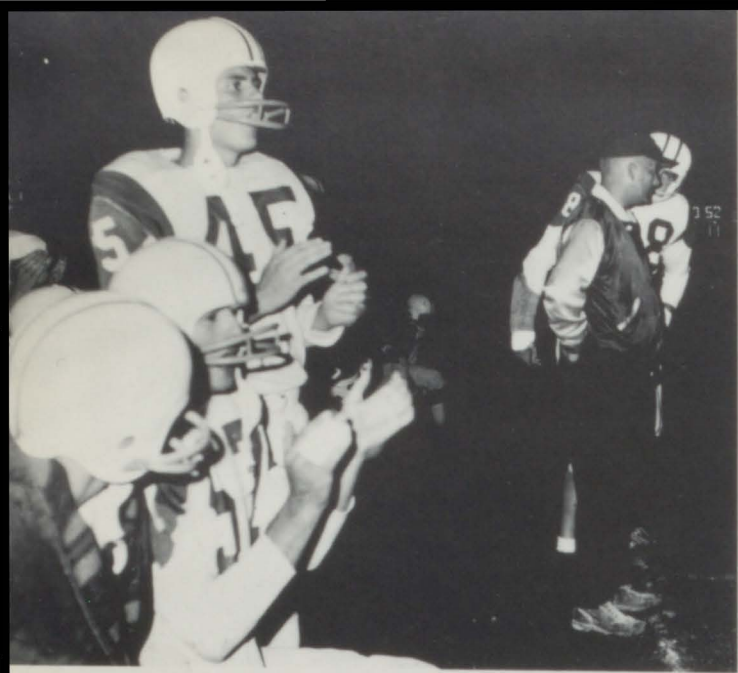

Students Take Advantage of Outstanding Academic Program.

All students are not endowed by nature with capabilities to be geniuses, but never is a person denied the opportunity to progress and learn, whether clerical or vocational. The academic program allows for specialization and training in the area of future endeavor. Madison has long been respected for its academic quality. Each year the school witnesses the graduation of outstanding seniors well tutored for the world of tomorrow—a world belonging to today's youth.

Sports Events Develop Character and Spirit

Sportsmanship exists as a hard core and invulnerable center of a school's social life. It's the very heart, the color, the spirit, and warmth that comes with pride of victory and the agony of defeat. It's a quality that is dependent not only on character of athletic participants but the large crowds of loyal followers. The student body serves as an important factor in the drive and momentum of the team.

Topple Pirates to Retain "Little Brown Jug"

The season outlook called for a highly rated Blue Streak grid squad to be a strong contender for the Western Reserve League crown. Ironically, the Streaks developed into a strong contender only after dropping a 28-8 league clash to the crown favorite, Fairport.

Prior to the contest between the two strong rivals the Streaks had started the sea-

son on somewhat shaky terms. A gratifying victory over neighboring rival, Geneva, was short lived. The Streaks were handed a pair of whitewashes and entered the league season on a bad foot. The Madison gridgers narrowed the margin in the first half of the Fairport game but lacked sufficient momentum to thwart the surging Fairport crew.

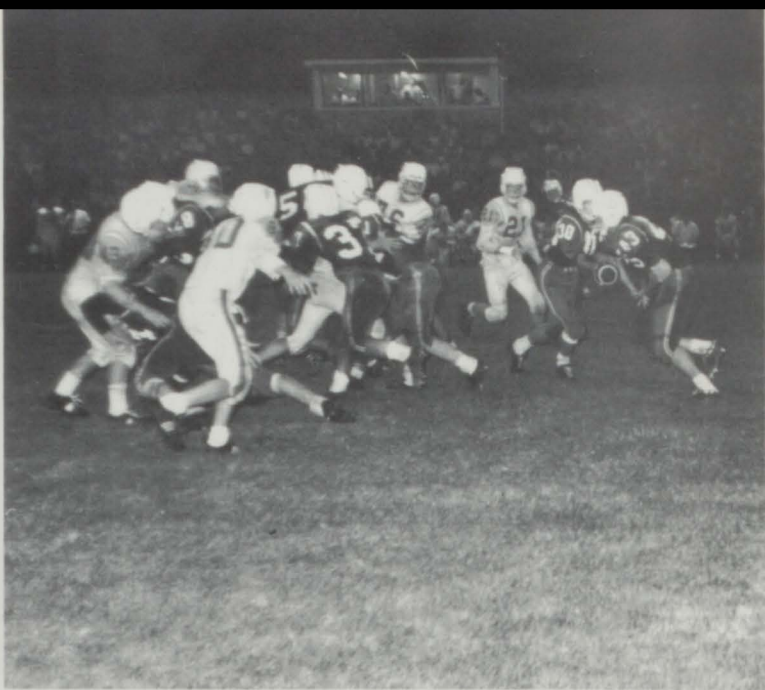

The Blue Streaks saw only 10 returning lettermen back to anchor any crown hopes. Veterans Tom Carr, Rex Reigert, Ross Rizzo, Rick Ames, Tom Stull, Larry Norris, Keith Beatty, Ken Brown, Ford Behm, and Gordon Miller were back to form the nucleus. Although the overall size was not large, the offensive and defensive lines were the heaviest in a long time bolstered by some large juniors and seniors.

Offensively the Streaks saw junior Chuck Billington elevated to the quarterback slot, the outlook being for an aerial attack. His favorite targets became half-backs Ross Rizzo and Keith Beatty and ends Tom Carr and Ken Brown. The action via the air lanes grew somewhat overshadowed by a devastating ground attack launched mainly by Beatty and Rizzo. Ross ended the season with 673 yards and Keith 915. Keith rolled up 187 yards versus Perry to highlight the season's ground game. Jerry Harrison joined the two halfbacks in the backfield as a fullback.

While the squad was sparked by the seniors, added interest came on the performances of many of the underclassmen. Sophomore Rick Svagerko found himself a permanent member of the starting unit. Dave Pethel handled the punting chores for Madison while place-kicker Mike Stewart represented the freshman class handling the kick-off duties and attempts at kicked PAT's.

Following the loss to Fairport, Madison began to set a pattern of teamwork. A hard earned victory over Jefferson was followed by a crushing win over Kirtland. The Streaks harshly welcomed the Hornets back into the league. The potential was there and few expected it to erupt as it did against Perry and Harbor. Retention of the "Little Brown Jug" was a result of the spirited rout of a highly rated Pirate defense. The same type of team effort had first been noted in the opening win over Geneva, 20-0.

Chuck Billington hands off to Keith as Conneaut surges through the line.

Streaks rejoice in locker-room after Homecoming victory.

Madison marched through a season of rain-soaked fields and bitter cold evenings, suffering numerous injuries yet picking up momentum and drive with each game. In victory and defeat it was "team effort" the key to future success. The entire season can be summed up by reviewing a statement by head coach Opron following the Geneva game: "It's only 365 more days to the next Geneva game."

Homecoming '65 Sees Terri Reign Over Game and Dance.

October 8, a somewhat overcast and rainy evening marked the beginning of the 1965 Homecoming festivities. The team and the crowd were in high spirits as the Blue Streaks tromped the Jefferson Falcons by a score of 14-8.

At half-time the rain held up long enough for the escorts to drive the candidates and their fathers around the field and let them out in the center of the band formation. Senior class president, Ross Rizzo, presented flowers and a kiss to the newly elected Homecoming Queen, Terri Tracey.

Homecoming Dance Climax to Wonderful Evening

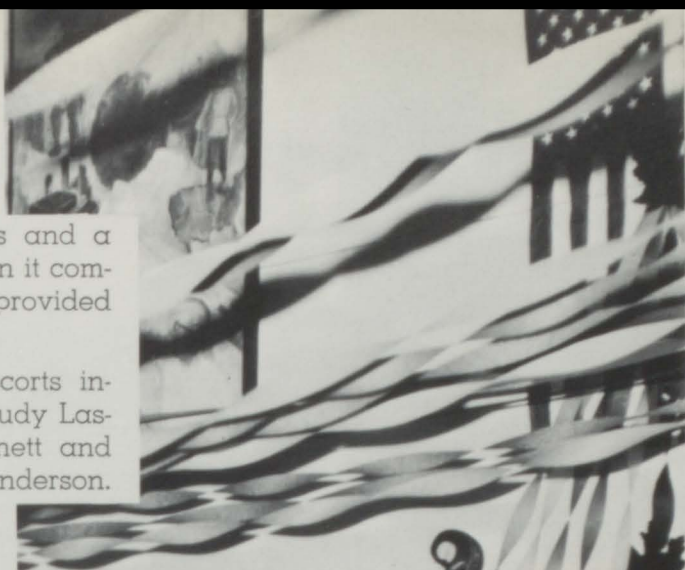

The climax of the wonderful weekend came Saturday evening, October 9th, when the annual Homecoming Dance was held in the auditorium-cafeteria.

Queen Terri Tracey's coronation by football captain, Ross Rizzo, highlighted the evening's festivities. Fall-colored streamers of brown, orange, yellow and red crossed the entire room. Corn

husks, pumpkins with chrysanthemums and a large silver ball with a green spotlight on it completed the decorations. The music was provided by the George Parrish Combo.

The other attendants and their escorts included: Polly Hearn and Keith Beatty, Judy Lasowski and Walt Ludwig, Carole Barnett and Dale Miller, Grayce Seymour and Rick Anderson.

Marching Band Developed Interesting Programs.

During the first few weeks of school, many students were still confused with their daily schedules and routine, but our Marching Band was out on the field every day preparing for the half-time entertainment at our Blue Streaks' Friday night football games. During the warm days of early autumn, students in classes could not hear the band practicing on the field for their next appearance. The Marching Band is one of the hardest working organizations in our school. They surely proved it with their half-time routines during our football games.

Before school started, the band attended a three-day camp in Windsor, Ohio, under the direction of Mr. Joseph Acerra. Here they

practiced drills, formations, and learned music for the games.

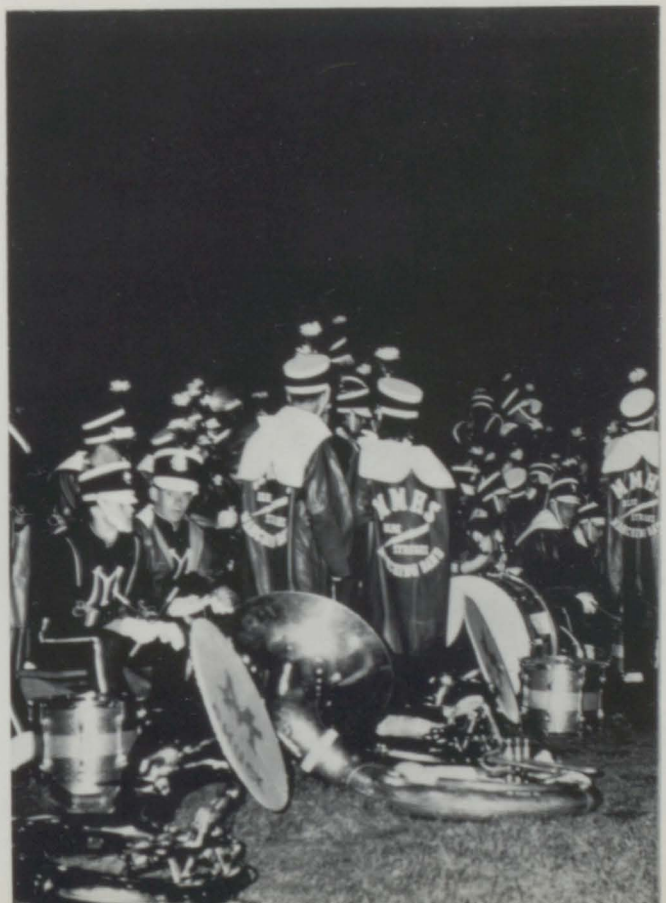

Our Marching Band hi-lighted this season with three specialty numbers—The Baby Elephant Walk, Pink Panther, and Walk on the Wild Side. Before every game, the band presented a short pre-game routine.

The band's themes for the night's performances were planned around Old Fashion Days, the Jungle Safari, and Tag Day, where they collected money for the band treasury. The co-presidents of the band are Wendy Mayhew and Jon Klapp.

We should give Mr. Acerra, band director, and the Marching Band, the credit they deserve for giving us our half-time enjoyment at all of the Blue Streaks' games.

Streak Harriers Finish Atop Tri-County Standings

Cop Second in League Race

A 7-0 record went for naught when the Blue Streak harriers met the Perry Pirates in the W.R.L. championship match. Perry dealt the Streaks a stunning blow edging the tri-county area's top team 27-28. As a result of the lone defeat, the defending champion Streaks were forced to settle for second place in the league while resting atop the tri-county standings at 9-1.

The youthful Streak squad entered the '65 season as the team to beat and picked up added momentum rolling to victory after victory. The Madison harriers had chalked up four wins prior to a crucial contest with Riverside. The Beavers gave the Streaks a real test but dropped the match 25-32. Immediately following this encounter the Madison harriers took to the independent trail again at Edgewood. Seeking revenge, the Streaks dumped the Warriors 27-30 to retain an unblemished record. All efforts of the season pointed to that final showdown with Perry.

Coach Strothers contemplates another win.

Rick and Don strain with all their might.

In the course of the season, the Streaks upped their record to 12-1 on their home course, with a 12 game win streak intact. With this year's 9-1 finish, Madison holds a 16-2 record for the past two seasons. The high flying Streak harriers were sporting an eight game win streak prior to the Perry match. Sophomore Jay Fabian snapped the old course mark for a new record of 12.12. Coach Strother, now in his fourth year at the helm of Blue Streaks, has guided the squad since its organization to 21-12 record over four seasons.

A fine nucleus of Jay Fabian, Chuck Rizzo, Jim Jackson, Mike Rose, and Cal Birman was accented by fine team depth as displayed throughout the season. The term "team effort" was oft applied to Streak performances and is verified by the fine 9-1 record despite numerous injuries to key harriers through the season.

The senior class play, "Arsenic and Old Lace" was presented in the gym on November 5th and 6th, under the stage direction of Mr. Andrews, and student director Barb Johnson. Sets and Properties were under the management of Miss Westfall.

The story is centered around two old ladies, Abby and Martha Brewster, Cindy Kurtzhals and Sharon Palmer, who have a 'hobby' of giving lonely old men with no family and no purpose in life a taste of their elderberry wine which has arsenic in it. After they've poisoned the gentlemen they have their mentally unbalanced nephew, Teddy, who thinks he is Teddy Roosevelt, bury the corpse in the Panama Locks, the basement. Explaining that the body was a yellow fever victim and it must be buried immediately.

The other nephew Mortimer Brewster, Bill Dubiel, accidentally finds a body hidden in the window seat and decides that Teddy must go to to Happydale Sanitarium immediately, believing that he has murdered the man in the window seat.

While this is going on, the Brewster household is paid a visit by a long lost nephew, Jonathan, Jon Klapp, and his accomplice Dr. Einstein, Tim Brown. Jonathan is a notorious murderer and has sought refuge there from the police with the body of a man he had murdered. Jonathan and Dr. Einstein have really made pests of themselves and Mortimer tries to get rid of them but has a hard time because Jonathan and Dr. Einstein discovered Abby and Martha's doings and threatens to turn the two aunts in if Mortimer makes them leave the house. One evening three policemen who are friends of the Brewsters come in for a chat, and recognize Jonathan. They take him to Jail. Dr. Einstein escapes out the front door and Teddy is going to Happydale so everyone seems happy, except Abby and Martha. They are sad and demand to go to Happydale with Teddy, so Mortimer arranges it and in the end marries Elaine, Paitra Lasko.

Most Prosperous Council in Madison History

One of the most prosperous student councils in the history of Madison High got underway this September under the guidance of President Rex Reigert and Faculty director Mr. Linhart. Among the first projects was the Foster Child and getting Stratton Place as an after school recreational center. The dress code was revised and boys are now allowed to wear sweatshirts. Among the other proj-

ects the Council completed were: a welcome dance for Tono; student-of-the-month; Booster Badges; contributions to charities; folded handbills for the Madison Press and exchanged students with Willoughby-Eastlake, Mentor and Geneva High. Other officers include V.Pres. Martha Heinrich, Sec'y Linda Atkin and Treas. Beth Smith.

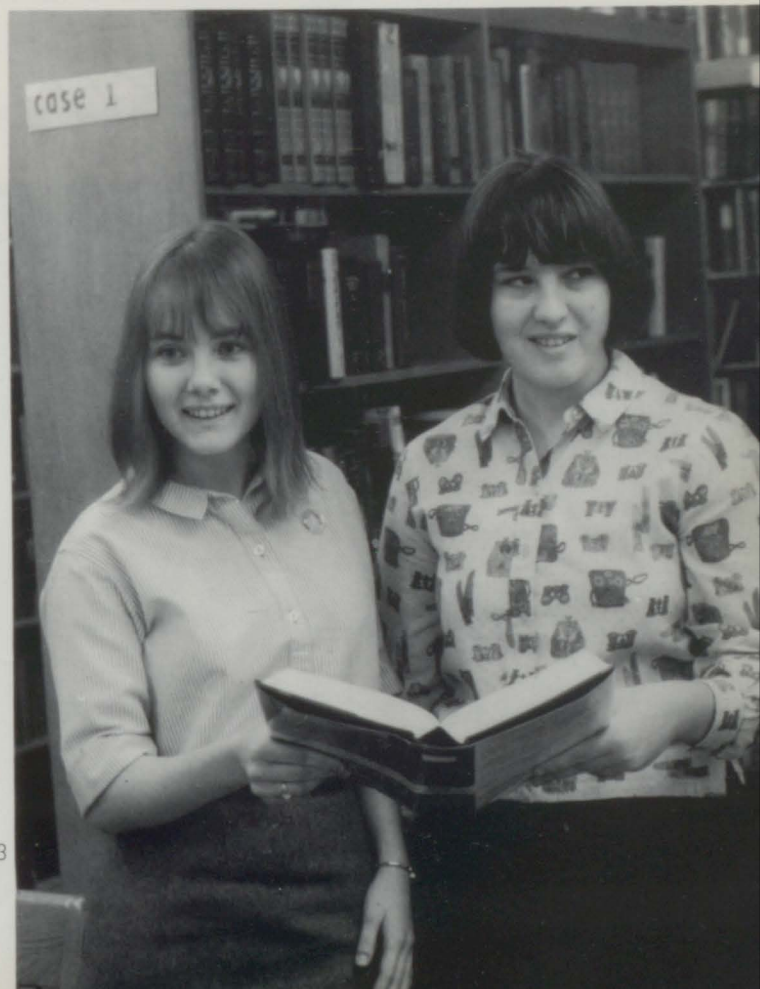

Carr and Stevens elected to Senate.

June 10 marked the beginning of the most outstanding Boy's State ever. Representatives from Madison were Tom Carr, Terry Stevens, and Ross Rizzo. During the week's stay a small state government was set up in the dormitories on the Ohio State University campus. State and local officials were elected. Tom Carr and Terry Stevens were elected senators and Ross Rizzo was elected fire chief. June 20 brought to a close the 1965 Boy's State.

Girls State held at Ohio State Campus.

The 1965 Girl's State was held at Ohio State University. Delegates from Madison High were Peggy Miles and Barbara Johnson. During the course of the week the girls attended meetings, lectures and enjoyed themselves.

National Honor Society Confers Honors

To be a member of the National Honor Society is one of the highest honors than can be bestowed upon a student of Madison Memorial High School. The Junior and Senior classes may each have up to fifteen per cent of their class as members. In February, a newly selected group of juniors and seniors were inducted into the society. In a ceremony witnessed by the entire school body, a hush fell over the students as the old members tapped the newly elected members. To be a member, one has to qualify for what the four candles represent; Leadership, Scholarship, Character, and Service. The new members were completely surprised to see their parents walk in during the start of the ceremony, for their parents had sworn to secrecy. The preparations were supervised by Miss Jean Westfall, sponsor of the Madison Chapter. After the ceremony, the parents and members attended a small reception .

Girls Invade Gridiron

Girls invade the gridiron! The first major project of the G.I.R.L.S. Club this year was an action packed Powder Puff Football Game. It was the first time in the school's history that the females have donned the jerseys and carried the pigskin.

This was only one of the undertakings of the G.I.R.L.S. Club. Throughout the rest of the

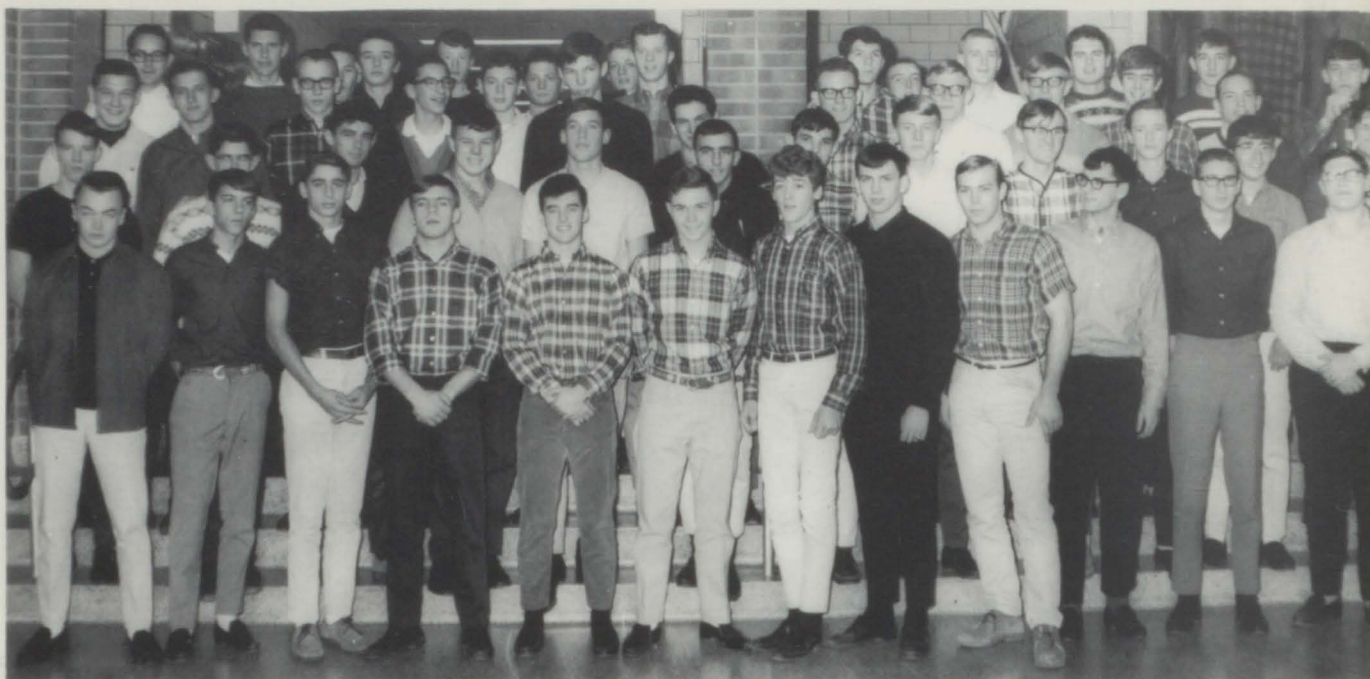

year the girls volunteered their services and funds to help the school and community.

The club is made up of thirty girls from the present Sophomore, Junior and Senior classes. New members are initiated each year from the Freshman class plus a few from the other three. This is the second year the club has existed in our school.

Chess Team Has Good Season.

The Chess Team, a small organization in our school, consisting of a few boys, has done more than the school gives them credit for. The team meets every Tuesday after school preparing for their matches with other schools on Wednesday. They play other schools such as Perry, Chardon, Riverside, and Willoughby North and South at the Painesville Branch of the Y.M.C.A. Mr. Baker is this years advisor. Members of the team consist of Robin Matteson, Bill Buttwin, Bill Dubeil, Don Wichert, Ray Hiller, Ray Myers, Dave Orr, Dave Roeherer and Joe Fogel.

G.A.A. Members Work Hard to Forward Their Program

The Girls Athletic Association under the leadership of Janeen McArthur, Jane Knerem, and Chris Anderson, put in a truly successful year. To raise funds in the beginning of the year (to go toward awards and trophies) the girls put on a highly profitable car wash. In the late fall, they picked apples and made cider to sell.

Every Monday the girls meet to participate in intramurals. The year started out with the bruised shins of field hockey and was followed by volleyball, basketball, badminton, gymnastics, and was ended with track.

All the various sports are organized and carried through by the respective sports chairmen with the help of the organization's advisor, Miss Phillips.

The girls obtain points as they participate in each sport. At the end of the year the points of each girl are added up. A girl with 200 or more points receives a G.A.A. emblem, with 700 or more points she receives a letter. With 1200 points or more a pin, and a Senior with 1700 or more points is eligible for a Senior trophy.

Service Club Benefits

Athletic Fund

The Service Club consists of members from the sophomore, junior, and senior classes. Group leaders are chosen from experienced members of the seniors. They are Denny Madsen, Janice Griffin, Chris Vaux, Gretchen Vogel, Nancy Doubledée and Linda Bliss. These people are responsible for making sure their group is at the game to prepare and to serve you food. Members work for both football and basketball games.

For the football games, boys are needed to carry the hot coffee to the booth for selling purposes. Hot pizzas, hot dogs, and popcorn are other specialties. During basketball season, gum and candy is added to the menu. The profits of this hard working organization go to further improving our athletic association.

Although Service Club involves hard work, there are rewards. At the end of the first year they work, members receive numbered letters, after the second year a big letter M with an S in the middle is received. The third year members receive a gold bar. These awards are given at an assembly in the spring.

This portion of your book is devoted to the members of the Cauldron Staff. These creative members give freely of their time and effort to prepare the Cauldron for you. Work for this edition began in the spring of 1965 as the art and layout staff unfolded the plans to the page layouts for the book. It continued in August when the advertising staff began soliciting for the ads which pay for one-third of the book's cost. When September came, various staffs worked after school to continue developing page after page until the annual was completed in March. The art and layout staff labored seventh period everyday carefully planning the content for the many pages and selecting pictures to utilize. The copy, typing and proofreading combined efforts in their departments on Wednesdays after school. Our photographers were ready and willing to shoot the necessary pictures plus anything else of interest that chanced to come up as it so often did.

Fourteen members of the staff enjoyed a week in June at a workshop for yearbooks at Ohio University, as a part of their effort to prepare the best book possible. So, with work, time, and patience, the Cauldron was created as your personal story of the year 65-66 at M.H.H.S.

Madison Radio Club is Progressive

One of the most progressive clubs of the school year has been the Madison Memorial High School Amateur Radio Club. The club, under the authority of Mr. Fowler, has expanded both in membership and in equipment. Classes for ham licenses have been held every Tuesday at the meetings. Only those who wish to, attend. Others, interested in other fields, other than ham operation, work in their varied fields. There are Citizen Band operators, six-meters, and also those who like to build their own radios.

During the year the club has done some extensive contacting for the purpose of seeing who can contact all fifty states first. They have shown great interest in this. The annual trip to Dayton, Ohio for the Ham-Vention is one the boys enjoyed immensely.

New Coaching Staff

Streaks Rebuild Under

The 1965-66 cage season was touted by most as a rebuilding year for the Blue Streaks. Coach Danner in his first season at the helm, was greeted by three lettermen and little height.

December 3—The Blue Streaks opened the campaign by hosting the Riverside Beavers in a non-league clash. Madison roared to a half lead and appeared heading for an upset. Despite a 20 point performance, however, by Terry Stevens, the Streaks were nosed out 65-63 in the final minutes.

December 4—Madison invaded Conneaut on Saturday to battle the highly rated Spartans. The Streaks matched the tall hosts under the boards, but lost a valuable edge from the field. The powerful NEC champs pulled away in the final quarter for a 64-46 win.

December 10—The Streaks took to the league trail against Jefferson for their initial win of the season, 57-52. Madison rambled to a 25-10 first quarter lead, but was forced to fight off numerous Falcon outbursts. Chuck Billington topped a list of four Streak cagers who registered double figures.

December 17—Terry Stevens struck for 19 points and Chuck Billington 17 despite the fact Madison dropped a loop encounter to Chardon 80-64. The Hilltoppers used their height advantage to erase a slim Streak half time lead. The visitors didn't pull away until the final quarter.

December 18—Madison battled Edgewood on even terms before faltering in the second half. The Warriors used a full court press to break the ice and cop a 62-45 win. It was a slow moving contest until the Edgewood outburst early in the third stanza.

The Game Night in Pictures.

December 22 — The Fairport Skippers had momentum and led the Blue Streaks throughout most of the game before succumbing to a Streak rally. Madison saw three cagers top double figures and lead them to a 57-43 win over the Harding crew. The Madison rally began late in the third quarter and carried the Streaks to an even footing in the final quarter.

December 29 — The Blue Streaks hosted traditional rival Geneva in a holiday encounter before a capacity crowd. The Eagles shot 62 per cent in the opening half to set a torrid pace the Streaks were unable to follow. Madison proved a rough competitor in the early stages, but fell victim to their own mistakes and a 66-49 defeat.

January 7 — Taking to the league trail once again, the Blue Streaks traveled to Kirtland. Madison rolled up an early 19-11 lead but quickly saw the margin fade. The Streaks battled gamely, but the much taller Hornets took their toll in rebounds storming back to cop a 72-61 win.

January 8 — A non-league clash with Harvey was recorded as the most physically rough contest of the year. Leaping to a 15-4 lead, the Red Raiders held on to capture a 58-51 win. Madison continually sliced away at the margin which went as high as 19 markers. The foul ridden contest was Harvey's revenge over last season.

January 14 — Perry appeared headed for their first league win before a Streak rally turned the tables. Madison took the lead in the final two minutes and roared to a 61-53 finish. Leading 42-41 entering the final quarter, Perry saw Streak sophomores Gary Burns and Dale Crane incite a Streak rally.

January 21 — Jefferson remembered well their first beating at the hands of the Blue Streaks and appeared headed down to defeat again. A hot second half saved the Falcons and carried them to a slim 50-47 league win. Louie Spisak hit for 19 markers, but it was not enough to top the Jefferson crew.

January 28 — The second meeting between the Streaks and the Hilltoppers produced a real cliff hanger. Chardon on a foul toss with over two minutes remaining copped a 53-52 win. The Streaks rambled to another early lead but saw the hosts come roaring back. Madison rallied from an eight point deficient to make the action tight.

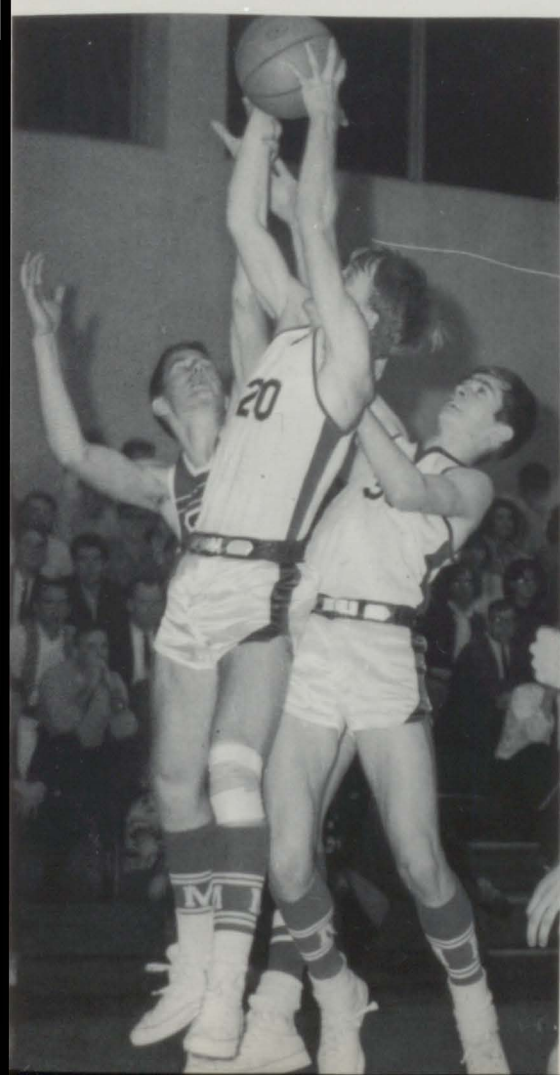

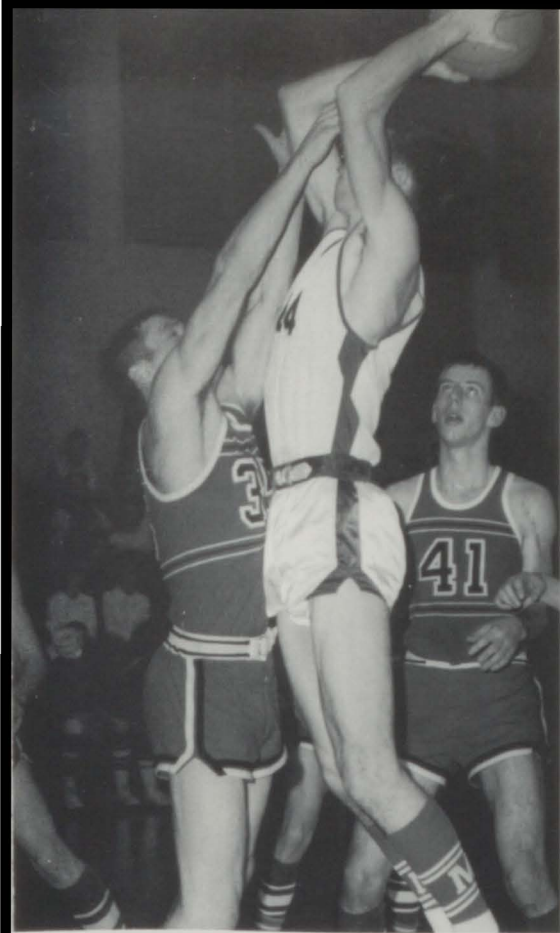

January 29 — The Streaks traveled to Harbor with little success, dropping a 67-59 decision to the Mariners. Terry Stevens recorded 25 markers, tops for the Streaks on the season but found little support as the Streaks dropped the non-league tilt. The hosts controlled the boards while the Madison cagers were having trouble finding the range.

February 4 — Madison aced its second win over the Fairport Skippers by edging the Harding crew 49-44. The contest was close all the way, but the Streaks were on top for the greatest portion of the clash. Paced by the efforts of Dale Crane and Chuck Billington, the Streaks fought off the Skipper drives to cop the win.

February 5 — The Blue Streaks were minus the services of two starters when they met the St. John Heralds in Madison. The visitors saw the Streaks put forth a fine effort despite their losses. The Heralds toppled Madison 65-57 in the contest but led only 30-27 at the half. Gary Burns hit for 18 points to pace the Streaks' attack. The visitors took the lead for good in the third stanza en route to the victory.

February 11 — Unable to get started, the Streaks' fire was doused by the visiting Kirtland Hornets 85-56 in a league battle. Madison knotted the score at eight all earlier but saw the Hornets explode to a wide margin. For a brief spell in the third quarter the Streaks rallied to close the gap, but it was only momentary. The visitors put five men in double figures making the Streaks task impossible.

February 18 — The season closed with a close victory over the visiting Perry Pirates. High scorers for the game were Lou Spisak and Terry Stevens both tallying in double figures. The Pirates put forth a good fight but were overpowered by the Streaks.

Streak Grapplers Close Season 8-4 End League Campaign Second

The Blue Streak grapplers of Coach Melin rolled to a fine 8-4 season record and a second place league finish. During the course of the campaign, the Streak matmen just missed capturing the loop crown, while limiting three separate opponents to under 10 points.

The 65-66 season was opened with a comeback win over Edgewood 24-19. The score was knotted at 19 all entering the heavy-weight bout. Dick Hamblin aced a pin to climax the Streak victory.

Madison traveled to Chardon for a non-league match dropping a close 23-18 decision. Wade Stroup, John Nash, and Dick Hamblin all registered pins in the dual outing.

Harvey proved to be a rough competitor before falling in the late stages. The strong finish by the Streaks upped their record to 2-1. An easy win over Kirtland gave the Streaks their first league win. The Madison

grapplers surrendered only one weight division enroute to the slaughter.

After the easy Hornet match the Streaks battled Wickliffe, only to be topped 30-13. It was the largest margin for any Streak foe during the campaign. The Edgewood Warriors copped a 24-12 win in the return match with Madison, as only Stroup and Hamblin tallied points.

Riverside and West Geauga fell victims to the Streaks in succession. The Beavers dropped 26-18 decision as Henry Humppi, John Nash, and Mike Glawitsch all won via the fall route. A slightly undermanned squad of Streaks traveled to West Geauga to pick up win number five.

Chardon snapped the Streaks two game win skein 23-14, also capturing the W. R. L. title. The score was only 17-14 entering the final two matches of a close match. Russ Childs registered the Streaks only pin.

ROW 2—Dick Hamblin, HVY; Gordon Wall, 175; Mike Glawitsch, 165; Dan Burns, 154; Russ Childs, 145; Henry Humppi, 138.

Conneaut provided Madison with their sixth win of the season. The Spartans were limited to only one win in eleven weight divisions. The Streaks carried the momentum through the Cardinal match. The Huskies proved to be rougher competition, but could not top the strength of the Streaks middle weight classes. Consecutive wins from 127-154 divisions aced the win.

A fine dual season was ended at home with a 42-3 clobbering of Jefferson. It was the third straight victory for the Blue Streaks. Madison opened the match with four consecutive pins to take a 20-0 lead. The Streaks were never headed in their final contest of the season.

Snowball

On December 23, the "Snowball," the annual Christmas Dance, sponsored by the Junior Class, was held in the cafeteria-auditorium. Music throughout the night was provided by the King's Combo. Two extra added attractions were vocalists Vicky McCoy and Tim Brown who each sang a few selections.

The dance was decorated with the Christmas spirit. A huge Christmas tree, reaching the red, white, and green ceiling, donned with lights, ornaments and angel hair, illuminated the end of the room. There was also a red sleigh, piled high with Christmas presents. All tables were decorated with white paper with a red stripe down the center. Clusters of pine boughs, pine cones, and tiny presents were used as centerpieces. Cookies and punch were served as refreshments.

The following are pictures taken at the 'Snowball.'

Madison Symphonic Band

This year's symphonic orchestra was under the direction of Mr. Joseph Acerra. Officers were elected at the beginning of the session and they are as follows: Presidents; Wendy Mayhew and Jon Klapp, Secretary-Treasurer; Sue Godson.

The symphonic band presented two concerts this previous year and attended the Lake County Band Festival. The highlight of the season was the two exchange concerts with Ashtabula-Edgewood and Kirtland High Schools.

Jon Klapp receives Mr. Ayers thanks after presentation of Christmas gift from chorus.

Under New Direction, Concert

The Concert Choir at M.M.H.S. gained a new director, Mr. David Ayers. He taught before in Madison, but this is his first year as senior choir director. In the early school year the choir did sight readings and learned vocal techniques. Soon afterwards they started practicing for the Christmas Concert which was not far off.

The chorus shows the results of hard work at the concerts they present. During the year they put on the Christmas Concert and the Spring Concert. Also this year, our school was selected to host the Lake County Choral Festival where some eleven Lake County high school choirs in one huge program. After one concert is finished they start to practice immediately for their next one. The song that highlighted the year was "Alleluia" by Randall Thompson.

This year's officers of the Concert Choir are: President Jane Anderson, Vice President Jeff Lintern, and Secretary-Treasurer Debbi Lintern.

Thinclads Should Set New Records.

Streak thinclads are also optimistic about the 66 track season. Last year the tracksters snapped seven team records, and many more will fall this year. The team will field powerful talent in the distance and sprint events. To balance the running event strength, the squad has to develop the many field events.

Baseball Team Looks Good.

The Blue Streaks will be anxious to improve upon last year's finish. The 1965 season could have been looked on as a rebuilding year, with some fine talent back to highlight the squad's chances. The youthful team has a good future despite the losses of several valuable lettermen. Speed and agility should be important factors.

Golfers Look to a Winning Season.

Always a strong contender in golf, the Blue Streaks should again be a crown contender as they welcome back several lettermen. The squad is paced by the veterans with fine depth to back them up.

Juan Dorrnsoro-Foreign Exchange Student

My name is Juan Dorrnsoro. I came from Spain with my ideas and prejudices about this great nation, ideas that were more or less true, but generally less than more. Now what is blue I can call blue and what is white I can call white, and I hope that I would be able to spread this white and blue in Spain when I came back to those that surround me in my life.

But what I really want to say is Thank You for all the good things I have received here; Thanks to the school, to all the members, that they have treat me so wonderfully; Thanks to the Church of Immaculate Conception for all the spiritual help; Thanks to all Madison in general, and Thanks to each and everyone of you. Thank you very much.

Juan A. Dorrnsoro

"IT'S ALL OVER NOW!"

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry, no matter how small, should be recorded to ensure the integrity of the financial statements. This includes not only sales and purchases but also expenses, income, and transfers. The text suggests that a systematic approach to bookkeeping can help in identifying trends and potential areas of concern.

In the second section, the author provides a detailed overview of the accounting cycle. This cycle consists of eight steps: identifying the accounting entity, choosing the accounting method, analyzing transactions, recording transactions in the journal, posting to the ledger, preparing a trial balance, adjusting entries, and preparing financial statements. Each step is explained with practical examples to illustrate the process.

The third section focuses on the classification of accounts. It distinguishes between assets, liabilities, and equity accounts, as well as revenue and expense accounts. The text explains how these accounts are used to track the financial performance of a business over time. It also discusses the importance of understanding the normal balances for each type of account.

The fourth section covers the preparation of financial statements. It details how to calculate net income, prepare a balance sheet, and create an income statement. The author stresses that these statements are essential for providing a clear picture of the company's financial health to stakeholders.

Finally, the document concludes with a summary of key points and a reminder to always double-check calculations and maintain a high level of accuracy in all financial reporting.
