Well, we're back again,
Another year of
Frustrations, Exams,
Tears, and Joys.
But this is our school,
Our year.
Let's make it the
Very best.

Fall At Madison

Fall is here!
Now comes the falling of leaves
And the opening of school.
Sports begin!
Football, field hockey, volleyball,
cross country.
Involving many people and
Creating many hassles.
Working for a purpose, scoring to-
wards an idea,
The best is what we strive to reach
Whether we win or lose,
The spirit is there.
Backing the athlete, and
Supporting our school.

Team Retains "The Little Brown Jug."

This year's football team proved to compete better in the second half of the season, bringing our record up to 3-6-1 overall.

The boys practiced long and hard for this season's events, spending many hours a day preparing for the opposition. The effort paid off in the end as the team brought forth two wins in a row at the end of the season and managed to score in most of their other games.

Many outstanding players contributed to the success of the season with tough defensive and offensive playing. Varsity seniors Mark Fay and Mike Agrippa received the Trophy World player-of-the-week Award for their action against St. John.

Our team started out the season minus a few players, losing them to such injuries as broken legs and separated shoulders. These problems did not stop our Streaks, however, as they rolled over Perry 20 to 8, surprised St. John 19 to 14, defeated Edgewood 13 to 6, and held Ashtabula City scoreless.

This year's varsity football cheerleaders were captain Sue Gielink, Joyce Klebe, Sandy Wirfel, Linda Saari, Kathy Dense, and Sue Zimmerle. These girls spent many hours throughout the summer and after school practicing for games and assemblies.

Performing With Spirit.

The Marching Bluestreaks did many new things this year. In addition to the summer band practices, the percussion and E-flat trumpet sections went to special camps for three days at Otterbein College. The whole band went to band camp in Ripley, West Virginia, to perfect their marching routines. Other summer activities included marching in the fourth of July parade and at Geauga Lake.

Besides putting on the usual half time shows, the band performed at Geneva, Lake County, Conneaut, and Wickliffe bandoramas. The band's other activities included tag day and a half time performance at the midget league football tournament.

Mr. Soriano, a Middle School instructor, spent much time assisting with the band to help it work smoother. The band council, who related student feeling to Mr. Acerra, consisted of drum major John Sutherland, Pete Square, Sherry Hanze, Zina Moyers, and Barb Howard.

Homecoming '76, "Fall Fantasy"

This year's Homecoming dance was held at the high school on October 16th from 8:00 to 11:00. Couples danced to music provided by "Great Lakes" band. The scenery and decorations depicted the theme of "Fall Fantasy".

The senior class president, Jim Martin, crowned our '76 queen, Laurie McManigle, at the Madison-Ashtabula game the night before. The queen was escorted to the dance by Steve Girton. The court consisted of Joyce Klebe, escorted by Chip Booth, Sue Gielink, escorted by Mark Fay, Jean Mavko, escorted by Doug Delong, and Beth Jopko, escorted by Kerry McManigle.

1. The senior class officers; President--Jim Martin, Secretary Treasurer--Sandy Wirfel, and Vice President Bob Fenton enjoy Homecoming '76.
2. Bob Fenton crowns the queen while the court looks on.
3. Homecoming court anticipates the night ahead.
4. Laurie McManigle and Steve Girton have a dance to themselves.

Cross Country Gets Off On The Right Foot

This year our Cross Country Team finished with a five wins and four loss record in N.E.C. dual meets. They attended five invitationals including Mentor, Malone, Willoughby South, Ashland, and Warrensville. Their best placing was a fourth at Mentor.

Next year we can look forward to a good season as only one varsity runner, Jim Galvin, will be graduating. Other varsity runners include Rob Repinski, John Austen, Gary Johnston, Brian Edwards, Jim Aumick, Jeff Austen, and Tom Shumaker. Our young team improved at the end of the season finishing with a third place in the N.E.C. league meet.

1. Coach Sears waits for his team at the finish line.
2. Brian Edwards crosses the finish line.
3. Jim Aumick and Ed Prochaska think of all the wine they are running in front of.
4. The team discusses the oncoming race.
5. Jim Galvin strides on toward the finish.
6. Jim Galvin arrives at the finish.
7. Jim Galvin finishes first again.

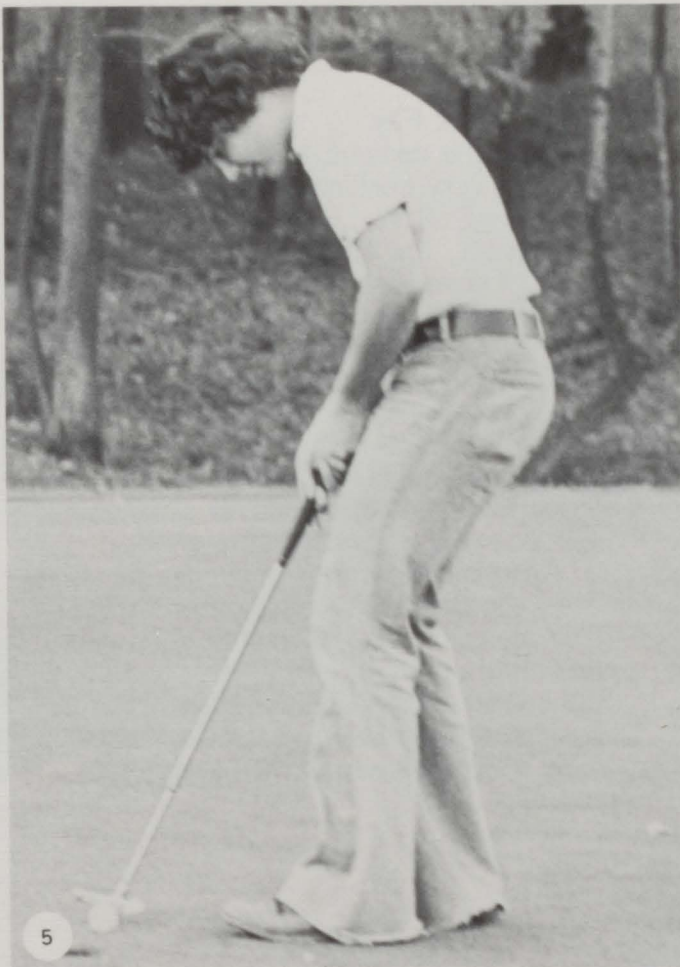

Golf "Tees Off" Season.

The golf team worked hard this year, managing a 4-15 season overall and a 2-12 in the N.E.C. league, which put us in seventh place.

The members of this year's team were Dennis Smith, Dave Weaver, Mike Walsh, Joe Paquin, Randy Bliss, Tony Schultz, Phil Michelson, Al Lawrence, Dave York, and Bill McFarland. The team is coached by Mr. Higley and Mr. Miller.

We had a 361 total to take eighth place in the N.E.C. tournament. Sectionals were held at Punderson Golf Course, where we totaled 362 points to take thirteenth place in the battle of sixteen teams.

1. Randy Bliss yells "Fore!"
2. Jon Austin tries for a birdie.
3. Mike Walsh tries for just the right angle.
4. Joe Paquin checks his stroke.
5. Tony Schultz puts the ball in the hole.
6. Randy Bliss sizes up his swing.

Confetti, Balloons, Signs, Convention.

Confetti, balloons, signs, slogans and speeches were all part of the two day student conventions held October 20-21 in the gymnasium. This year, as done four years ago, the student body held mock conventions depicting the Democratic and Republican Conventions.

Set up and run by Mr. Delp with the aid of his conventions class, these conventions were made as realistic as possible with campaign speeches, minority reports and national issues.

Running on the Democratic ticket were Mike Byers, Dina Izzo, Dan Kristoff, Tom Shumaker, Rob Faranacci, and Sue Hagan. Seeking nomination from the Republican party were Russ Fowler, Don Andrews, Tom Locke, Bob Nichols, and Sharon Sweeney.

The Democratic convention, held October 20, was run by Tony Incorvati assisted by his secretary, Steve Rozick. The Republican convention, held the next day, was lead by John Sutherland and his sec-

retary, Mark Fay.

Both the conventions formed their platforms on very controversial issues such as abortion, E.R.A., gun control, capital punishment, and the legalization of marijuana. These issues were argued hard and long between the delegates by means of minority reports and speeches.

The Democratic platform finally decided upon was against abortion, E.R.A., and the legalization of marijuana. Following strongly opinionated minority reports, the Republicans decided in favor of abortion, E.R.A., and gun control.

After the electoral speeches for candidates, the Democrats chose a Mike Byers-Dino Izzo ticket. The Republicans overwhelmingly chose Russ Fowler and John Sutherland as their choice. As in the national election, the Democrats won with Mike as president and Dina as vice-president.

Girls CC Gets Off To Running Start.

5

The girls' cross country team had a really good season this year. Mr. Pavesich led his team to an undefeated season in dual meets.

There are not very many girls' cross country teams so the girls had to travel far to find competition. Some of the tournaments they participated in were the Wadsworth, Dover, Kenston, Chagrin Falls, and Willoughby South Invitationals, where the team brought home either first or second place trophies.

Our school also went to the All-Ohio meet held at the Goodyear Metropolitan Park in Akron. Jamie Sulzbach, the main asset to the team, came in seventh in this meet. Colleen Haase and Nancy McDonald also did very well throughout the season.

Girls Field Hockey "Sticks" To Field—Wins.

The field hockey team had enough girls participating to have both varsity and junior varsity teams. This was a good turnout considering there are three fall girls sports going on at once. There is no N.E.C. league in field hockey so the girls had to travel to Cleveland to find competition.

This year's varsity team consisted of Mary Reigert, Jean Turek, Gayle Taylor, Beth Jopko, Deb Upole, Laurie McManigle, Donna Meivogle, Marilyn Shahan, Deb Pivonka, Vickie Gorsuch, Jan Aumick, and Sue Bowen. Field hockey finished the season with a 5-4-1 record.

1. It's a mass scramble for the ball.
2. Gayle Taylor gets ready for a hit.
3. Jean Turek tries for a goal as Mary Reigert runs to assist
4. Sue Bowen watches to see if she's made a goal.
5. Jan Aumick and Sue Bowen try to break through the Riverside defense.

Administrative Team Behind This School.

Mr. Martin is back again, this time in the position of assistant principal. With the help of Miss Westfall, he enforces school policies. Mr. Folmer, our principal, sees to it that the whole curriculum runs smoothly. Our secretaries are Mrs. Jopko, Mrs. Gibbon, and Mrs. Anderson, who handle the bookkeeping, attendance, and other school business.

Counselors Mr. Stoll, Mr. Winton, and Mrs. Billman help students with scheduling problems and other hassles. The counselors also set up meetings with various colleges and branches of the service for interested students.

The administration of our school is very well organized thanks to these special people.

1. Assistant Principle, Mr. James Martin, and Principle, Mr. Paul Folmer, take a break.
2. Mrs. Gibbin, attendance secretary, starts another day.
3. Mrs. Billman, Mr. Stoll, and Mr. Winton provide students with a listening ear and help with future plans.
4. Mrs. Jopko conducts the day's business.
5. Miss Westfall, Assistant Principal, talks to some students.
6. Service with a smile from Mrs. Anderson.

Being Constructive Is Just Part Of It.

Our art department this year is running at full capacity. Mr. Heichel is kept busy with Art 3 and 4. He also finds time to supervise the yearbook staff for the twentieth year in a row. Mr. Ashton is kept busy running Art 1 and 2, while also teaching exploratory art.

Students have an opportunity to enter the scholastic art awards show, where their work can be judged and awards given for the most talented.

2. Mr. Heichel finds time to supervise the yearbook staff along with teaching art.
3. Sue Bonham develops her enameling project.
4. Russ Fowler puts the finishing touches on his masterpiece.
5. Matt Smitz grins over his art project.
6. Leslie Swisher discovers the joy of painting.
7. Barb Perry finds working with clay isn't as easy as it looks.

Everyone can find some useful information in the MHS business department. Freshmen and sophomores enjoy General Business, where they learn the basics of business such as balancing checkbooks and using bank services. Business Law is designed to take up where General Business leaves off. It teaches the rules and regulations regarding contracts, insurance, and loans.

I.O.E. is a concentrated study of office practices for those students either wishing to find a job soon after graduation or those desiring to more fully prepare themselves for college. The different typing classes show the correct way to type formal letters and the proper way to care for a typewriter. Other courses offered by business department include shorthand, bookkeeping and salesmanship.

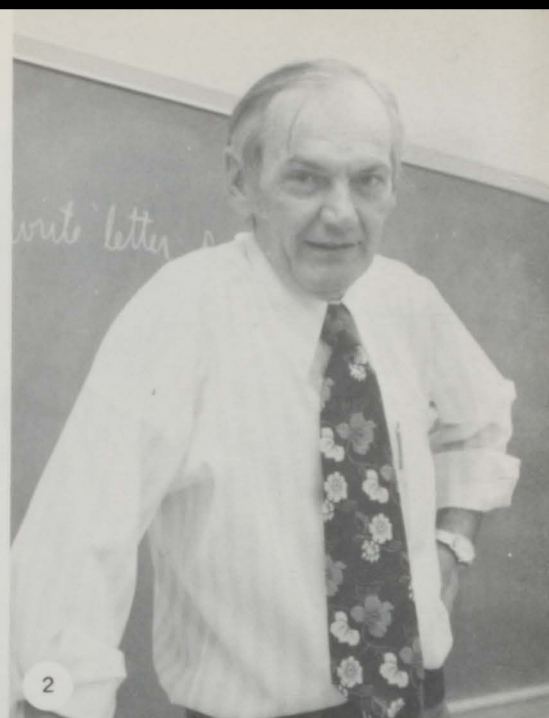

Business Shows Us The Business World.

1. Mrs. Ramsey gives dictation to her students.
2. Mr. Byers contemplates a problem for his business class.
3. Mrs. Braunlich checks a student's paper.
4. Miss Spiesman is happiest when typing.
5. Mr. Miller checks Gwen Imhoff's typing.

We Learn The Use Of Our Own Language.

When the subject of English comes up everyone groans and runs the other way. This, however, has been changed.

One change was an automatic language usage test which brought on a new class, Basic English, which emphasizes basic language usage and grammar.

American Lit., is now a one semester course which all juniors must take.

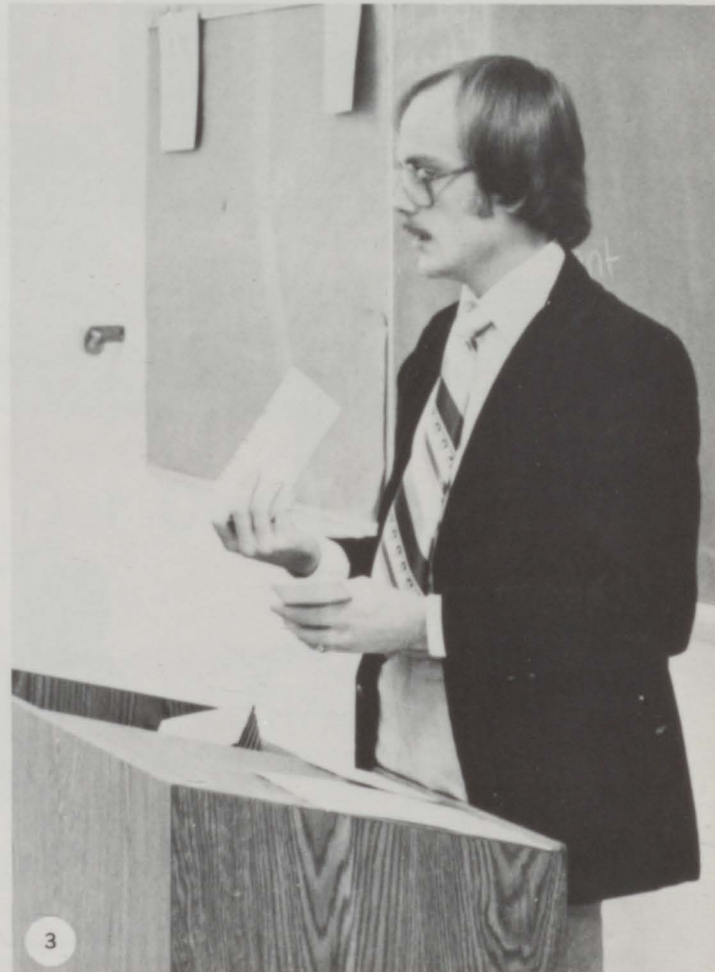

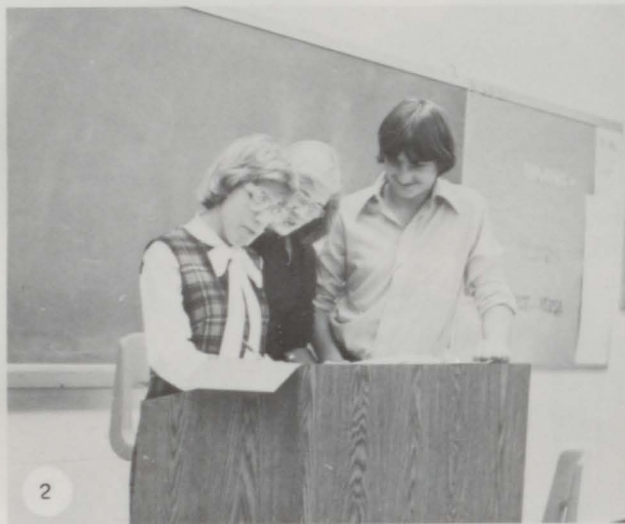

The other semester can be filled with a number of different types of English classes. In addition to the regular semester classes are several new ones, including Creative Dramatics, Journalism, T.V. Production, Literary Explorations, Modern Novel and Humanities 2.

All of these courses help students to like English by making it more interesting.

1. Mrs. Delong takes a break from grammar.
2. Mr. Andrews smiles at the camera.
3. Mrs. Billman helps a student with his writing.
4. Mr. Wurthman explains the finer points of English.
5. Mr. Sears smiles at a students paper.
6. Mrs. Burnheimer tries to get her point across.
7. Mrs. Samson goes over Mark Hounshell's paper with him.

1. Mr. Pavesich surveys his class.
2. Mrs. Wayman helps her students.
3. Mr. Loeffel keeps busy with the attendance cards.
4. Mrs. Strother's French Class brings out her happy disposition.
5. Miss Kraus keeps busy teaching both English and Spanish.
6. Mr. Strother converses in Deutsch with our German foreign student, Petra Feldmann.
7. Mr. Truby explains Spanish to Kay Malinowski.

Foreign Languages Add To Student Life.

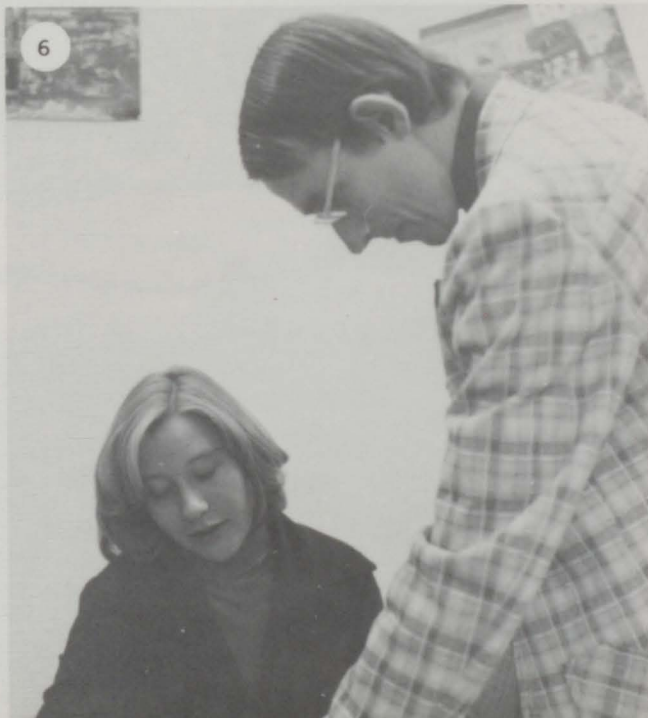

Taking Comparative Cultures is the first step in learning about the three languages offered at Madison, French, Spanish, and German.

Mrs. Strother teaches French and is advisor of the French Club. Some of their activities included Christmas caroling and making a video tape of French Christmas carols.

The Spanish Club has formed a Spanish band and choir with the help of Mr.

Truby and Miss Kraus, our Spanish teachers.

The German Club, under the direction of Mr. Strother, is also very involved in activities. This was the second year of the very successful German language camp, which was the first of its kind in the state of Ohio.

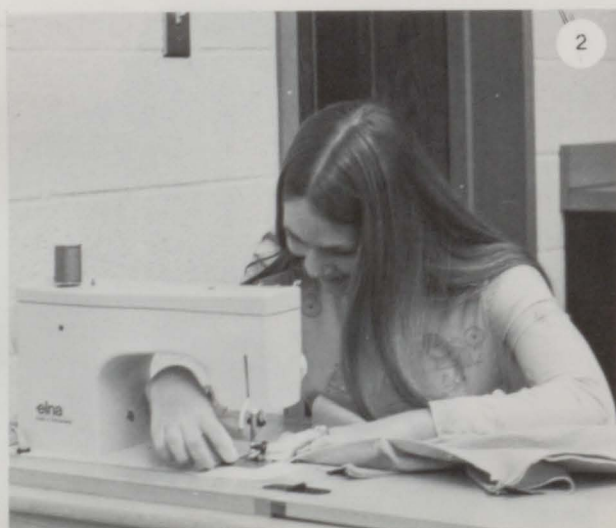

Home Ec, The Art Of Baking And Sewing.

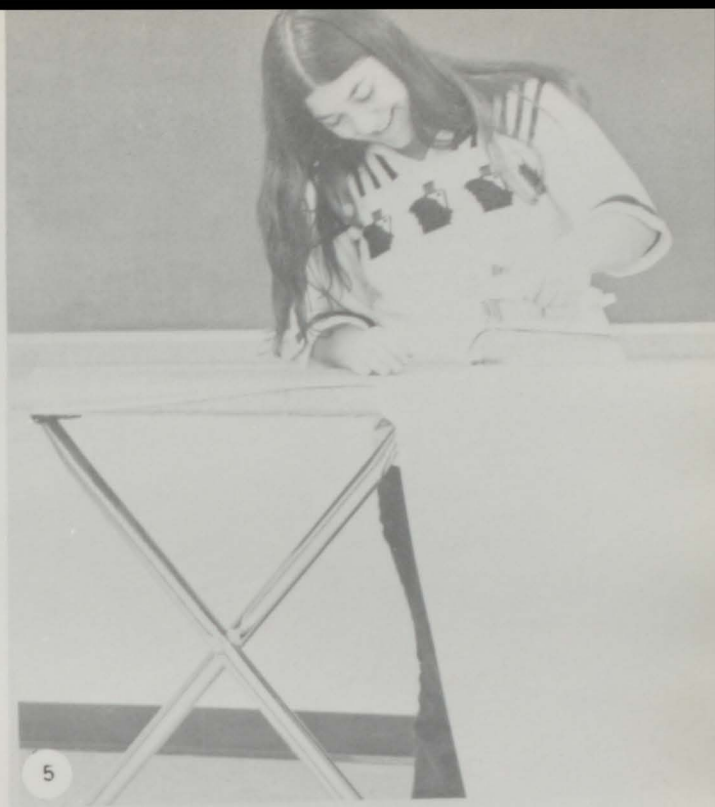

Learning how to make a warm wool coat or a delicious cheese souffle is just a small part of the knowledge acquired by taking classes offered by the home economics department.

There are two divisions in the home economics department. First there is the food department which consists of three

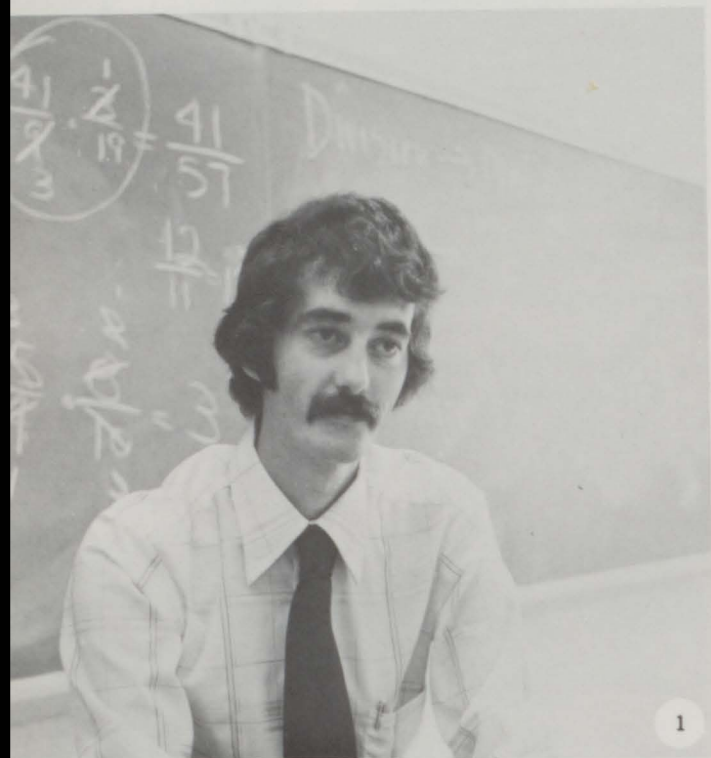

parts: basic foods, intermediate foods, and gourmet cooking. For those people who prefer sewing, three courses are available in the sewing department. These are basic sewing, intermediate sewing, and tailoring.

Mrs. McMahon and Mrs. Avellone teach these home economics courses.

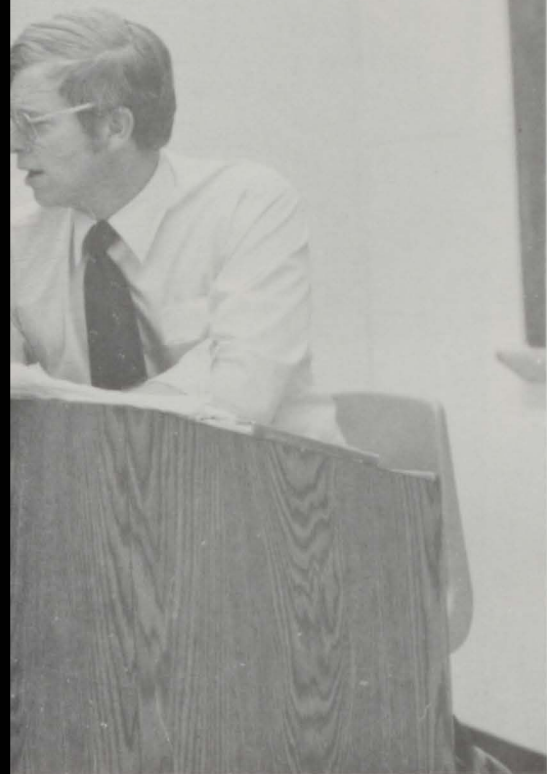

1. Mrs. Avellone watches Gwen Hennessey make pie crust.
2. Michelle Agrippa works on her sewing project.
3. Mrs. Avellone smiles at her sewing class.
4. Mrs. McMahon decides on the next exciting recipe.
5. Michelle Agrippa demonstrates one of the steps in sewing.
6. Ed Prochanska, Richard Bollas, and Michelle Agrippa show pride in their jam.

1. Mr. Leitch concentrates on his students' last question.
2. Miss Porter shows how it's done.
3. Mr. McIntyre shows Dan Troglin how Algebra works.
4. Mrs. Dodge concentrates on a new theorem for teaching Geometry.
5. Besides assisting with the football team, Mr. Radcliffe teaches Geometry.
6. Mr. Kovats proposes an interesting problem.

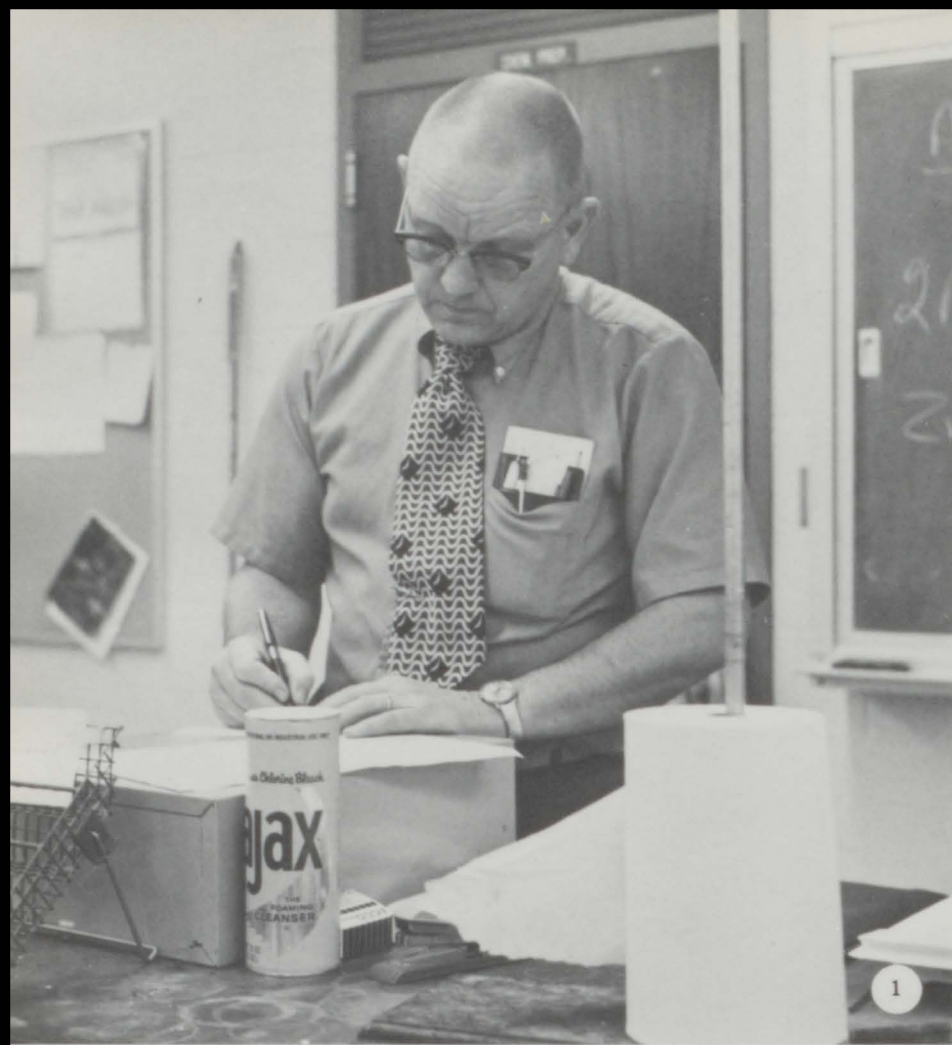

Math, It Gives Many Problems.

Do you know the meaning of a convex polygonal region? If you don't you should be thankful we have teachers here to help us learn the meaning of this and many other mathematical terms.

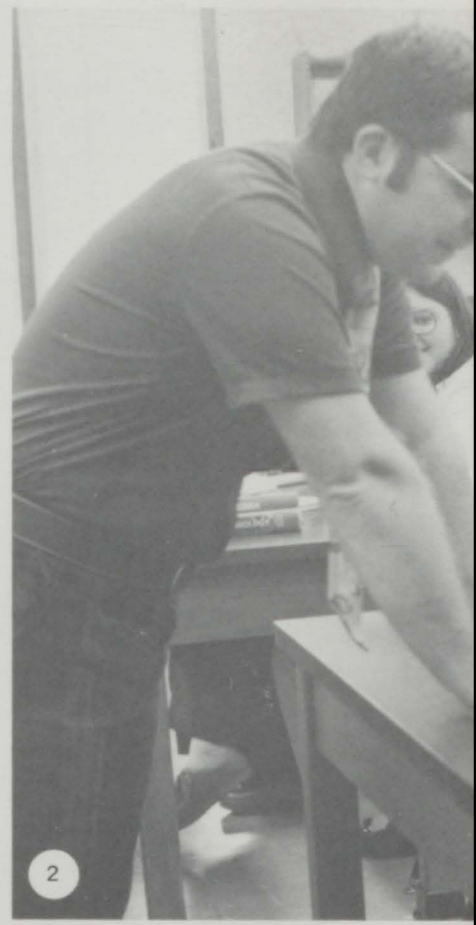

This year there are two new faces in the math department, Miss Porter and Mr. Radcliffe. These two teachers now join Mr. McIntyre, Mrs. Dodge, and Mr. Leitch in teaching math to students of MHS.

In the math department there are many choices one may make. The math courses available are general math, Algebra I and II, Technical Math I and II, probability and statistics, analytical trigonometry, analytical geometry, and concept of limits. Math is not required for sophomores, juniors or seniors, but many take these courses.

6

Sciences To Learn

Whether just a passing interest or the basis for a future career, the science department can fill everyone's needs.

I. S. C. S. is a lab oriented class, using experiments to illustrate the scientific ideas. Sophomores study living organisms and their environments in Biology I. Juniors have the chance to choose between earth science and chemistry. Seniors who liked Biology I, and would like a more in depth study of biology can take Biology II. Seniors taking physics will learn the how and why of what makes the universe tick.

The science department contains something of interest to everyone.

Explorations In The Fields Of Science.

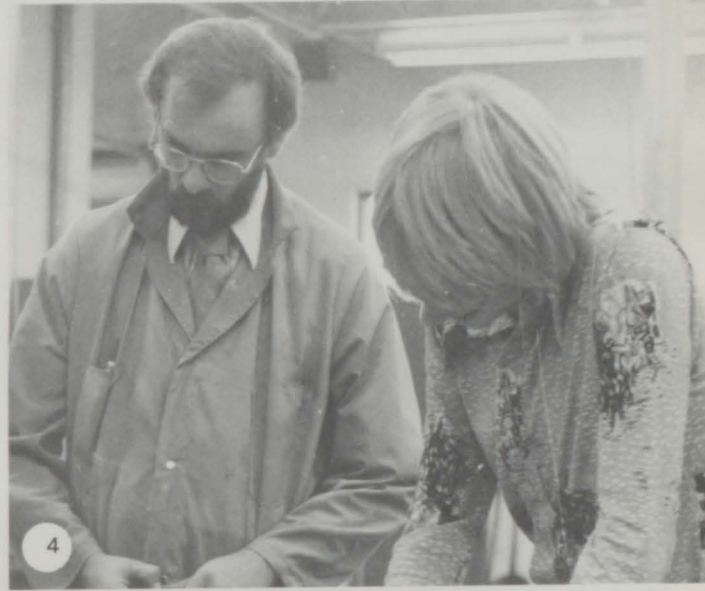

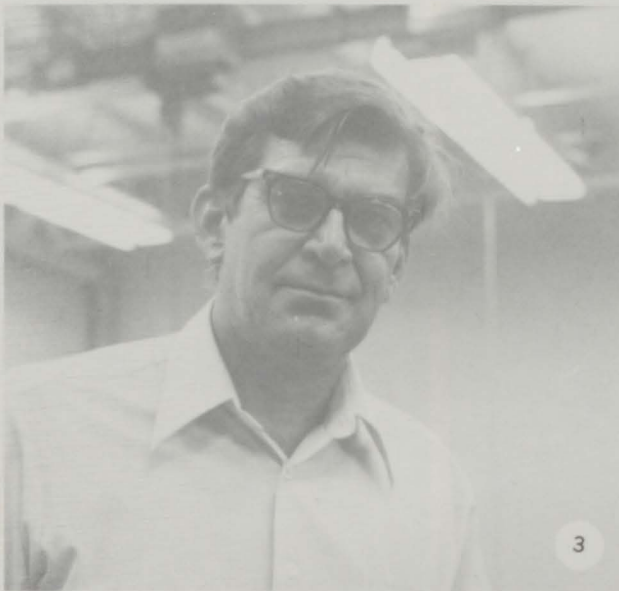

1. Dale Crawford studies the cloud chart.
2. The barometer is a very important weather instrument.
3. Mr. Kandare oversees shop activities.
4. Mr. Peterson helps John Zuzek with his sanding.
5. Bob Janezic follows the arrow.
6. Mr. Mackey tells Kelly Garner what's wrong with her drawing.

The weather station is made up of various students who record data during their lunch period or studyhall and make weather predictions. They record the information, such as wind speed, wind direction, barometric pressure, and temperature, in order to make predictions which are usually correct. The weather station also reports the snow depth to the National Weather Service in Cleveland.

Mr. Strother supervises the organization.

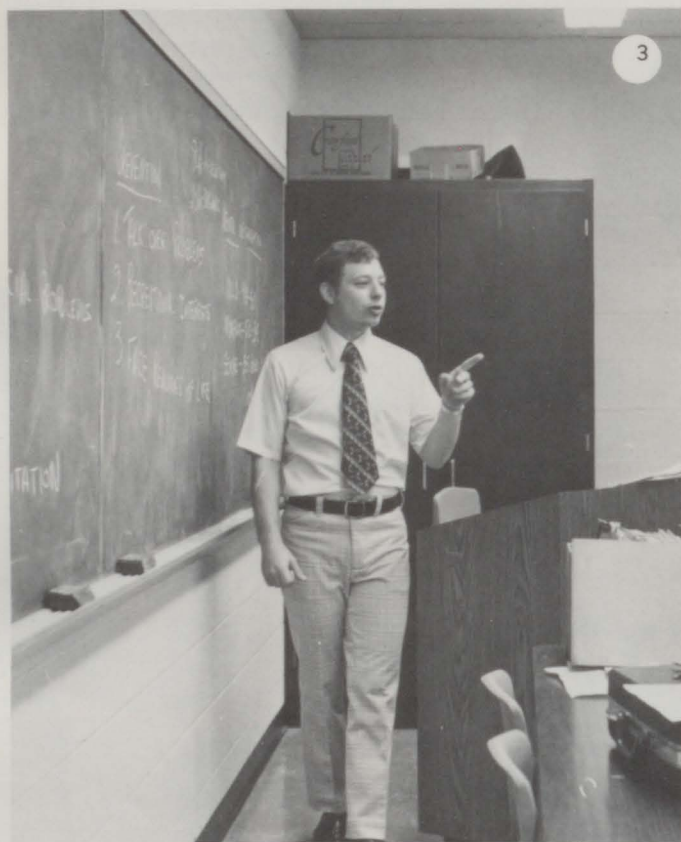

Industrial Arts Develops Student Skills.

Industrial arts has seen its share of changes this year. The two major changes are a new approach to general shop and a pilot plan in wood shop.

The pilot in wood shop is one semester and is spent entirely on model home building. If this pilot is successful, it will be expanded to a separate class or kept as a section of wood shop.

General shop now spends 12 weeks of drafting with Mr. Mackey, 12 weeks of wood shop with Mr. Peterson, and 12 weeks of metal shop with Mr. Kandare. Girls shop was dropped and all courses are open to girls.

1. Mr. Melin gets interested in a volleyball game.
2. Mr. Dolan ponders over a question.
3. Mr. Greenwald points out an important topic.
4. Mr. Opron grins as he watches the freshmen attempt to play tennis.
5. Mrs. Pavesich thinks about the test she's giving.
6. Miss Phillips catches someone cheating on exercises.

Health And Phys. Ed Aid In Knowledge.

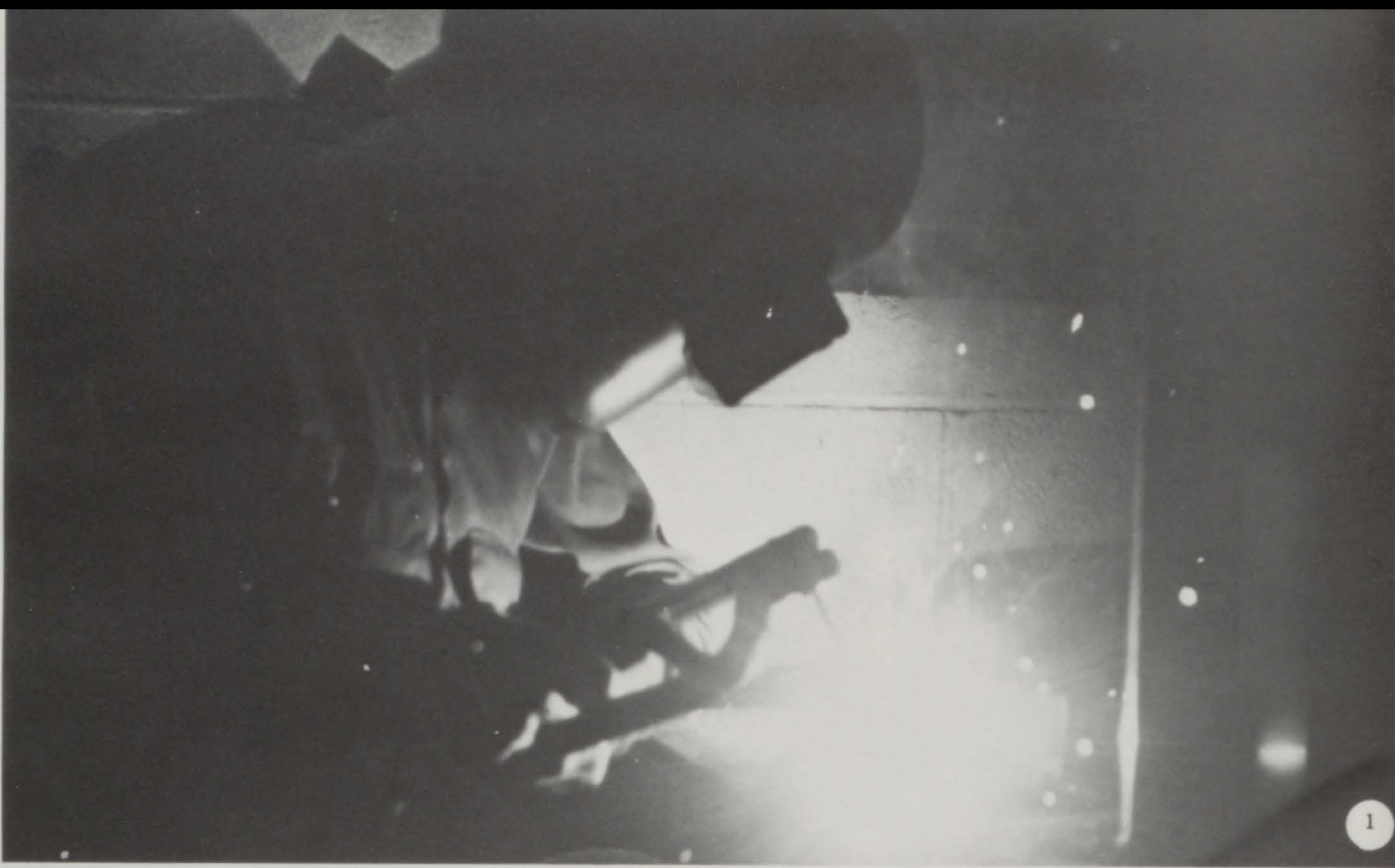

Along with a sound mind which the academic teachers try to develop, one needs a sound body. This is what the physical education teachers hope to develop in everyone.

This year a swimming class is being offered in co-operation with the East End Y.M.C.A. Each six weeks Y instructors teach a class in the basics of swimming. Lessons are offered at all levels to fit the abilities of every student in the class unit. Most students have develop new skills in these classes.

Freshman are required to take Health in order to develop a better understanding of themselves both mentally and physically.

Health and physical education have undergone many changes in recent years. They are becoming more diversified and interesting for the student every year.

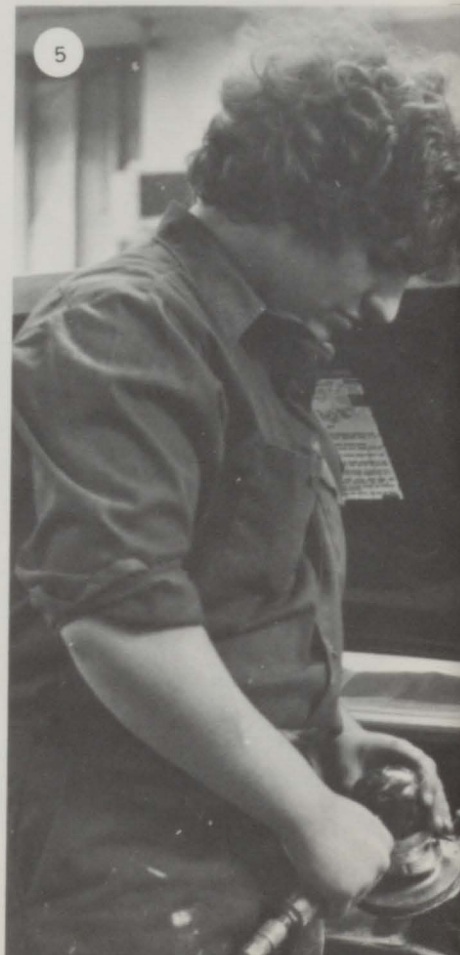

Vo-ed Aids In Future Job Opportunities.

Do you want a job right after high school? If you do, then the Auburn Career Center could be for you.

Most courses are two year programs, and there are a large variety of courses from which to choose. Law enforcement has just been added this year and is

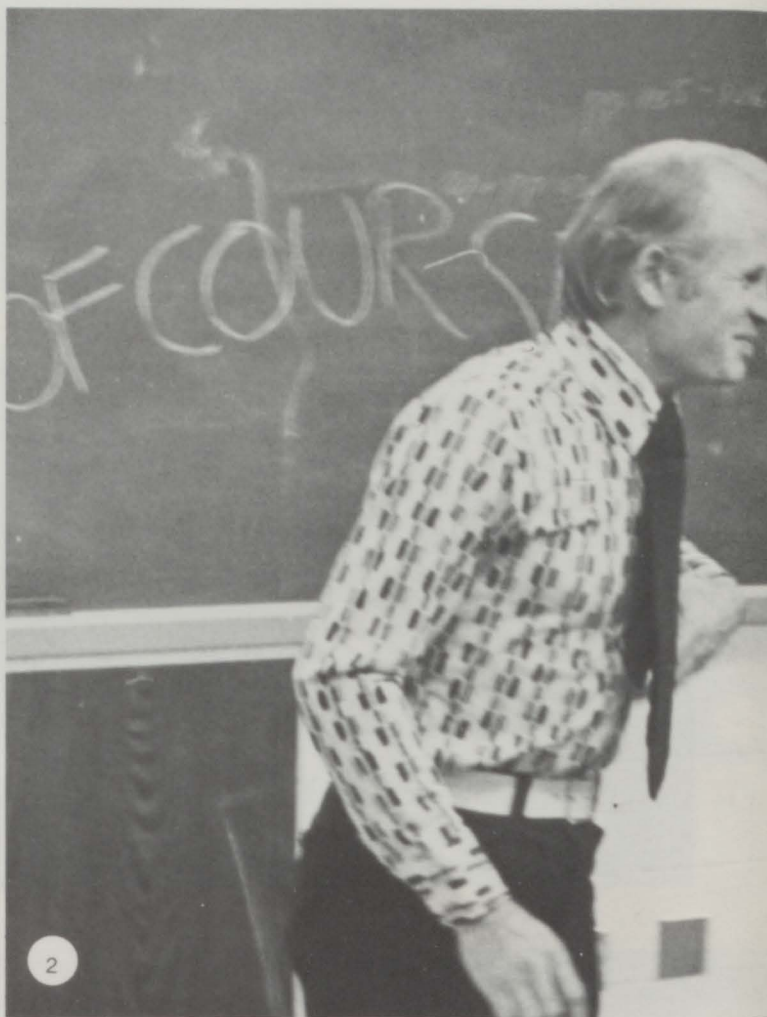

taught along with cosmetology, food service, auto mechanics, and all of the other programs offered.

If you are going to be a junior and are interested in one of these fields, it might be worth looking into a career at Auburn Career Center.

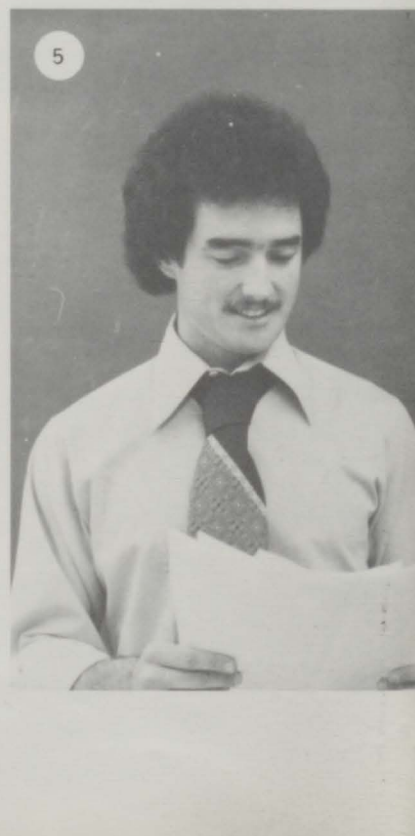

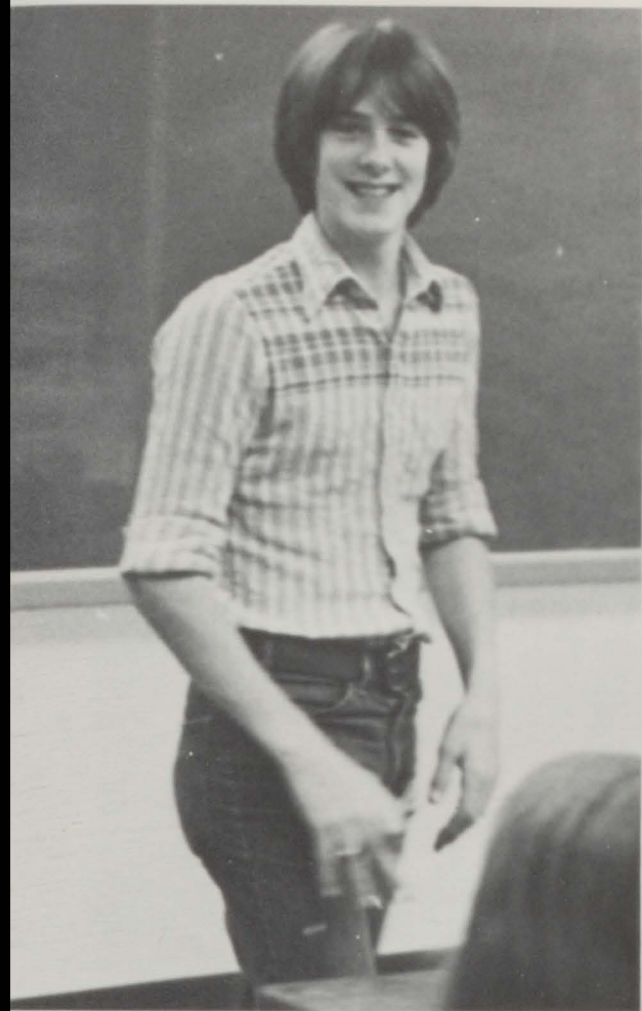

1. Tony Abreski shows us the lighter side of arc welding.
2. Pat Elmore tunes up.
3. Kim Thomson demonstrates the use of a printing press.
4. Judy Prince puts her finishing touches on a hair-do.
5. Don Lipka and Pat Elmore make the final preparations before painting a car.

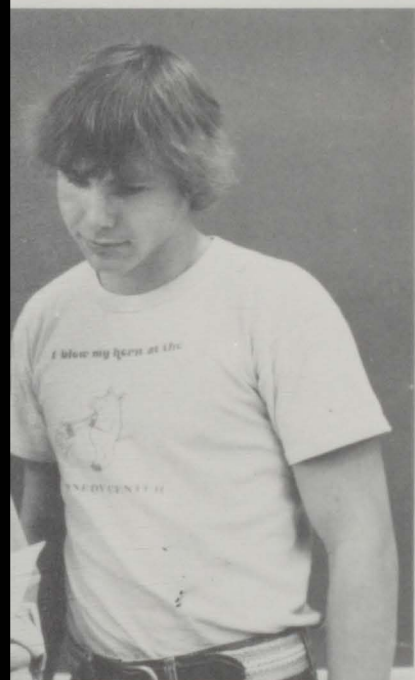

1. Mrs. Ostrander helps Steve Woodworth with his social studies.
2. Mr. Delp tries to keep his honors class under control.
3. The crowd goes wild.
4. Mr. Deering teaches, and puts up with, the Problems Of Today.
5. Dana Daughters tries out the schools new Learning Center conducted by Mr. Anderson.

3

Understanding The Government

There has been a lot happening in the social studies department this year, which has gained a new "Problems of Today" teacher, Mr. Deering.

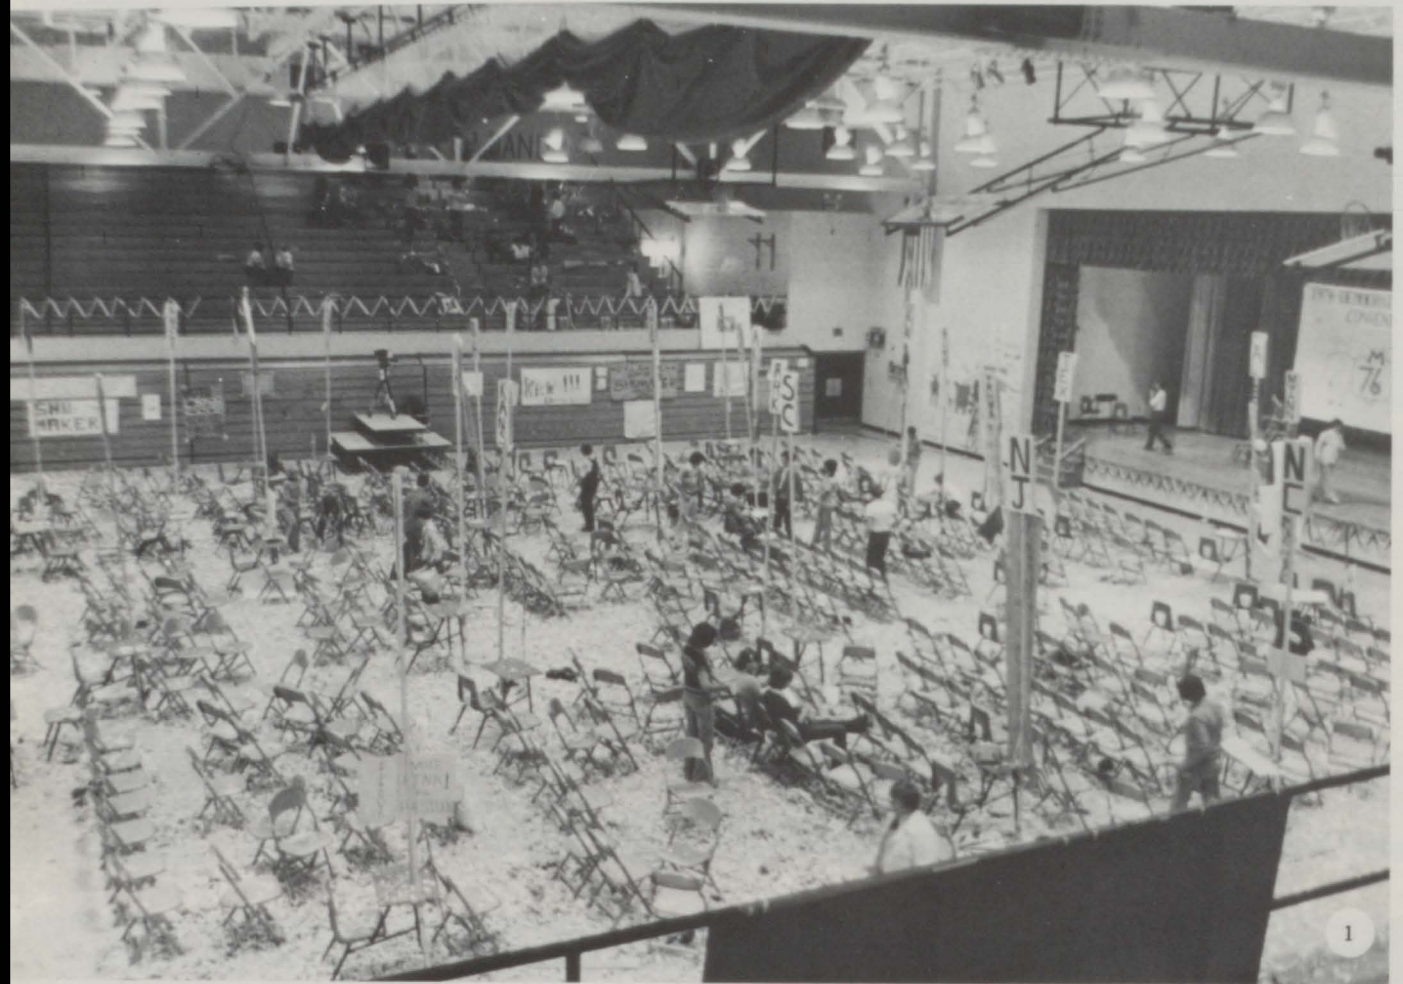

The curriculum of the department has remained the same, with the exception of one course. Since this is an election year, a new class was offered called "Convention '76".

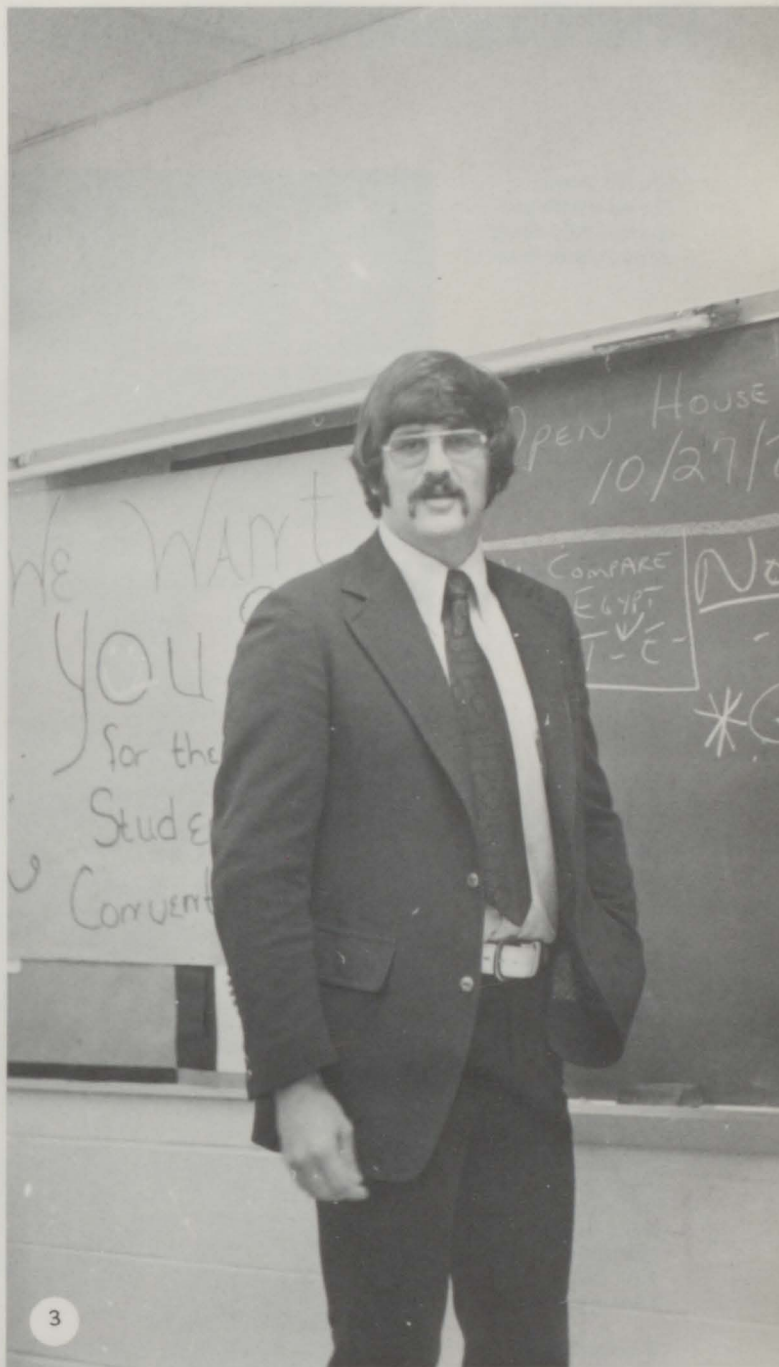

The purpose of this class was to run the mock convention, aided by Mr. Delp,

their teacher. The class made television tapes to raise school spirit on the issues and to explain the views of the political parties. The convention was a big success, since all of the people that were involved showed a lot of spirit and really got involved rooting for either the Democratic or Republican party.

This has been a very exciting year for the social studies department.

Repeat The Past And Learn The Future.

1. The convention was the major project of the Social Studies department this year.
2. Mr. Linhart checks on some plans he's made.
3. Mr. Sater prepares for another "Historic" day.
4. Mr. Hribar smiles as he passes his knowledge on to his students.
5. Mr. Higley concentrates on a newly uprised question.

Blizzard Brings School Problems

It comes slowly at first--then
 Pouncing upon the multitudes.
 Producing snow in unbelievable amounts.
 A solid white sheet covering all.
 Too much cold, too much white.
 Trapped as we are--inside a place
 Of no exit. They call and we go--
 Unwillingly we leave to the cold
 Outer stretches. The wind blows
 And we bow to nature's unceasing torture.
 Who would believe it could happen
 To you or me? This happens in
 The places we cannot reach.
 It happened, it came, and they
 Call it "the blizzard".

--Sandi

Winter's Rough

Winter is a cold season,
Warmed by friendships
And thoughts of loved
ones.
Winter is a white season
Colored by smiles
And bright dreams of
spring.
Winter is a wonderful
season,
Shared by close friends
Who wish the snow season
Would never end.
-- Sandi

Bluestreak Basketball '77

The basketball team of 1976-1977 finished up the season with a 6-13 record. This record was not as good as last year, but we only had one returning varsity starter. This was Rick Evans. Evans also was the leading scorer on the team. He had a game of 41 points against Ash-tabula Harbor. Senior John Sutherland and sophomore Ken Solden were the starting forwards. Junior Tim Elliot and Senior Larry Solden were the guards. Junior Craig Holibaugh played the backup role. Guards Steve Rozick and Jeff Cody filled in for the forwards.

Many of the games we lost this year were very close, especially against arch-rival Geneva, and also Eastlake North in the sectionals, 49-47 which was a real heartbreaker.

Despite the record, the team played better basketball as the season progressed and added many an exciting moment for the fans.

1. Larry Solden shoots for two.
2. Rick Evans sinks another two pointed shot.
3. The scramble stops as the rebound is anticipated.

4. John Sutherland reaches skyward to snatch another rebound.
5. Basketball stats for the 76-77 basketball season.

1. Rick Evans guards a Riverside player.
2. J.V. and Varsity cheerleaders do a cheer together.
3. Tim Elliott goes for a lay-up.
4. John Parker goes up for a shot.
5. Larry Solden makes a fast break.
6. Varsity Cheerleaders wish the team "Good Luck".
7. J.V. cheerleaders cheer the team on.

4. Freshmen cheerleaders add to school spirit.
5. A Riverside player tries to out-jump Rick Evans.

Girl Bluestreaks "Lay Up" Their Opponents.

The Girl's basketball team this year consisted of Gayle Haase, Lori Winton, Jane Stanton, Meg Anderson, Linda Anderson, Mary Tarbuck, Marilyn Shahan, Nancy Cate, and Sandi Guy. These girls worked on new plays to help them surprise their opponents. The hard work and practice hours paid off as the team effort was strengthened and the girls rolled over the opposition and had a strong season.

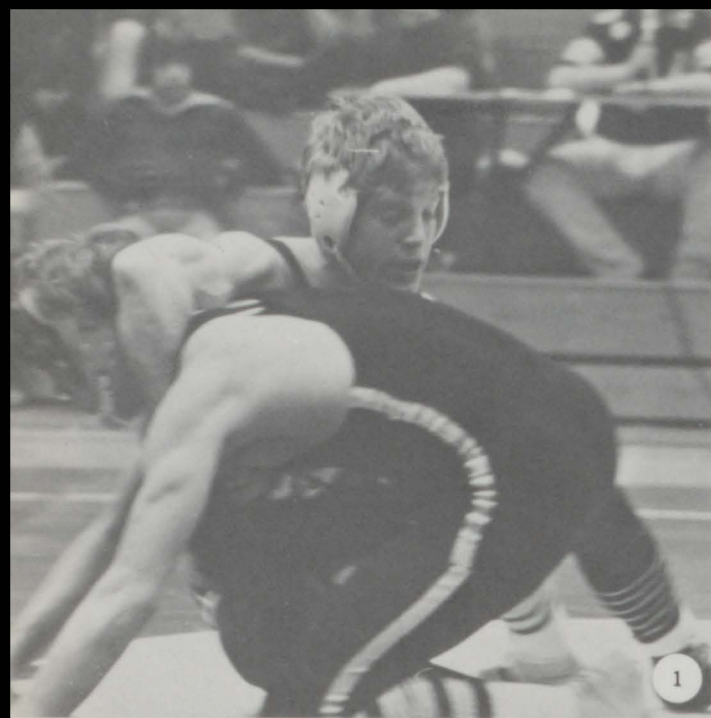

1. Lori Winton attempts an outside shot.
2. Karen Cicenas shoots from the key.
3. Linda Anderson shoots from the foul line.
4. Jane Anderson sets the volleyball.
5. The Girl's volleyball team waits for the ball.
6. Lori Winton goes up for the spike.

Girls "Spike" N.E.C. Again.

The 1976 Girl's volleyball team remained the NEC champs a again this year with a 10-2 won-lost record. The varsity members included Karen Bates, Clare Miller, Nancy Cate, Lori Winton, Jane Stanton, Kathy Pollock, Gayle Haase, Lisa White, Mary Tarbuck, and Cheryl Kurkowski. These girls made it possible to stay on top of the NEC and keep the Madison Blue streak going. With most of the starting team graduating, many j.v. members will be moving up to opening varsity spots. We hope the streak for the "spikers" will continue.

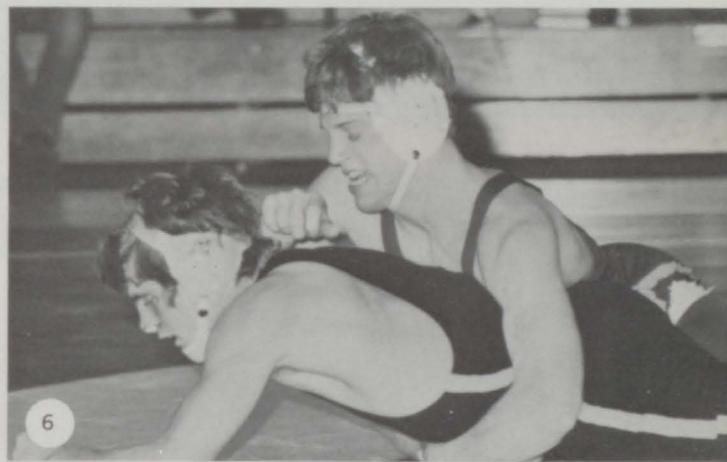

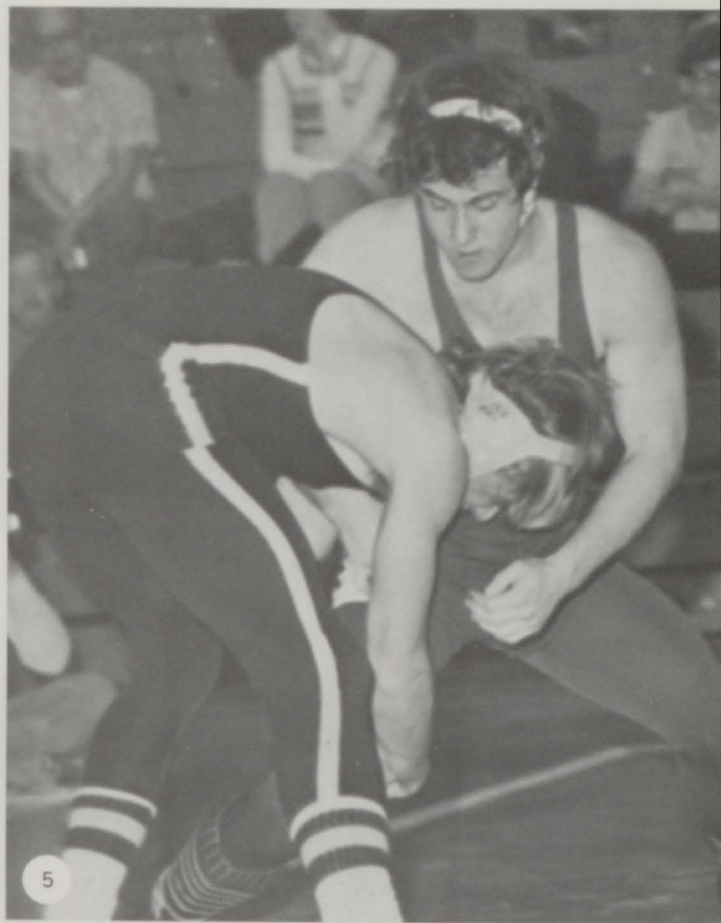

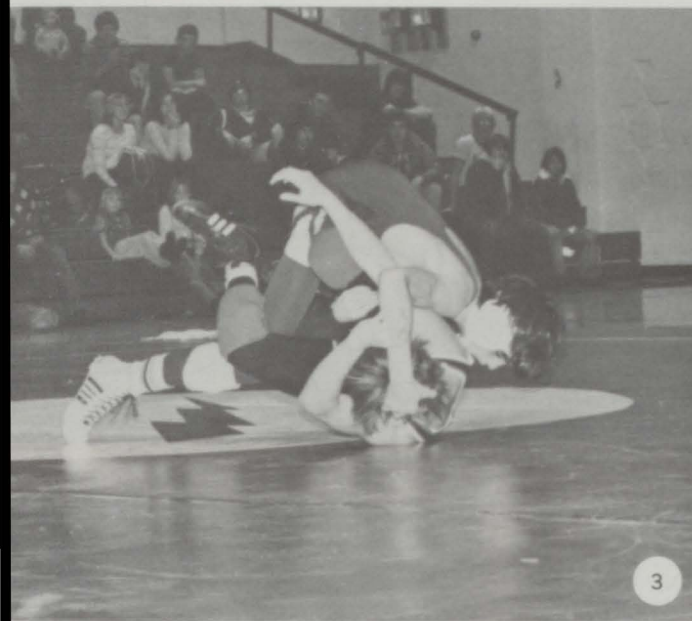

Bluestreak Wrestlers "Take-Down" Good Season

The 1976-77 wrestling team finished the season with an unblemished record of 10-0. However, they bowed to Riverside in the N.E.C. meet and took a second. This is the first time since Madison was in the N.E.C. that they didn't win it, but the Streaks proved who was the dual meet champion when they knocked off Riverside 36-23. Vital pins from Nick Ruland, Tom Gagliardi, Joe Palmer, and Don Lipka clinched the victory, although all the wrestlers wrestled outstanding matches.

Nick Ruland, Tom Gagliardi, and Joe Palmer were tri-captains of the team this year. Ruland won an N.E.C. championship at 138 which made him the only wrestler in the N.E.C. history to take a first four years in a row.

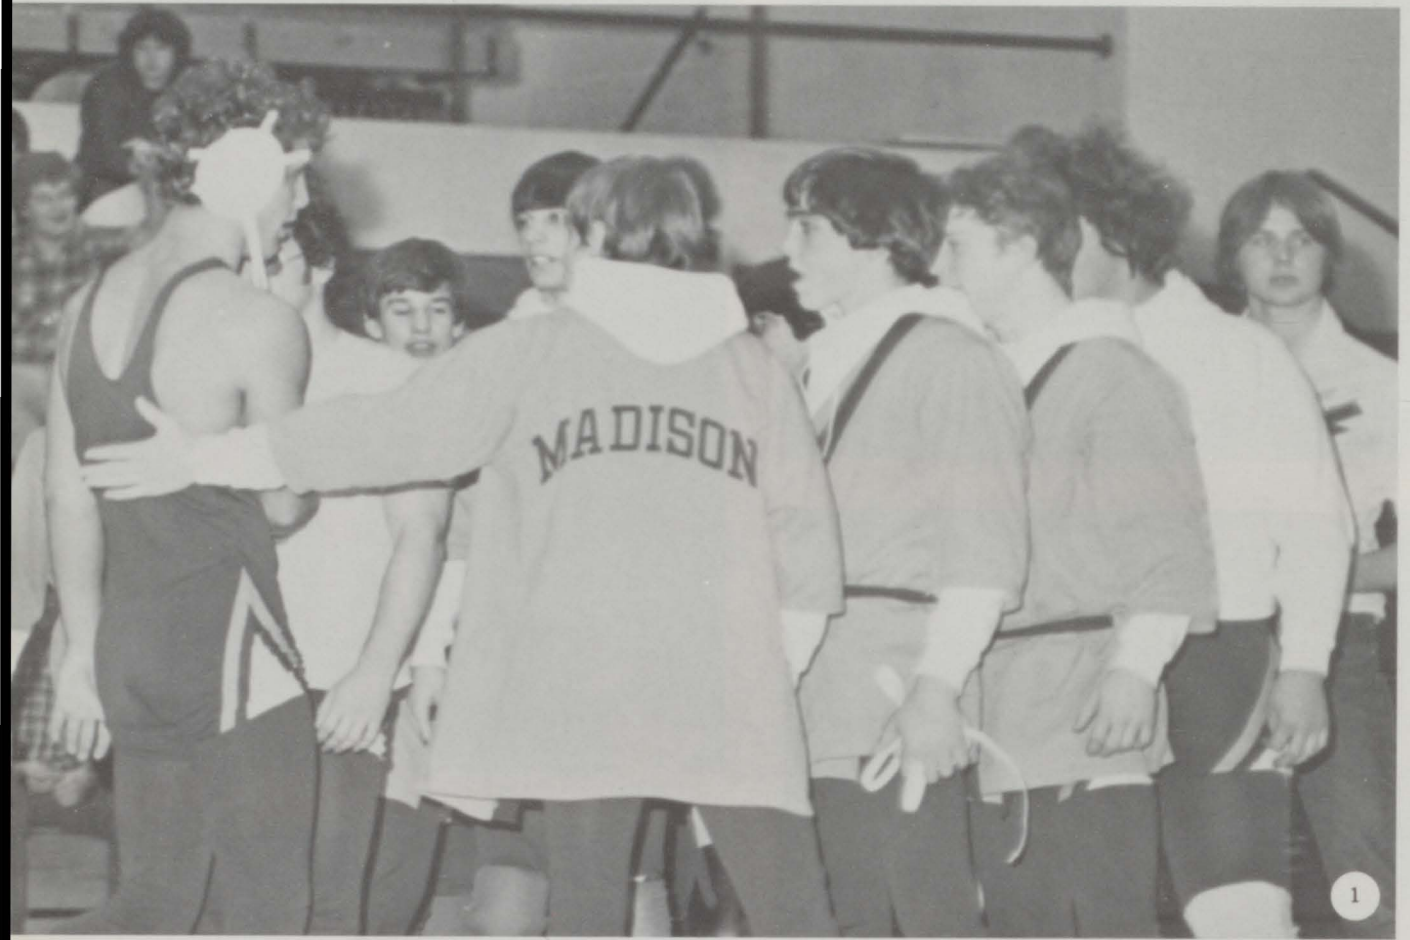

Gagliardi, at 145, Tom Lasko, at 132, and Don Lipka, at heavy were undefeated. Joe Palmer, at 175, and Ruland only lost once. Ruland lost his match 8-5 against last year's state champ at 132, Greg Drenick.

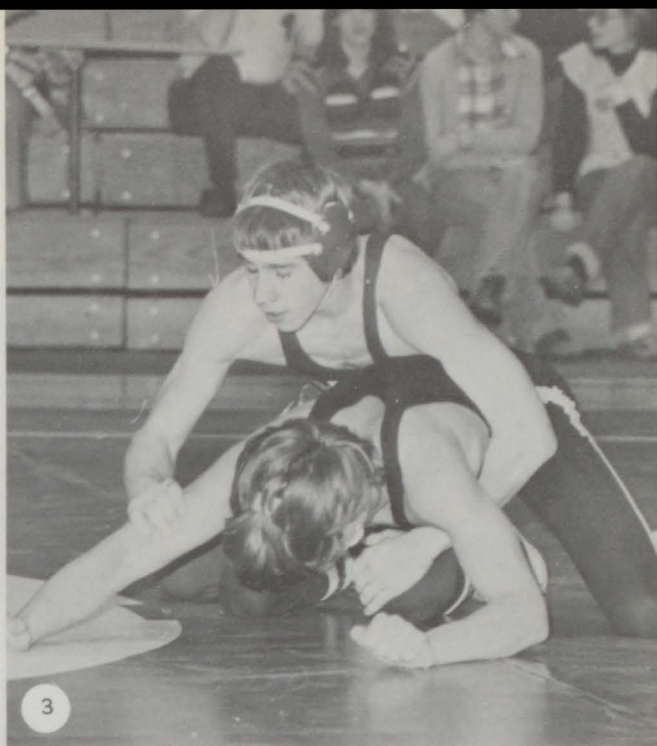

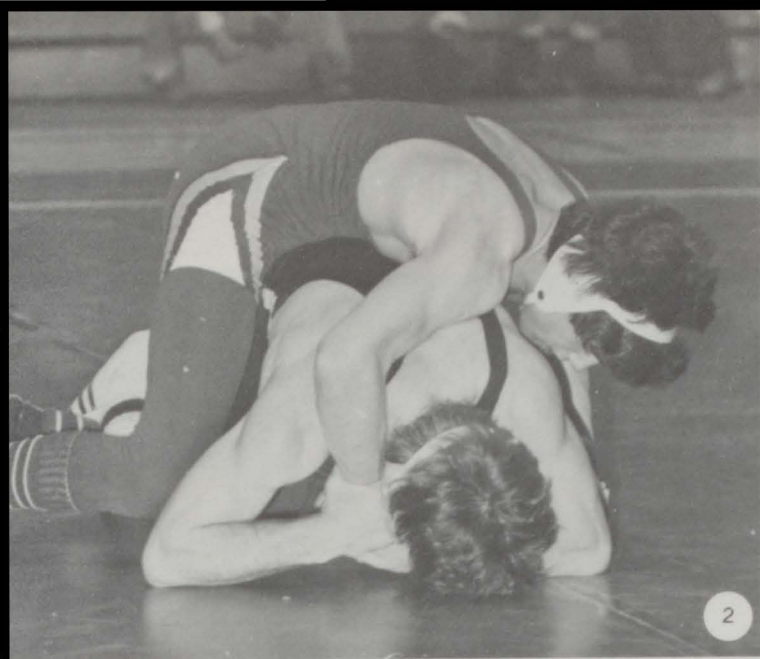

1. Tom Gagliardi goes for a reversal.
2. Tom Lasko shoots in for the takedown.
3. Nick Carlisle rolls over his opponent for the pin.
4. Madison matmen wait their turn.
5. Brad Pethel foils a takedown attempt.
6. Tom Gagliardi plots the half for another pin.
7. Wrestling stats of the 1976-77 season.

Season Of '76-'77 Has Ups And Downs . . .

1. The team congratulates Joe Palmer.
2. Tom Lasko goes for the breakdown.
3. Scooter Darnell attempts a half-nelson.
4. Jim Aumick goes for the pin.
5. Nick Ruland cradles his opponent.
6. Joe Palmer forcefully flattens his opponent.
7. Don Lipka makes his opponent eat the mat.
8. Jim Aumick stands out.

Concert Band Fills Students Needs

Concert Band is made up of freshman band students and upperclassmen who aren't in the Marching Band. This year the band participated in the Christmas concert held for the student body and another performance held that night for the public. They also play for the National Honor Society induction and Graduation.

2. John Malkamaki, Bryon Welsh, Janet Shupska, Mark Mitchell, and Judy Stewart are the Concert Band Council.

All You Have To Do Is Sing Along

The Junior Choir is made up of freshman, and directed by Mr. Acerra. This year the Junior Choir has had a very rewarding year. They participated in the Christmas Concert held before the student body and the public. Also planned is a Spring Concert and singing for the Graduation Ceremonies.

3. Junior Choir trys for just the right sound.
4. Choir practices concert music.

Senior Choir-1977

The Senior Choir, under the direction of Mr. Acerra, has had a very active year. While undergoing a rigorous daily practice schedule, the choir also had a lively performing schedule. In the fall, the group travelled to the Randall Park Mall to give a performance there. The choir gave a Christmas concert on December 22. On February 27 the group travelled to Mentor High School for a music festival with other area high schools. The choir is now working on music for a concert in the spring.

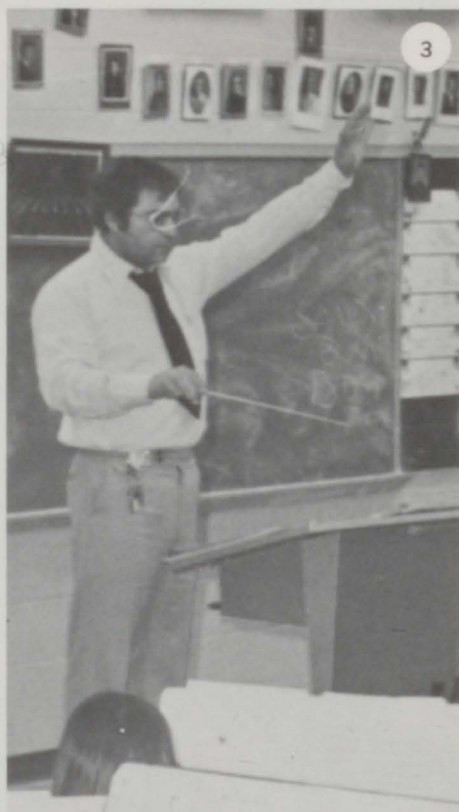

1. The Senior Choir and Mr. "A" take a well deserved pause during the christmas concert.
2. Brad Pethtel waits to pick up the beat.
3. Karen Bates, Kathy Atkin, and Debbie Woodland get into the song.
4. Choir members strive for that right sound.

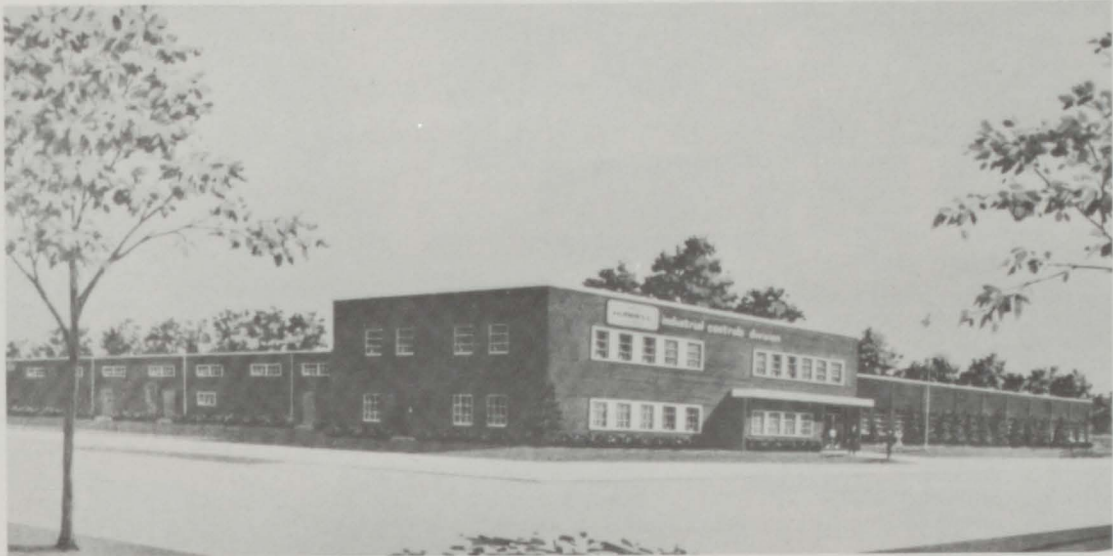

Symphonic Band Was Marching One

The Symphonic Band consists of seniors, juniors, and sophomores. Usually these people were in marching band, but those who were not in marching band and wish to be in Symphonic Band. Contest is held each year for those who wish to prepare for it. This year, the band is to participate in the Lake County Band Festival.

1. Flute and clarinet players try to keep up with Mr. Acerra.
2. Pete Square and Darla Bohl keep the beat.
3. Mr. Acerra directs the band.
4. Dale Crawford tries to decide what music is being played.

Library Organizes Helpful Information.

When you need a book for any occasion, just go to Mr. Haines and his library and he'll probably have it. He thinks he has a fairly good collection of books now but would like more. This year has been a real learning experience for him.

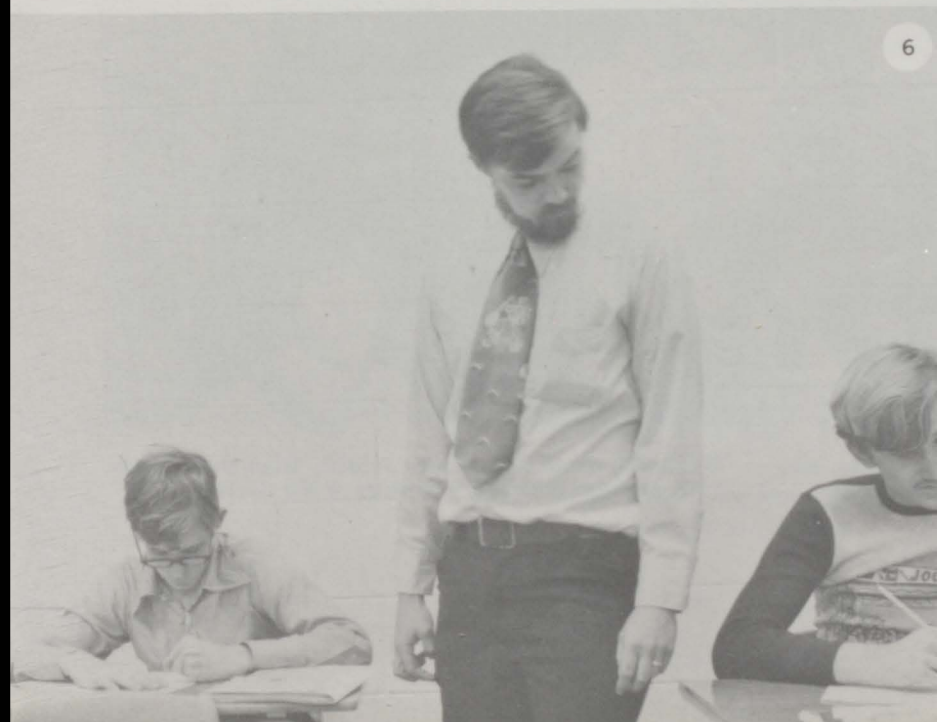

Mrs. Pool, the secretary must process new books, bring in the new magazines, record overdue books and also work with aids. Between both Mr. Haines and Mrs. Pool, they are going to rearrange things in the library next year, so it will be orderly.

The Work-Study program at Madison was designed to make the transition from school to the working world an easy one. The program accomplishes this by giving the student a vocational program that begins in the freshman year. The program has four fields at Freedom Road Vocational School; they are Factory Production, Food Service, Building Maintenance, and Stableman Grooming. The program's aim is to give the student a greater opportunity for the success by developing their abilities to the fullest. The program is in its seventh year and has an outstanding record of placement of students in the program.

Work-Study Program Proves Effective.

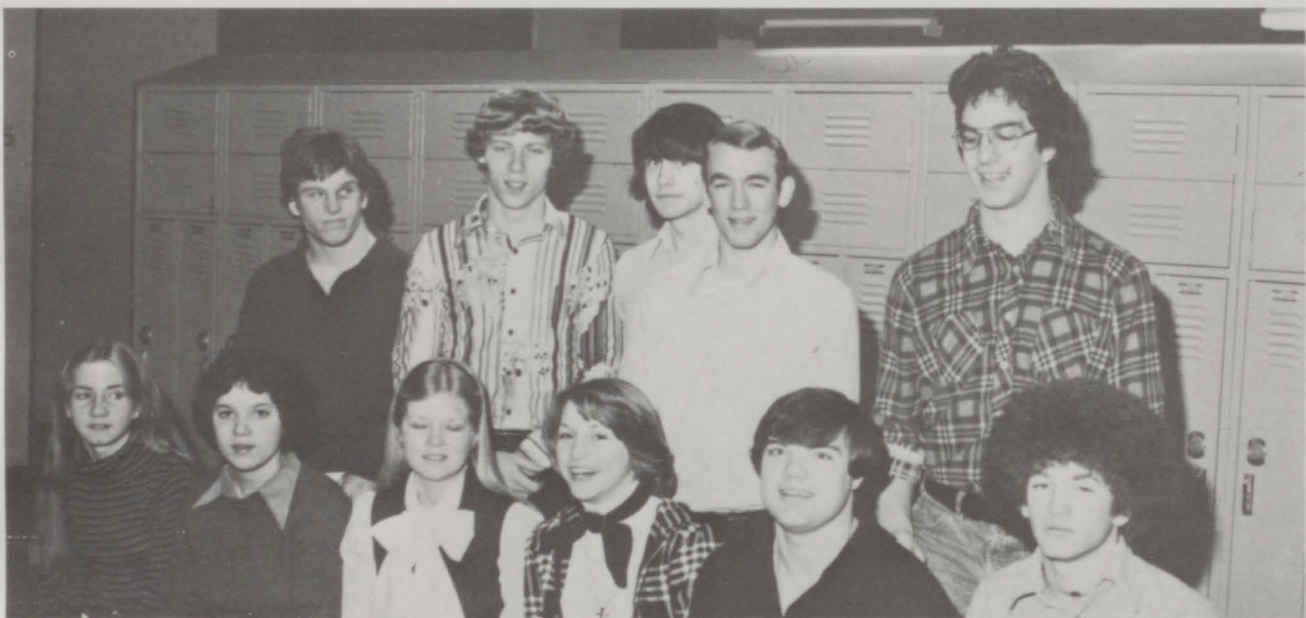

1. The Junior girls hard at work.
2. The new work-study teacher, Mrs. Alberts.
4. Where would the library be without the help of Miss Pool?
5. Mr. Haines keeps everything organized and under control in the library.
6. Our former Work-Study instructor Mr. Ostrander gives Dennis Williams and Terry Craft some helpful comments.

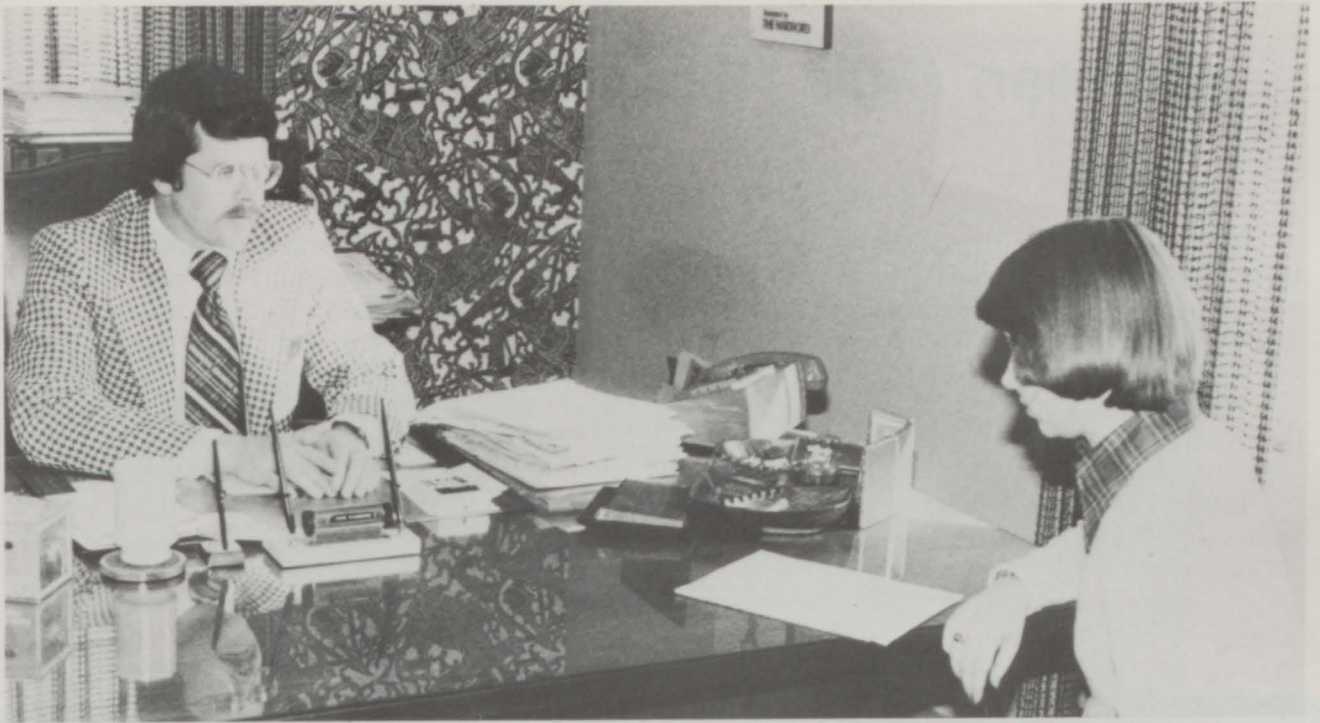

National Honor Society plans induction for late March. The above people are presently members. FIRST ROW; Elaine Willis, Patty McDonald, Jenny Quiggle, Mary

Giunca, Sharon Sweeney, Beth Jopko, SECOND ROW; Kate Woodworth, Zina Moyers, Lori Winton, Marilyn Shahan, Nancy Cate.

FIRST ROW; Sue Bonham, Sue Hagan, Lisa White, Sue Gielink, Jim Martin, Jim Galvin. TOP ROW; Tom

German Club Holds Successful Camp.

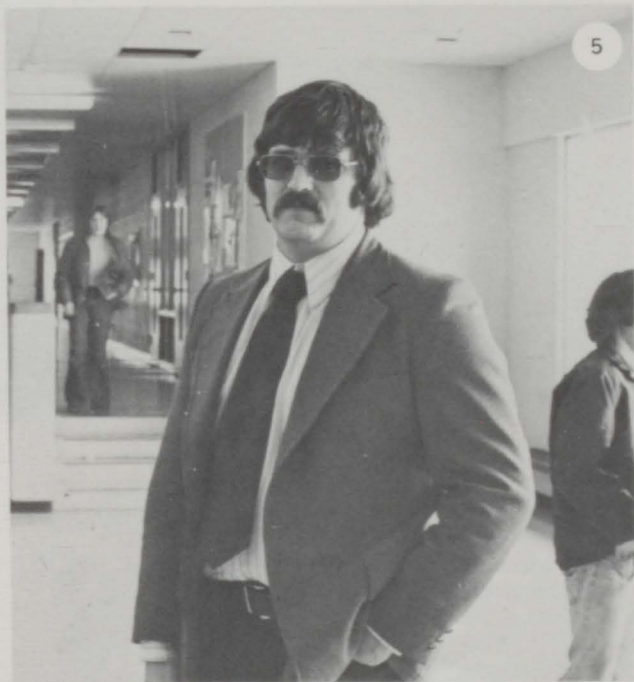

Mr. Strother is the advisor of the German Club, which meets once a month at members' homes. Mike Byers is the President of the club, with Alan Hammer as Vice-President and Darla Bohl as Secretary-Treasurer. Some of the activities this year included bake sales, Christmas caroling, and the German language camp.

Last year was the first of the very successful German language camp, which was the first in the state.

The camp, der Bunderepublik Brindaban, was held at Camp Klein on the 6th, 7th, and 8th of May. Going to the camp was like going to Germany for the fifty students who attended, since it was necessary for them to go through customs and show passports to be admitted. Once admitted, students were expected to speak entirely in German, while enjoying activities with the ten instructors, which included four AFS students.

1. Sue Hagan provides entertainment at German Camp.
2. Mr. Strother plans the next activity.
3. Val Sarr is left with the job of cleaning up.
4. Mr. Martin, our new Principal.
5. Mr. Sater, our new vice principal tries to look mean.

We have had many changes in the faculty this year. The first set of changes took place in the summer of '76. Mr. Martin stepped down from his superintendent's position and became assistant principal, replacing Mr. Fox. Mr. Fox left the high school to take a teaching position at one of the middle schools. The superintendent position was filled by Dr. M. Herman Simms. The second set of changes took place in January. Mr. Folmer resigned as principal and Mr. Martin succeeded him. Replacing Mr. Martin in the Assistant Principal spot is Mr. Sater.

"Picture" Yourself In Photo Club.

The Photography Club is a one semester class open to all juniors and seniors. The purpose of this class is to expand one's photography skill by developing and printing film and making contact sheets. Students also learn to take better pictures. Most students use 35mm cameras for the course. Mr. Grimm is the advisor of the club.

The officers for the first semester were; Dan Nichols, President, Cindy Thompson, Vice-President, Sue Bonham, Secretary, and Mary Giunca, Treasurer.

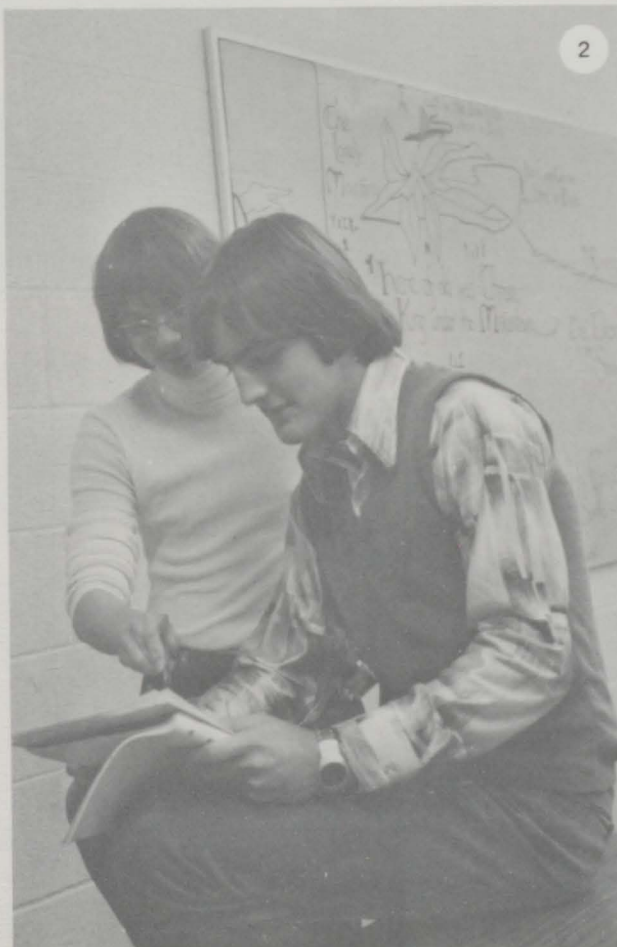

1. Mark Kroggel attempts to use the enlarger.
2. Dan Nichols says "now its my turn".
3. The officers of photo club are Mary Giunca, Susie Bonham, Cindy Thompson, and Dan Nichols.

This year for five cents, Madison High students could buy a copy of our own "Bluestreak" newspaper. The "Bluestreak" is made up by students who are in Mrs. Billman's first semester journalism class. The editorial staff is made up of: Sharon Sweeney, editor-in-chief; Sue Gielink Tim Povhe; Tom Wiker, page editors; and Greg Hall, sports editor.

Journalism is a new class this year. Offered as a one semester course, journalism is aimed at giving the student a first-hand view of newspaper and other journalism-related procedures.

Bluestreak Newspaper Makes The Headlines

1. Editor-in-Chief, Sharon Sweeney and Sports Editor Greg Hall look over some articles.
2. Tom Wiker and Tim Povhe study pages for the next "BlueStreak".
3. Sue Gielink seems to like what Greg Hall has written.

G.I.R.L.S. Club Provides Services For School.

"G" is for generosity, "I" is for industry, "R" is for reliability, "L" is for leadership, "S" is for service. G.I.R.L.S. Club is made up of about 30 girls from the sophomore, junior, and senior classes. They have held activities for the school such as dances, donut sales, a baby contest, and a bake sale. They also held a Hush Day and Slave Day. Slave Day was held to raise money for United Way. They also took part in Madison's Annual Can Drive for needy people in this area.

Officers are President Julie Grose, Vice President Lisa White, Secretary Sue Gielink, and Treasurer Gayle Taylor. Lisa took over as president because of Julie's graduation in January. Mrs. Ramsey is the club's advisor.

The Key Club Sets Up Student Activities.

The Key Club has been very active this year in the community and the school. For community projects, the Key Club provided money for "Christmas for Every Child".

The club worked at the November polls passing out literature for the regional transit. They also volunteered at the Bloodmobile, held in our school. Key Club provided for the school, the annual bonfire prior to our rivalry Geneva football game.

They have had the 1st winter extravaganza featuring the best bands in our area, such as Backseat Romance, Satellite and Oz.

The officers of the Key Club are President Tom Locke, Vice Presidents; Steve Woodworth and Doug DeLong and secretary-treasurer Tony Incorvati.

Aid For Learning

This year we were one of the few schools able to have a learning center. Out of over 600 schools in Ohio, only about 25 have learning centers. Since we had the basics in tutoring with the A.D.D. program, we qualified for grants from the state Mr. Anderson runs the center, which concentrates mainly on General Math, Basic English, Grammer, Reading, and General Science. We are very fortunate to have a learning center.

1. Ray Frambach takes a break from his work.
2. Danny Troglin gives us a smile of approval.
3. Mr. Anderson works hard in the Learning Center helping his students.
4. Chris Shahan intently studies his history.

1. Sandy Ungers, Sandi Guy, and Liz Kovach provide popcorn and other refreshments for Judy Repinski.
2. Liz Kovach helps to fill the cups before the halftime mob.
3. Gwen Hennessey counts the correct change for a waiting customer.
4. Bob Masek removes a tape recorder for an awaiting teacher.
5. Bob Masek and Ed Reed pass the time by studying.
6. The AV boys show off their new record.

Providing Service For The Multitudes

The Service Club operates during basketball and wrestling selling pop, candy, popcorn, and other snacks. Sophomores Juniors, and Seniors make up its membership. Mr. Piker and Mr. Winfield are the advisors. They organize the club into different groups so that one group is working each week. It is because of the hard and unselfish work and time spent by these people that we can munch and enjoy the game.

AV Aids In The Visual Aspects Of Life.

The AV department distributes and helps run the machines that make the teachers' job a little easier and adds a little variety to the students' school life.

Mr. Linhart, the advisor of AV, has a staff of about 30. They consist of boys and girls from grade 9 to grade 12.

Mr. Linhart and his staff had a very good compliment paid to them this past year by the North Central Evaluation team. They were rated in the top 5% of AV departments in the state.

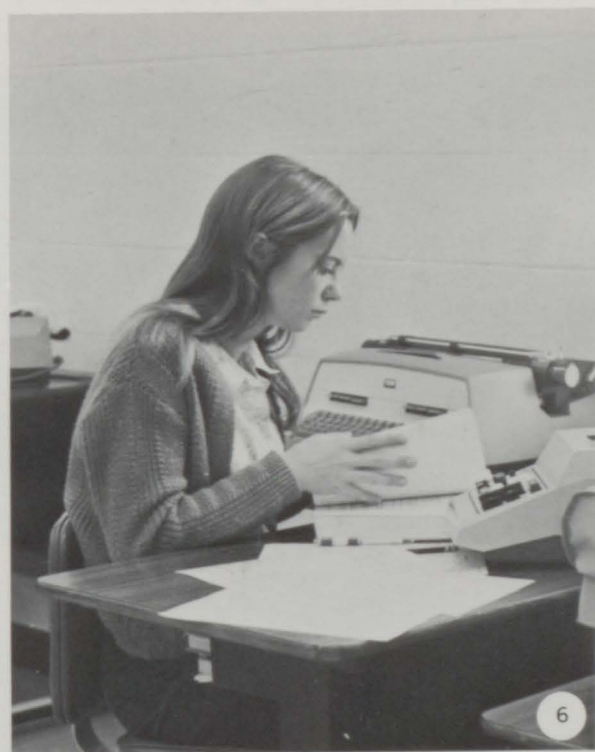

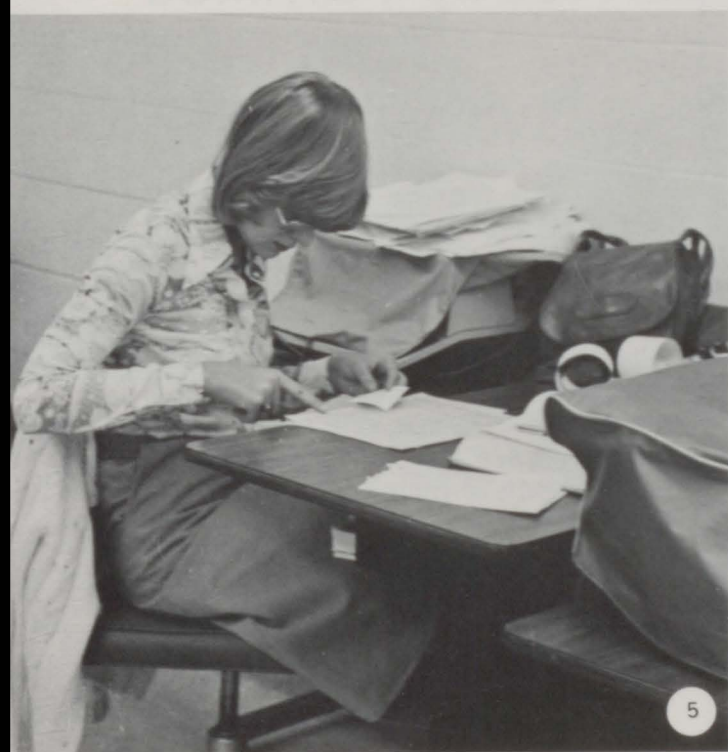

Business Club Keeps The School Going.

The Business Club is an organization formed primarily to raise money for the Business Department. The money raised by the club is used to buy more and better business equipment. This year's officers are Janet Ribinskas, President, Lisa Witt, Vice-President, Donna Hickey, Secretary; and Martha Staten, Treasurer. The club is advised by Miss Spiesman.

This year a candy sale was held to obtain money for the club. Business Club is also involved in helping non-profit organizations such as Old Fashioned Days.

1. Miss Spiesman is one of the most dedicated business teachers.
2. Nancy Ondercin is busily at work.
3. Janet Ribinskas, Lisa Witt, Donna Hickey, and Martha Staten are the dedicated officers in the Business Club.
4. Penny Saunders and Lisa Miller are working as hard as ever.
5. Another hard-working member, Anna Wainio.

Student Council Helps Needy Families

This year's student Council president is Vicki Gorsuch; vice president, Marsha Ferrick; and secretary-treasurer, Sue Gielink. To become a member of student council, elections are held every spring for freshmen, sophomores, and juniors, and the upcoming freshmen elections are held the next fall. This year's Student Council held dances, gave money for needy families during Christmas, and also held a Funny Face Contest to raise money for the March of Dimes.

They also asked board members for permission to put a sculpture in the school grounds. A contest was held for the design with a prize of a \$25 government bond.

1. Student Council Officers; Sue Gielink, Secretary-Treasurer, Vicki Gorsuch, President, Marsha Ferrick, Vice-President.
2. Bob Fenton and advisor, Mr. Leitch.
3. Vicki Gorsuch talks about upcoming Student Council plans while Marsha Ferrick listens.

Cauldron-Constructing An Annual Event.

The Caldron staff consists of sophomores, juniors, and seniors who spend a great deal of time and effort every day to see that the Cauldron is available to the student body. Mr. Heichel, the advisor, has the job of seeing that everything is done correctly and on time.

This year there are thirteen students on the Caldron staff. Mary Giunca is the editor and spends many hours of work out of class to get things in order. The business manager, Ginny Riel, is in charge of ads and sales. She is also the copy editor. And we can't forget the pictures--Ed Giunca has this job along with being the art and lay-out editor. Other students involved in the Caldron are: Sandra Guy, Dale Crawford, Steve Heichel, Cathy Kurila, Tom Mitchell, Brenda Miller, Sharon Sayers, Sally Sweitzer, Dave Whipple, and Sue Zimmerle.

Spring Events

Rebirth has begun;
Crocuses pushing
Through the snow.
Trees budding
Into leaves,
Through bright
Springtime days.
Picking up where life
Was let up the fall before,
Adding color to the
Dead season winter
Has left behind.

1. Jeff Lakatas spins one over the plate.
2. Our team warming up to bat.
3. Mark Girton awaits the pitch.
4. Jeff Cody keeps his eye on the ball.
5. Randy Nichols applies the tag to a Riverside opponent.

Bluestreak Baseball '76 Has Fair Season.

The 1976 baseball season ended up 4-10 in the NEC and 7-17 overall. The players who put in this fighting effort were Greg Lyons, Ed Potti, Mark Fay, Bob Nichols, Tim DiPofi, John Parker, Mike Mandagelo, Shawn Wirtzberger, Jim DiPofi, John Miecznikowski, Dan Clevenger, Randy Nichols, Steve Woodworth, Gerard Malley, Marvin Sprague, and Bob Widlets. These guys stuck it out to the end

and never gave up. The future looks promising with only five graduated seniors and a hard-working team remaining. Our three pitchers, Randy Nichols (2-5 won-lost record), Dan Clevenger (2-7 won-lost), and Gerard Malley (1-7 won-lost) along with the rest of the Bluestreaks behind them all the way, helped to pull off the fair season we had. Best of luck to the remaining team and we hope for a better season this year.

Boys Victorious On Track.

1. Jim Galvin brings in a first for Madison.
2. Madison broad jumper strains for extra inches.
3. Pole vaulter clears bar with no space to spare.
4. Randy Goist, winner by a tongue.
5. Paul Kershaw struggles to overtake Astabula runner.

The track team at Madison High had a very rewarding season in 1976. The team had the best league record they could get at 7-0, The total record was 8-1 which was not 100%, but still very good.

Coach Kovats was assisted by Mr. Pavesich and Mr. Sater in their second championship year.

Girls Track Re-runs Winning Streak.

The 76 girls track team had a very large team of 40 girls and only two seniors. We were 7-0 in dual meets and brought home second place trophies from the Brush Relays and Cleveland Invitational. The girls established nine new school records. Nancy McDonald in the 440, Rita Storer in the mile and half mile, Jackie Kloes in the high jump, Mary Ann Tarbuck in the long jump. The 880 relay, 440 relay, 880 medley, and mile relay were also broken. Our girls went to the state meet again this year in the same events as last year. Our relay team, which consisted of Lori Winton, Mary Reigart, Cheryl Prince, and Nancy McDonald took 7th in the state.

1. Jane Riel lunges for the tape.
2. Marilyn Shahan strives for one more inch.
3. Nancy McDonald wins by a long shot.
4. Peggy Ruck awaits the gun.
5. Lori Winton wins the relay.

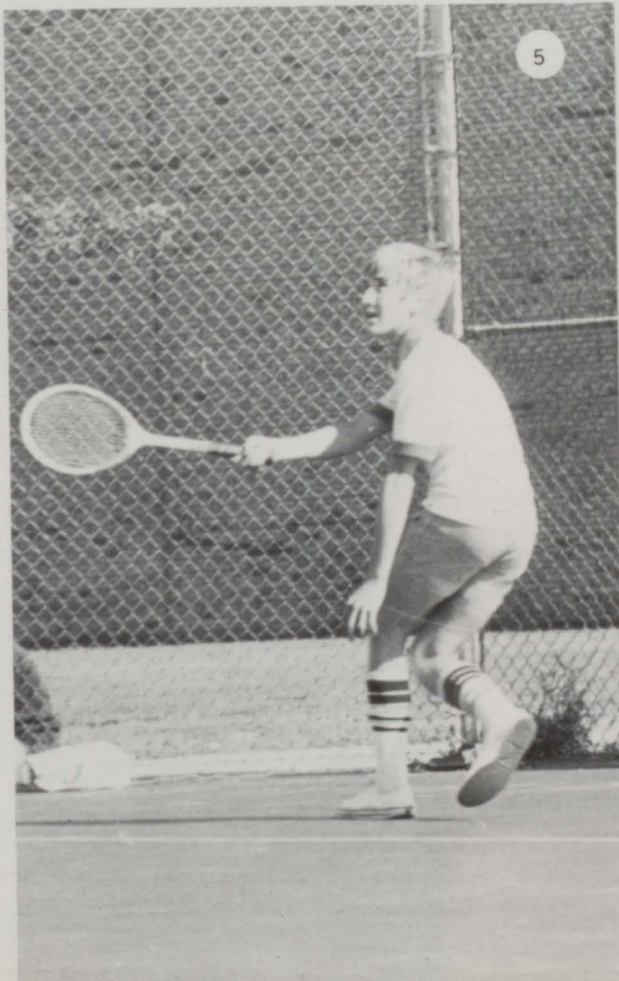

Girls Take N.E.C. Two Years In A Row.

The Girl's Softball team took the NEC again this year with a 14-0 record. The members of the team were Gayle Haase, Jane Stanton, Linda Rann, Judy Hvizda, Sandi Guy, Cheryl Kurkowski, Jackie Leitch, Donna Meivogel, Jill Leitch, Jan Aumick, and Diane D'Abate. Several girls made the NEC first team: Judy Hvizda (pitcher), Linda Rann (catcher), Gayle Haase (3rd base), and an honorable mention went to Jane Stanton (shortstop). Judy Hvizda had the highest batting average (.500) and Jackie Leitch had the highest field average (.942). Only four seniors graduated, leaving openings for J.V. members to move up. We wish the best of luck to our girls and hope that they can carry on the winning tradition of our girl's athletics.

First Year Tennis Produces Fair Results.

1976 was the first year of varsity tennis at Madison. The team responded and came through with a good first year. The team was coached by Mr. Truby. All of the varsity team will be back this year, including 1st man, Pete Square. We can hopefully look forward to another good year.

1. Diane D'Abate swings for the fence,
2. 1976 Madison High Tennis Team.
3. Meg Anderson stretches for another base.
4. A high pitch flies by Sandi Guy.
5. Dale Crawford waits for the smash.
6. The girls team, under Miss Phillips, takes a much deserved break.

Play — "Pride And Prejudice"

PRIDE AND PREJUDICE

Spring Play '76 was a sentimental comedy entitled "Pride and Prejudice." It tells the tale of Mr. and Mrs. Bennett and the problems they have with their almost grown-up daughters. The Bennett family consists of John McIntosh as Mr. Bennett, Kim Bryant as Mrs. Bennett, Terri Crouse as Jane, Kelly Garner as Elizabeth, and Vickie Nevin as Lydia. The boyfriends of the three girls were Dan Foote as Mr. Bingley, Phil Johnson as Mr. Darcy, Ric Rumble as Mr. Wickham. The rest of the cast included Mike Byers, Lori Reese, Vickie Gorsuch, Don Andrews, Tina Norton, Jackie Kloes, Carol Burke, Ginny Riel, Steve Burke, Bev Stone, Jim Kelly, and Sue Hagan.

1. Kelly Garner, portraying Elizabeth Bennett, gives Mr. Bennett, John McIntosh, a little "enlightenment".
2. Carolyn Bingley (Vicki Gorsuch) displays her disgust with Mr. Collins (Don Andrews) in "Pride and Prejudice".
3. The Lucus' (Carol Burke and Jackie Kloes) help Elizabeth Bennett (Kelly Garner) receive some good news.
4. Diane Dick and Mary Giunca ready Rick Rumble for his role of Mr. Wickham in "Pride and Prejudice".
5. Don Andrews, portraying Mr. Collins, joins an expedition for hunting the missing yarn.

1. Dan Messerall and Beth Horton have all their dreams come true.
2. Where would the Prom be without a few dedicated servers?
3. Mr. and Mrs. Pavesich are just one of the couples dancing the night away.
4. All the patient waiting finally paid off as Dan Messerall and Beth Horton become crowned.
5. Soft lights and soft music set the mood for this scene.

Prom 1976—On The “Stairway To Heaven.”

"Stairway to Heaven" was the theme for Prom '76, which was held at the DeRubertis Party center on May 12th from 8:00 to 11:00. Music was provided by the band "Stairway".

The main decoration was a large stairway in the middle of the ballroom. There were also stars and angel hair to add a heavenly atmosphere.

The Sophomores chosen for servers were Angela Watts, Nancy McDonald, Sue Zimmerle, Kay Malinowski, Tim Elliott, Mark Girton, Tom Lasko, and Steve Woodworth.

The main event of the evening was the crowning of queen Beth Horton and king Dan Messerall.

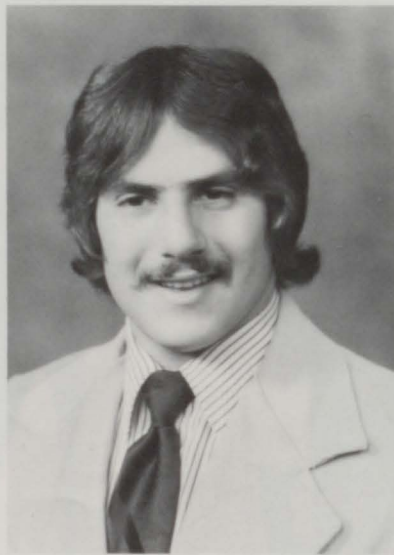

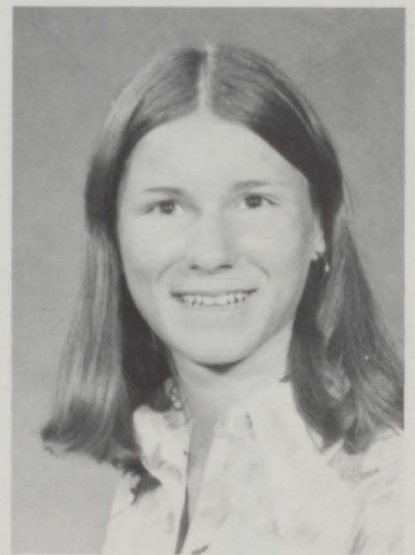

Senior class officers are president Jim Martin, Vice president Bob Fenton, missing from the picture is Sandy Wirfel, secretary-treasurer.

Reflections.

All around the lake we walk,
Seeing ourselves as we'd like
Wondering what's in store in the future.
Our faces shine on the placid lake,
Like the sun shines in our lives,
Bringing forth hope and prosperity.
Tall trees shown in the quiet lake
In bright summer colors of green
Dampened grey by the rising mist.
The grey and dreary mist, trying
To outrise the sun, and losing
As the sun shines through the dark.
The bright sun slowly rising.
Awakening the night and bringing
In the daytime. Conquering the
Mists which obscured the reflections
Of the lives we long to live.
