Highways From The Past

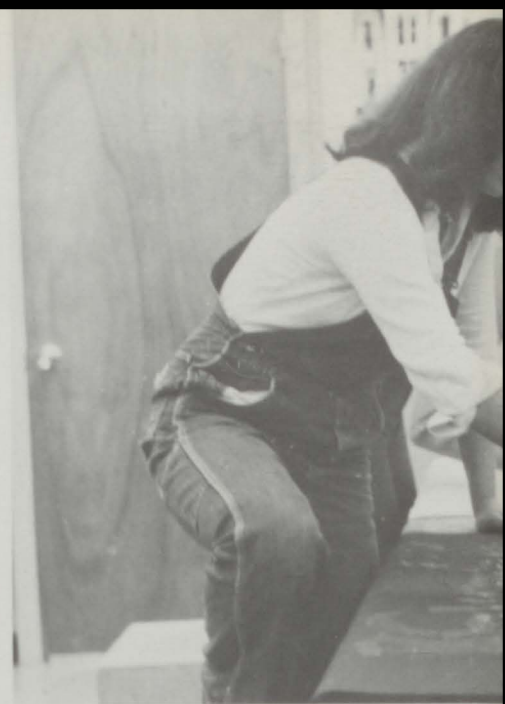

Roads to the future,
Leading slowly on.
Highways from the past,
Wonder where the time has gone.
Presently together,
Learning things from day to day,
Parting all too soon,
In a saddening sort of way.
The roads that we all travel,
The signs that we will see,
Will prepare our futures for us,
As to what we long to be.

Just Keep Moving And Follow The Signs.

HAPPENINGS

Band Swings In New Threads.

After many years of community donations and arduous fund raising, the Marching Blue Streaks were able to purchase new uniforms.

The band began the year with a five day camp in Ripley, West Virginia. There they learned the footwork and perfected the music to the first two half-time shows and a pre-game.

In addition to playing at football games and making an album, the band participated in seven band-o-ramas.

1. The 1977-78 Band Council. Bottom left to right: Bev Stone, Dale Crawford, Barb Upole, John Zurek. Top row; Dave Whipple, Sandi Guy, Carol Burke, and Randy Susevich.

2. The majorettes add a twirl and a kick to every band show.

3. The band cheers for the football team.

4. Drum Major Tom Mitchell leads the band through the drills.

New Coach Sets Values For His Team

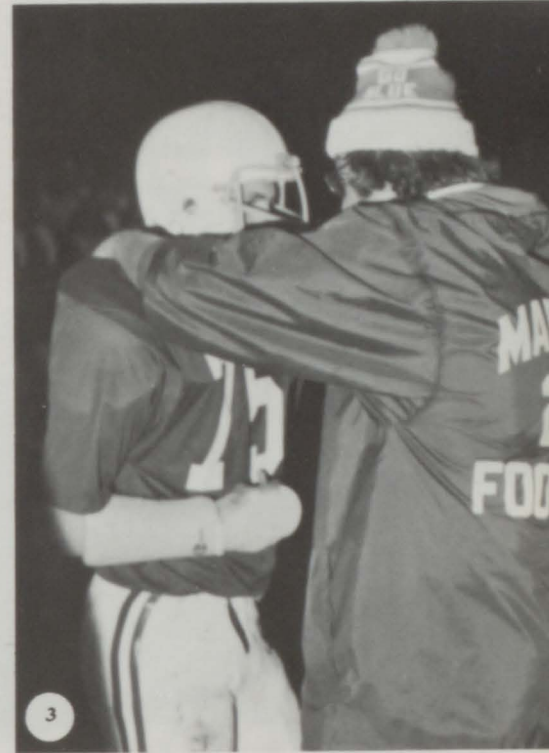

This year's football team underwent many changes. First of all, the team was introduced to a new coach — Mr. Orr. Coach Orr set many goals for our young and growing team. A great part of life is working and struggling to succeed, only to find that, along the road to success, there are pitfalls which falter us briefly and cause us to pick ourselves up, regroup, and continue goalward. This is Coach Orr's

philosophy, and this is how he held his team, our team, together this year.

Our team faced obstacles and outrageous odds each week, but kept on meeting the challenges of individual, team, and program improvement. This year's team has started the firm foundation from which future teams can grow. The most important factor achieved by this year's Blue Streak football squad was

not the 1-9 won-lost record, but the post 1-9 attitude that remains. The rebuilding of the erosion of the attitude and morale over the past years is now in the process of happening, and with Coach Orr's idea of creating a high morale for future development, it looks as though Madison can again become a league contender.

"Coco" And "Dreams" For 1977 Homecoming.

This year's 1977-78 Senior Homecoming Dance was held at the high school cafeteria on October 22nd.

The theme of this year's Homecoming was "Dreams". The cafeteria was decorated in silver, gold, and dark and light blue. The couples enjoyed dancing to the band "Coco" from 8 - 11 p.m. The crowning of Queen Karen Bates was the highlight of the evening. The queen was

crowned with a floral crown by the senior class president, Steve Woodworth.

The queen's court consisted of Sue Bowen (escorted by Sam Britton), Tracy Bowers (escorted by Brian Fowler), Diane D'Abate (escorted by Chris Cicenias) and Jackie Kloes (escorted by Mark Girton).

All of the couples enjoyed a fun evening of entertainment and dancing.

Cross Country Strides Through Winning Year.

Under the coaching of Mr. Sears and Mr. Anderson, the cross country team finished 2nd in the N.E.C. Leading the way in the meet were Rob Rupinski and Jon Austin, who finished 3rd and 8th respectively. Rob and Jon also made it to district competition.

The team finished the year with a 4-3 record. This record could have easily been 6-1 since two of the meets were lost by only one or two points.

The team attended the Mentor Invitational, where they placed 4th, the University School Invitational, where they placed 6th, and the Malone Invitational, where the

team finished 2nd out of 26 teams and brought home a well deserved trophy that they presented to the school

The varsity team consisted of seniors Rick Bilski and Tom Shumaker; juniors Jon Austin, Byron Edwards, and Jim Aumick; sophomores Rob Rupinski and Jeff Austin; and freshman Frank Tascone.

Stats for this year were Judy Stewart, Mary Sammet, Mary Beth Myers, and Cheri Woodworth.

The J.V. team also finished the season with a winning record of 6-1.

Win Kenston Invitational.

The girls' cross country team had a great season this year with a won - lost record of 6 - 1.

Champions at the Kenston Invitational, the girls' cross country team came in second at the Cloverleaf and Chagrin Falls Invitationals, third at the Willoughby South and Dover Invitationals, and fourth at the Wadsworth Invitational and the All-Ohio meet.

Jamie Sulzbach was third or better in all but two major meets and was the individual champion at the Kenston Invitational.

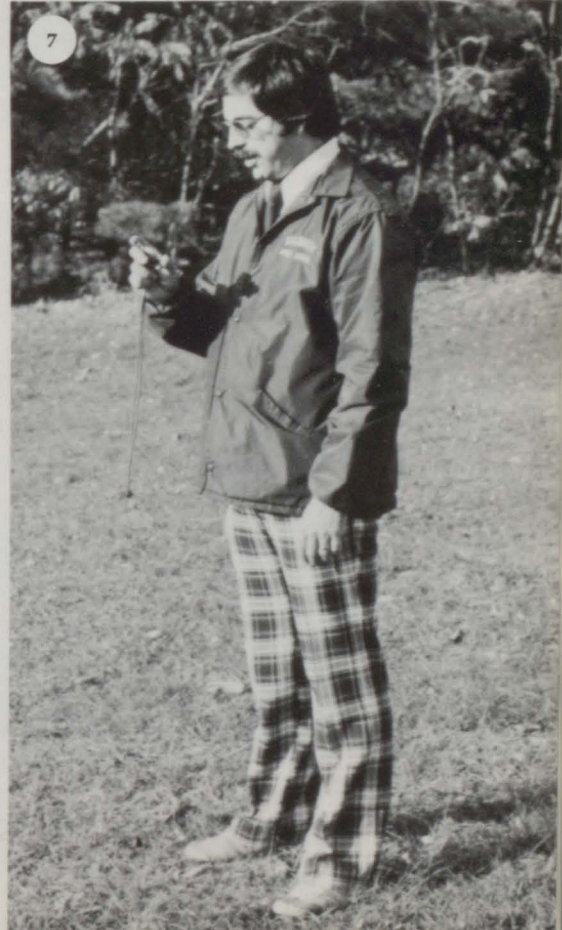

There were only two seniors on the team; Nancy McDonald and Jackie Kloes. Others who were awarded letters were Sandy Hull, Karen Cicenas, Colleen Kohler, Jamie Sulzbach, and Polly Gibbon. The J.V. team consisted of sophomores Kris Michelson, Laurie Smith, and Angela Stubblefield.

Next year five of the top runners will be returning for another season and they hope to qualify for the state cross country meet.

1. Jamie Sulzbach, Sandy Hull, Colleen Kohler, Karen Cicenas, and Polly Gibbon strive to make it first to the finish.
2. Karen Cicenas gave 100% in every race and ran well consistently.
3. Freshman varsity letterman, Polly Gibbon.

5. Lori Smith, Angela Stubblefield, and Kris Michelson.
6. Jamie Sulzbach, the #1 runner for two straight years.
7. Mr. Pavesich times his speeding Streakettes.

Golf Team Goes Through Rough Season.

The golf team struggled through a rough and wet season this year. Playing in bad weather all year, the team managed to pull an upset over Riverside, a state contender last year.

The varsity golfers representing the school this year were senior Dennis Rave; juniors Dave Isaac, Greg Quirk, Joe Paquin, and Dennis Smith; sophomore Bill McGee; and freshman Bill Hoffman.

The team should be a contender since only one senior is on the team.

Volleyball Team Crushes N.E.C. Opponents

5

The 1977 volleyball team continued their dominion over the N.E.C. this year, with a perfect 14-0 N.E.C. record.

The team came close to winning the district title, but lost to Mentor in a district game that was very close.

The varsity team consisted of Karen Bates, Kathy Pollock, Mary Tarbuck, Kathy Moss, Jane Anderson, Brenda Orris, Sally Crawford, Sue York, and Pam North. They were coached by Miss Anderson.

The J.V. team had a little rougher time and came up with a 6-8 record.

The team should have another good season next year, since only two seniors are on the varsity squad.

Field Hockey Opens Season With New Coach.

This year's field hockey team showed vast improvement as the season went on. They finished their season with a record of one win and four losses. Co-captains were seniors Jan Aumick and Sue Bowen.

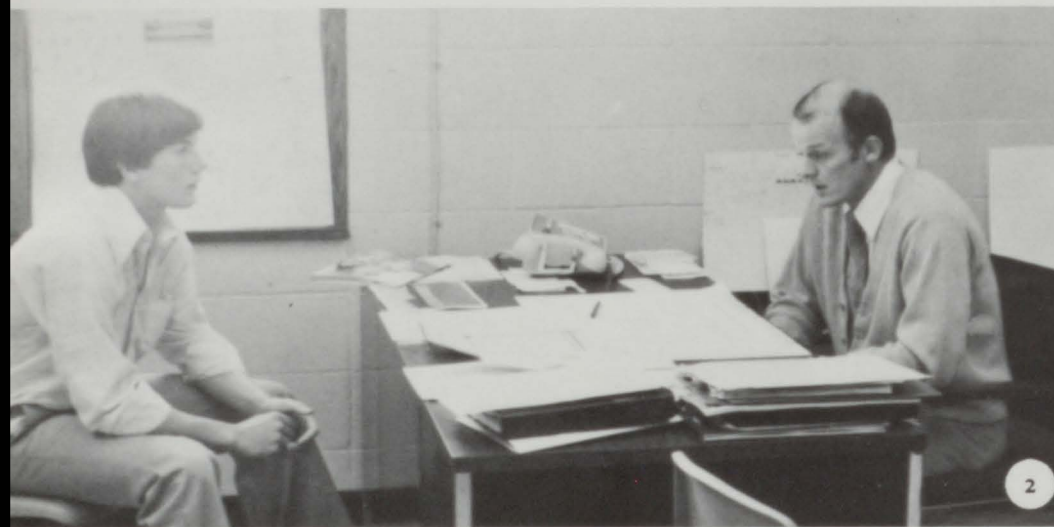

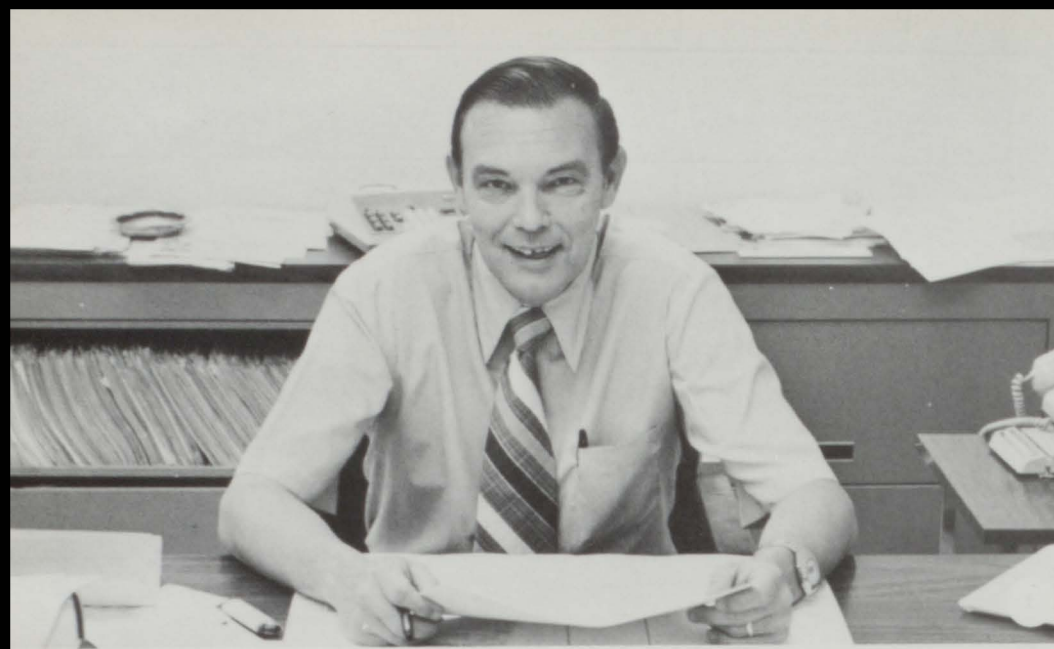

This year the girls had a new coach, Mr. Morgan. This was his first year in coaching field hockey.

The forward line included Tammy Watson, Terri Incorvati, Michelle Kovalchik, Jan Aumick, Sue Bowen, and Barb Perry. Team halfbacks were Anne Sency, Kay Malinowski, and Roxanne Ruland. At full-back were Kelly Booth, Kim Walker, and goalie Anne Juist. Since there was not enough for a junior varsity team the following girls also played varsity; Janice Ogurchak, Helen Smetters, Michelle Markgraf, Kathy Incorvati, and Sue Cooper.

STREAMS

Winter Through Season

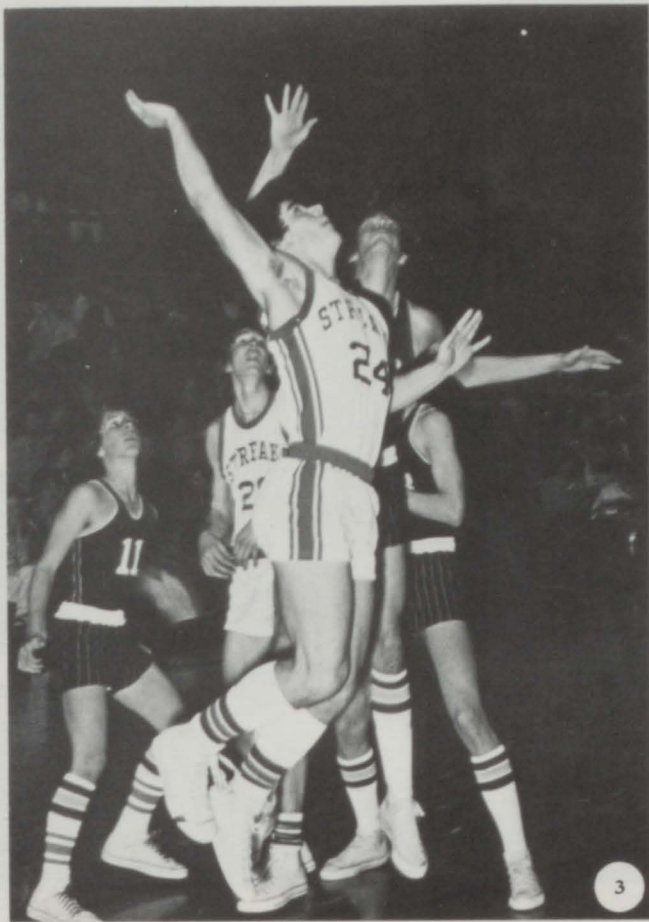

Basketball Team Bounces Through Season.

The 77-78 basketball season started with a huge success with Steve Rozick leading the Blue Streaks in a crucial victory over the Perry Pirates 73 to 66. Steve scored 31 points. They followed up with an impressive 88-77 win over Wickliffe Blue Devils. Steve again scored 33 and Ken Solden followed up with 22 points. The remainder of the season was exciting with many close games but not the victories the players or coaches would have liked. The scoring was led by Ken Solden,

John Parker and Jeff Cody for the most part. The rebounding was led by Ken Solden, Jeff Cody, and Greg Koski. The ball handling chores were handled by three hustling guards; Dave Koski, Tim Elliott, and Tony Naughton. The brightest part of the season was probably the development of the young ball players. One freshman, two sophomores, and five juniors were on the varsity team at the close of the season. It looks like the Streaks are building another championship team.

Girls Come Through With Good Season

This year's girls' basketball team, under the coaching of Miss Phillips, came through with another strong season. Led by senior Linda Anderson, the team scored victories over most of their N.E.C. opponents.

The varsity team consisted of senior Linda Anderson; juniors Mary Tarbuck, Karen Cicenas, and Kathy Moss; sophomores Lee Ann Ortiz, Jenny Smith, Carolyn Wirfel, Sandy Daughters, Mickey Jones, Pam North, and Mary Baron.

The team was basically in a rebuilding year, with a very young team. With only one starter graduating, we can look forward to another good season next year.

Wrestlers Take Six Firsts In N.E.C. Tournament

The 1977-78 wrestling team came through the season with another winning record. However, our winning streak of 28 N.E.C. dual matches in a row came to an end with Riverside beating us in a 28-23 heart-breaker.

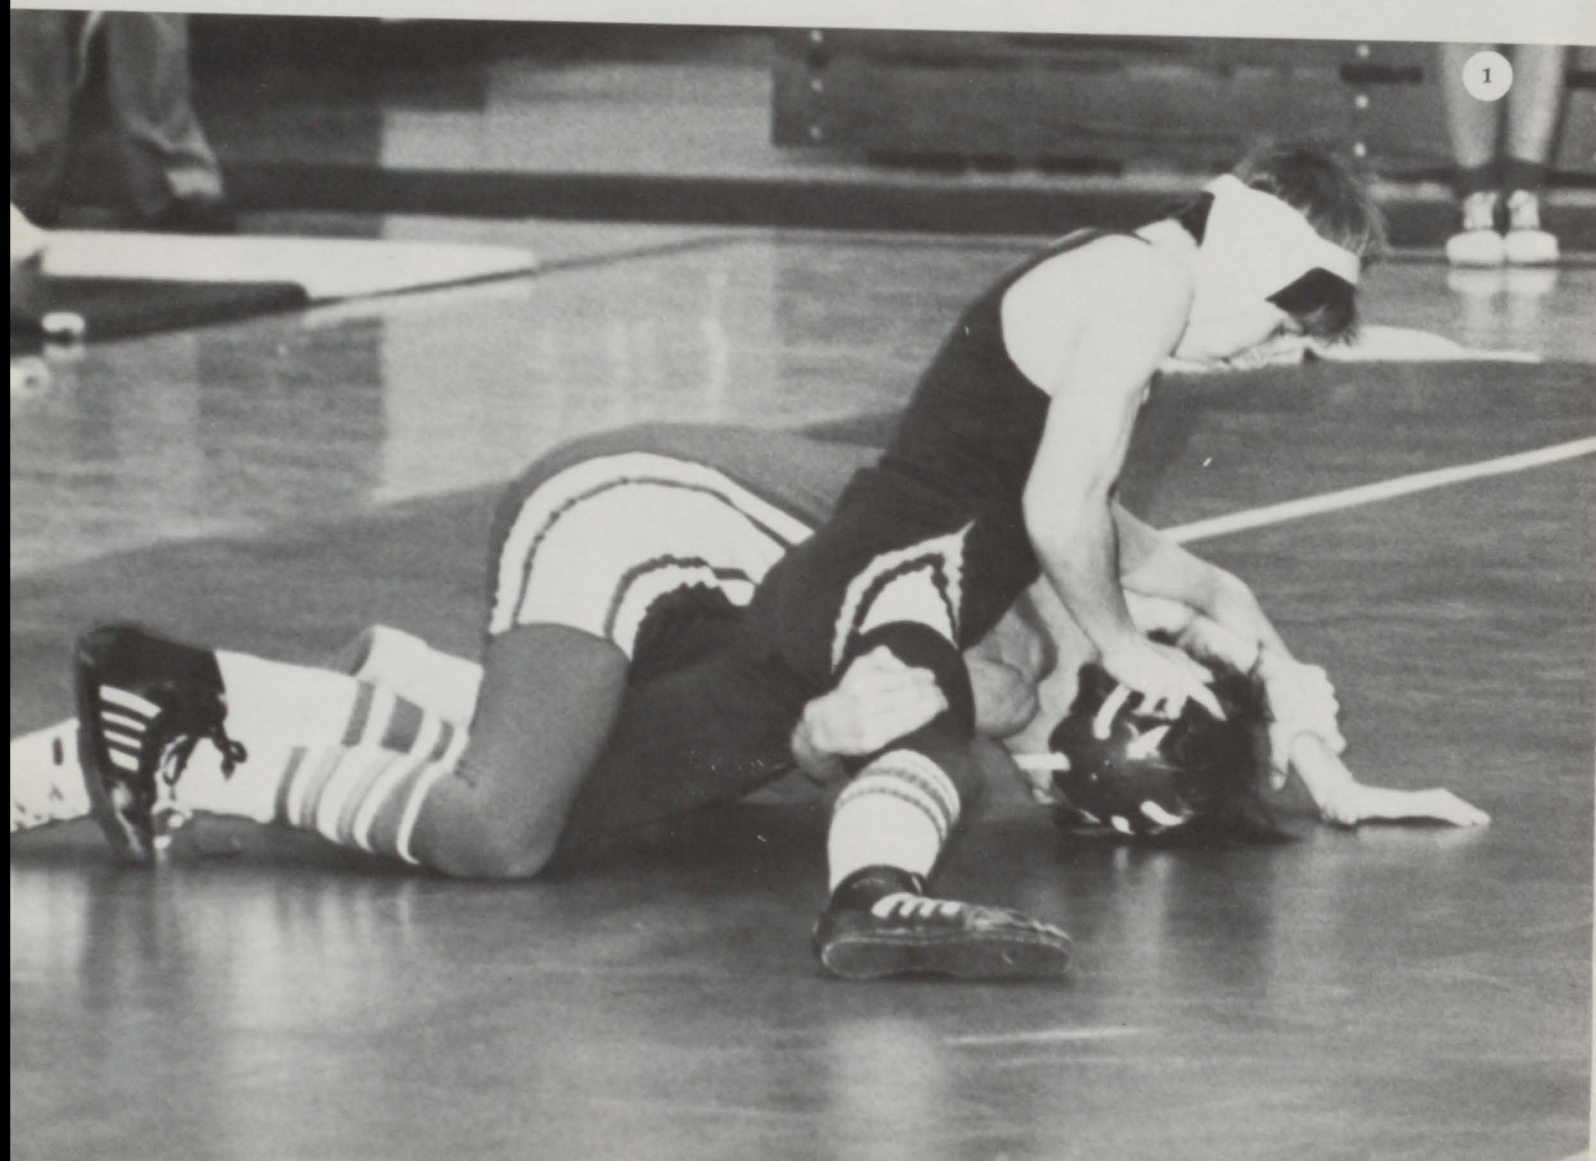

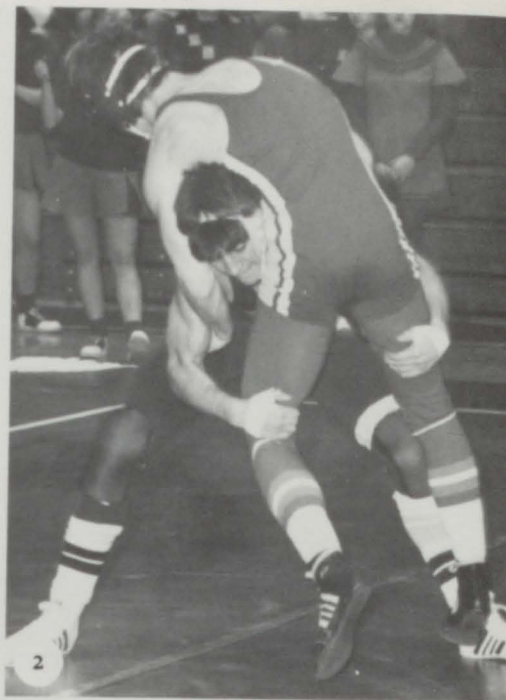

The team also bowed to Riverside in the N.E.C. tournament. Riverside finished 19½ points in front of Madison, who sorely missed 138 pounder Tom Lasko, who was out with a broken leg.

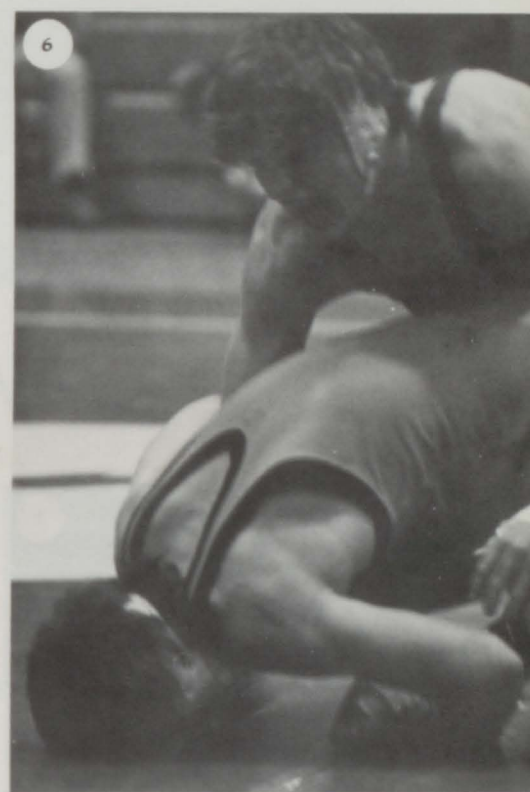

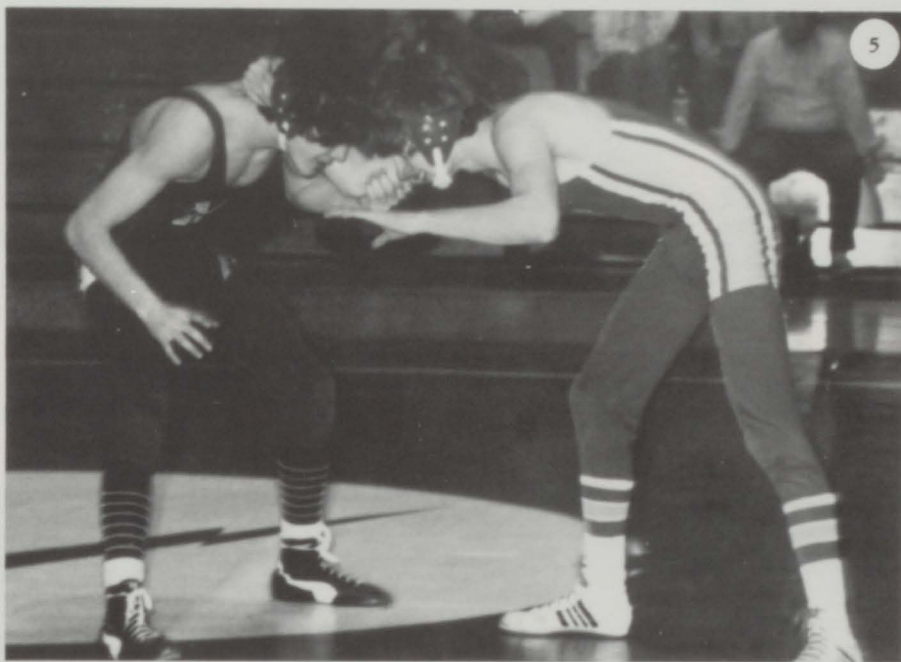

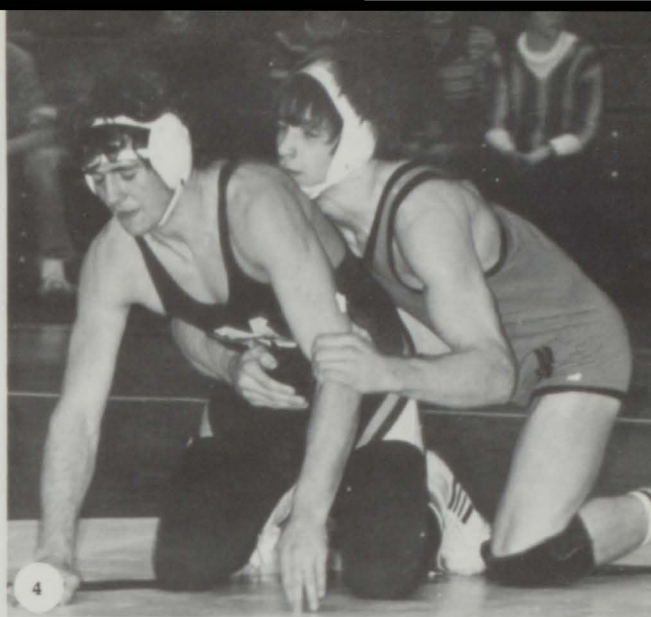

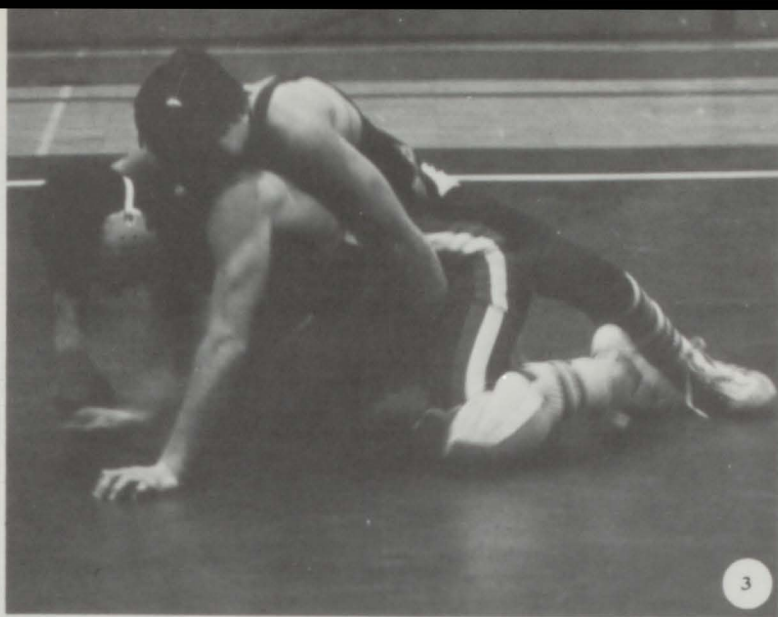

Taking first places in the tournament were; Jeff Notte at 98, Scooter Darnell at 126, Jim Aumick at 132, Bill

Whitehair at 145, Rick Booth at 155, and Scott Clark at 185. Rich Carlisle placed second while Jack Scott and Dave Paratto finished 3rd and 4th respectively in their weight classes.

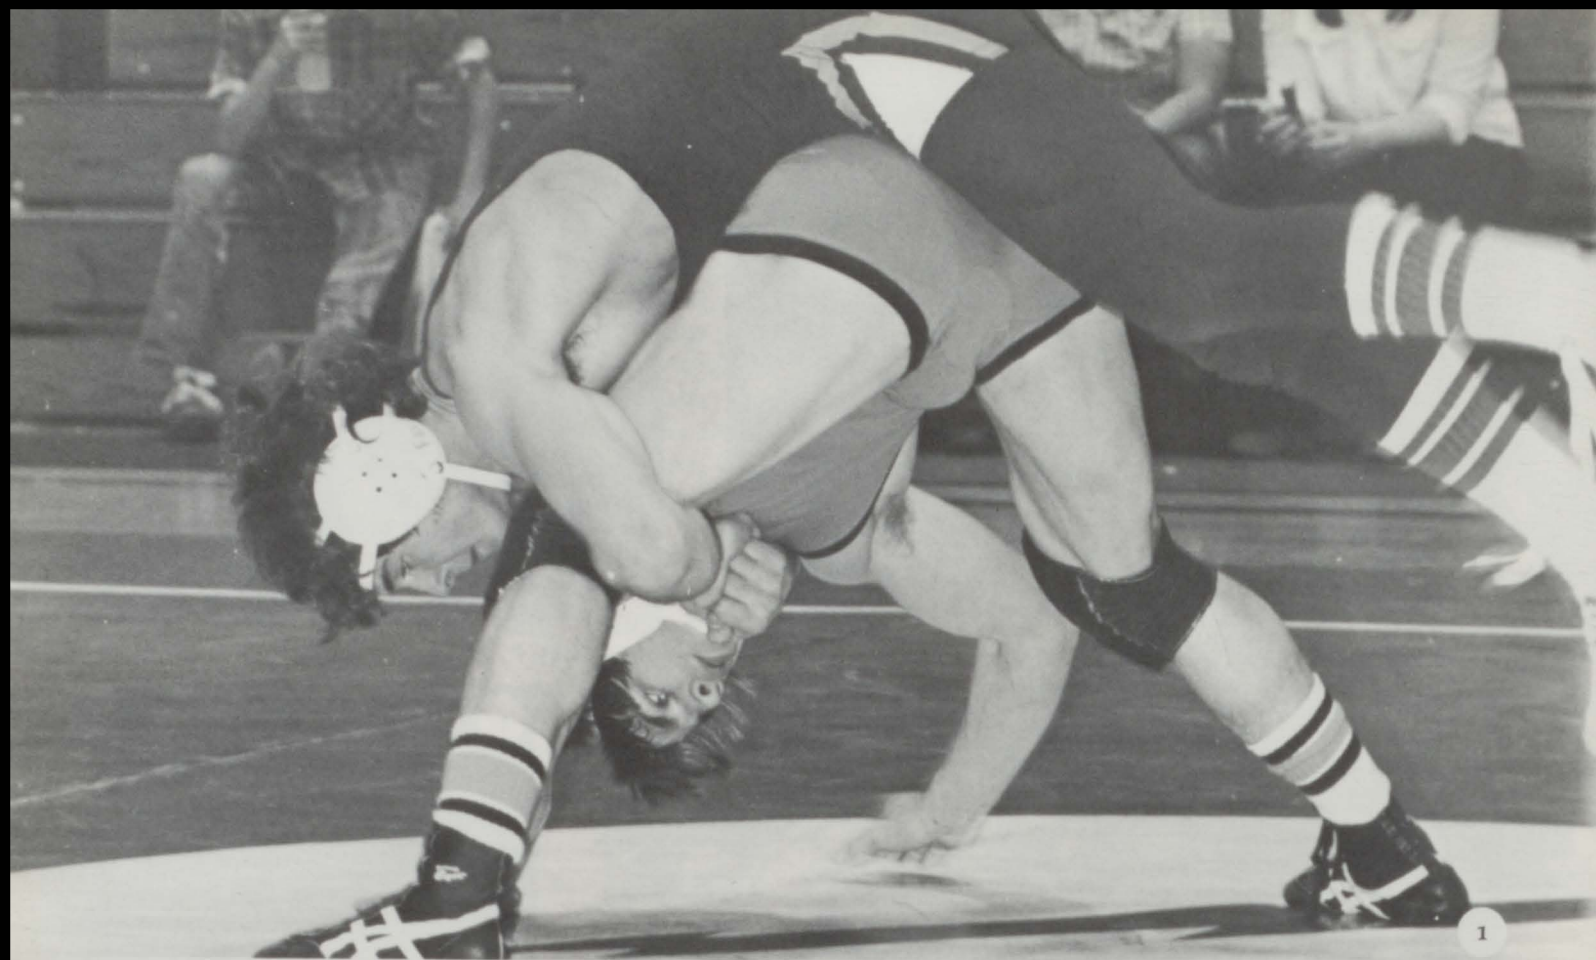

Jeff Notte maintained the only perfect record this year on the team. He was followed closely by Scooter Darnell and Rich Carlisle, who only lost once.

We can look forward to another good season of wrestling next year, since we have only four graduating seniors on the team.

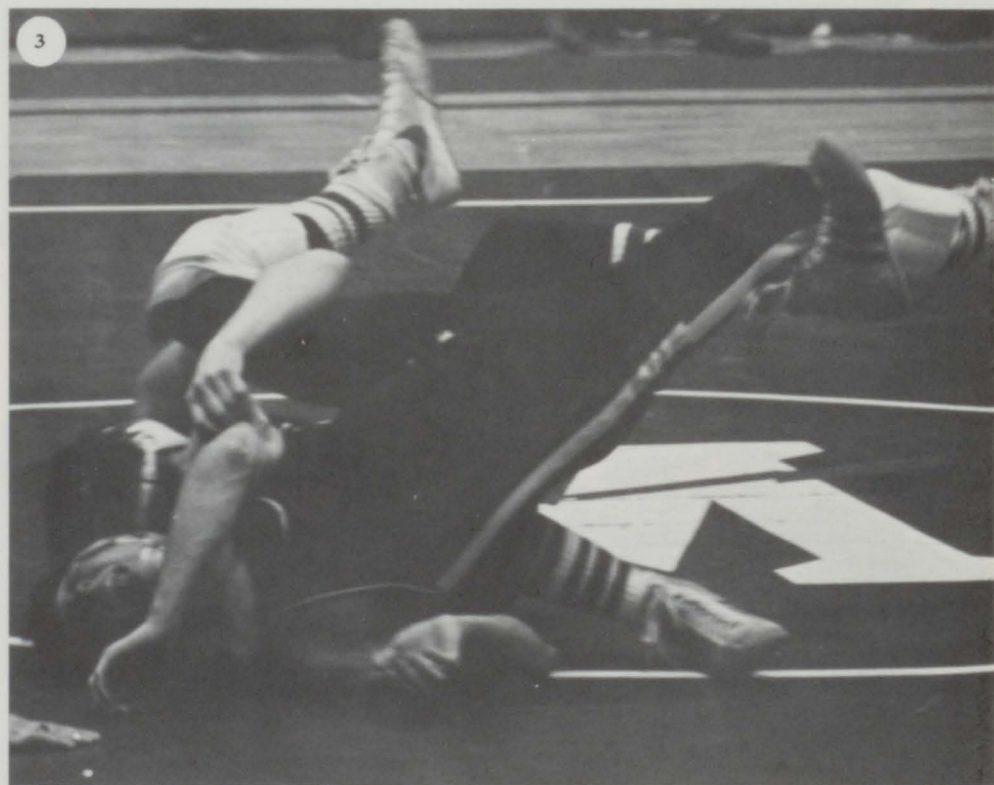

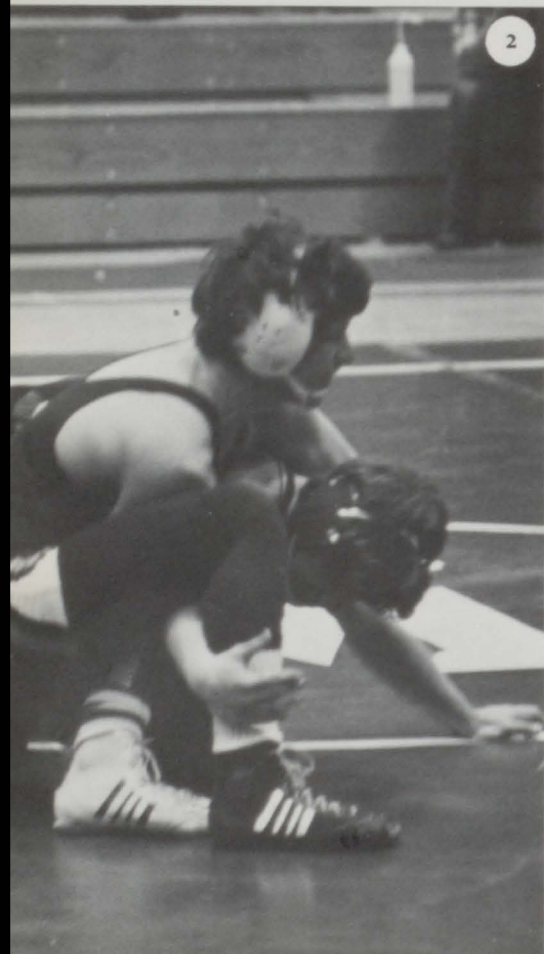

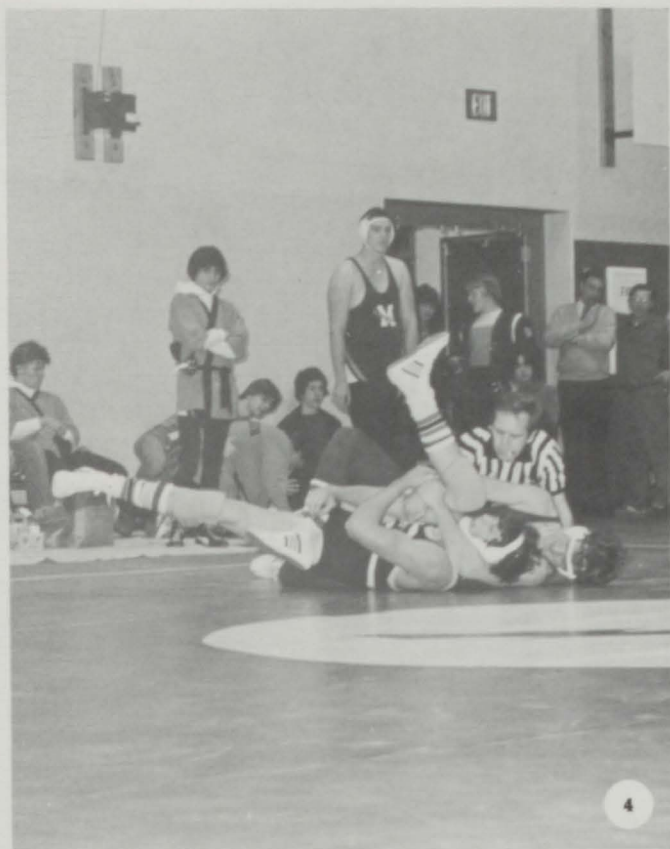

1. Jeff Notte applies pressure on his way to another victory. 2. Bill Whitehair shoots in for a double-leg takedown. 3. Jim Aumick works toward pinning his opponent. 4. Scott Clark tries to escape from the hands of his Newbury opponent. 5. Rick Carlisle works his way in for a take down. 6. Bill Whitehair groans in pain while his opponent bends his knees the wrong way. 7. The team intently watches a close match.

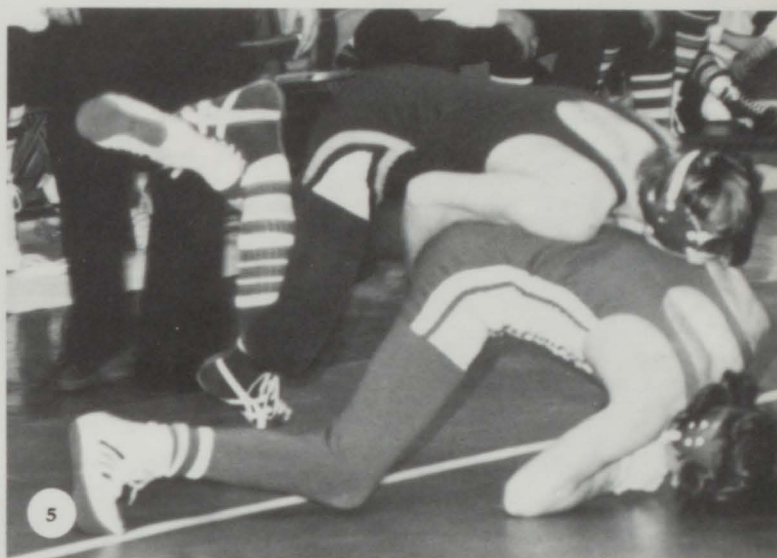

Wrestlers Finish Strong In N.E.C.

1. Scott Clark cradles his opponent. 2. Rick Booth tries to gain control. 3. Jim Aumick applies the final touches to his match. 4. Scott Clark pins another opponent. 5. Scotter Darnell rides his opponent out.

Freshman Music Students Present Concert

The Madison High concert band is composed of ninth graders who meet every day sixth period. Their activities include a Christmas concert, a spring concert, and also playing for commencement service.

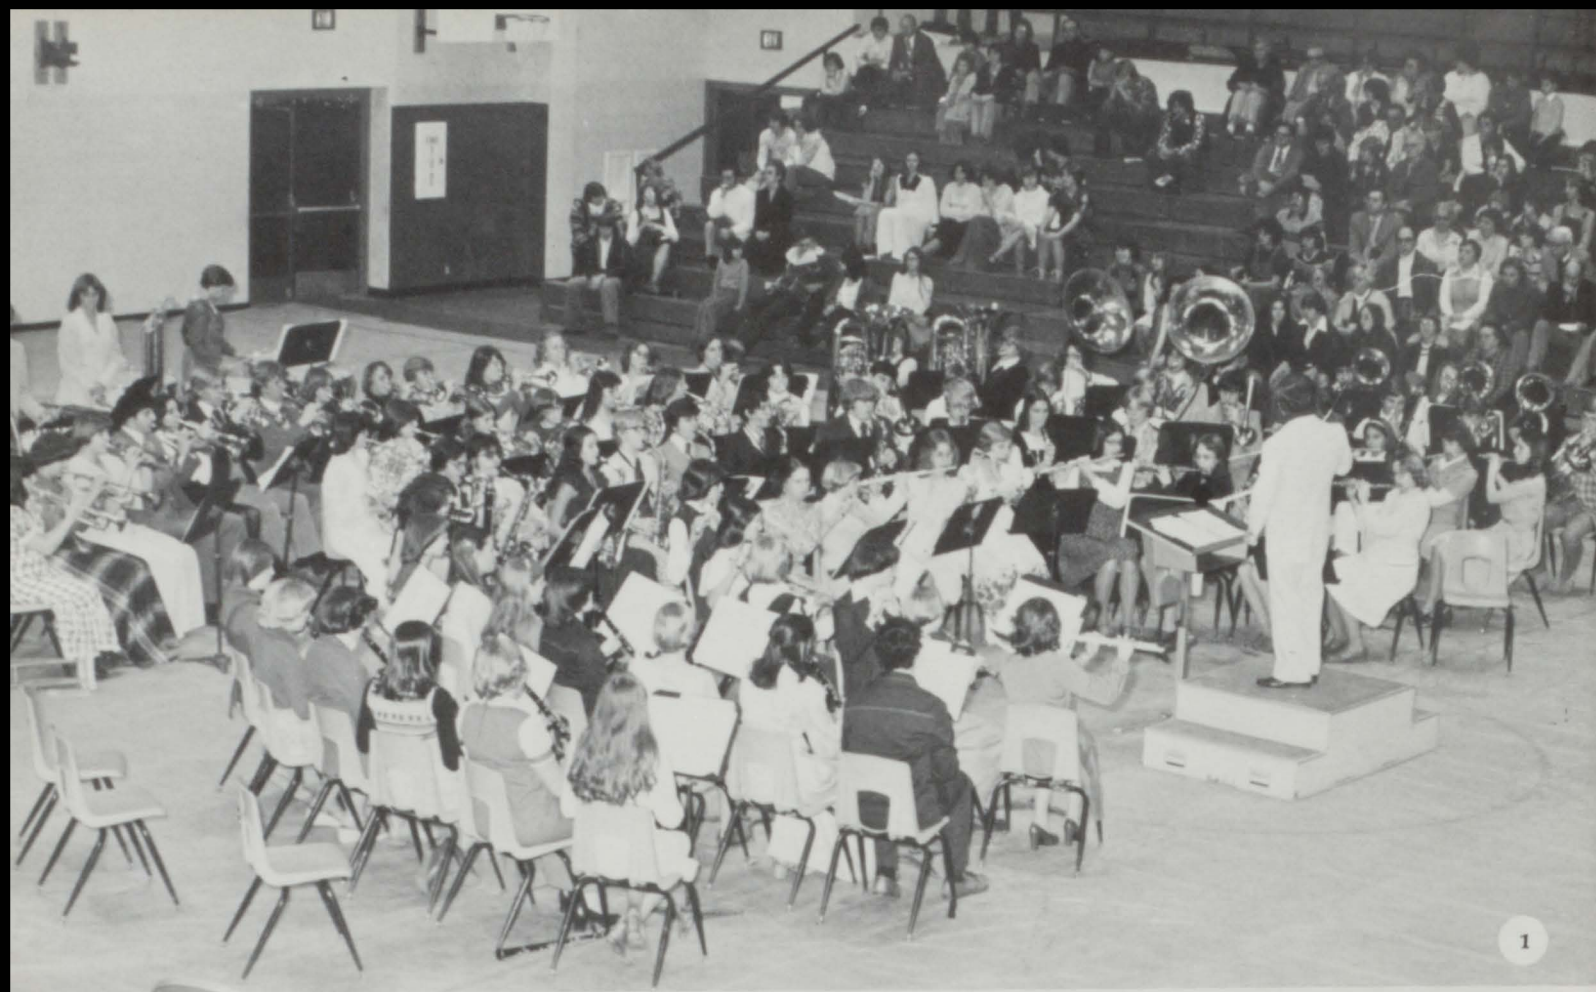

The ninth grade concert band serves a useful purpose in the school curriculum and is a vital function to school life.

The junior chorus is composed of freshmen choir members who passed the musical tryout requirements. Their performances include a Christmas concert, a choir festival, and the spring Sing Out. Next year those students in the junior chorus wishing to advance must pass stiffer tryout requirements.

The chorus shows excellent potential for being a superior choir in future years.

“The Sound Of Music” In Madison High.

The symphonic band is composed of sophomores, juniors and seniors. Besides performing the traditional Christmas and spring concerts, the symphonic band held a concert with Brush High's symphonic band, recorded an album, had a concert with Perry Band and had individuals compete in the Ohio OMEA solo and ensemble contest.

Scholastic Artwork

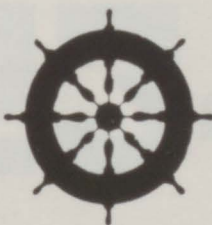

In the spring of '77 a contest was held among the student body for a design to be made into a sculpture to be mounted on the front of the school building. Diane Henrietta submitted the winning design which was enlarged on paper. These pieces were then cut out of steel plate in our shop. Cor-ten steel was used which oxidizes but does not rust as most steel. Students assisted Mr. Petersen cut these pieces, which were then erected. The sculpture is now a permanent part of the building structure.

1. Randy Williams assist Mr. Petersen in cutting an arm for the sculpture. 2. Gary Brendlove grinds rough edges off a section of sculpture. 3. Madison's football squad? 4. Dave Skinner shares a shocking chapter with Janice Ogurchak. 5. Look at these hands!

Baseball Team Finishes Strong In N.E.C.

The 1977 Madison Baseball Team ended up with a won-lost record of 10-5. The most exciting and best played game was against Edgewood, which resulted in a 15-0 win. An 8-4 loss resulted against Ashtabula, despite the efforts of pitcher Gerard Malley. Winning efforts were again successful, however, against Ashtabula Harbor and Perry.

Pitchers for our last season were Gerard Malley (5-3 won-lost record), John Woodside (3-0 won-lost record), Jeff Lakatas (3-1 won-lost), and Jim DiPofi (1-0 won-lost record). Greg Lyons led the team with the highest batting

average (.380), with Craig Holibaugh following close behind (.356). The overall team batting average resulted as .298.

The following team members aided in the winning season: Greg Lyons, Craig Holibaugh, Bob Nichols, John Parker, Ed Potti, Shawn Wirtzberger, Tim DiPofi, Jim DiPofi, Mike Walsh, Mark Fay, Steve Woodworth, Bob Widlets, Jim Myers, John Woodside, Gerard Malley, and Jeff Lakatas.

We wish the best of luck to those returning lettermen, and to those newcoming, for another successful baseball season.

Snow Days; Strike - Vacation

This year's first semester seemed to continue on and on. There were several factors responsible for this unending semester. First of all, there was the teachers' strike. The teachers' strike ran a total of four days. During these four days a system was set up to accommodate those students that found a way to school. With the bus drivers and food service personnel honoring the teachers' picket lines, students were responsible for their own transportation to school and providing their own lunches.

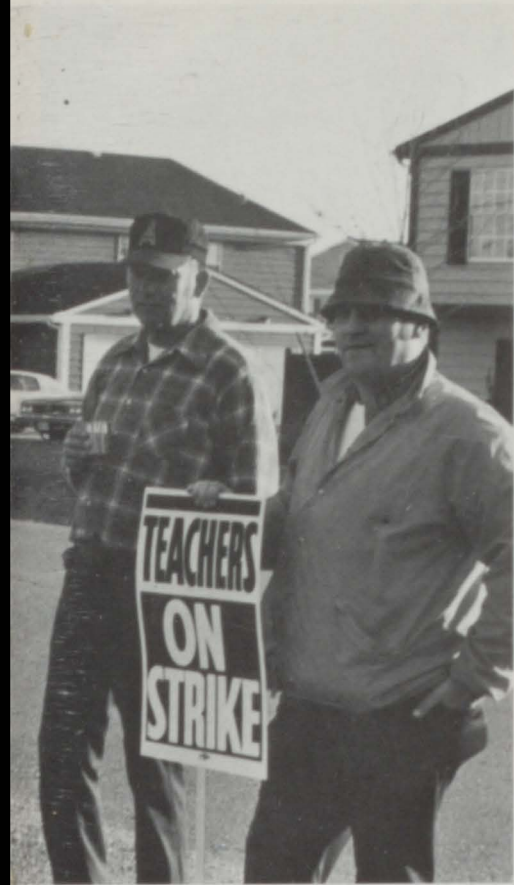

Another important factor was the weather element. This year nature has left her fury upon us in the form of blizzards. This winter has un-

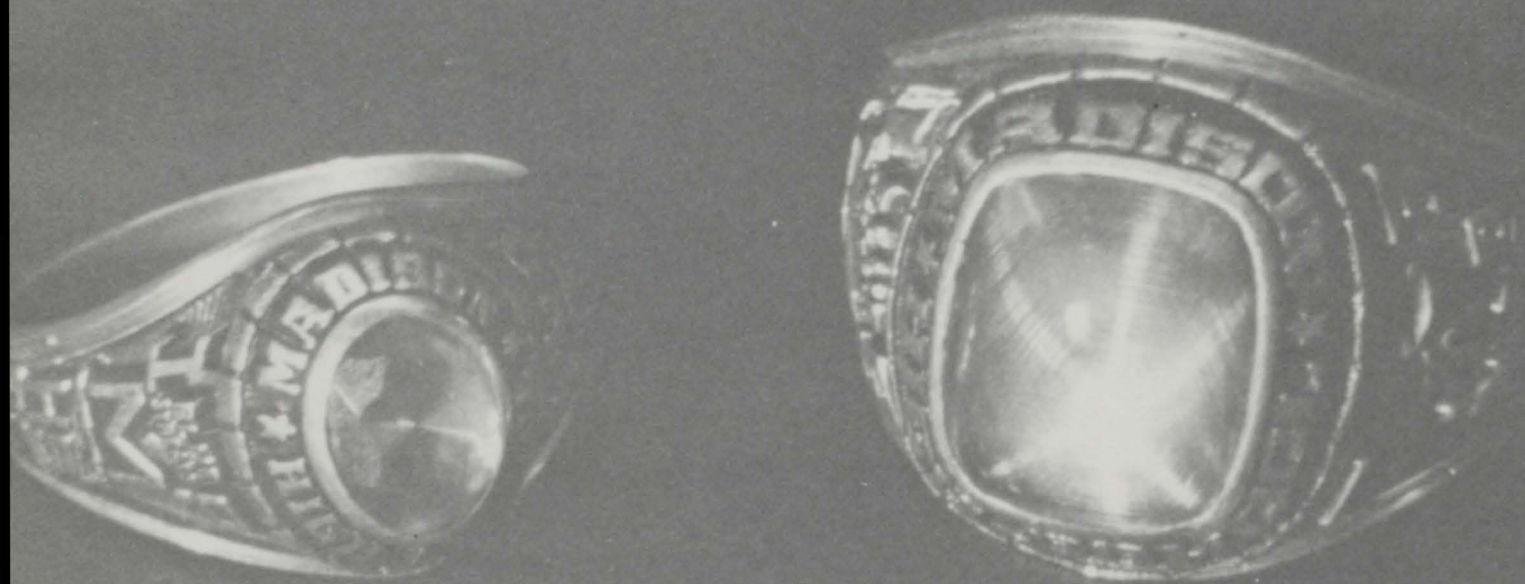

doubtedly been one of Madison's worst. A total of seven days were dismissed as "snow days". During these "snow days" many of us were caught within our homes, unable to conquer winter's fury.

So, a total of eleven days were taken away from school during the first semester. If you add Christmas vacation along with these eleven days, it seems as though the first semester took so much longer to end. If this trend should continue, school may continue longer in future years. What lies ahead for future school years is placed at the mercy of Mother Nature and any other outside forces which may hamper the continuity of the school year.

TEACHERS ON STRIKE

Memories of our high school days
Will linger in our thoughts and ways.
We'll remember how it used to be
And reminisce quite frequently.
Time has yet to pave our way
As we live from day to day.
We'll look back, and then we'll see
Our high school years as memories.
