Mock Election Reflects Workings of Political System

This year the first Democratic and Republican Conventions were held at Madison High. It all started last spring when Mr. Delp formed a Student Steering Committee made up of: Beth Shipman, Melissa Headley, Heather Hudgens, Barb Dick, Marge Matuscak, Paul Chilbert, Mike Berg, Donna Laird, and Beth Mayhew. This committee was responsible for making the plans and mapping out both conventions.

The Democratic Convention was first. It was run by the chairwoman—Mary Seufer and Secretary—Mike Gagliardi. First the keynote address was

made and the platform was given. Then there were two minority reports given: one on capital punishment and the other on amnesty for draft dodgers. These both passed. After lunch, nominations were made for the presidency and vice presidency. At the close of the convention, the Democrats had picked John McVey as the presidential nominee, and Mitch Torres as the vice-presidential nominee.

The Republican Convention was run on the same format as the Democratic one. For the Republican Convention, the chairman was Tim Avelone and the secretary was

Chuck Gagliardi. There were minority reports on the legalization of marijuana and abortion. The platform was against the legalization of marijuana and for the legalization of abortion. Both issues were voted down, so the platform stood pat. Again nominations were made. Rick Norris was the nominee for president and Lynn Pethel was the nominee for vice-president.

Then on November 7, everyone voted. Rick Norris and Lynn Pethel were victorious with the final popular vote: Norris—528, McVey—460.

IN SPORTS

We win some, we tie some, and some we lose, but after looking back at ourselves, and what we've done or tried to do, we're always proud.

Madison Blue Streaks Enter N.E.C. League

Our Bluestreak football team opened its season under the head coaching of Mr. Opron by defeating a powerful Wickliffe team 12-6. Lee Cornell scored 1 TD and Mike Adams threw a 70 yard bomb to Chuck Gagliardi. We were held scoreless against Kenston and lost 8-0.

Our first N.E.C. game was also our big rivalry game against Geneva. Though losing 28-6, it was close until 4 minutes were left. Two ties followed the loss. The first was against the Ashtabula Panthers 20-20. Bill Baldner had three TDs. Bill Bodle missed a vital P.A.T. We then played St. John to a scoreless tie.

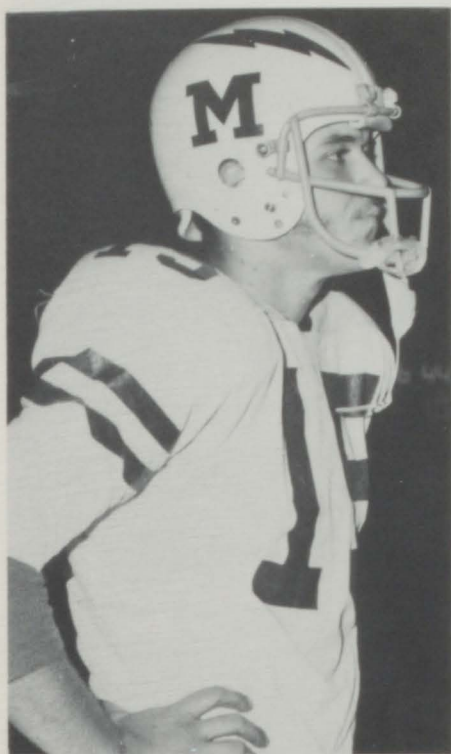

The Streaks then lost a heartbreaker to the Edgewood Warriors 28-24 in the last minute of the game. Bill Baldner had three TDs. Another tough loss came at the hands of Ashtabula Harbor 13-7. Our score coming on a long 40 yard TD bomb from Mike Lawrence to Bill Baldner.

We registered our first N.E.C. victory over a hapless team of Jefferson Falcons 34-6. Bill Baldner scored twice, as John Brafford, Steve Murray, and Mike Godson each scored once. The Streaks then finished their initial N.E.C. season on a winning note 27-8 against Conneaut. Bill Baldner scored three times and John Brafford once. They finished 2-3-2 in the league.

In the season final we came up with a big win. Perry was looking to knock us off for the first time in 11 years, but came up on the short end of a score

. . . Finish Out Strong

of 14-7. Bill Baldner scored both TDs and Bill Bodle kicked both P.A.T.s.

Overall, Madison's final stats showed a record of 4-4-2. The Streaks outscored their opponents 144 to 124 and had 1768 yards rushing and 822 passing. We also had three

players make All N.E.C.: Bill Baldner, Lee Cornell, and Bill Bodle, with Chuck Gagliardi and Steve Murray making the second team. Mike Gagliardi and Bob Reigert made honorable mention. Lee Cornell also received honorable mention for All State.

The scoreboard has not been in favor of this year's freshman team. They dropped six out of seven games and won only one. To Coaches Iarocci and Hrbek they have been steadily improving since they first came to conditioning during the summer. They are now more of a team and work together to make a better team for the future of Madison High School.

"Hey! Just Try and Catch Us If You Think You Can!"

Even though Madison lost a meet to Chardon, the toughest team in Ohio, we've kept our word when we say that we are going to win. We did it with a season record of 11 victories and 1 defeat.

The outstanding runners this year were: Ron Mattox, Ron Fabian, Glenn Kershaw, Ken

Rose, John Rodgers, Ralph Rogers, and Paul Kershaw. Walt Leitch and Tony Jewett also did outstanding in J.V.

This year Ron Mattox made it from sectionals to districts with a time of 10:06. This year was his first year for cross country.

Streaks - Tough Season on Hardwood

The 1972-73 basketball season was not especially rosy for our Bluestreak cage squad. Their 3-16 final won-loss record shows plenty of losses all right, but it doesn't say how close those losing games were. The J.V. and Varsity squad both lost several close games. The J.V. season record was 6-12 this year, many of which were close losses.

Scott Wilde and Dan Girdler were this year's most improved cagers, but Rob Winton was the player that really shone through the seeming darkness of the dismal record posted by the Streaks. Rob led the team in nearly every category. Rob was the leading scorer with 349 points with Scott Wilde

second scoring 230 points. Rob Winton pulled 171 rebounds off the glass this season with 165 by Scott Wilde. This season saw Rob score his 700th career point in the last home game against Conneaut. He scored 725 points in his three years on Madison's Varsity by the final tally of the tournament game against Conneaut.

Next year's team will be minus only two of this year's players; Rob Winton and Russ Trufant. Not to mention the fact that the two Sophomores on the team, Mike Lawrence and Mike Kellison, both did first rate jobs on the team this year.

Grapplers Go Distance For Fourth Undefeated Season

Bluestreak grapplers made another successful year of wrestling as they took their 5th wrestling crown in a row and boosted their winning streak to 46-0. Under the fine leadership of Coach Melin and Mr. McIntyre the Bluestreaks swept their opponents into a cloud of dust.

It all started out this year against Geneva as Madison plucked the Eagles 55-5. Madison collected 6 pins from Scott Buck, Kerry McManigle, Rick Fike, Sheldon Braid, Mike Gagliardi, and Charlie Gagliardi while Bob Reigert, Mike Schiberl, Gary Bukky, Waite Talbot and Lee Stewart brought home decisions.

Next came the mighty Chardon Hilltopper team which planned to end Madison's winning streak. But they failed as the Bluestreaks took command with a score of 31-21. Scott Buck, Mike Gagliardi, and Lee Stewart collected vital pins for the Madison squad. Matt Reese, Rick Fike, Bob Reigert, and Charlie Gagliardi won by decision.

Ashtabula City was an inexperienced team as the score well tells 62-5. Scott Buck,

Kerry McManigle, Bob Reigert, Sheldon Braid, Charlie Gagliardi, Mike Gagliardi, and Chris George picked up pins for Madison.

The Bluestreaks then pointed to their two day excursion at the Kenston Tournaments, which occurred over Christmas vacation. After Madison flopped around the first day of the tournaments, they came back flying to second as they wrestled their way from 13th place to 2nd place. Scott Buck and Bob Reigert took 2nd place at the tournaments whereas Rick Fike, Charlie Gagliardi and Lee Stewart took 3rd. Waite Talbot earned a 4th place.

Starting the month of January, the wrestlers went against a rugged West Geauga team which may have proven fatal if it were not for the pins collected by Scott Buck, Rick Fike, Bill Sanders and Jim Turnbull. The score was 34-21 which was kept alive by our decision winners Kevin McCully, Sheldon Braid, and Lee Stewart.

Next, the mighty Bluestreaks ran into their old L.S.L. opponents, Wickliffe and River-

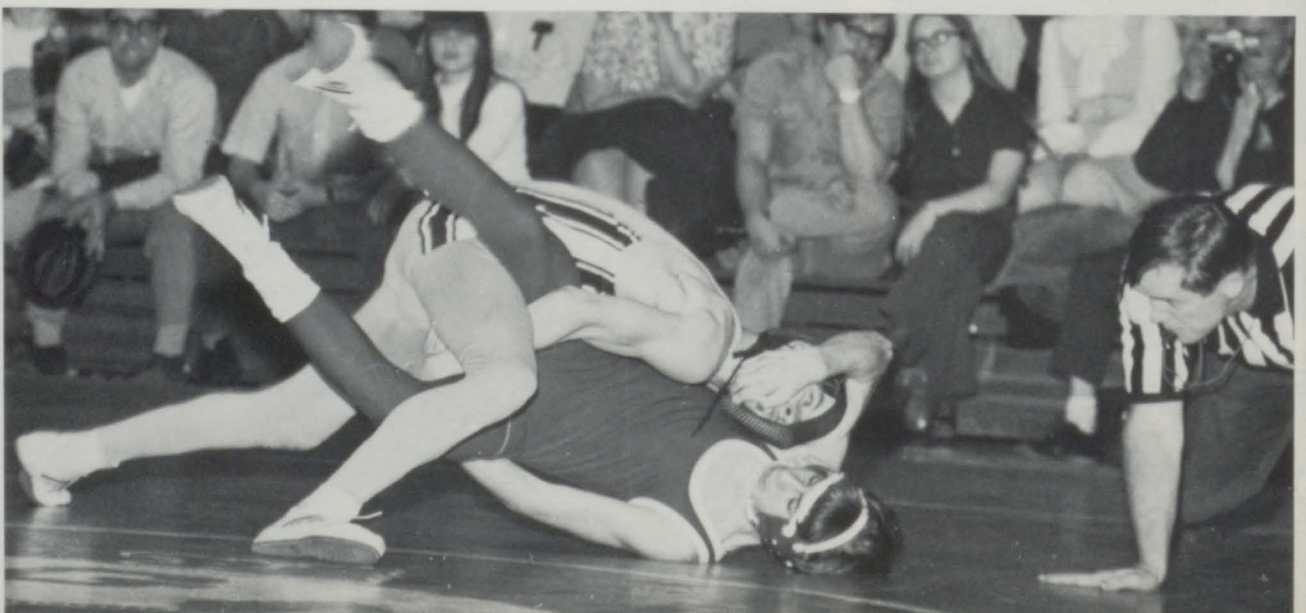

side. Madison disposed of Wickliffe 37-12 with Kerry McManigle and Jim Turnbull collecting pins. Riverside went easier as Madison trounced them 41-12. Charlie Collins, Kerry McManigle, Rick Fike, and Charlie Gagliardi gathered pins.

After two old league opponents we moved to one of the tougher NEC opponents, Edgewood. The Warriors' attack failed as the Bluestreak grapplers killed them 44-11. Scott Buck, Kerry McManigle, Rick Fike, Charlie Gagliardi and Lee Stewart gathered vital pins for the Bluestreak grapplers.

Only one match escaped the hands of the Madison team against Astabula Harbor. Scott Buck, Kerry McManigle, Bob Reigert, Sheldon Braid, Jerry Martin and Lee Stewart collected pins while Steve Girton, Rick Fike, Mike Schiberl, John Misch, Charlie Gagliardi, and Dave Bailey gained decisions to make the score 57-3.

Below—Kerry McManigle stacks up a Geneva foe.

Right—Throughout his high school wrestling career, Rick Fike maneuvers for a switch to boost his record to 41-1.

Madison then moved against a Jefferson Falcon team which proved to be no sweat as seen by the score 52-11. Kerry McManigle, Rick Fike, Charlie Gagliardi, Jerry Martin, Waite Talbot, Jim Turnbull, and Lee Stewart worked for pins, while Mike Schiberl and Sheldon Braid got decisions.

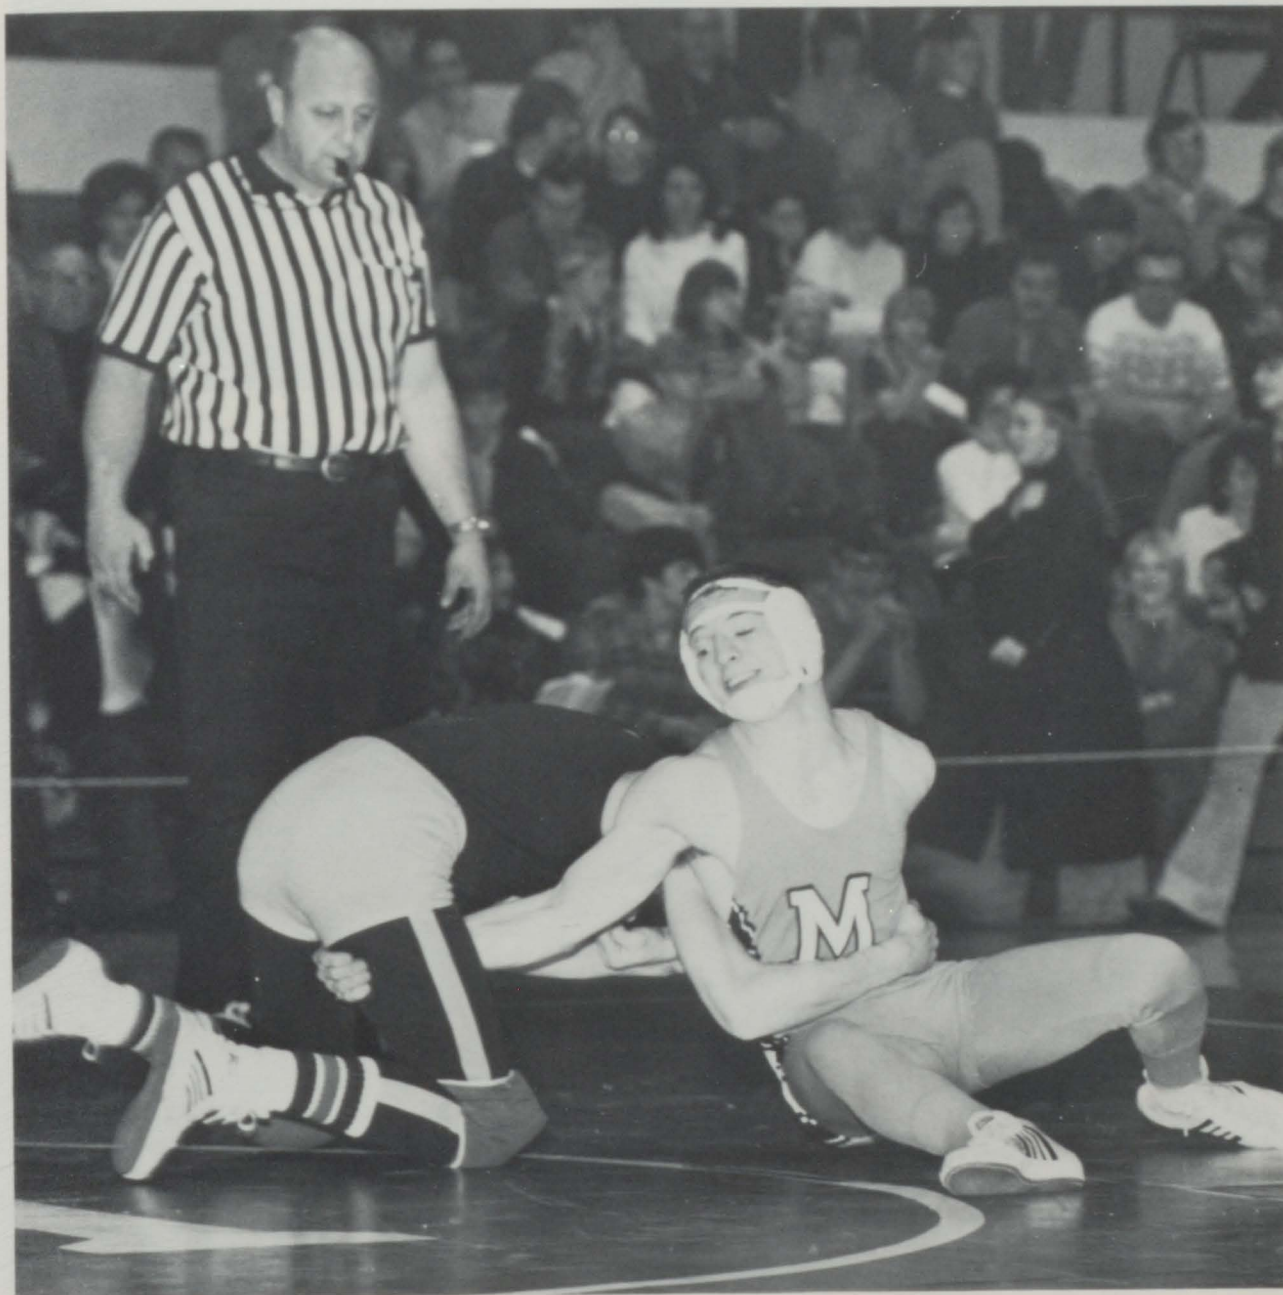

Our last match proved to be no sweat. Madison captured its first shutout ever as they stop-

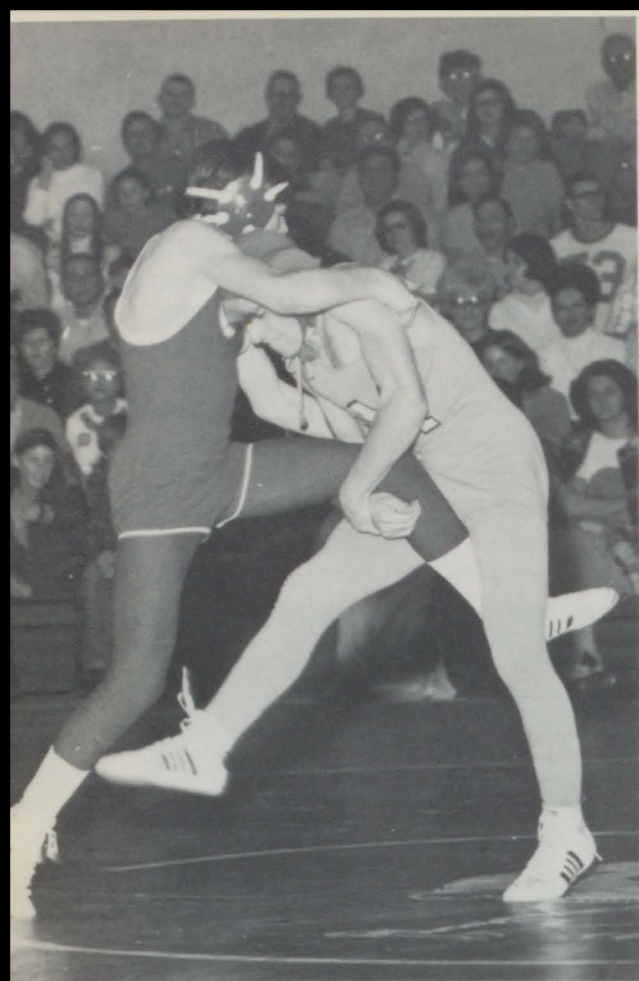

ped Conneaut 62-0. Charlie Collin, Kerry McManigle, Kevin McCully, Sheldon Braid, Charlie Gagliardi, and Lee Stewart had pins. Winning by decisions were Rick Fike, Mike Schiberl, Jerry Martin, Waite Talbot, and Dave Bailey. Scott Buck had a forfeit.

After the dual match season, the N.E.C. tournament was next. The Bluestreaks captured their first N.E.C. champ-

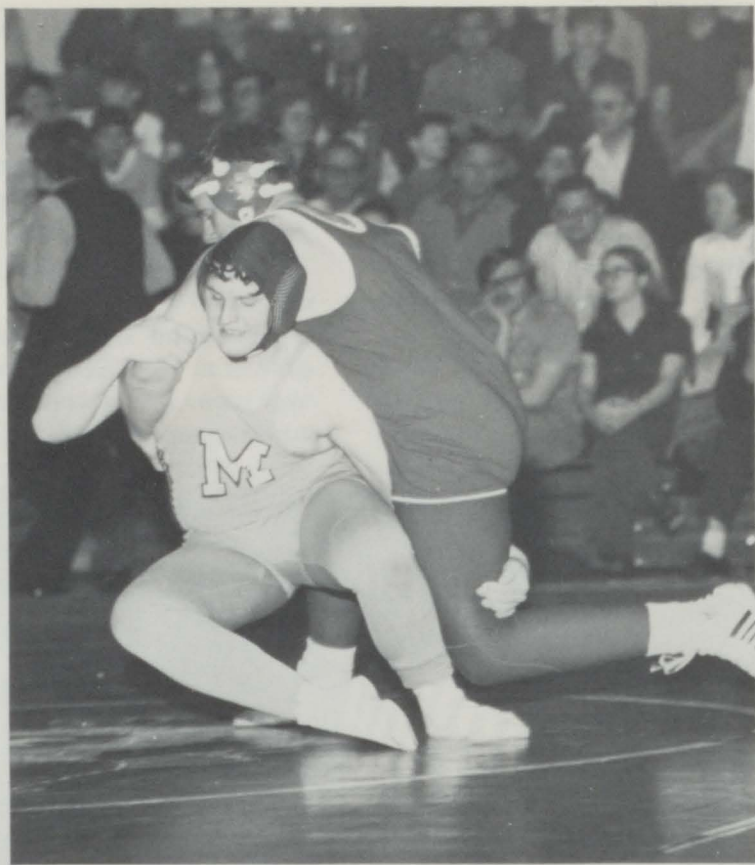

ionship with 7 grapplers placing first: Scott Buck, Kerry McManigle, Rick Fike, Bob Reigert, Charlie Gagliardi, Waite Talbot, and Lee Stewart. Taking seconds were Charlie Collins, Mike Schiberl and Sheldon Braid.

Varsity wrestlers undefeated were Scott Buck, Matt Reese, Rick Fike, Mike Gagliardi, and Lee Stewart.

Under the superb coaching of Mr. McIntyre, the Junior Varsity wrestling team completed another successful season. The J.V.s had one varsity match against Perry in which the Junior Streaks won 31-34. George Nash and Wally Krauss collected vital pins, while Scott Buck, Rick Conder, Andy Orris, Bill Widlets, Mike Chilbert, and Gary Bukky worked for decisions. The team also competed in two tournaments. One was the Willoughby South Sophomore tournament in which the Streaks took a fourth place as a team. First places went to Charlie Collins and Jim Turnbull. Kip Pethtel and Chris George captured second place, Kevin McCully and Wally Krauss took thirds. Gary Bukky had a

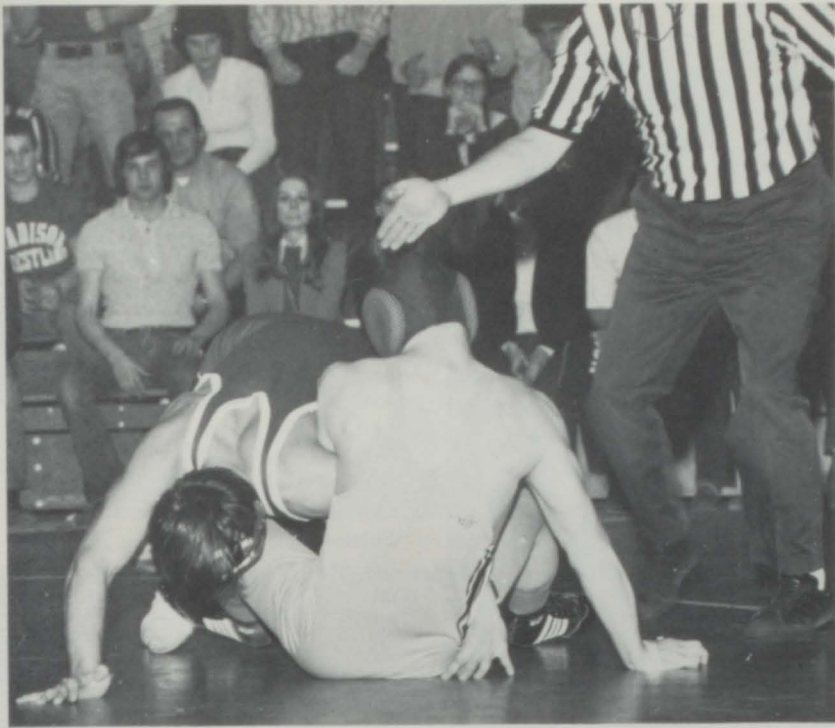

fourth. The other tournament was the Richmond Hts. J.V. tournament in which Madison took first place as a team. Capturing individual first places were Charlie Collins, Kevin McCully, Gary Bukky, Jerry Martin, Kip Pethtel, Chris George and Jim Turnbull. Also placing were Andy Orris in third place and Rick Conder, Bill Widlets, and Jim Fenlason with a fourth. Undefeated J.V. wrestlers this year were Charlie Collins, Rick Conder, Andy Orris, Bill Widlets, George Nash, Gary Bukky, Kip Pethtel and Chris George.

Our Freshman wrestlers, who are molded into varsity material, are coached by Mr. Schlevenski. The Freshmen had a 10-0 undefeated season.

Golfers Swing Into a Winning Season

Under the coaching of Mr. Higley, the 1972 golf team finished with a 14-3-1 record. They finished second in the Lake Shore League behind Wickliffe.

The team's varsity members for the season were Juniors: Steve Kapp and Kit Slagle, and Sophomores: Rick Brandt, Tom Francis, Bill Widlets, and Barry Snyder. All should be returning

for the 1973 golf season.

The J.V. team under the direction of Coach Miller, participated in several dual matches and gained valuable experience in their push to be varsity members.

The J.V. letter winners were: Rick Conder, Frank Regan, John Talbot, and Dennis Brown.

Madison Cindermen Set New Records

Under the coaching of Mr. Kovats, the 1972 track team began its busy season in April.

Two cindermen set new records this year. One was Ken Rose, who ran a time of 52.1 in the 440 yard dash. Bob Neundorfer also set a record of 15.8 in the 120 yard high hurdles, then shattered that record with a 15.7 in the same event.

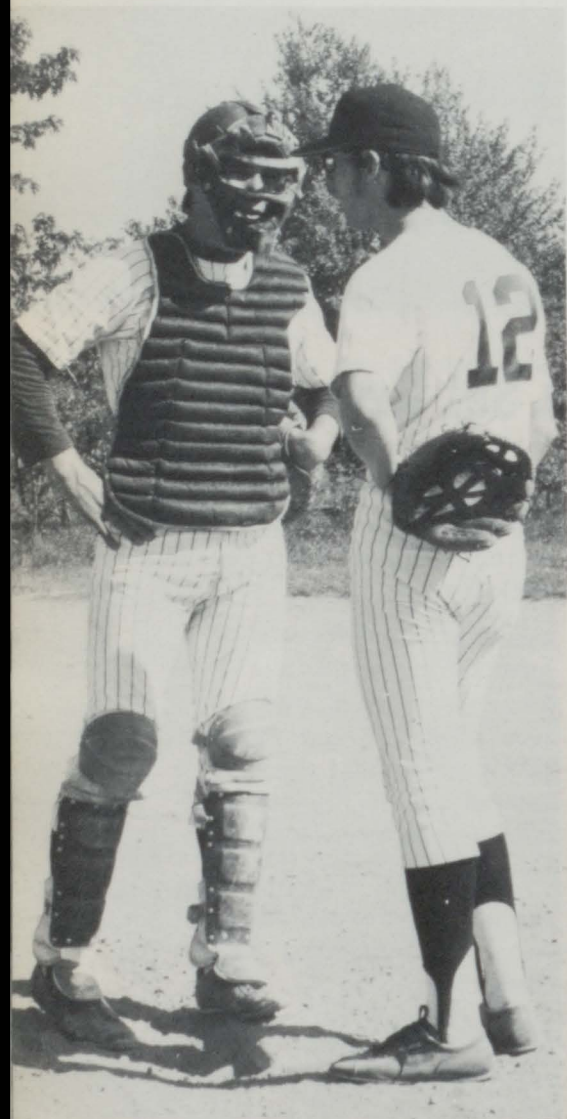

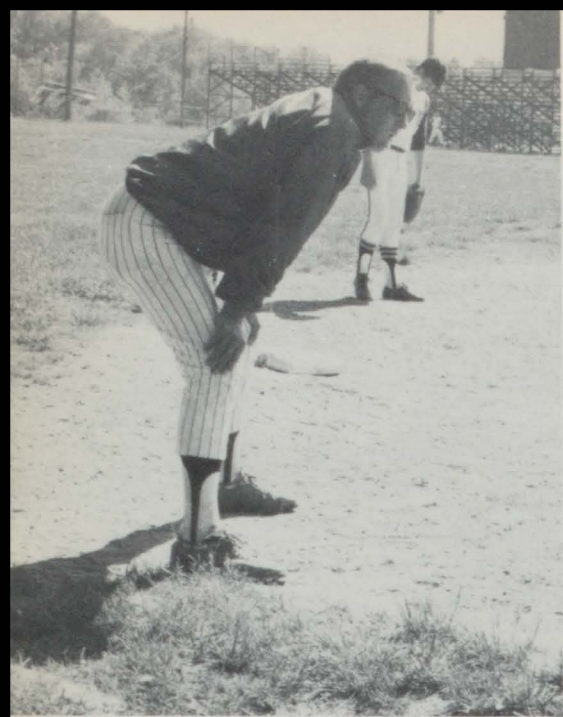

The team showed some improvement in the latter part of the season. Many underclassmen showed that they really

had the speed which is very encouraging for next year's track season.

The cindermen landed in second place in the Lake Shore League and in dual meets they won 4, lost 5 and tied one. In the meets that they lost, a total of only four points separated them from the winners.

The 1972 team had nine graduating lettermen, who have done an outstanding job for Madison.

Baseballers Just Shy of .500 Season

There were several highlights to the '72 season. In the season opener it took a strong Geneva team nine innings to beat Madison 5-4. Bill Baldner knocked in two runs and Tom Anderson hit a homer against Conneaut but in a losing cause 10-3.

Madison's first win of the season was 3-0 over Berkshire. Russ Trufant pitched a 5-hitter. Madison's biggest win was a 22-1 shacking at the hands of Crestwood. Bill Baldner had 3 hits, Jim Lockwood hit a 2 run homer and Bruce Stoerkel had 2 hits and 2 RBI's.

Jerry Martin pitched a great game in revenging an earlier loss to Geneva 4-1. Bill Baldner hit a homer to lead the attack.

Madison then lost 5 straight including a sectional game to Eastlake 7-3 and an old rivalry with Perry 3-1. Madison rebounded with a 10-3 victory over Berkshire and ended their season at home on a winning note by blanking Perry 10-0. Jerry Martin was the winner as Bill Baldner hit a homer.

The season was one of ups and downs with Madison having a young and coming team. They finished with a record of 5-13 and 0-6 in their last year of the LSL. The leading hitter was Bill Baldner, who hit 300 and Russ Trufant was the leading pitcher with two wins and a 2 ERA.

Challenging!

The chess club is advised by Miss Prizner, and they put together a rather impressive record of the past few seasons. Most of the chess matches are played against local schools and the team has added several trophies to our showcase of late. The club has regular practice sessions with playoffs to determine which chess players will square off against their opponents. The club has put a lot of work into their activities and it has obviously paid off.

Look Out Guys, Here Come the Girls!

If you are a girl and you like sports you'll probably belong to GAA (Girls Athletic Association). For a dollar a year, it provides chances for varsity and junior varsity cross country, field hockey, volleyball, basketball and track. There are also all types of sports just for fun. Every Monday night for the whole school year, many of the girls stay after school for the sport of the season. There are awards for outstanding performances through points. Every time you participate in a sport, you earn ten points. Another way to earn points is to participate in an outside activity and tell Miss Phillips about it. The person to thank for this club is Miss Phillips, who is the advisor.

What does M.A.L.L. stand for? Is it a place to go shopping? M.A.L.L. stands for Madison Anti Litter League, which is a quasi official organization of the school system. That is; it has a membership of mostly High School students under the leadership of four High School students and has a High School teacher (Mr. Strother) as Head Advisor. Mr. Kirk Reid, a local environmentalist, acts as the club's consultant.

M.A.L.L. holds recycling drives on the last Saturday of each month to collect glass, newspaper, and cans.

The A.V. department is in charge of all audio-visual equipment in the school. Under the direction of Mr. Linhart and chairman Waite Talbot, they lend teachers record players, overhead projectors, tape recorders, and other equipment helpful in teaching.

They also tape home football games and other varsity sports for T.V. An important project this year was taping both days of the Mock Convention.

During the whole year they do an excellent job in keeping the school supplied.

Serving the Public is Our Thing

Unlike last year, the Service Club worked only during basketball and wrestling seasons. The Bluestreak Mothers tended the stand during football season. Although the club did not work as often as in the past, they worked harder to give the fans the best service ever. The club's advisors are Mr. Piker and Mr. Quiggle.

Business Club Expands Activities

This year the Business Club took on a whole new look. President Vanessa Todaro, Vice President Connie Hughart and Secretary Rusty Svec started the year off with the annual candy sale. The proceeds from the sale are used to purchase new equipment for the I.O.E. rooms.

During the year the club sponsored many more projects such as car washes, basketball games, skating parties, and canteens. The year was ended with a banquet.

INVOLVED IN CURRICULUM

Sciences, Humanities
Math and Languages,
Are the foundations
Of many Generations.
And a way for a
Better Education.

Administration Works to Show

In 1972-73, the second full year enjoyed in the new school, the administration was busy trying to keep order and to help make Madison High more efficient by running it smoothly.

Mr. Matuscak, principal, and Mr. Folmer, assistant principal, have done a typically great job coping with everyday problems and routine school activities. Trying to please over one thousand people is very difficult, but both of them work at achieving the most good for the majority of the students.

School policies this year returned to some of the old ways due to community request for less liberal practices. Taking attendance first period replaced home room every day, admit slips came back and detentions, both in school and after school, were once more enforced.

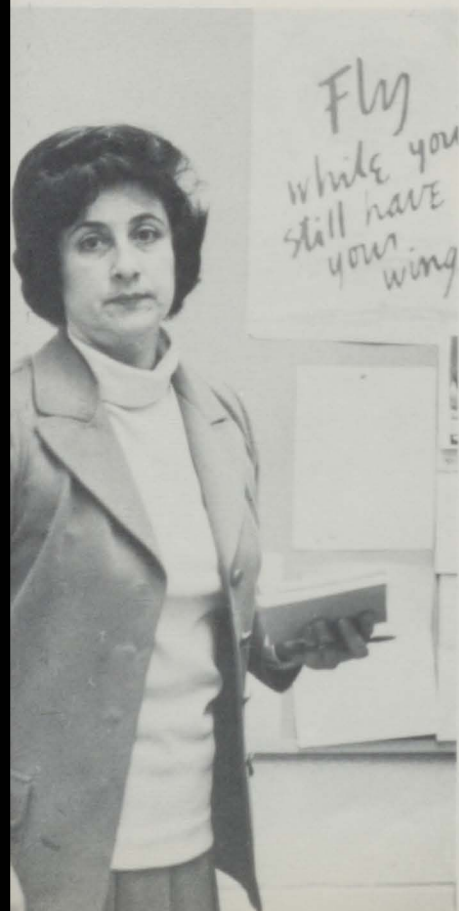

Are you college bound?

Seeking a vocational career? Or are you not really sure what you want to do after high school? Any of these guidance problems presented by the students are handled by Mr. Stoll, Mrs. Billman, Mr. Winton or Mrs. Hempel, Dean of Girls.

Perhaps the hardest working of all are the three secretaries; Mrs. Gibbon, Mrs. Roth and Mrs. Anderson, helping and directing countless students every day. They also take telephone messages, sort mail, check attendance cards, type announcements and perform many other tasks that we all too often take for granted.

Of course, thanks must be extended to all of the administration. Without them, needless to say, Madison High just wouldn't be the same.

Students the Way

Creativeness is Portrayed

One of the most creative and unusual departments in our school is the art department. Besides worrying about the Cauldron staff, Mr. Heichel takes on the task of teaching most art classes.

Mrs. Musiek teaches first year art classes. Since art was cut to one period, the enrollment has doubled in size. There are four years of the course of-

fered, each one becoming more involved in art history, and different designs and mediums. The art department brightens the halls with their creations, and also opens the art room for use by the pep club and other organizations. Without a doubt, art classes and students will continue on their upward trend.

Show Band Gets It On

This season the Bluestreak Show Band had the best season ever. At Ripley, West Virginia, the kids worked almost like slaves memorizing techniques for the 1972 season.

At Band Camp the members elected three officers. They were: Bill Fahnestock, Rick Krombach acting as co-president, and Barb Dick as secretary-treasurer. The Show Band

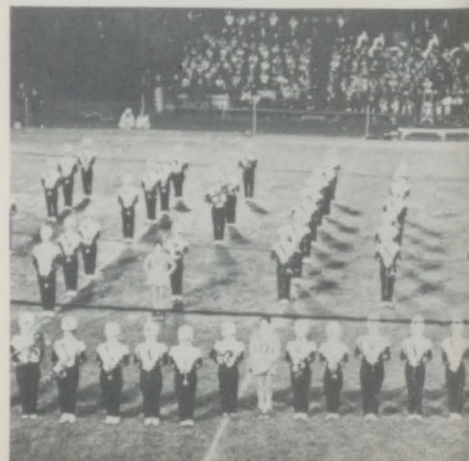

marched in three parades, three festivals and the football games. The selection of the music was shared by the enthusiastic crowd.

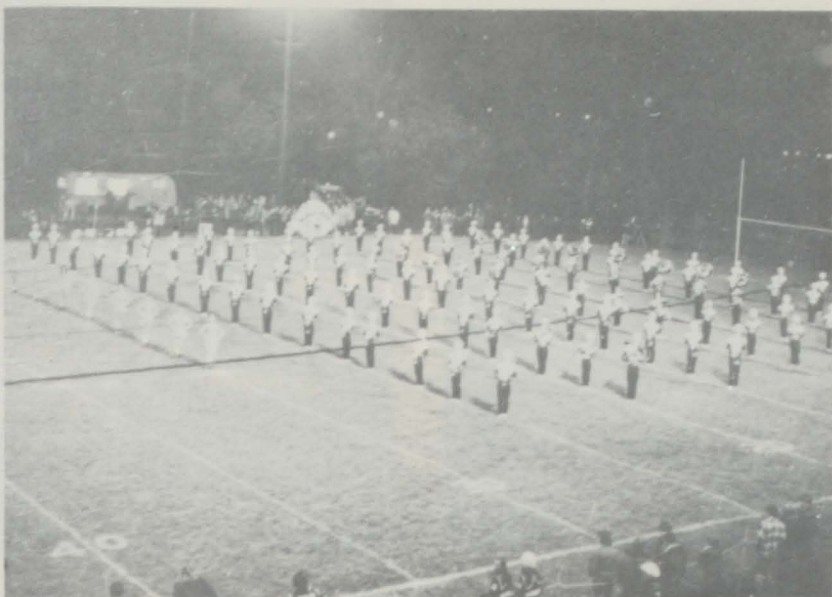

Mr. Acerra commented that the kids worked hard and he's proud that the marching band was excellent. This excellence was partially due to the strong backing of the Band Patrons.

Contest Band New in '73

This season of the Symphonic and Concert Band was a very busy one. Symphonic Band started to record their second album in early April. It is out, ready awaiting the public's reaction. Concert Band, full of new Freshmen and older classmates, gave their annual spring concert. The Concert Band played for the Seniors, their parents, and the commencement speakers at Graduation last year. Everyone enjoyed it so much that for our 1973 graduating Seniors, the young spirited Concert Band shall play again. Symphonic Band and part of Concert Band has a new Contest Band. This band has fifty-one members who have excellent music ability. They play in ensembles, solos, and other types of groups used for contests. A lot has been going on for Symphonic and Concert Band during this 1972-73 year.

Mr. Ayres has a difficult but rewarding job of directing the Junior and Senior Choirs.

Junior Choir is made up entirely of Freshmen. This year they participated in the Christmas concert and went to Junior High State Contest. The Senior Chorus cut a record in October which included Christmas and contemporary songs. Most of the same numbers were in the Christmas concert.

The possibility of an exchange concert between a Canadian High School was also planned.

Winding things up was the show done near the end of Spring which was mostly modern music. Senior Choir officers for this year were: Marnie Dempsey and Bob Reigert, Co-president, Janet Waldo, Treasurer, Lynn Rainsford, Secretary. The Junior Choir officers were Ralph Rogers and Dave Foote, Co-president, Cindy Dean, Secretary and Doug Darnell, Treasurer. It proved to be a very successful year for all who were involved.

Chorus Sells Their New Album in '73

This year's senior choir continued in its tradition of bringing pride home to the people of Madison. The first project of their busy year was the cutting and selling of their second record. The choir practiced hard for their Christmas concert, which was presented for the student body. Next on the agenda was the Lake County Choral Festival, held at Eastlake North this year. Much practice and hardwork went into preparing for the spring show, presented on March 27 and 28.

Mr. Ayers has the difficult but rewarding job of directing both the Senior and Freshman groups.

Officers this year were: Bob Reigert and Marnie Dempsey, co-presidents; Janet Waldo, treasurer; and Lynn Rainsford, secretary.

Home Ec Experiences New Change

The Home Economics department has expanded to include all phases of home life. The courses offered are: Gourmet Cooking, Boy's Chef, Intermediate Cooking, Basic Foods, Marriage and the Family, Basic Sewing, Tailoring, Intermediate Sewing, Apartment Living, and Home Furnishings. With this type of program there is room for anyone interested in

the Home Economics field. The enrollment last fall was so large the office had to close a few of the new courses; only including Juniors and Seniors.

Mrs. Avellone and Mrs. Smith are the creators of this fine department.

In the spring the Home Ec department put on a Fashion Show inviting the community.

Intensive Office Education is a business program to prepare girls for high paying office jobs. It lasts for the first three periods of every day. Juniors practice advanced typing, Bookkeeping I, and office procedures. For Seniors there are Business English, Bookkeeping II, and advanced office procedures courses.

Languages Interesting

The foreign languages offered at Madison are German I, II, III, and IV, French I, II, and III and Spanish I, II, and III. The first year students are taught the basics of the language along with some culture.

The second year concentrates on vocabulary and sentence building. During the third year, students really work on subjects such as composition and literature.

The courses are all geared to teach various topics of writing, speaking, and culture in an interesting manner.

Library Provides Answers

Mrs. Antweiler takes care of all the materials in our school library. In addition to sorting and cataloging new books, Mrs. Antweiler and her staff of library aides strive to give the library a pleasant atmosphere to study in. From before first

period until the end of the day, classes use the library's magazines, resource books, and countless other references to further their education. The library forms a vital part of Madison High.

They'll Make It With a Little Help From Their Friends

A program now in its third year at Madison is the Work Study Program. The two instructors, Mr. Ostrander and Mr. Parker, work many hard but rewarding hours educating their students. Most pupils spend only a small part of each day in their classroom. Goals of the program are to teach students those things which will be helpful to them on a job and to learn how to function in their community.

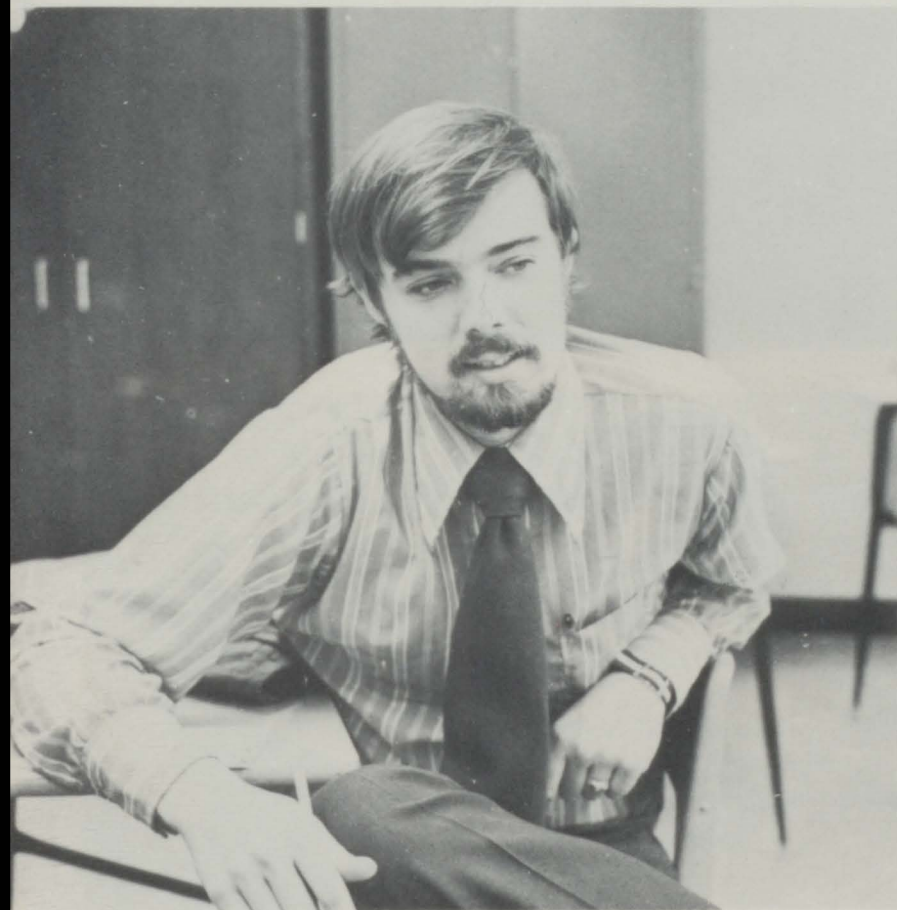

When a student becomes a Junior, he is entitled to work a

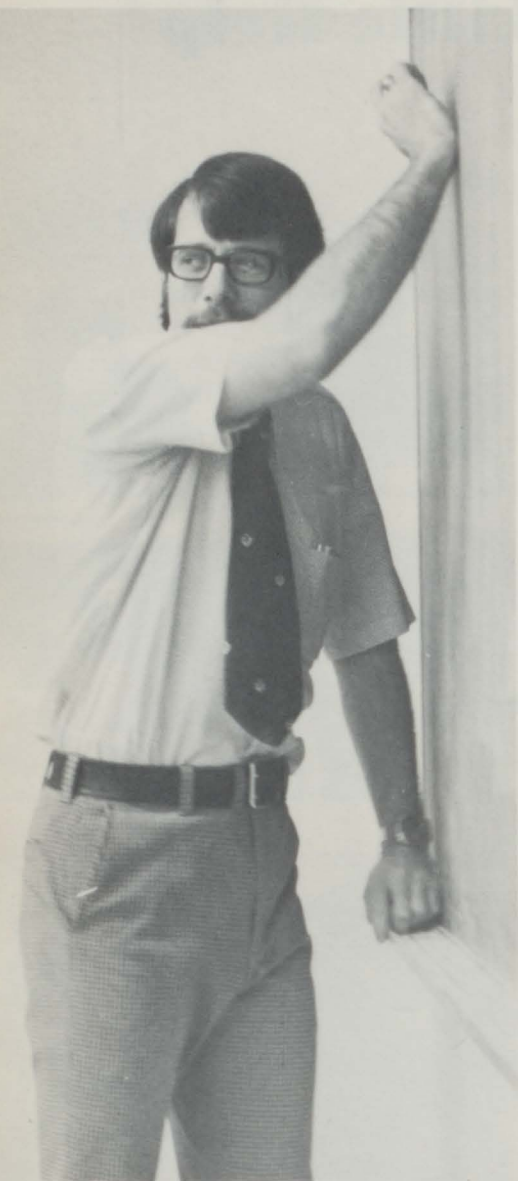

half day in the community and go to school for a half day, and receives credit for his work experience. By the time he is a Senior, he spends his whole day in community employment.

Counseling and regular discussions concerning citizenship and other various responsibilities are also an important part of this program. The Work Study Program, now firmly established in the system at Madison High, is destined to become better and more encompassing every year.

Language of Numbers

M-is for Modern, a word that well describes the Math program offered at MHS.

A -is for Achieving the goal of understanding the world of Mathematics.

T -is for the Teachers who have worked hard to present a well organized Department to the students at Madison High.

H -is for Homework, the bridge between learning and understanding.

HPE Makes Mind and Body Sound

Health and Physical Education are a part of the health and exercise of the students. Frosh begin with the required subject of Health. The students learn about various diseases, sex education, drugs, tobacco, and alcohol. The instructors are Mr. Opron and Mrs. Pavesich.

Physical Education is a requirement for all students. This subject pertains to the students' health and physical welfare. The girls' Physical Education teachers are Miss Phillips and Mrs. Pavesich, and the boys' instructors are Mr. Opron and Mr. Melin.

The instructors also coach the students in different intramural sports which they participate in after school.

Through rain, hail, or snow, the Physical Education classes are always on the go.

Vo. Ed. Puts it Together, Takes it Apart

For the student who is not planning to go to college, the Lake County Joint Vocational School offers a variety of courses ranging from Automobile Mechanics to Food Service. In conjunction with the vocational school is the Distributive Education program commonly known as D.E. A D.E. student is one who attends classes at the vocational school for part of the school day and works at a job relating to the course he is studying the remainder of the day. In this way, the student gains experience in the world of business and learns how to manage money by earning a salary.

AS SENIORS

Look at yourself, after so many years of hard work, so many years of struggle and tribulation, years of joy and tears, you have one year, short for some, long for others but still one final glorious year of supremacy.

Prom 1972 Presents "The Wizard of Oz"

A field of Poppies in full bloom, and a yellow brick road leading to the Emerald City highlighted the 1972 Junior-Senior Prom, "The Wizard of Oz." Upon arriving through the door there was a world of fantasy and excitement. As each couple entered they were announced then proceeded down the yellow brick road lined with poppies and where butterflies come to rest, leading to a bridge surrounded by flowers. The tables were decorated in green and white with miniature castles used for the centerpieces. The walls of the

Emerald City sparkled in the dim lights as the mood was set.

The court yard was decorated with a field of poppies and in the center was a fountain lighted in green.

The highlights of the evening was crowning of King Joe Kosch and Queen Robin Sanker as they reigned on the throne which was portrayed as a balloon.

Seated in the clouds of fantasy was the Lou Elgart Orchestra which provided the music for a very memorable evening enjoyed by all.

Junior Class Presents "Tom Jones"

"Tom Jones" was the big hit for the Junior Class. It was a three act play held on both Friday and Saturday nights.

Tom Baster had the leading role as Tom Jones, with Kirk Kidner as the narrator. Bruce Neville portrayed an old wealthy man who was dying and supposedly leaving his money to

his nephew, Tom Jones. Jenny Spaulding was a young girl who fell in love with Tom, while Janet Waldo was a scheming old maid who wanted to trick Tom out of his money.

All in all, through many hard hours put into it, "Tom Jones" was a very successful production.

Left—A group of mourners pay their respects to stricken Bruce Neville.

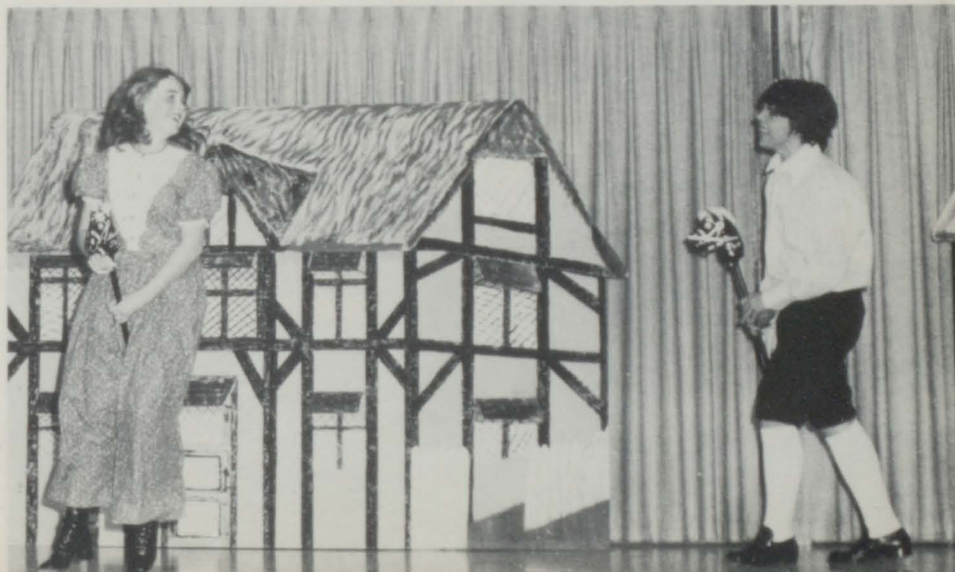

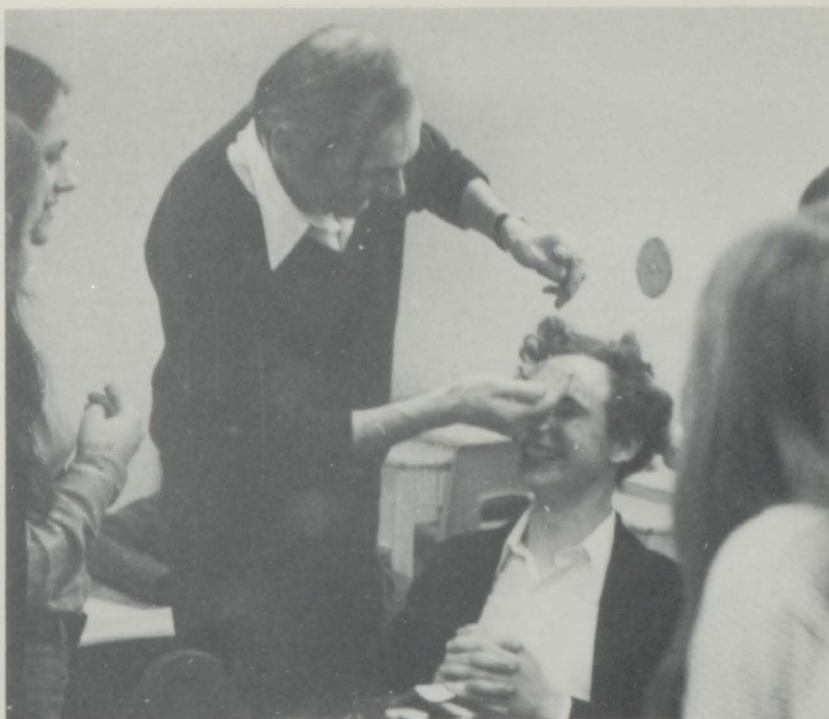

Lower Left—Kirk Kidner introduces the Junior Class play.

Center—Chuck always has such a hard time getting his socks to fit right.

Lower Right—Jenny Spaulding and Tom Baster, or the Lone Ranger and Tonto?

Right—How about a little Plaster of Paris on the left temple?

Bottom Center—Janet Waldo all rolled up for the moment.

Seniors Enter World of Entertainment

The Senior Class play under the direction of Mr. Andrews, was actually four short plays.

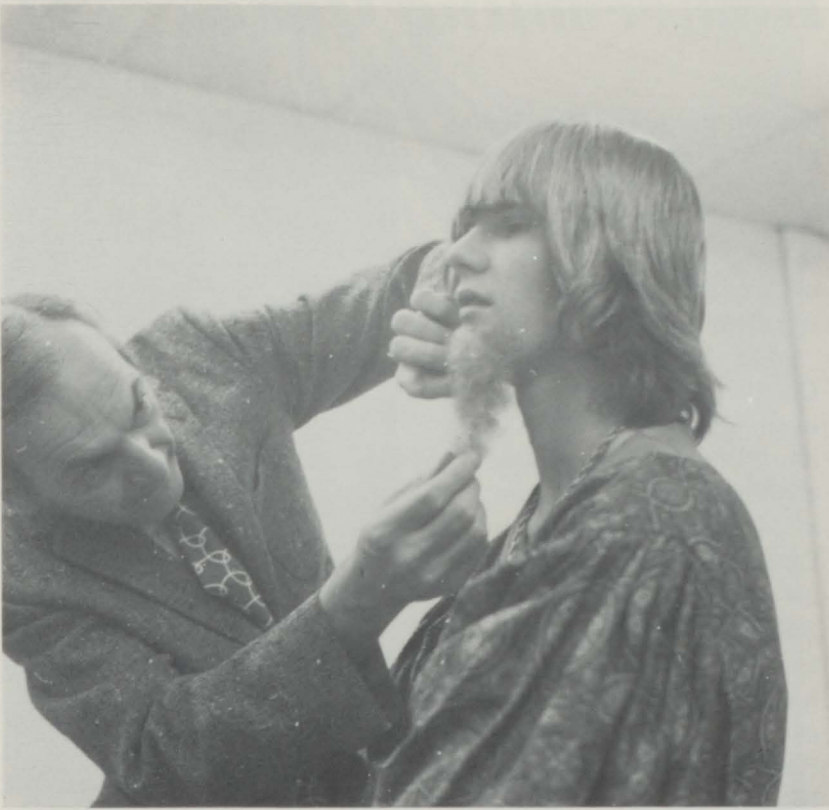

"Come Live in My House" was a comedy about a woman in search of companionship. Her situation as more and more people come to her aid made up most of the plot. The cast included Judy Niro, Karen Knape, Theresa Tyukody, Regina Hynes, Mary Seuffer and Lorna Schroeder.

The play "The Stepmother", was serious and involved a man seeking his long lost father to make him rich. The cast was made up of Steve Darnell, George Ryder, Regina Hines, and Chuck Teleha.

In "The Ugly Duckling", a king and queen are faced with the dilemma of getting their daughter married. It was a real mix-up involving character changes. Members of the cast

were Jenny Spaulding, Bruce Neville, Tom Baster, Paul Chilbert, Eileen Miller, and Bill Fahnestock.

"Bertha the Bartender's Baby", was about a man who went from a candy kitchen to a tavern and through his mistakes he discovered rock candy was better than rock and rye. The cast included, Kirk Kidner, Rick Fike, Paul Goss, Tom Billman, Susan Howard, Janet Pajer, and Ellen Miller.

Far Right—Keep your hands off my cape . . .

Above—Mr. Andrews gives Bill Fahnestock a new look.

Upper Right—Tom Baster and Eileen Miller make great plans for their future.

Lower Left—Karen Knape looks on as Theresa Tyukody pours it on.

Lower Right—Steve Darnell and Regina Hines face the fact that they were made for each other.

Seniors Elect Homecoming Queen '72

The blue and white crepe paper blew in the wind and the drizzles of rain fell but the spirit of the crowd did not fade as Homecoming '72 got off to an exciting start when the Mighty Bluestreaks hosted the St. John Heralds in a rough game which ended in a 0-0 tie.

Pre-game festivities consisted of the homecoming court being introduced and each girl escorted onto the field by her father. As the tension rose to a climax Connie Hughart was named 1972 Homecoming Queen. She was presented a dozen red roses and a kiss from Senior class President Chuck Gagliardi.

Saturday night was the Homecoming dance. The tables were decorated with white tablecloths having miniature

football players as the centerpieces and small football helmets placed at each seat. At one end the platform for the queen and her court sat with streamers of blue and white crepe paper.

The crowning of Queen Connie Hughart highlighted the evening as Senior class President Chuck Gagliardi presented her with a dozen roses and a kiss. Her court consisted of Queen Connie Hughart escorted by Mike Fenlason, Mary Seuffer escorted by Dan Gallo, Shelly Campbell escorted by Mike Gagliardi, Janine Urbanic escorted by Steve Murray and Pam Palmer escorted by Jack Davidson.

The music was provided by M. F. Rattlesnake and was enjoyed by all.

Above—Karen Knape, Dale Schup-ska, Jim Edmundson and Jill Collins are in the mood.

If people look at themselves, really look deep into their soul,
they will see themselves not only as they see themselves but
as others see them as well. The soul reflects the whole person.
