## Madison wins first W.R.L. Cross Country Championship.

The 1966 Cross Country season proved to be most successful. This year's team was the first to capture the sole ownership of the League Championship title for Madison since Coach Strother began the sport five years ago.

## Course records are broken five times!

The first meet of the season brought Harvey to our course at Hogan's Farm. Jay Fabian equaled his own record of 12:12 coming first across the line. Charlie Rizzo followed in second place and Jim Jackson brought in a third. Harvey took fourth, fifth and sixth. Madison won the meet 21-28.

We won our first league meet against Chardon the following week. Jim Jackson, Charlie Rizzo and Jay Fabian tripled a first place breaking Chardon's course record by 14 seconds. Chardon took fourth place while Bob Leitch, Mark Nixon and Norbert Doland gave Madison fifth, sixth and seventh respectively.

Madison ran one of the few close meets against Harbor the next week. We slipped by the Mariners with a score of 28-29. Jay Fabian was first across the line followed by two Harbor runners. Charlie Rizzo overtook their third runner in the final sprint and gave Madison a fourth. Harbor took fifth and Jim Jackson took sixth.

For our second league meet Kirtland came to our course, The course record was broken by the four top runners; Jay Fabian, Jim Jackson, Jeff Mills of Kirtland and Charlie Rizzo. Kirtland took fifth but Madison came through with sixth, seventh, eighth and ninth by Bob Leitch, Gary Blackie, Bill McGinnis and Mark Nixon. Madison outran Kirtland with a score of 20-41.

The team met little resistance against Jefferson in the next meet, winning its third league meet 15-49. Madison swept

first thru sixth places with Jay Fabian in first followed by Jim Jackson and Charlie Rizzo tied for second. Bob Leitch was fourth, Gary Blackie fifth and Bill McGinnis sixth. Madison displacers brought in eighth thru twelfth place.

The next week brought Wickliffe to the Madison course. Wickliffe found the tough Madison team eager for a 6-0 record. They did it by walking over Wickliffe 22-35. Jay Fabian was first with Charlie Rizzo following. Wickliffe grabbed third and fifth while Jim Jack-

son ran a fourth.

The following week the harriers met their toughest competition against Geneva. The meet was held at Chapel Hills in Ash-tabula on a cold, windy day. Madison received a first by Jay Fabian. Geneva got second, fourth and fifth place. Charlie Rizzo brought in a third and Jim Jackson a sixth. Thanks to the fine work of the displacers, the meet was won by a slim 27-28.

On October 20, Madison met Perry to decide the championship of the W.R.L. The meet

### The 1966 Cross Country Team

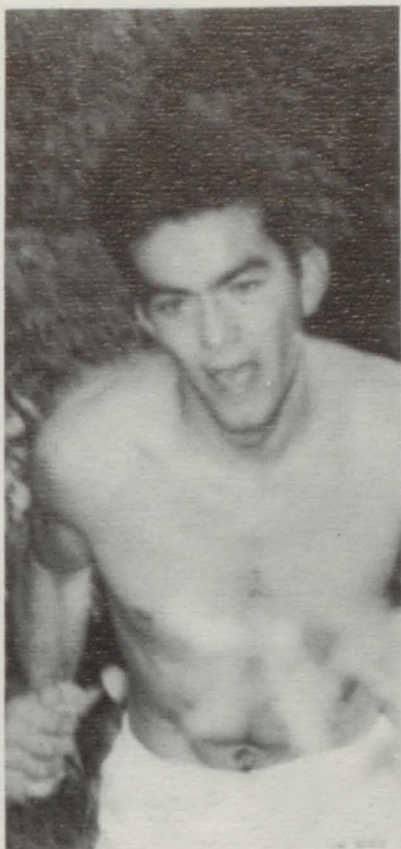

ROW 1—Dave Gragg, Steve Foster, Dan Constable, Mark Nixon, Skip Kennedy, Charlie Rizzo, Norbert Doland, Jim Lefler, Pat Ortiz, Gary Blackie, Conrad Potemra, Tim Jackson, Kim Webb.

ROW 2—Rick Howard, Stu Francis, Tim Smith, Bill McGinnis, Bill Buckius, Jim Reidel, Bob Stoneman, Tom Orsini, Ed Leitch, Rick Stoneman, Ray Antweiler, Lou Mavko.

ROW 3—Coach Strother, Joe DeRubertis, Chuck Hiller, Mike McFarland, Wes Gerlosky, Keith Klein, Bob Leitch, Jim Jackson, Jay Fabian, Tom Miles, Dave Neundofer, Phil Tater, Lenny LeBaron (Manager).

The anguish of the last few yards is shown on the faces of Jim Jackson and Pat Ortiz.

was held on the Madison course with the weather being sunny and chilly. The turnout of spectators was, by far, the best that the boys had seen all year. Jay Fabian held first place throughout the race. During the first quarter mile Perry ran good. They were running second, third and fourth with Jim Jackson and Charlie Rizzo close behind. Perry held seventh place, too, followed by Bob Leitch and Gary Blackie. Then our boys pulled out ahead capturing second, third, sixth and seventh. Jim and Charlie broke up their threesome to finish second and third respectively. Perry finished with a fourth and fifth but Gary Blackie and Bob Leitch

caught Perry's third man to finish sixth and seventh. Perry brought in an eighth while Madison retaliated with a ninth and tenth by Bill McGinnis and Steve Foster. Madison stole the league championship by a 19-40 victory.

Two days later Madison traveled to the Highland Golf Course in Chagrin to participate in the Class AA District Meet. In the meet each team may enter seven varsity runners. Madison ran Jay Fabian who placed ninth, Charlie Rizzo who placed 23rd, Jim Jackson who ran 42nd, Gary Blackie who ran 71st, Bob Leitch who ran 53rd, Bill McGinnis who placed 83rd and Mark Nixon

who placed 84th. Madison finished seventh with 199 points. The J. V. team also participated and took eighth with a sum of 296 points. Steve Foster placed 19th out of 250 entries.

For the last meet of the year Madison went to Kirtland for a W.R.L. meet. Each member of the league ran seven boys. Jay Fabian placed first in the race. Charlie Rizzo brought a fifth, Bob Leitch ninth and Gary Blackie tenth. Madison won with 29 points. Kirtland followed with 46 points, Perry 59, Chardon 104 and Jefferson 116. The J. V. squad took second place. Madison's top three runners were: Steve Foster, Keith Klein and Tim Jackson.

Coach Hance watches the board as the Streaks' score again.

## Finish Season with 8-2 Record.

This has been an outstanding year in Madison's football history. Our mighty Blue Streak squad rolled up an impressive 8-2 record, taking second in the league.

 ROW 3 — John Warner, John Hupertz, Zachary Space, Chester Cudzilo, Bob Gerak, Chuck Billington, Bob Trivisono, Reggie Hathaway, Mike Webster, Russ Childs, Ray Billington, Mike Kalinsky, Herb Prince.

Touchdown!

Mike Brown hits paydirt.

## We Build With 8-2 Record

The season opened with an away game against Geneva. Tension was high as the Eagles scored and went ahead at the half. Late in the third quarter, the Streaks scored on a wild halfback to quarterback pass play. By scoring the extra points, the Streaks were able to defeat their traditional rivals by a thin two point margin.

A week later the Blue Streaks came home to thrill the crowd with a large 20-6 victory over Conneaut. It was almost no contest as

the powerful Streaks rolled up the points against the Trojans. Madison held an exceptionally strong line this year and they had ample time to display their powers in this game.

On September 24, the team again took to the road. On this night they journeyed to Edgewood for a real cliffhanger of a battle. The Streaks were ahead at the half but it looked like the Warriors would score again to take the lead. A brilliant defensive effort saved

the game and we went on to win 26-14.

The Blue Streaks were gaining momentum now as they rode the tides of victory. They walloped Fairport by a score of 40-20 in a game that ran like a top for Madison. Into the first week in October they surged, trampling Jefferson 35-0. This away game was strictly no contest and the Streaks won easily. Another league encounter with Kirtland was played at home the next week. Our team

Jeff Lintern blocks a pass attempt.

won easily, by a 35-6 margin, preparing for the big game with Chardon the next Friday.

The Chardon game opened with a bang. Chardon scored first and added the extra points. The score did not remain in Chardon's favor for long, however, for we scored twice and added two points to lead at the half 14-8. With the league crown in sight, our boys went into the last half. Chardon scored again and tacked on the extra points to gain the lead. But in the fourth quarter Madison took over the lead with another T.D. It looked like we would win, but

Chardon slipped by for their last score and won 22-20.

Regardless of our loss, spirits were still high on the 28th of October as we traveled to Perry. White-washing Perry was easy for we beat them 35-0 to retain the "Little Brown Jug" for the fourth year in a row.

A week later, we delivered another fatal blow to an opposing team. We trampled Ashtabula Harbor into the mud 22-0. This game proved to be Madison's eighth and final win of the season.

We met Riverside at home on November 11, in the last game of

the season. The Beavers scored twice in the first period to take the lead. These twelve points were the only ones they scored. Our Streaks were unable to go anywhere until the fourth period when they scored their only T. D. to lose 12-6.

The Streaks enjoyed a very good season in what started out to be a rebuilding year. Our team scored 253 points for the year, and gave up only 70 to their opponents. Out of eight wins, they had three shut-outs. In the end this year's team presented the best season in a long while.

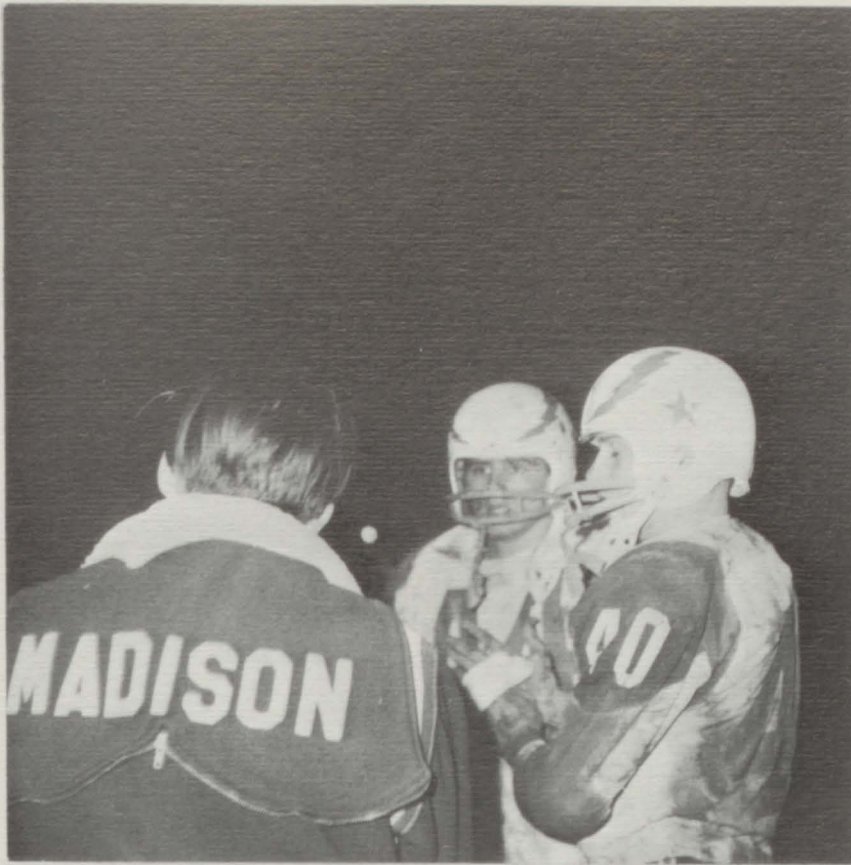

FRESHMAN FOOTBALL TEAM  
 ROW 1 — Tom Hunter, Gary Brown, Ben Girdler, Ron Argo, Les Fletcher.  
 ROW 2 — Mike Murray, Phil Dubiel, Bob Misch, Ted Bukky, Claire Wright.  
 ROW 3 — Ron Fisher, Bob Brown, Ken Williams, John Kuhn, Eric Widmer, Jim Edmundson.

Mr. Austin, Coach Pethel and Coach Kovats anxiously await the outcome of the referees decision.

Dave Schupska and Dan Burns take a breather from the rough game.

## Six and one record make freshmen outstanding

The freshman football squad excelled this season ending with an over-all record of six wins and only one loss on the gridiron. Coach Bob Danner expressed his pride of the team but stated, "Our team isn't out to win or lose but to teach the fundamentals of football such as blocking and tackling."

The offensive squad was led in their attempts at scoring by quarterback Mike Murry and fullback Jim Edmundson, while tackles Rod Fisher and Ken Williams were the

strong point of the defensive line. All the credit must not be given to those boys only, because the remainder of the backfield and line played important parts in the good results of the season.

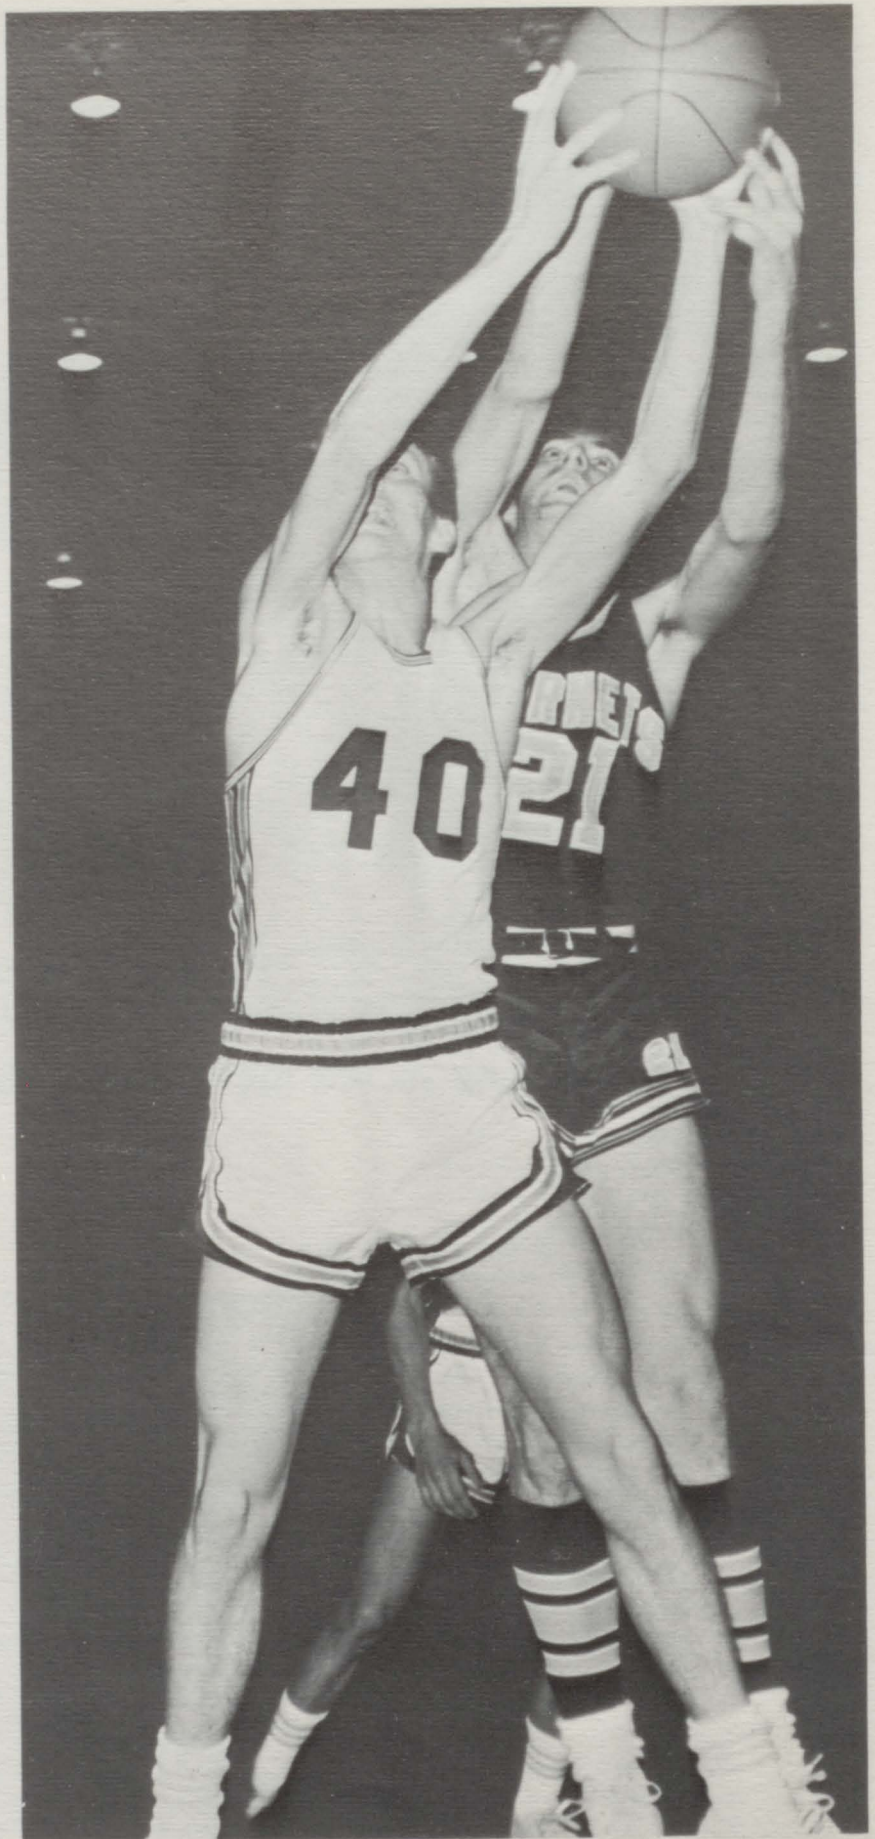

The freshman squad had a disheartening season opener when they lost their first gridiron clash to Harvey. The team, however, gained momentum during the rest of the season to win the remainder of the games.

Jim Jackson tears a rebound away from a Kirtland player.

## Basketball squad finishes second in W. R. L.

The Blue Streak basketball squad got off to a slow start this year but gained enough momentum to finish second place in the W. R. L. The Blue Streaks lost their opener to Conneaut but rebounded against Jefferson the following week in a smashing victory.

The weekend of the 16th of December saw the most exciting play of the season. On Friday night, the Streaks journeyed to Chardon. Our team led all the way, but the score narrowed down in the last minute of play. Then, with 26 seconds left, the Hilltoppers scored and went ahead to a one point victory.

The following evening was no less exciting as the Streaks hosted Edgewood. Our team surged ahead, but again our lead was picked away. In the last seconds of the game Edgewood lost the ball and the Blue Streaks squeaked through by one point.

The Streaks were on the road again for two weeks, and they traveled to Fairport Harding on the 22nd of December. The Skip-pers proved to be an easy team to beat and the Streaks walked off victorious.

Top,

Varsity Coach Danner shows disapproval of referee's decision.

Coach Kovats watches with keen interest the events of the game.

Charlie Billington breaks into the new season.

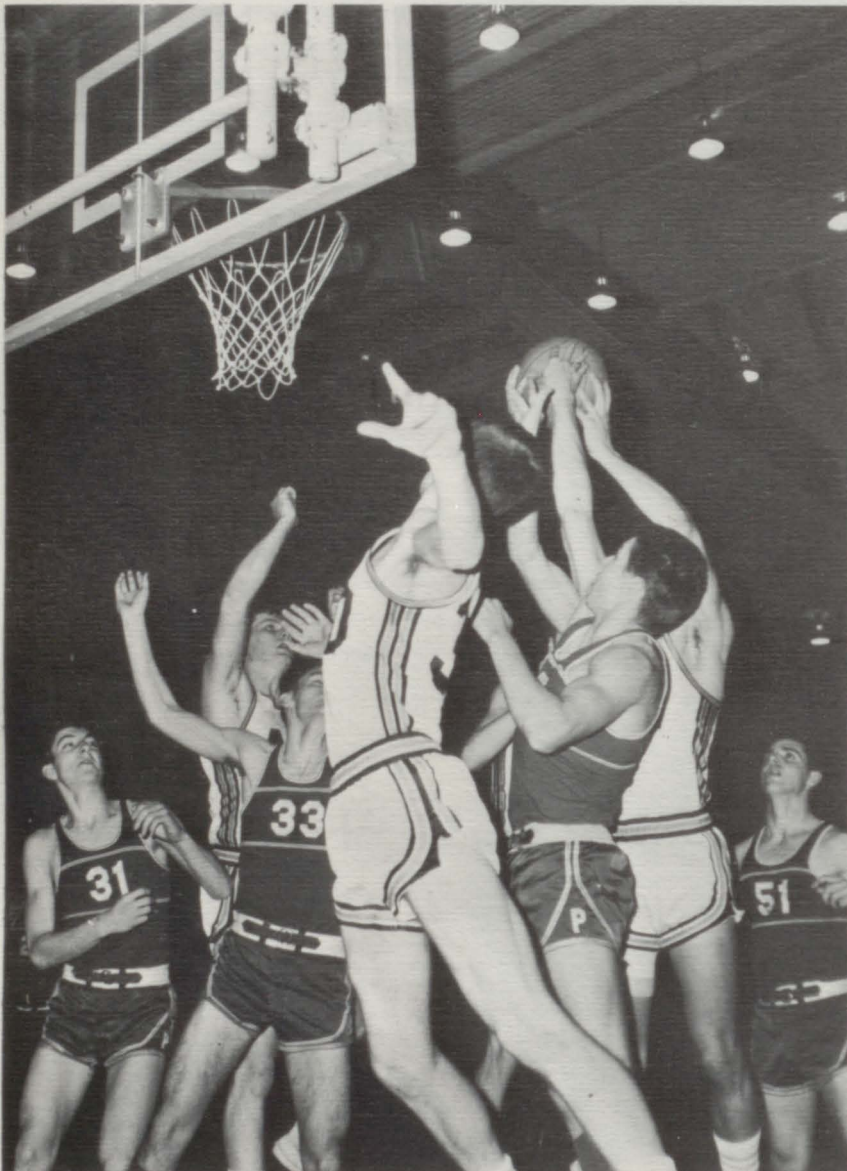

The good feeling was not to last long, however. The following week the Streaks closed 1966 at Geneva. The Geneva Eagles romped home to an easy victory by defeating the Streaks 71-44.

The bad news did not stop at Geneva. The following week the Streaks hosted Kirtland. The Hornets controlled the ball all through the game, easily defeating the Streaks.

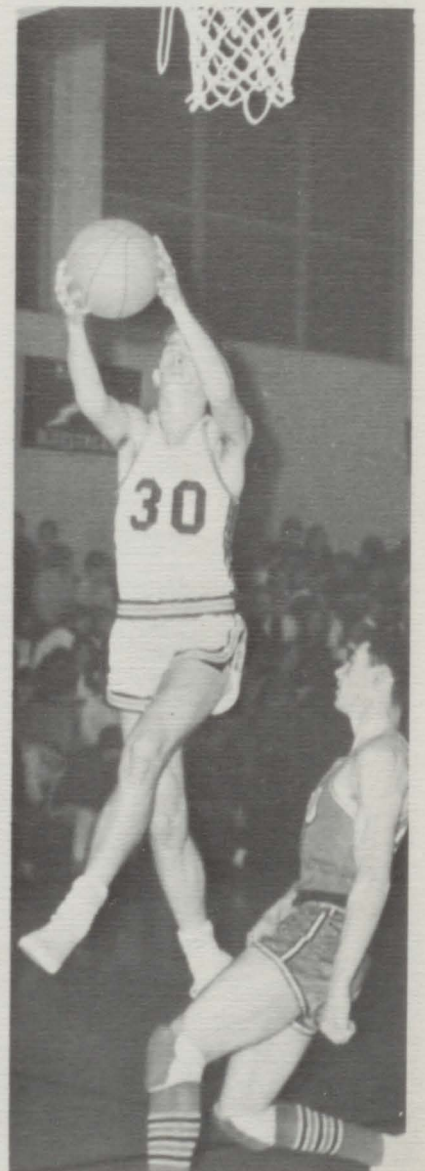

J.V. Cheerleaders: front; Gwyn Raico, left front; Sue Bodle, right front; Connie Brockway, left rear; Kay Leining, and right rear; Cathy Potemera.

Jeff Lintern struggles with a Perry player to gain control of the ball.

Chuck Billington scores an easy lay-up.

On the following night the Streaks went to Riverside. After leading for the entire game, the Blue Streaks lost control in the final minutes. The Beavers surged ahead to a one point lead. The Streaks looked for a win, but lost the ball again. Riverside scored again and won by three points, capping off a 3 game losing streak for our boys.

Friday, the 13th of January, brought a change of luck for the Streaks which lasted for 6 games. On this night, the Streaks hosted Perry and won an easy victory. The string of wins mounted on the next night as the Streaks romped over Jefferson in an away game.

Victory was even sweeter on the night of the 20th. Chardon came a visiting and went home in humiliation. The following evening, the Streaks walloped Edgewood, to the amazement of the Ashtabula crowds.

The weekend of January 27th was sweet indeed. On Friday night, the Fairport Skippers came to Madison. The Streaks romped home to an overwhelming victory. They were now assured of second place in the W. R. L.

Ashtabula Harbor came for a visit to wind up the home season. The Streaks won another easy victory to end their six game winning streak of the season.

February brought ill winds for the Streaks cage hopes. In the roughest game of the year, the Streaks lost to Kirtland by a wide margin. They were beat again the following night at St. John. They were completely dejected by the end of this weekend.

The Streaks defeated Perry 79-69 to wind up their season on the road. They have had a winning season this year with 10 victories and 7 defeats.

Dale Crane reaches above a Perry Pirate for a stray shot.

Bottom left- Sandy Wester and Debbi Brockway help lead the student body in cheers during the pre-game.

Varsity Cheerleaders: front (left to right); Debbi Brockway, Debbi Denton, Judy Jakse, Cheryl Horst, back; Beth Ward, and Sandy Wester.

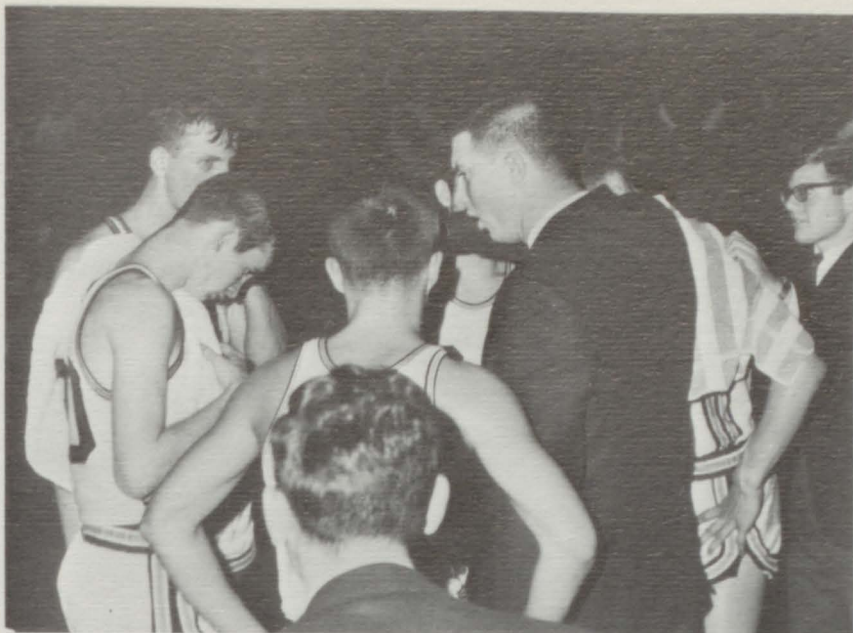

J. V. BASKETBALL - Tim Smith, Mike Jack Holl, Ray Hall, Doug Norris and Stewart, Rich Svagerko, Ray Billington, Mark Nixon, Bob Leitch, Jim Foster, Dave Globig.

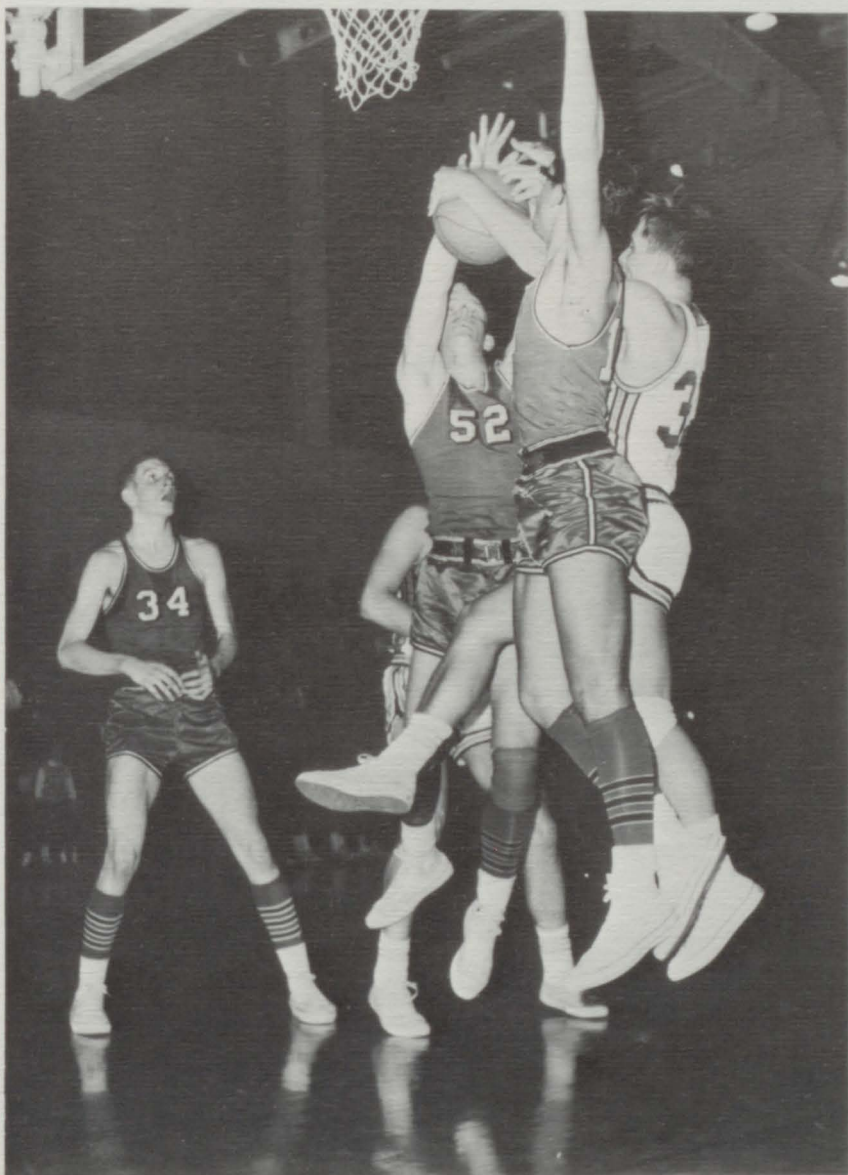

VARSITY BASKETBALL - Charlie Rizzo, Herb Prince, Gary Burns, Charlie Billington, Jim Jackson, Dale Crane, Jeff Lin-tern, Phil Tatar, Greg Oldani, Don Cochrell and Norbert Doland.

Our freshman basketball team proved quite successful in their '66-'67 season. Under the coaching and leadership of Mr. Folmer, team members held practice each night after school at North Madison Elementary School. Games were played with other freshman teams from Chardon, Ledgemont, Geneva, Perry, Kirtland, and Fairport.

ROW 2-Gary Puskas, Mike McFarland, Dave Burgess, Jack Reigert, Kenn Wetzel, Glenn Mayfield.

Coaches Melin and McIntyre anxiously await the results of a match.

## fifth in sectional meets

Madison grapplers took second place in the W. R. L. meet and in turn brought home second place in the W. R. L., with an over all record of 7-3. In the W. R. L. meet we had 120 lb. Bill Misch, 133 lb. Jim Hopkins, and Heavy-weight Bob Sater winning first places.

This year, rather than having one or two set squads the team had wrestle-offs to decide the boy who wrestled varsity for that meet. Russ Childs and Dan Burns were Co-Captains for the season.

Our team placed second in the Edgewood invitational tournament with 103 lb. Roger Fike and 120 lb. Bill Misch winning first place. The high point of the season was, however, the sectional tournament in which we placed 5th. This is the first time we have ever placed that high and we have reason to be proud of our boys. 103 lb. Roger Fike placed 2nd, 120 lb. Bill Misch placed 3rd, 154 lb. Russ Childs placed 4th and Heavyweight Bob Sater placed 3rd.

Coach Gene Melin shows his pride in this team when he says, "The boys had a real fine year with a typical Madison effort being shown throughout the season."

Madison is out ahead in the mile run in the track meet against Perry

## Coach Folmer looks to '67 as big year on the cinders

The Varsity track team placed second in the W. R. L. losing the title to Kirtland last year. Our team participates in two major areas of events; track and field. Track includes the running of sprints, middle distance, and distance events, while field deals with discus, shot put, and jumping.

The past season was a good one for the Blue Streaks when we broke and set six new records. Former senior Mike Rose broke three records the past year. He set a new time of 2:03.9 for the 880 yd. run, 52.3 for the 440 yd. dash,

and Cal Birman, Jay Fabian, and Rick Lumpp joined him in setting a record of 3:38.1 for the mile relay. Tom Barclay, Bob Stoneman, Bernie Hoyt, and Keith Beatty in turning the 880 yd. relay set a new time of 1:36.5 A new record for the high hurdles was set by Nobert Doland at 16.9. Jim Jackson set a new time in an event that was added to track, the two mile in a time of 10:23.1.

Coach Folmer was proud of his team last year but says our weakness was in the field competition. He predicts for this year, "We will be in the running for the championship." Coach Folmer also says that we should excel in our distance events because of the championship season of our Cross-Country runners.

Gordon Miller was out early hurling the shot put for practice in the forthcoming track meet.

## Baseball Squad does well in league play;

### Drops in non-league standings

Under the leadership of Coach George Opron, the 1965-66 baseball squad held the fine record of six wins and two losses in the league. In non-league games, the team did not fare so well. They held a record of three wins and five losses.

According to Coach Opron, about the middle of March, approximately fifty boys will go out for the baseball team. These boys will practice in the gym until the weather breaks, when they can practice outside on the baseball diamond. The outlook for this season is extremely good. Mr. Opron went as far as to say, "We should capture the championship."

Gary Burns fires the first pitch of the new season.

Mike Stewart prepares to bunt the next pitch during the Perry game.

Spring practice in the Gym is a part of baseball. Here Mike Stewart Rich Svagerko Chuck Billington warm up.

Ninth and tenth grade girls use the fundamentals of basketball learned in gym class.

## G. A. A. finds need to expand activities

The Girls Athletic Assn. at Madison High is relatively new. It has just completed its fourth year of existence.

As the association grew, it found that one night a week was not enough to satisfy the needs of the members. Thus, it was split, with sophomores and freshmen meeting after school on Mondays and the juniors and seniors on Wednesday nights at 7:00. This provided much more time to be spent on each game.

Under the direction of Miss Sally Phillips, seven different sports are offered to the members. These include; field hockey, volleyball, basketball, gymnastics, badminton,

track and softball. Each girl may choose only those sports in which she wishes to participate.

Varsity teams are chosen from G. A. A. members who excel in each particular sport. These girls represent our school and play against girls from other schools.

At the end of the school year the girls are rewarded for their work, and those few which stand out for their athletic abilities are honored at the spring awards assembly. A record of points for participation is kept all year by the sports chairmen and Vice-President. Then awards are given according to the member's total points. Emblems, pins and letters

are given. Trophies are awarded to those who have succeeded in the various individual competitions throughout the year such as the Badminton Tournaments and the Foul Shooting Contest.

The purpose of the G. A. A. is to give a girl a chance to participate and compete with other girls her age. She uses the skills she has learned in gym classes and strives to help her team win.

It helps a girl to learn the disappointment of defeat and the happiness of victory, two experiences which will follow her the rest of her life.

G.A.A. Advisor Sally Phillips.

Wendy Urbanic sets it up to the front line players.

Mardi Edmundson serves to her opponent.

Karen Manis covers her face in disgust when she discovered she has scored for the wrong team.

The girls in the third period gym class prepare themselves for their next class.

## Girls work to achieve physical fitness

Throughout the year, the girls at Madison High work hard to achieve their goal of perfect physical fitness. In the fall and winter they participate in field hockey, volley ball, basketball, badminton, tumbling and gymnastics. When good weather comes, the girls go outside for activities in track and field and softball. Once again the physical fitness tests are administered to the girls to see if they have improved during the year. The results of these tests are pleasing to both the girls and their teacher.

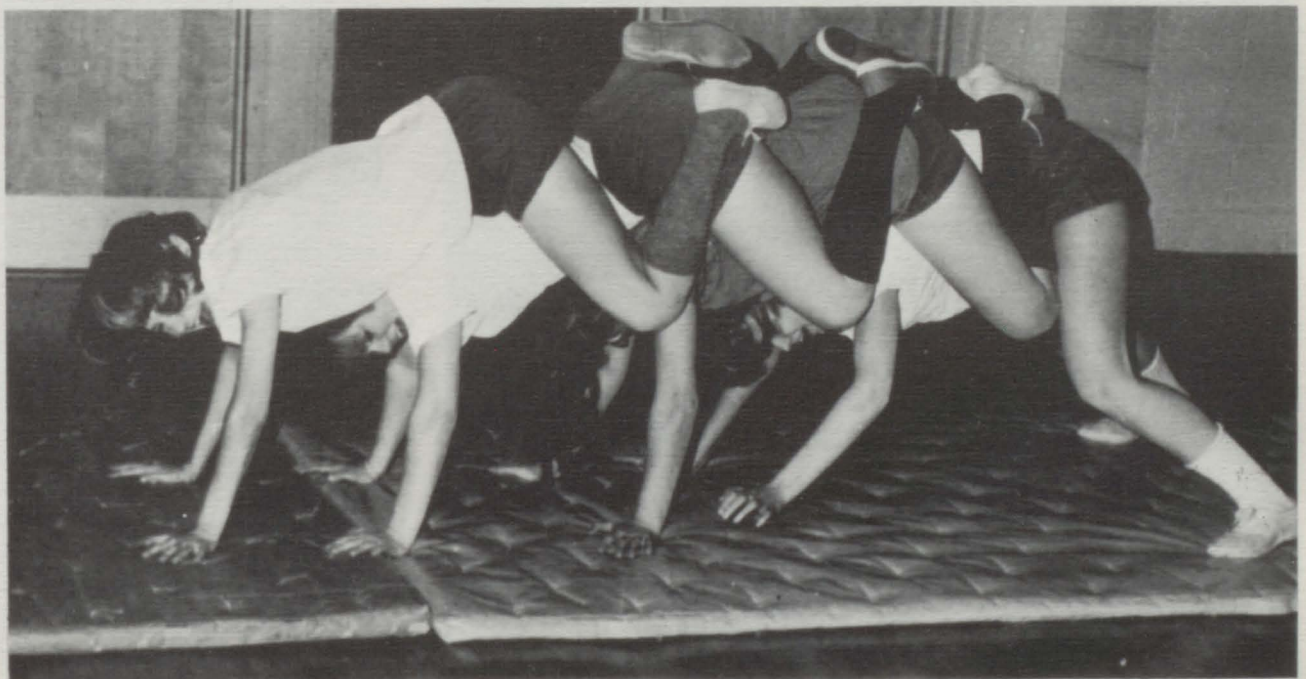

Sue Mavko runs into resistance at mid-court.

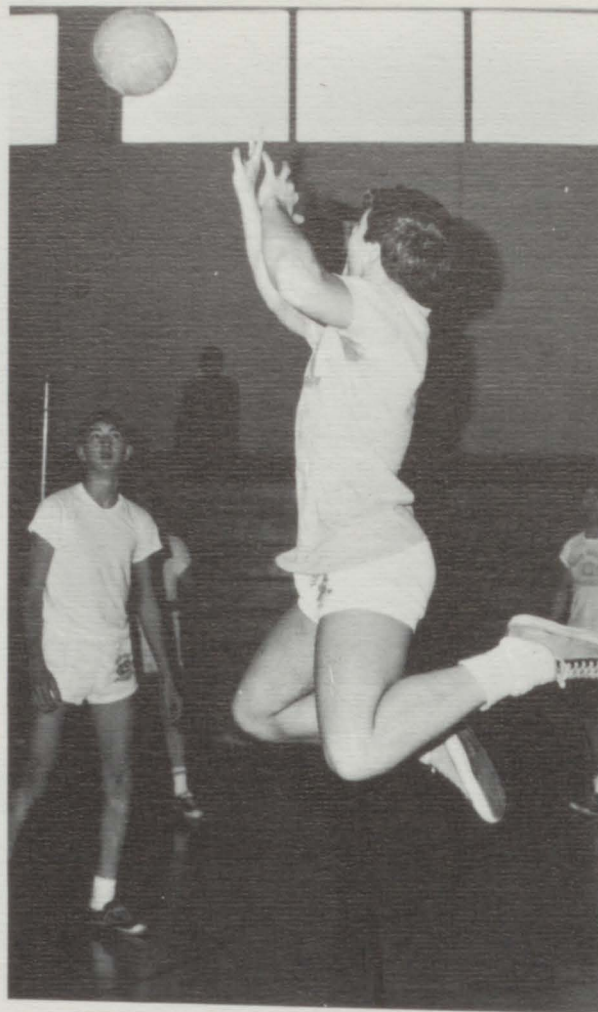

Nancy Yuill races for another two points.

Shelley Baldwin, Paula Akehurst, Carol McGlothlin and Jane Knerem demonstrate how to make a caterpillar during their tumbling session.

Volleyball ace Bill Buttwin performs fancy footwork on the court as onlookers Gary Blackie and Pat Ortiz gaze in awe.

With the encouragement from his teammates Paul Boomhower returns the ball.

## Program gives the boys a goal to work for

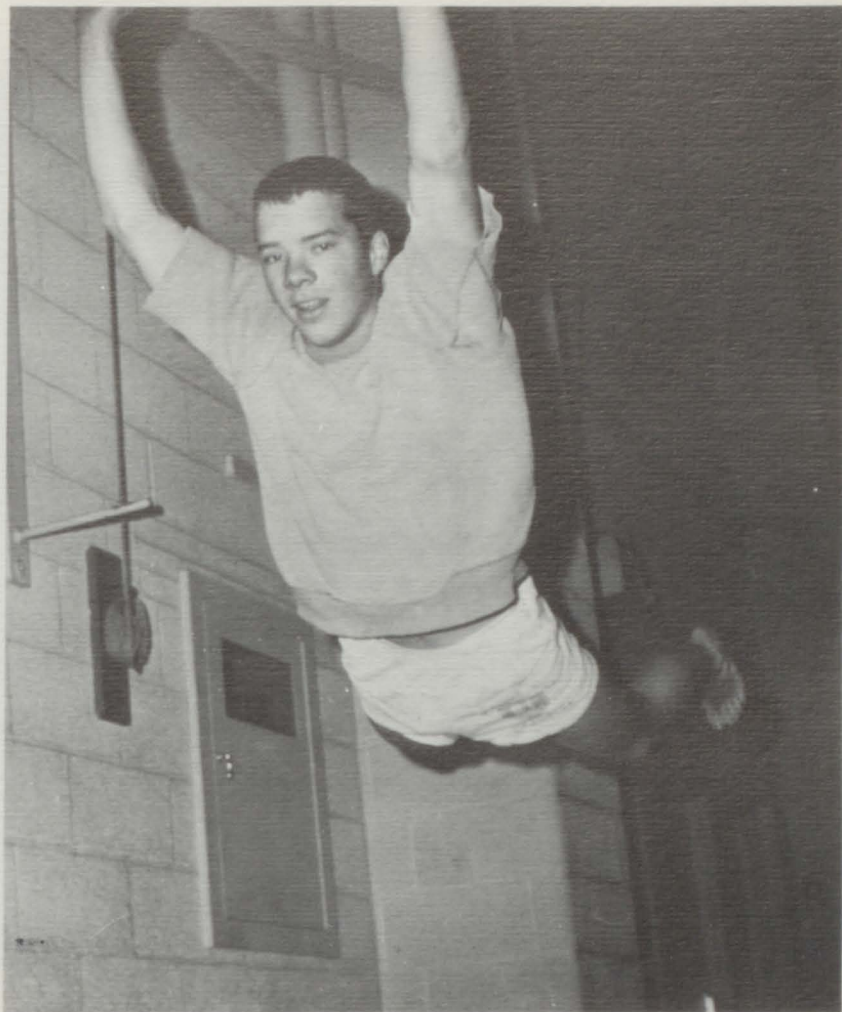

In our physical education programs, we have a large variety of sports. To give the boys a goal to work for, twice a year physical fitness tests are given. Upon returning to school in the fall after a relaxing summer, one of these tests is given. Then, after participating in such sports as soccer, football, basketball, wrestling, volleyball, tumbling, softball and track the boys take another test to see if they have improved. These tests prove not only to the students but also the teachers, the effectiveness of our physical fitness courses at Madison High.

Ken Brown ascends the ropes during a boys Physical Education class.

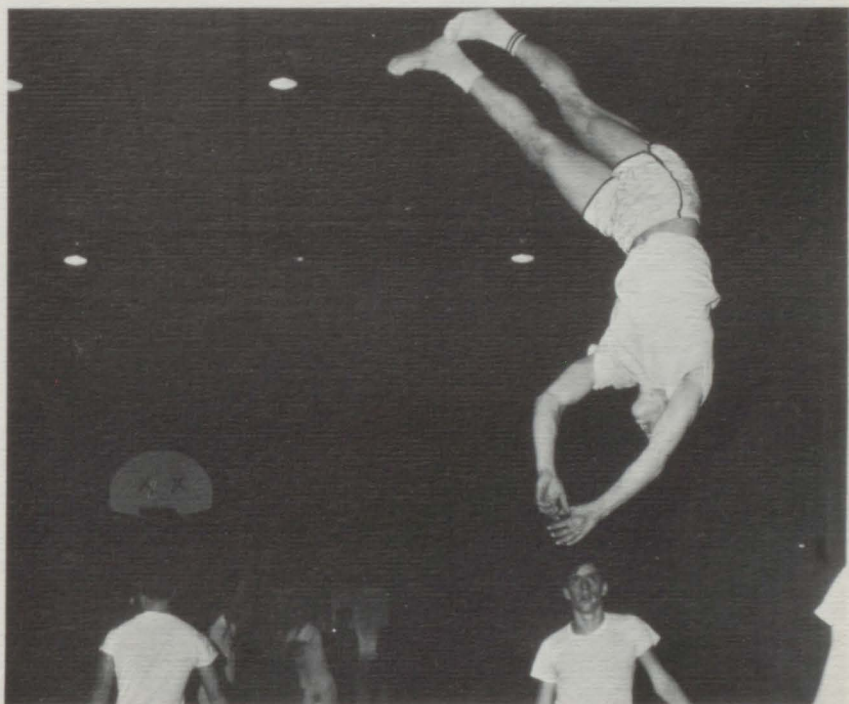

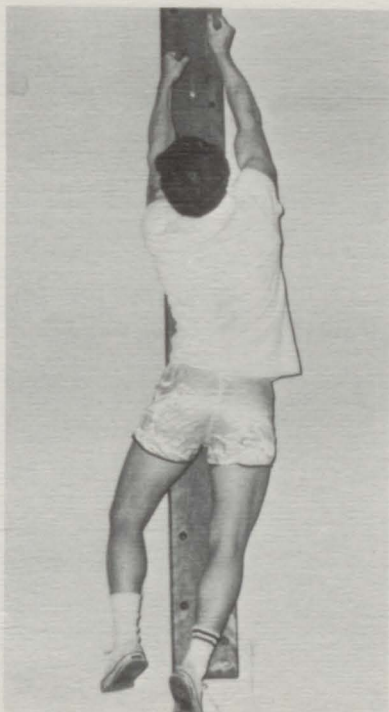

John Misch utilizes the new addition to the boys gym class: a peg board

## Marching 101 Add Enjoyable Entertainment to the Football Games

### Madison High Gains A Drum Major

The red and gold leaves in the crisp autumn air provided an appropriate atmosphere for the season's most loved sport. Into the midst of the excitement and cheers of the game came the Marching Blue and White.

The precision of drills, the snap of white-gloved hands and the glitter of batons formed a relaxing diversion for the gridiron spectators at halftime.

The Marching 101, under the enjoyable and expert direction of Mr. Joseph Acerra, lent a welcome addition to the football games. The

clear notes echoed from every corner of the field as the band performed everything from "Work Song" to our "Alma Mater". The many formations included drills, a Tijuana taxi and even a little Spanish flea.

Jim Glavan, Madison's first drum major, began a tradition that will be carried on for many years. The majorettes and Jim attended camp last summer at Syracuse, Indiana. At this specialized camp they learned routines that they put to good use in adding variety and color to their shows. The major-

ettes delighted the spectators again this year with their creative routines. As an added treat for the viewers, the majorettes used flags, lighted batons, and fire batons.

The band, majorettes and drum major spent their annual week at Camp Whitewood in Windsor, Ohio this summer. Here they put in many intense hours of drilling and practicing their instruments. Slowly but surely the shows began to take shape. Freshmen learned to march under the strict supervision of upperclassmen. By the first football game, the band was in excel-

Marching band prepares to perform at halftime.

lent shape and ready to perform up to previous standards.

The band also participated in Band Day at Kent State University this fall. There were approximately 80 bands at this event. The trip proved enjoyable and provided an opportunity for the band members to meet other bands.

On November 17, the band cut the marching band portion of their second record. On this record were featured the most popular of the songs they played this season.

The band this year proved to be the best in Madison's history. Through the hard work of Mr. Acerra and the desire of the band to excel, the spectators saw a band that could proudly stand beside any in the state.

Band members relax after giving their last performance.

## Guest celebrities work to improve band

Early in November, the Marching Band came off the field to be miraculously transformed into the Madison High Symphonic Band.

This year, the band along with their regular full schedule, enjoyed the services of two well-known musicians. Mr. Ferinacci from Cleveland Heights High School who is known for his work with woodwinds, came to prepare for District Contest. Mr. Herforth, a trumpet player from the Cleveland Orchestra helped the band to perfect their State Contest number. The superb talents of these men were very enlightening to all concerned.

This year the band hosted the East Lake County Band Festival.

The participating schools were Perry, Harvey, Riverside, Fairport, Willoughby South, Mentor and Madison. Here the bands had the chance to hear what others were doing and meet other band members.

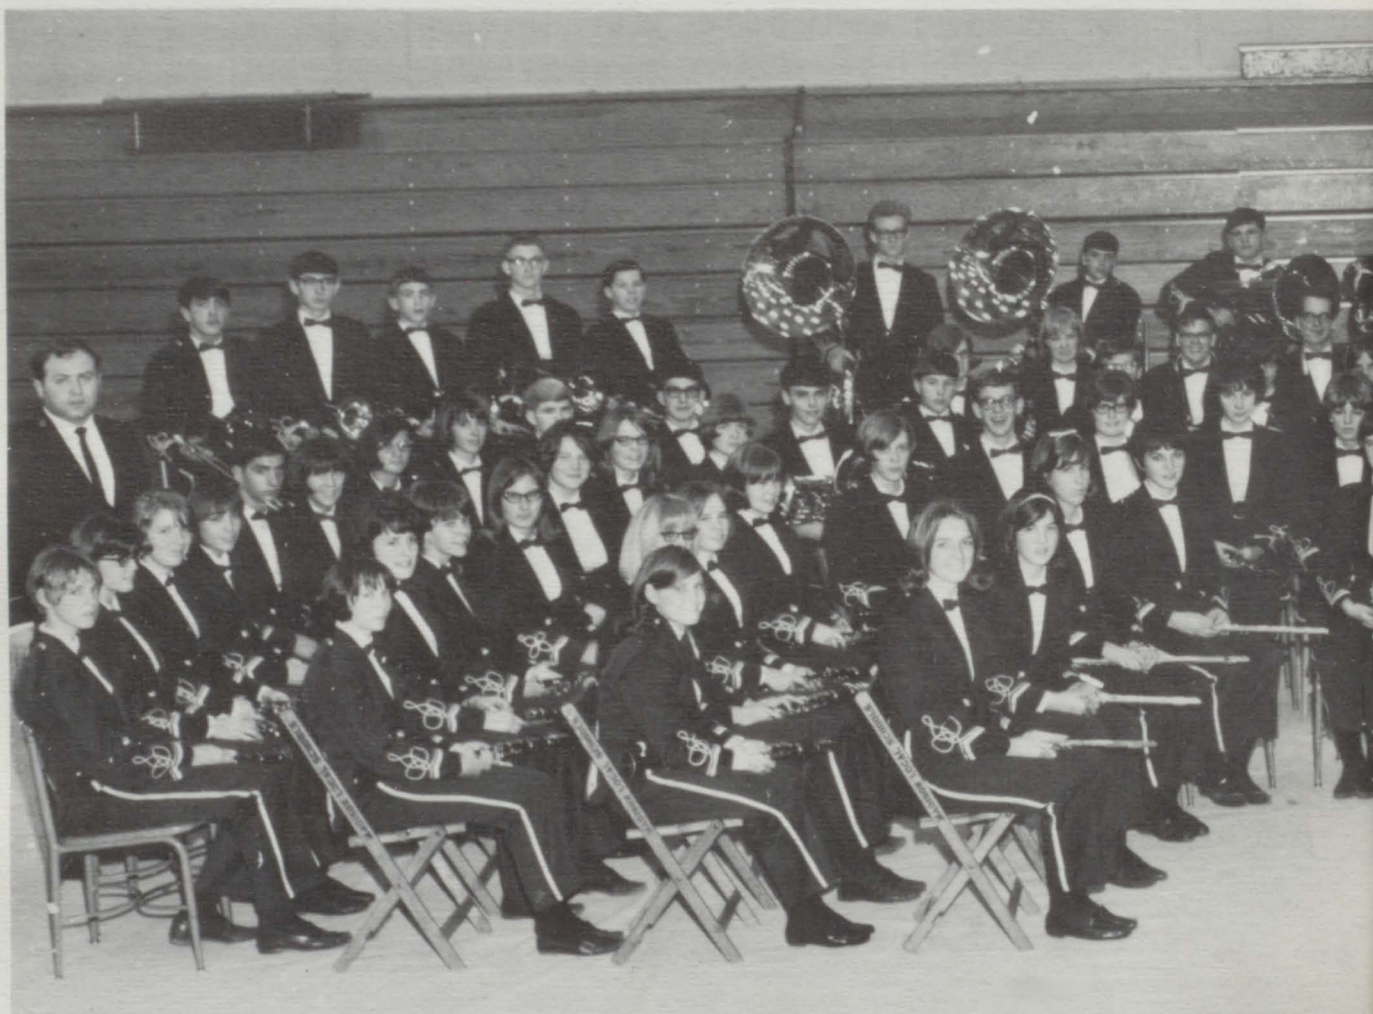

The final event of the year for the Concert Band was the Spring Concert. The band displayed the fruits of their hard labors to the pleasure of the spectators. At this time the seniors years of effort were recognized.

Mr. Acerra stated that he thought this year's band had the greatest potential and was the best band he had ever directed. The many performances of the band attested strongly to this fact.

Sophomore Linda Kiefer concentrates on her clarinet part in *Rossini's La Gazza Ladra*.

after the 1966 Winter Festival Concert.

## Senior Choir has busy year "Up With People" exciting-powerful

This years Senior Choir, under the direction of Mr. David Ayers, began working on six songs from Handel's Messiah in November and presented a Christmas Concert with the band on December eighteenth. In school on December twenty-first the choir repeated their performance of the Messiah for M.M.H.S. students. The superintendent after listening to the choirs performance decided upon increasing the fund to the Music Department. On the weekend of April twenty-first one of the most exciting and powerful perfor-

mances by the choir was presented. An "Up With People Concert," complete with guitar players, costumes and one-hundred exuberant voices filled the gym. Much praise and congratulations were presented to the choir on their performance. The final concert was a Spring Concert given in May. The last performance, however, of the 1966 Senior Choir was at the Baccalaureate service the last week in May. This years officers were; Pres.- Beth Smith; Vice-Pres.-Emie van Kuyk; and Sec. - Treas. - Lorraine Lehto.

M.M.H.S. Concert Choir performed six songs from Handel's *Messiah* for the student body in December.

Mixed ensemble practices for the Spring Concert.

Seniors ensemble performed songs for the student body in December.

Mr. Ayers helps the bass section of the frosh choir in preparing for the Christmas concert.

Our Pep Band adds musical spirit to pep assemblies and home games.

## Juniors Create a "Shangri-La"

On a warm spring evening, early in May, junior and senior couples drifted into the enchanted world of Shangri-la. Under the supervision of Prom chairman, Debbi Lintern, and decoration chairman, Patti Lundblad, the junior class transformed the M.M.H.S. gym into a picturesque oriental teahouse and garden. One highlight of the elaborate decorations was a full-length fluorescent mural depicting a Japanese landscape. To give the effect of a true garden, the class put up a false ceiling of foliage. Japanese lanterns, a rock waterfall, willow trees, and real coolie punch servers completed the picture.

Walt Ludwig was named 1966 Prom King. Shortly after came the climax of the evening, the crowning of the Prom Queen, Jeanne Stevens. Shangri-la will be something long remembered.

Walt and Jeanne share a moment together during their spotlight dance.

Art Taylor takes pictures of the Prom-goers which will be treasured forever.

Jim Glavan, Phil Tatar, and Gloria Svigel take a break to watch the events of the Prom.

The crowning of Queen Jeanne Steven holds rapt attention of those on-lookers.

Juniors relax and have a good time at the Prom for which they worked so hard.

## Roses and a kiss proclaim Debbi Lintern our Homecoming Queen

October 21, a crisp autumn night, set the scene for Madison's annual Homecoming game. Our Blue Streaks met in a gridiron clash with our W.R.L. rivals, the Chardon Hilltoppers. The team played a hard-fought game, but still were defeated 20-22. This game was doubly important as it was the title game for the W.R.L. Championship.

Spirits were high when in the pre-game show the 1966 Homecoming Court was announced. The girls circled the field in new convertibles with their fathers, and were introduced. They took their reserved seats and watched the first half of the game.

At the half-time activities, Senior Class President, Charlie Rizzo, presented the queen, Debbi Lintern, with one dozen white roses and the traditional kiss. Debbi and her court; Martha Heinrich, Sueli Kinoshita, Nancy Petric, and Sandy Wester reigned over the remainder of the Homecoming activities.

Joyful Queen Debbi and her proud escort, Jim Jackson, peer out from behind the cornstalks.

The 1966 Homecoming Court: Queen Debbi Lintern, Nancy Pet-Sandy Wester, Martha Heinrich, ric, and Sueli Kinoshita.

Queen Debbi Lintern receives a big kiss from her proud father.

Anxiety builds as the '66 Homecoming Court descends on the field.

## Seniors strive to make Homecoming

## Dance a success with the theme of "Amber Glow."

The Homecoming ended with happy couples dancing to the last measures of "Moon River".

Earlier in the dance seniors were seen frugging to the music of Ray Jangles.

On October 22, the Annual Homecoming Dance with the theme Amber Glow, was held in our gymnasium.

Decorations included yellow, orange and brown crepe paper streamers. The tables were very festive with pumpkins and Indian corn. There was a decorative platform at one end for the queen and her court.

Music was provided by Ray Jangles.

At intermission, Charlie Rizzo crowned our new Homecoming queen, Debbi Lintern, and gave her one dozen yellow roses. Debbi's escort was Jim Jackson. Following this, there was a dance for the queen and her court. The escorts of the court were; Greg Oldani with Martha Heinrich, John Lyons with Sueli Kinoshita, Craig Redecker with Nancy Petric, and Cliff Hayman with Sandy Wester.

Refreshments, punch and cookies, were served throughout the dance and a good time was had by all.

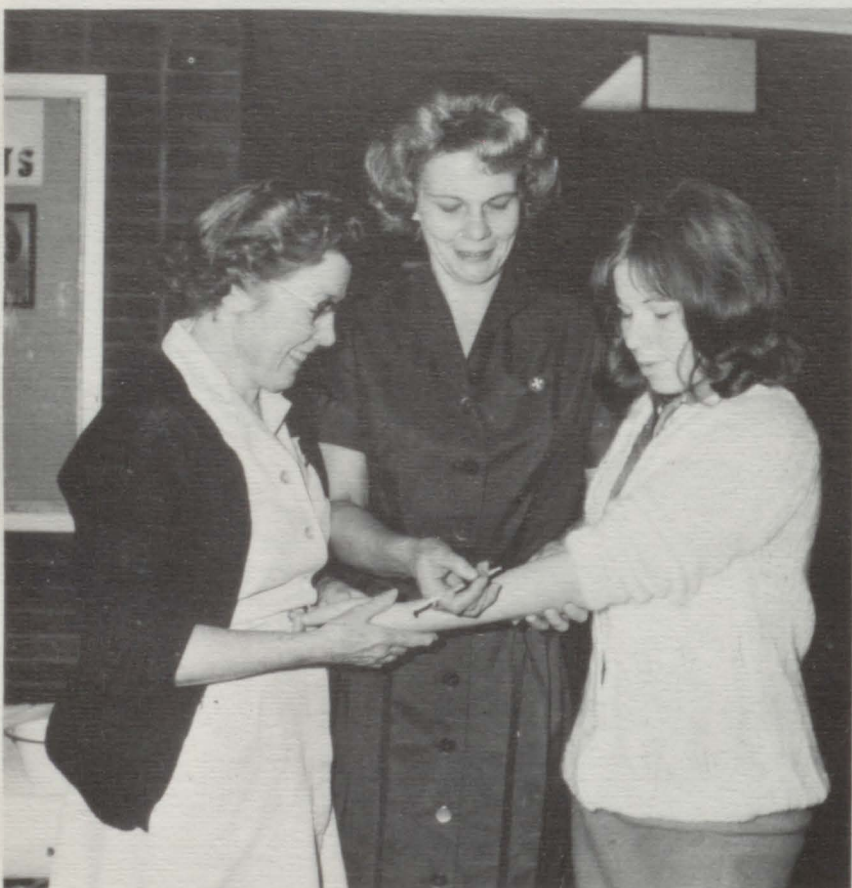

The juniors enjoyed the antics of Mr. Linhart during his American History classes.

## It Happened in '67

School Nurse, Mrs. Stark, assists Mrs. Leslie in administering the T. B. patch test to Pat Mooneyham.

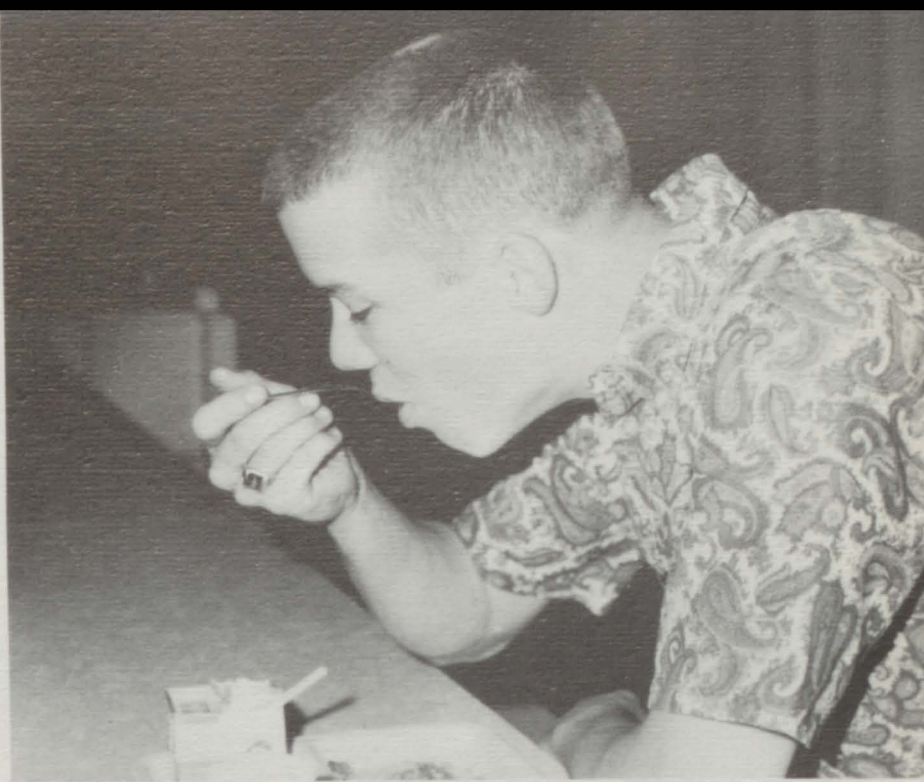

Caren Selah and Cate Reaney take time out for a special call during lunch.

Through hard hours of practice, band students like Gail Smith earn the honor of playing first chair.

Bill Hamblin partakes of the substance offered by the cafeteria.

A smile, a blinding flash, "O.K. next," portrays the annual underclassmen portraits.

Slow numbers give students a chance to make acquaintances.

## It absorbs the last of the excitement, they call it a Canteen

The game is over now and students pass through the halls into an atmosphere of dimmed lights and loud music called a canteen, the success of which hinges on the outcome of the game. High spirits, rock music, laughter and excited talk follow a win as likewise all these, except in lower degrees, follow a loss. This conclusion of the game absorbs the last of the excitement in an hour of dancing and socializing and sends home many tired Blue Streaks on a happy note.

Twisting, turning students cover the dance floor.

"The Kids" provide the musical back-ground for a Teen Club dance.

The canteens at the high school aren't always filled with dancing people.

## Pep assemblies are exciting game preludes

Pep assemblies are noisy, exciting, colorful, enthusiastic preludes to each big game. They start softly as the first trickle of students enter and build in volume and velocity until the walls shake and rebound with cries of Seniors! Juniors! Sophomores! Freshmen! Blue Streaks! Rah! Cheerleaders urging an entire student body to stand up

and yell. Coaches and players voicing faith for a winning team. Skits exalting the expected win for that night. And most important, the crowd, that trembling warehouse of dynamite that in response explodes into excited screams of victory, guarantees the pep for a Blue Streak win.

The cheerleaders get the student body in high spirits for our first football game at Geneva.

Brent Williams lets loose with a left jab aimed at Dave Pethel.

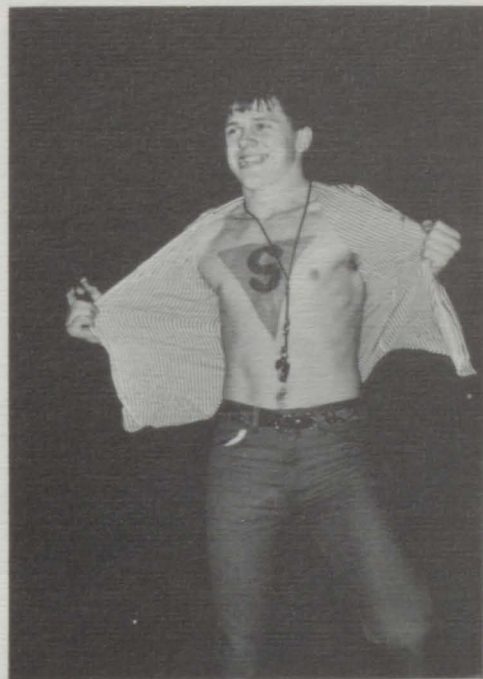

"Mafia member" (Jake Mavko) from the Edgewood Warriors breaks into the scene at the Varsity Club skit.

Our Pep Band adds musical spirit to pep assemblies and home games.

Mild-mannered Max reveals his true identity.

## Vocational School Enters Its Second Year With Full Program

### Courses provide adequate training

The Lake County Joint Vocational School opened its second year, including both juniors and seniors in its program for the first time. The many, varied facets of this program provide courses to satisfy most students' vocational needs.

In the welding department, students learn many types of welding and cutting. They learn the effective welding of different shapes and thicknesses of metal. The boys also learn sheet metal drafting and related blue print reading.

The main object of auto mechanics is to acquaint a student with the basic components of an auto, to diagnose and repair, by the use of equipment. Here the boys

learn good safety habits and the ability to work with people in a common practice.

Students chose machine shop to learn the trade of being a machinist. They are given the opportunity to learn this trade on many machines, such as lathes and drill pressers. The outcome of this course qualifies the student to be a tool and die maker and a machinist.

Cosmetology students learn the technical knowledge and manual skill as well as appearance and personality. The science of cosmetology has been developed into a systematic, coherent and definite area based on related cosmetology information.

I.B.M. Data Processing acquaints

the student with practical I.B.M. office machines. This course teaches machine operation and the function of a standard office.

Drafting basically trains and prepares the student with saleable skills in industrial drafting. By individual and group instruction the student acquires the skills in all phases of industrial drafting.

Students taking Industrial Electronics are taught the basic fundamentals of electron tubes and transistors.

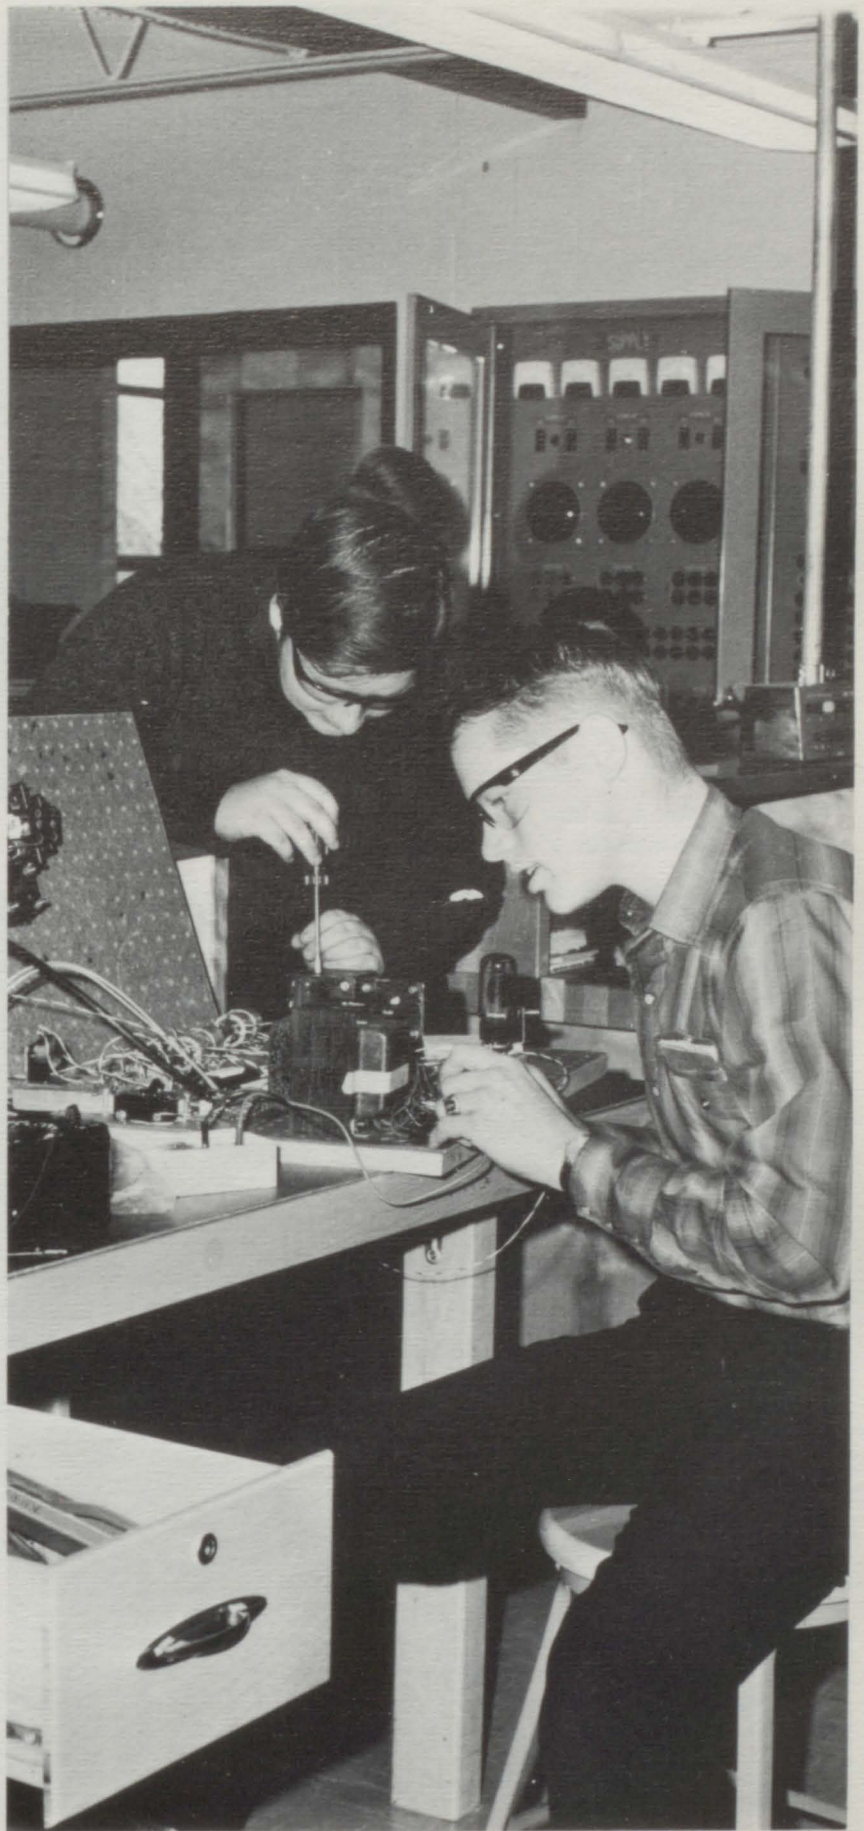

The courses provided by the Lake County Joint Vocational School supply the students with the necessary training for an industrial world.

Two vocational students are engrossed in the problem at hand.

Linda Parcell undergoes a tedious treatment.

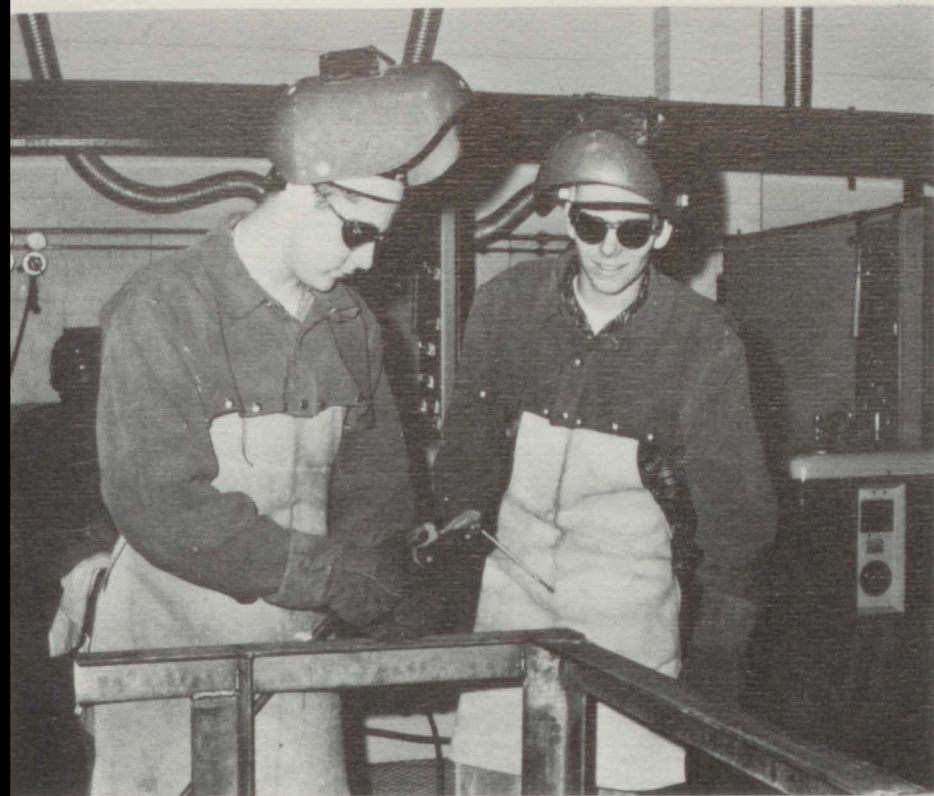

Jenn Hummel, with other students taking drafting, being prepared for industry in the Vocational School.

Bob Zapp and a fellow student learn the components of a good auto-mechanic.

Don Tobul and John Gustincic are working in the welding shop while learning the techniques of gas cutting and shielded arc welding.

Russ Hartstock and Don Johnson are checking the basic fundamentals of a car in order to make it safe for travel.

Vocational students study theory in the classroom and apply it in shops.

During a school board meeting Secretary Executive Head A. J. Barr confers with Robert Springer, Lorna Hudgens, and Evelyn Miller records the minutes as County Superintendent Henry LaMuth. William Knittel listens to comments from the floor.

## New offices taken over by school administrative branch

In January of this past year a new important change took place at M. M. H. S. The Administrative and Board of Education Offices were moved from the high school to a new location — the old unused portion of the North Madison Elementary School. Now enjoying new offices and facilities are the members of the Board; our Superintendent, Mr. Barr; his secretary, Mrs. Carl; receptionist, Mrs. Gragg, clerk of schools, Mrs. Miller; curriculum coordinator, Mrs. Rust; and supervisor of cafeteria, Mrs. Keyse. This provided the much needed space in our own building for a new teachers' con-

ference room; a new office for Mr. Winne; and a room for storage of Audio-Visual equipment. More of the yet unused portion of the old North Madison School building is planned for future administrative offices as our school system expands.

The School Board has plans for a new high school which would accommodate the ever growing student population with new Chemistry, Science and Language labs now under discussion and an approval for state aid is all that is needed to change the plans to reality.

Marcia Nichols discusses the operations of the Administrative Office with Mr. Barr.

## **Year '67 made to work through efforts of service employees**

Cafeteria personnel Ethel Dixon, Bernie Quirk, and Gloria Lorenz as they appear each day serving hot lunches.

In the monotony of school, day after day, we tend to take the school employees, for granted. These people include the cooks, the bus drivers and the custodians.

The bus drivers are up early each morning, and have most of us to school by 7:45 or before. The custodians, the night before, have left the school clean and orderly, and the grounds in good condition. At lunch, a healthy and nourishing meal is prepared by the cooking staff, which works long hours in the morning to prepare it. Then, school lets out and the cycle starts again. The bus drivers take us to our separate homes. The custodians clean the school and take care of the grounds, and the cooks plan the meal for the next day. We feel that MMHS owes a lot to these people.

Mrs. Ashcraft cleans up after a basketball game.

Mr. Jopko works to ready the school for our use.

Student Council

## Student Council Introduces Freshmen Orientation

This year's freshman class was well prepared for their first year at M.M.H.S. for on September 6th the Student Council sponsored a freshman orientation. This was the first one of its kind here and under the skillful direction of President Heinrich, it was a huge success.

The second of a series of successful projects put on by the Student Council was a special dance for Emilie van Kuyk, Madison A. F.S. student from the Netherlands. A large crowd of students turned

out to welcome Emie. The highlight of the dance came when Martha presented Emie with a dozen red roses and wished her luck in her coming year at M.M.H.S.

Before the big Madison-Fairport football game, a Bonfire pep rally pep band provided the music and was held in Boomhower's field. The cheerleaders led the cheers. A Fairport effigy was flung into the blazing fire. A roar went up from the crowd and the car caravan left shortly afterwards for the game.

A new addition to the school's decor was a 5' x 7" Victory flag, made by Mrs. Swaddling, to be flown after each Blue Streak win.

Another addition to the school was the A. F. S. corner in which color photos of Madison's A.F.S. students were placed. This was achieved through cooperative efforts of the Student Council and the art department.

M. M. H. S. exchanged council members for a day with Mentor, Andrews, Geneva, Perry, and Riverside during the year. Area Student Council meetings were held for the purpose of exchange of ideas between local youths. Delegates elected from Madison were Debbi Lintern and Gordon Miller. A computer dance sponsored by area council was held April 7 at Willoughby South High School.

Chun Soon Nyuh, a fourteen-year-old Korean, became the Student Council's new foster child. During the year the Council wrote letters and sent gifts to her.

In the spring of the year, the Council held elections of class officers, new council members and Student Council officers. This year officers were as follows: Pres.—Martha Heinrich, V. Pres.—Sue Godson, Sec'y.—Blythe Hudgens, Treas.—Debbie Denton.

Student Council members put the finishing touches on the Christmas tree.

Student Council president Martha Heinrich discusses a point with secretary Blythe Hudgens and treasurer Debbie Denton.

Andrea Anderson takes her turn working at the Student Council coat check.

The Key Club rides through a successful year.

## "We Build"

The Key Club sponsored by the Kiwanis, allows sophomore, junior, and senior boys to work for the betterment of their school and community. The club, which is an International Organization between Canada and the United States, prepares boys for the future with their motto "We build."

The many projects in the 1966-67 year included the club's annual pop bottle drive, after-game canteens, and arranging the flower beds in the village park. Special projects were working at the blood-mobile, marching for the leukemia drive on ALSAC Sunday, and caroling, which brought Christmas cheer to the people of the local rest homes.

Each year the club's advisor, president, and others interested may attend the National Key Club Convention which is held in the early spring in Columbus, Ohio.

Page 88

The Key Club puts on a skit before the clash of the Edgewood Warriors.

Sue Bodle and Audrey Lasko check off teacher's names on "Apple for the Teacher Day."

Junior Quarterback, Chris Anderson heads off Senior ball carrier Debbi Lintern in the second annual Powder-puff Football Game.

G.I.R.L.S. Club is an organization based on Generosity, Industry, Reliability, Leadership, and Service. This club strives for the betterment of the community and school through their various projects. Among these were: planting shrubbery at Rabbit Run, Christmas caroling with the Key Club at the rest homes, donating money for a

Christmas basket, cleaning the showcases in the halls, the Second Annual Powderpuff Football Game and Citizenship Week.

G.I.R.L.S. Club is composed of 30 girls from the sophomore, junior and senior classes. Initiation is held after members are officially elected.

## Girls Club

expands

activities

The G.I.R.L.S. Club is going places in their third year at M.M.H.S.

## Service Club's efforts refresh the spectators and enrich the athletic fund.

Service Club was organized for the purpose of selling food at most athletic events. The club is divided into groups, one of which works at each game. Group leaders organize their workers so everything runs efficiently. The profits of this club go to the athletic fund for the purchasing of uniforms and equipment.

Membership is open to all those sophomores, juniors, and seniors who wish to belong. For each year of participation an award is given. The first year members are given numerals similar to those awarded to first year athletes. Second year members receive a letter M with an S in the middle, while the third year members are awarded a gold bar for their services. This club runs smoothly through the consultation and advice given from the advisors, Mr. Miller and Mr. Quiggle.

Due to the fact that Service Club has never had officers, this is the first year they have had representation in Student Council.

Senior Service Club members - (left to right) Advisor - Mr. Quiggle, Serena Hopkins, Joe Fogel, Laura Moss, Marlene Balaban, Debi Davis, Ginny McNamara, Pam Berg, Peg Heinsius, Lore Widmer, Gladys Moss, Eileen Swallow, Sandi Yankie, Heidi Barton, Min. Eubank, and Bob Buckius.

Underclassmen Service Club members-Rose Lorenz, Liz Lanham, Sue Shahan, Carole Glasscock, Pat Mooneyham, Bonnie Bliss, Donna Pollock, Katrina Martin, Pat Short, Margaret Garret, Lynn Fabel, Mike Kurtzhal, John Mangine, Doug Elliott, Sharon Caudell, Mike Gehring, Advisor - Mr. John Miller.

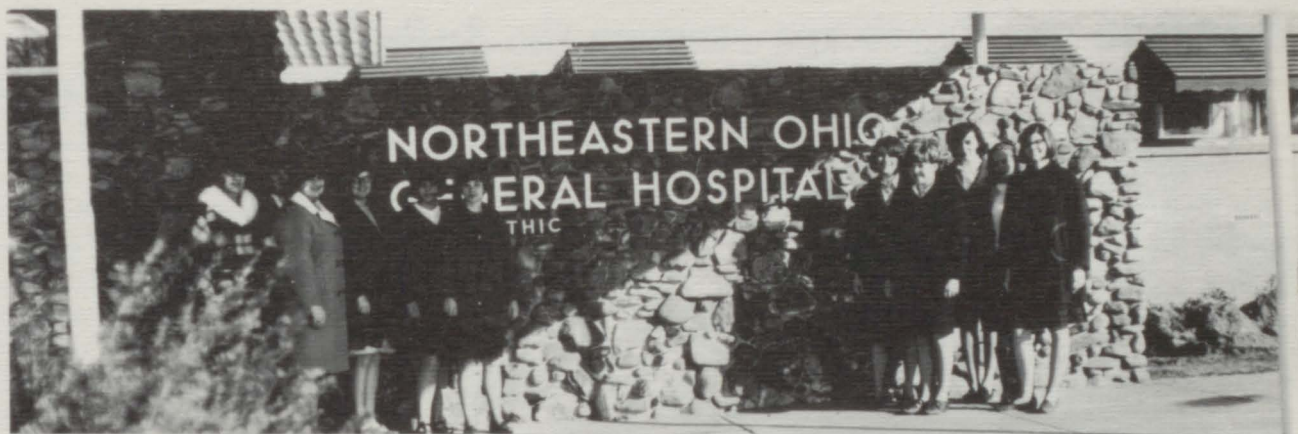

## Future Teachers help students interested in teaching

The Future Teachers Assn. consists of members from the sophomore, junior and senior classes. Most of these students are associated with or interested in the teaching profession. Many of these students may become teachers or become connected in some way with the teaching profession.

The object of the club is to help and prepare the students who are interested in the teaching profession and seriously thinking of becoming teachers.

Officers of the F.T.A. are Pres., Leslie Talkington; V. Pres. Chris Cook; Sec., Jane Peltoma; and Marda Edmundson, Treas.

## Future Nurses In Hopes Of Giving Away Scholarships

The Future Nurses Club was designed to further the career of nursing and to help the student choose that school to which she should go. This year, the club was under the direction of Miss Spiesman. The officers were Wanda Beattie, President; Sue Mavko, Vice President; Debbie Ritter, Secretary; and Pat Hall, Treasurer.

Throughout the year, the club members have taken an active part

in the club's affairs such as Christmas caroling, visiting the Rest homes, and taking a field trip to a Cleveland hospital.

Besides working on service projects, the members took an active part in money-making projects in the hopes that they might give away two \$100.00 scholarships to two graduating seniors who show their desire to become nurses.

## Hams doing well, teach in many fields

One of the interesting clubs at Madison Memorial High School is the Amateur Radio Club. The club is under the leadership and authority of Mr. Fowler. The club is made up of members from the sophomore, junior and senior classes who are interested in the varied fields of radio. A few of the varied fields are; citizen band operators, six-meters, and those who like to build their own radios.

The members of the radio club learn from how to build your own radio and how to work it—to how to contact anyone in the United States on a ham set.

The Radio Club holds their meetings Tuesday nights in the attic of the town Fire Station.

## Operators and Repairmen compose the Audio-Visual Club

The Audio-Visual Club is unique in that it is comprised of just ten boys from the sophomore, junior, and senior classes. Their responsibilities include setting up and operating all classroom audio-visual aids, among which are movie projectors, film strips, slide projectors, record players, the P. A. system and to make overhead projection slides. Operation of the scoreboard equipment for basketball and football games and the updating of the school - activities board are further duties. The boys also learn to make minor repairs and adjustments on their equipment.

### AUDIO-VISUAL

Clock-wise, from top  
Phil Tatar, Tim Smith, Jim Lefler, Gordon Miller, Jim Glavan, Norm Turri, Tom Niznik and Chuck Quayle.

## '67 Chess Team fairs well

Madison's chess team faired well in the Lake County Interscholastic Chess League this year. Competing with other schools such as Willoughby North, Kirtland and Chardon our boys did a great job.

Practice matches are held each Tuesday afternoon with Mr. Baker and Mr. Mackey as advisors. League matches are held Wednesday nights at the Painesville Branch of the Y.M.C.A.

Any student interested in serious mental competition may join the team. The present members of the team are; Tim Hoffman, Dave Bennet, Bob Melvin, John Cz, Tom Kronenwetter, Bruce Meyer, Ron Argo, David Orr, Rick Unfried, Joe Fogel, Keith Shoemaker and Bill Brotzman.

## New books added to fill students needs

The school library is designed to comply with the needs of the student body of Madison High School. This year alone over two-hundred new books, magazines and pamphlets were purchased in order to better fill the demands of the students. Under the guidance of Mrs. Anna Mary Hempel, with the assistance of the volunteer librarians, these books were made ready for use. The librarians also help the students locate the necessary material once it has been placed on the shelves. The library is a necessary part of Madison High School and should continue to expand with the needs of the students.

## Varsity Club reorganized

### Becomes service group

This year's Varsity Club has been the most organized and enthusiastic one ever in Madison High.

This September the boys got right into work and constructed the Varsity Club Constitution. A few of the rules adopted were that all boys participating in and earning Varsity letters will receive one at an assembly in the spring of the year. All Varsity Club members must obey all rules stated in the constitution and they must take the Varsity Club oath.

One of the projects organized by the Varsity Club this year was to hold the ropes at Basketball games. They put on a skit at a pep

assembly in January for the wrestling meet.

On February twenty-fourth a canteen dance was sponsored by the club.

In the spring the club held mild initiations.

Also new this year the boys designed Varsity Club emblems for the Varsity jackets. The Seniors received pins.

This year's advisor was Mr. Hance. The officers were as follows: President - Pat Ortiz; Vice-Pres. - Gordon Miller; Sec.-Greg Oldani; Treas. - Norbert Doland and Sergeant - at - Arms - Dale Crane.

M. C. C. begins practice for its annual Basketbrawl.

## Office Desks And Chairs Provided By The Commercial Club

The Commercial Club proved very successful this year. This organization, which is composed of students who are interested in business and enrolled in Madison's business education program, made close to \$250 in profits this year. The chief goal of this group is to make money so that equipment and supplies for Madison's business department may be purchased. This year twelve metal office desk- and-chair sets were bought for the business students' use.

Each year this organization sponsors Madison's annual Basket Brawl. In addition, this year, hopes for a type of variety show, where each club in the school will put on a short skit, are turning into plans. Money awards will be presented to the group with the best skit.

The Commercial Club meets

twice a month on Thursday afternoons. Movies about business careers are shown and special speakers from various business colleges give interesting talks. The movies have been about careers in the various branches of the business world, such as that of a secretary or work in advertising. The special speakers have included Mr. Forsythe, from Dyke Business College in Cleveland; Mrs. Johnston, from Kent State; and Mr. Corbett, from the F.B.I.

Any student that wishes to become acquainted with the various opportunities in the business world may join the club. The present thirty members are advised by Miss Spiesman. The club officials are: Pam Berg, president; Judy Johnson, vice president; Pat Short, secretary; and Eileen Swallow, treasurer.

Eileen Swallow and Pam Berg jump to begin the game.

Four years of work pay off for Scholarship Club members.

## Scholarship Club Encourages Scholastic Achievement

A peek at Mr. Black's senior Math class.

The Lake County Scholarship Club is an honorary organization in which Madison, Riverside, Fairport, Kirtland, and Perry High Schools participate. The main purpose of the club is to recognize those students who do outstanding scholastic work and to encourage them to continue their good work. Members are chosen each year on the basis of a 3.1 average or better and are awarded with pins.

Each year the members are honored with a banquet. This year it was held at Riverside High School in April.

Third-year Scholarship Club members strive for a perfect four year record.

Gary Blackie practices for the Spring Concert.

Homeward bound.

Techniques of metal working are practiced by Charles Hiller

Marcia Nichols is sworn in as Girls State Treasurer.

Marcia Nichols Nancy Yuill and Martha Heinrich

## Madison Delegate Captures State Office

In the early afternoon of June 18th, the campus of Capital University in Columbus underwent rapid invasion by some 1,225 girls. The 51st Girls State had begun and the over-all picture presented utter confusion.

The girls had political parties, cities and counties assigned to them. For the next few days the girls campaigned for office. The state underwent primary elections Tuesday morning and general elections that same night. Madison's Marcia Nichols captured one of the highest offices, that of State Treasurer. Martha Heinrich and Nancy Yuill won the offices of Senator and city party leader, respectively. The girls

kept busy during the week with caucusses meetings and listening to speakers like Governor Rhodes and Lt. Governor Brown.

Then came the highlight of the week, the Governor's Banquet. The girls dressed in formal gowns to attend dinner and hear a speech from the Governor of Boys' State. A tour of the state capitol and a talent show performed by some of the Girls Staters rounded out the activities.

As the week came to a close, sad good-byes now echoed round the campus that had been so busy all week long, but many fond memories will stay with those who attended the 1966 Girls State.

The 1966 Boy's State Team; Jim Lefler, Charlie Rizzo, and Bill Buttwin represented Madison High School in Athens.

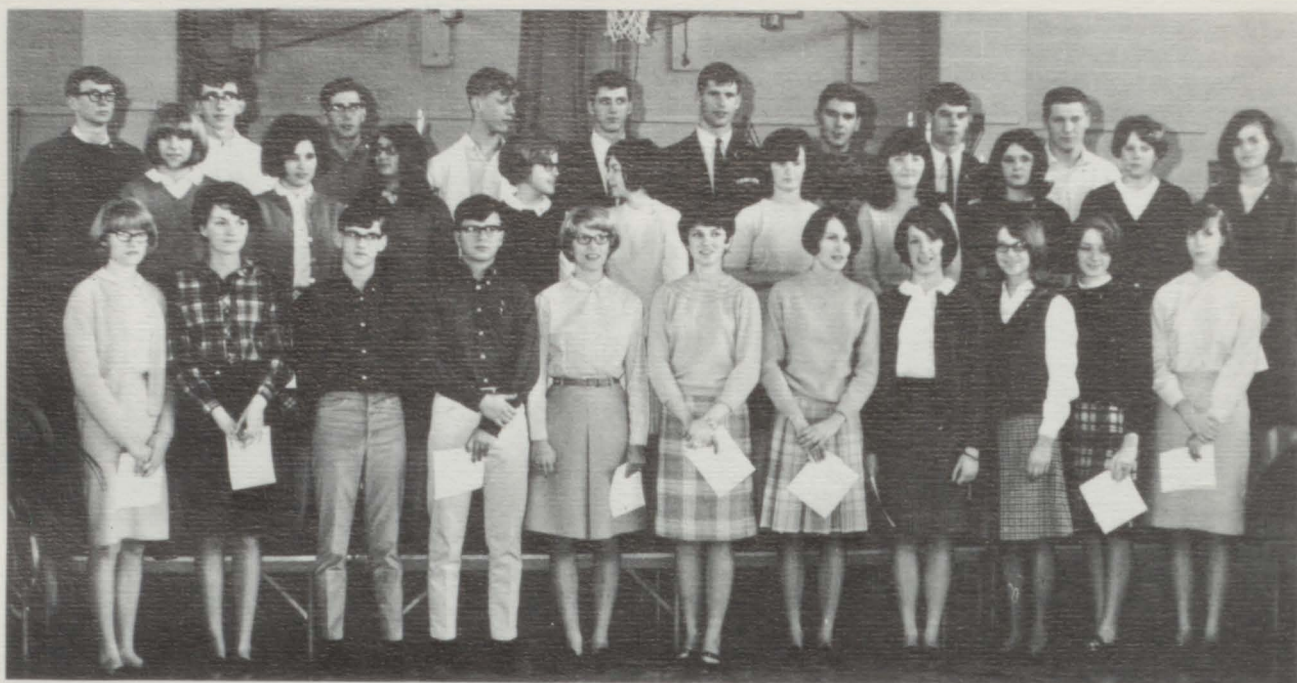

## True democracy learned at Boys' State

Learning what a true democracy is was the most important thing that Jim Lefler, Charlie Rizzo, and Bill Buttwin learned this summer. These were the three boys who were elected to the 1966 Boys' State from Madison High. The week of June 9-19 held campaigns and elections for city, county and state officials. The campus of Ohio University was transformed into a state with all its governing bodies. This year Boys' State team became landowners, had bank accounts, participated in inter-city sports events and even became cars using

the halls and sidewalks as highways.

Two important events occurred this year as they have every year. Jim, Bill and Chuck made many friends with boys from all over the state of Ohio. They learned to work with their friends for the common good of the entire Boys' State program. The most important thing, however, was learning what it is to have a true democracy, one that makes our government work. Democracy is not just a word, but hundreds of people all striving to keep things safe.

Newly inducted members of the National Honor Society are:

Bottom row I: Evelyn Fabel, Margaret Garrett, Charlie O'Shaughnessy, Gary Mavko, Julie Pajer, Gwen Loeffler, Beth Ward, Debbie Denton, Judy Jakse, Susan Godson, Debby North.

Middle row II: Cheryl Horst, Pat Andrews, Susan Whipple, Melody Hudgens,

Barbara Morgan, Susan Lumpp, Laura Heinrich, Nancy Petric, Chris Anderson, Emilie van Kuyk.

Top row III: Michael Whipple, Jim Lefler, Denny Antweiler, Keith Klein, Phil Tatar, Jeff Lintern, Al Clark, Greg Oldani, Richard Svagerko.

## Highest honors are bestowed on 26

Towards the end of January, all of the faculty were given a list of qualifications for evaluating new members for the National Honor Society, one of the highest honors bestowed upon any student. A list of all juniors and seniors in the upper quarter of their class was also submitted to the faculty.

From this list the faculty selects the number needed to maintain a membership of fifteen percent seniors and ten percent juniors. Only students who excel in leadership, character, service, and scholarship are chosen.

Leadership includes taking a constructive lead in school and classroom activities, promoting

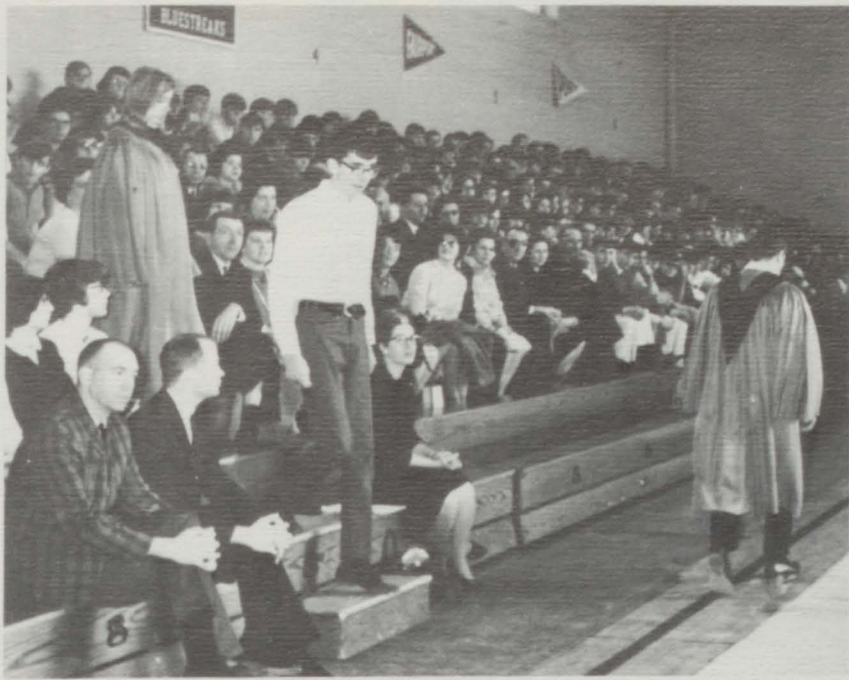

worthy and proper school activities, and contributing constructive ideas which improve the school. Holding school positions and offices successfully and showing initiative are also included in leadership.

Service includes giving time, effort, and talents toward the betterment of the school and competitive exercises such as sports also shows service.

Character includes meeting individuals pledges and responsibilities and demonstrating highest standards of attitude toward honesty, reliability, and fairness.

Scholarship includes class rank in the upper quarter of the class.

Mixed emotions are shown in the traditional tapping ceremony.

Jim Lefler steps down to be seated for the beginning of the National Honor Society ceremonies.

Margaret Garrett and her proud parents partake of the refreshments after the induction.

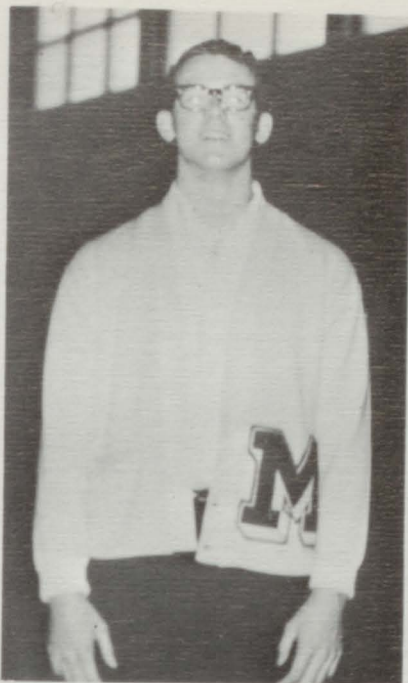

**These students  
bring recognition  
to the school  
and themselves  
through  
high achievement  
in various fields.**

Sue Lumpp explains her participation in the United States Band to Mr. Accera. Sue was chosen on the merit of a tape recording of her flute playing.

Margaret Taubert and Dave Keifer, seniors at Madison, became semi-finalists in the National Merit Scholarship Test.

Senior, Gordon Miller, received football Honorable Mention in the state of Ohio for his outstanding playing ability as tackle.

Bob Sater, Russ Childs, Bill Misch, and Roger Fike represented Madison High School in district wrestling meet

Congratulations were bestowed upon Jay Fabian when he ranked in the top ten at district meet which qualified him for state competition. He went on at state to place seventeenth.

## High Honors are earned by eighteen Graduates

Honor students, Gwen Loeffler, Colleen Seufer, Emilie van Kuyk, and Marcia

Nichols work on the '67 Cauldron.

The Honor Students of Madison High School are those Senior students which have obtained a 3.5 grade average during their high school years. Although these students are tops in their studies, they also excel in the fields of citizenship, leadership and service. This year eighteen students fall into this category. The Cauldron Staff of Madison High wishes to express its pride in these students and congratulates them for a job well done.

Seniors, Bonnie McFarland, Blythe Hudgens, Dave Keifer, Cliff Hayman, and Polly Streeper in Honors English class begin research on their term papers.

Honor students Paul Boomhower, Pat Ortiz, Al Clark, Denny Antweiler, and Craig Redecker work on Physics problems.

Four of the honor students, Margaret Taubert, Darlene Peklay, Mike Whipple, and Susan Whipple participate in the music program.

The cast and crew rejoice after their last night's performance.

Top

Jim Lefler unravels the plot to Kathy Davis.

Donald (Jim Lefler) and Rheba (Gayle Pethel) applaud the work of the cast.

Mr. Andrews is rewarded for his hard work by the cast.

## Cast stands proud with production of "You Can't Take It With You"

Five weeks of diligent practice resulted in the successful performance of "You Can't Take It With You." The Senior Class, under the expert direction of Mr. Glenn Andrews, presented this three act comedy on Nov. 4 and 5 in contrast to its drama "Our Town" of last spring. The play drew a good sized crowd both nights, and the audiences were very pleased with the presentation.

The play is the story of two opposite types of families, the Sycamores and the Kirbys. Poor and extremely happy are the Sycamores with a surprisingly realistic outlook on life. On the other hand, the Kirbys are rich, and although they say the family is happy, they do not have the close family ties of the Sycamores. The play shows the two different attitudes the families hold toward life's offerings.

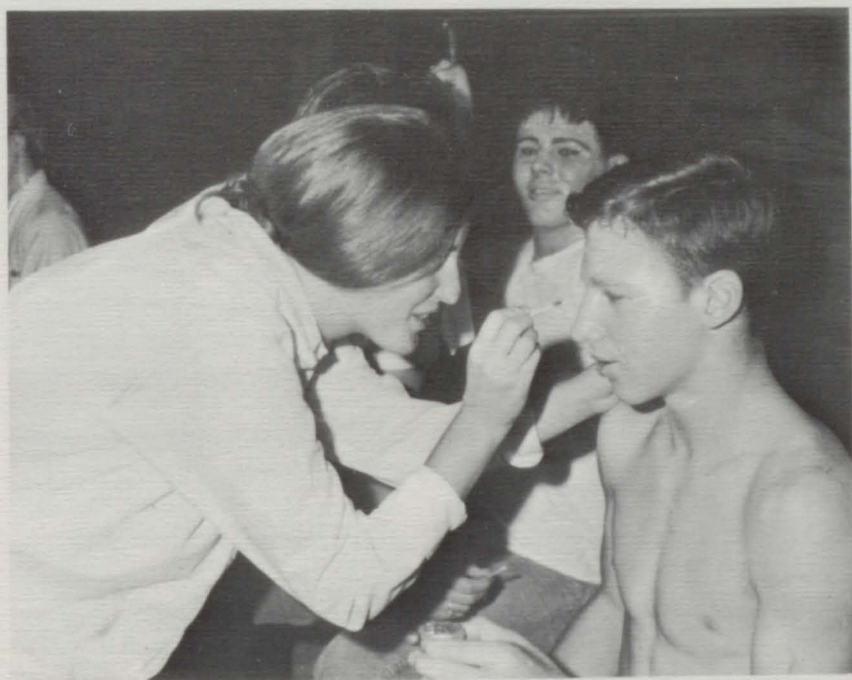

The cast included eighteen members ranging in age from 75 to 20. The eldest member of the Sycamore family was Grandpa (Robin Matteson), the realistic member of the family. Penelope Sycamore (Colleen Seuffer) was an amateur playwright and a mother combined. Essie Carmichael (Nancy Yuill) was a ballet student of eight years who could not dance. Her teacher was a Russian, Boris Kolenkhov (Greg Oldani). Essie's dancing was accompanied by a clarinet solo as played by her husband, Edward Carmichael (Paul Boomhower). Paul Sycamore (Mike Whipple), the father of the Sycamore family, made fireworks with the help of Mr. DePinna (Bruce Blair). Alice Sycamore (Martha Heinrich) was the only normal member of the family. Rheba (Gayle Pethel), a colored maid and cook combined, and Donald (Jim Lefler), Rheba's boyfriend, made up the servant help, employed by the Sycamores.

The rich Kirby family consisted of Mr. Anthony Kirby, Sr. (Ken Benedict), Mrs. Miriam Kirby (Gwen Loeffler), and Anthony Kirby, Jr. (Gary Blackie). The Kirby family behaved as a normal, high-classed, rich family. The rest of the cast included an Internal Revenue man, Wilbur C. Henderson (Dave Niznik), a Russian Grand Duchess, Olga Katrina (Wanda Beattie), a drunken actress, Gay Wellington (Ginny McNamara), and three G-men (Bill Buttwin, Chuck Quayle, and John Pretz).

Connie and Marcia put the finishing touches on Mr. DePinna. (Bruce Blair)

Blythe ages Robin into Grandpa Vanderhof.

Emie, in her native costume, awaits the chance for a perfect shot.

Life at Madison High centers itself around Emilie van Kuyk, our foreign exchange student.

## Emie brings the Netherlands to Madison

Hello,

I'm Emilie van Kuyk, 18 years old and Madison's third American Field Service Student. I came from Voorschoten in the Netherlands, where I live with my father, Jan Willen, my mother, Hettie, my sister Ineke and my brother Jan Willem.

My year in the United States I spent with Dr. and Mrs. Edward Hudgens and their daughters Blythe, Melody and Heather.

When I arrived here and came up Main Street, I thought: "It's just like in the cowboy movies."

Page 134

I noticed that the people who live uptown are closer to each other than the ones who live down at the lake.

Church takes a more important part in social life here than it does at home.

I find the Americans very friendly people. They were always willing to help. On the whole they are rather materialistic, and I also found that when they are prejudiced, they're ready to change their minds if you can prove different. They are very emotional, especially

the girls.

People often ask me, when they hear I graduated already in Holland, whether this past year is a loss to me. I certainly don't think so. I enjoyed every minute of my stay with you, learned a lot more about your country and the people, and therefore I'd like to thank everyone who has contributed to this experience very much.

Love,  
Emie

New student A. F. S. Chapter hopes to promote participation of our students in exchange programs.

Emie gets a taste of senior gossip.

Emilie van Kuyk presents Mr. Matuscak with the flag of her country, the Netherlands.

**The Senior is a complexity of moods;  
laughter and tears,  
satisfaction and disappointment,  
combining to form the individual.**

Jon Gramoy records Blythe's latest bit of gossip during Psychology class.

Madison High School takes great pride in presenting the following pages of our Cauldron. Through the advertisements of these businesses and patrons in Madison and the surrounding cities, we were able to make our yearbook publication a success.

Many Thanks To All!

Bob Braski lets BEATTY FLORISTS "Say it with flowers."

Mr. Miller of MILLER REALTY of Geneva shows Pat Ortiz there is lots of business in houses.

Dave Orsini and Ken Benedict feel that size is no object at BLECKERT'S MUSIC STORE in Painesville.

Bill Buckius heard that MAYHEW'S fertilizer makes anything grow.

LAIRD LUMBER supplies the shop classes at Madison High School with the necessary materials for their creations.

Service with a smile provides a friendly atmosphere for the clientele of the WESTERN RESERVE BANK of LAKE COUNTY.

PERFECTION expands to keep up with the modern business world.

Bob Brown nervously watches his blonde locks fall to the floor as the barber at CHAPELDALE BARBER SHOP gives him the works.

Gwen Loeffler and Keith Klein get into the swing of things at SEARS.

Dave Keifer shows Mike Whipple the tricks of the trade at MADISON HARDWARE.

Virginia Baker enjoys owning and operating the newly remodeled ANCHOR INN.

Planning an addition or new house? Let HARRY BUKKY TRUCKING do the "dirty-work".

In case of emergency, call BEHM'S for their 24 hour ambulance service.

Need gas? A lubrication? or a car wash? BAKER SOHIO on Chapel and Hubbard provides these and many other assets for your cars.

Congratulations  
from
