WINTER

Cauldron 1990

Madison High 3100 Burns Rd. Madison, Ohio
Volume 61

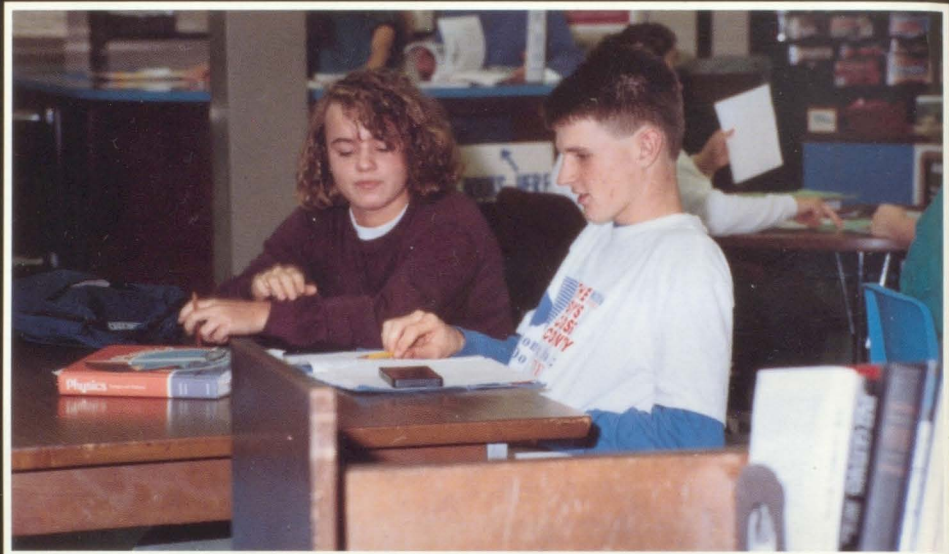

This year at Madison High School, there were many changes. Some of the changes were the following: a new Superintendent, a girls' soccer team, and many retiring staff members. A new body replaced Miss Jean Westfall: Mr. Stan Heffner. Everyone eagerly awaits to see the changes he will make to improve our school system. A girls' soccer team was also started after many years of suggestion. It was extremely popular and promises to remain so.

All in all, the 1989-1990, school year was very positive. The spirit in the school was overpowering and more noticeable than in years past. The spirit and faculty/student interactions brought a caring and close atmosphere to Madison High School.

Although high school's end is eagerly awaited, as the years slowly slip away and graduation nears, a realization of what will be left behind leaves the students not quite so eager for the end to come. Through the years, new friendships were made and most students did drastic maturing. They began to realize what life is really about.

As the year comes to a close, we say good-bye for the summer and to the Seniors and look to our futures.

Seniors Move In New Directions

For the Seniors from the graduating class of 90, it was obvious that this was not going to be just another year at Madison. This year would bring new directions for each one of them to move and grow. Furthermore, the endless hours of hard work would now pay off. College applications would be sent, and acceptances would be returned.

They began the year with energy and enthusiasm. For the Seniors who wanted to broaden their knowl-

edge of different languages, Russian and Japanese were offered to those students who had already taken three years of either French, Spanish, and or German. As for those Senior girls who had been waiting for equality in the sport of soccer, the opportunity finally came to take part on a female soccer team at the Varsity level.

Alive with fears and excitement, the Seniors had a year that they'll always cherish.

Juniors Look Ahead

Three years ago, our Juniors just entered the high school. As freshmen, they remembered the year as an exciting and new experience to enjoy. This was a time to meet new friends and adjust to the different atmosphere in the school. Now, surprisingly, they had only one more year to go before facing the real world. This was very scary. They had to take on more responsibilities and prepare to make decisions regarding their future. For the ones thinking about college, this meant concentrating on getting good

grades because they knew their junior year record was very important. The PSAT was taken at the beginning of the year to prepare for the SAT and ACT taken in the spring. For others, their future plans were directed more towards going into the armed services, starting a career right after graduation, or maybe even raising a family. Whatever choice was made, most people believe their junior year was one of the hardest.

Sophs. Earn Freedom

Many exciting events happen during a Sophomore year. Students receive their driver's license, giving them a sense of freedom. Some of the students get their class rings, taking time out to choose the style and size and then deciding what color he or she wants and what sports to show on it. The Sophomore year is also a step up socially. Upper-

classmen start including Sophomores in parties and school cliques. Another important event is getting a job. Now that students turn sixteen, they get more responsibility and more is expected of them. Getting a job also helps prepare them for "real life". All in all, the Sophomore year is a great year. Sophomores finally gain a new sense of freedom.

Frosh. Learn Responsibility

The feeling of walking into a new school and not knowing where to go or what to do is something everything has to confront as a Freshman. Rumors can make the first day of school even worse. Having upperclassmen telling a new student to take the elevator to the third floor to find the swimming pool is one of the various rumors confronting new Freshmen. The High school is "a lot different than the Middle

School," exclaimed Dawn Piros, the Freshman class President. Freshmen learned to fit in with everyone at the High School. They had a chance to pick and choose some of the classes they would like to take. There were different Math, Science, English, Language, and History classes offered.

By the end of the year, the Freshmen had become an important part of the student body.

Athletes Show Skill

Year after year, many new people have participated in fall, winter, and spring athletics. Each season lasted over three months and required time, dedication, and hard work. Playing a sport gave students the opportunity to demonstrate their skills and ability to achieve success. Cheering on sporting events provided fun for the entire student body. 100% ef-

fort was given by each team: Football, Soccer, Cheerleading, Cross Country, Golf, Volleyball, Basketball, Swimming, Wrestling, Track, Tennis, Softball, and Baseball. Exceptional athletes were rewarded with scholarships to colleges or Universities. Student involvement in athletics made life at Madison High much more lively and enjoyable.

"Angel Eyes" Shine

The spirit began to flow early in the week as the entire school prepared for Homecoming. At the "spirit rally", the students cheered as the mock court entertained them. Then, once again, spirits soared on October 14th as Liz Luke from Power 108 rocked students into the night. The cafeteria was transformed by the Homecoming

Committee into heaven with clouds and stars hanging everywhere. As the theme "Angel Eyes" played, Mike Mahany and Wendy Hughes danced the traditional king and queen dance, while eager eyes looked on. Overall, the whole weekend turned out to be a giant success.

Student Life Thrives

Every school has Homecoming and Proms, but at Madison, school life is much more involved. This year, Madison High School started the year with some brand new ideas. First, Madison collected clothing for needy people after the hurricane disaster in South Carolina. A new, more exciting Spirit Week was introduced, with such ideas as pajama day, generic

day, and "calm before the storm" day. The excitement continued with cheerful sports and pep rallies held every month. As of printing time, Student Council was planning many more activities with which to pack the school year. This included the canned food drive for the less fortunate people at Christmas time, collecting for the United Way fund and the

annual Mistletoe Ball. This year also marked the beginning of United Hands. Any student who wished to participate donated twenty-five cents and then joined together with the band to parade about the school. All proceeds were given to United Way. The Red Cross Bloodmobile came once again to M.H.S., giving students a chance to donate blood to save others' lives. This year, a leadership conference, involving many groups in the school, and a Sadie Hawkins dance were also planned.

In Loving Memory of Mark Blalock

One night a man had a dream. He dreamed he was walking along the beach with the Lord. Across the sky flashed scenes from his life. For each scene he noticed two sets of footprints in the sand, one belonging to his and the other to the Lord.

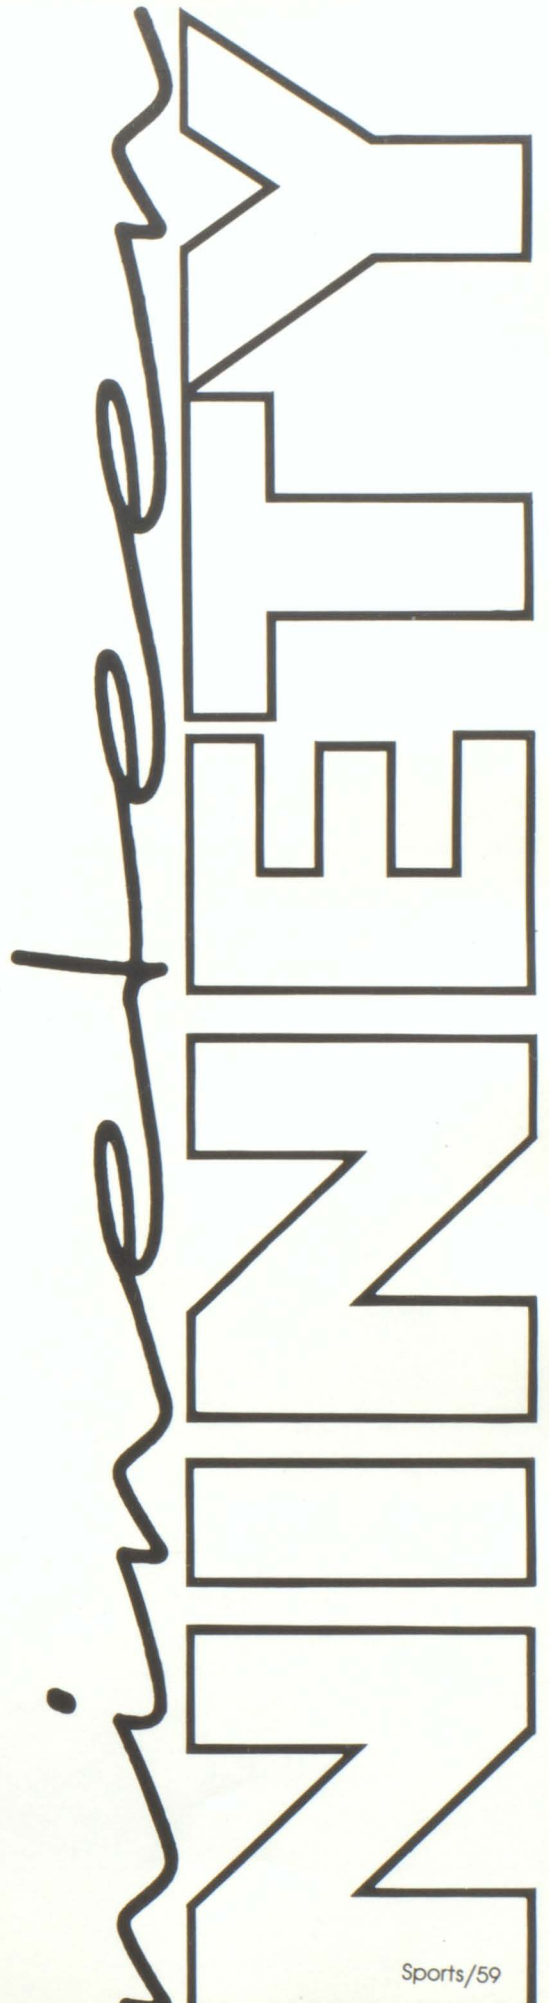

When the last scene of his life flashed before him, he looked back at the footprints in the sand, and he noticed that many times along the path of his life there was only one set of footprints. * * * He also noticed that it happened at the very lowest and saddest times in his life.

This really bothered him and he questioned the Lord about it. "Lord, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me."

The Lord replied, "My precious, precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you." Anon.

"God is our refuge and strength, a very present help in time of trouble." Psalm 46:1

SPORTS

Winning Isn't Everything!

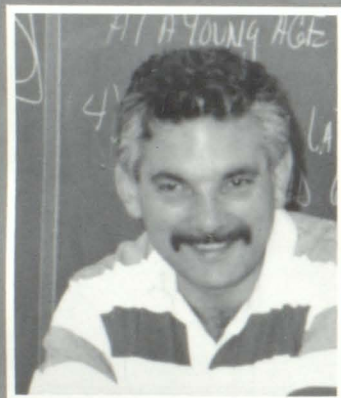

This year, the Madison High School football team finished the season with a disappointing 2-win and 8-loss record. Although there were many outstanding individual performances, the team just couldn't put everything together at the right time. Although the team didn't win much, they always played with pride and dedication.

A new coaching staff assisted Mr. Rex Reigert this year. They were Mr. Jim Meyers, Mr. Gary Fortuna, Mr. Mike Smith, Mr. Roy Nurkka and Mr. Bob Peterlin.

The football team had three players selected to the all NEC

second team. The players were Chris Smith at offensive tackle, Jim Rihaly at wide receiver, and Jeff Fortney at punter. Honorable mention was given to Jeremy Boyle and Matt Byers. Special mention was given to John Pierce and Aaron Waddle.

The two brightest spots for the team were when they beat Harvey, who qualified for the state playoffs, by a score of 13-12, and when they were beating Geneva, who also qualified for the state playoffs, at the end of the third quarter 7-6. The Streaks just couldn't hang on for the win, however.

JV's Improve

The 1989 JV football team had an up-down season with a record of 4-5. The twenty-five players on the team worked hard to turn the season around. Starting out slowly and without much organization, the JV's lost a couple of games. After further practice and preparation, the season started to pick up. In a game against Geneva, Eddie Szabo threw over 200 yards to win the game. Coach Bob Peterlin stated that the game was a "good game for all the guys." Coaches for the season were: Bob Peterlin, Jim Myers, Mike Smith, and Gary Fortuna. Coach Peterlin anticipates a good year next year.

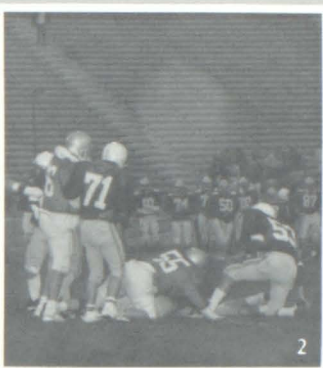

1. Sophomore, Eddie Szabo extends his lead on a Conneaut competition.
2. Junior Justin Meister looks for a way to dodge the Conneaut competition.
3. The Bluestreak offense gets ready to snap the ball.
4. The JV defense waits for the Harvey offense to begin the play.
5. Sophomore Kevin Zilke looks for another man to block.

Freshmen Challenged

The freshmen were faced with another tough season in 1989. With only thirteen on the team, many of the players were playing the whole game without any breaks. Even though they came up with a record of 0-6, the team's determination stayed strong throughout the season. One of the high points of the season was when Kyle Jackson caught an eighty-yard touchdown pass from Tony Arendas on a trick play. Coaches Ron DePascale and Gary Fortuna were pleased the way the team's spirit held up through the season. Now that the team has had a year of experience together, they look forward to their JV year.

"Our record does not truly represent the quality and heart of this football team. Although to look on the bright side, everyone gained plenty of experience in playing time and improved throughout the year." Ron DePascale

Cheerleaders Show Spirit

The Madison Varsity Football and Junior Varsity cheerleaders did a lot to pep up the school this year. Both squads started practicing a week after school ended in June. They also attended cheerleading camps to get new ideas and materials to use on the field and court. They made banners and signs for pep assemblies and to hang on the players lockers on game days. All their time and effort was rewarded with school spirit.

The Varsity Football squad went to Americheer Camp at

Hiram College. There, combined with Madison's Varsity Basketball Cheerleaders, they won the "Top Squad" Award. This was an award presented to the squad with the most spirit, dedication, effort and cooperation within the squad and with others. The cheerleaders were very happy about winning the award for they had worked hard to get it. The Varsity squad also woke early in the morning of the homecoming game to pep up the senior football players. The cheerleaders gave each play-

er a doughnut and a big cheer to psyche them up for the game.

The Junior Varsity cheerleaders helped to produce a lot of the spirit in the school. The JV's attended USCA camp. They competed in some very difficult competitions and received some ribbons for their efforts. They helped out at football games by letting off balloons and holding the sign that the players run through during pre-game. Their squad improved a great deal and had a lot of fun together in the process.

Girls' Soccer Begins

1989 was a historical year for Madison High School and girl's soccer. It signaled the first year of having a Varsity soccer team for girls.

The team began conditioning in August and had only three weeks to get a team of twenty athletes to-

gether. Although this was only a short period of time, the Lady Blue Streaks really showed great unity and skill. During the games, they illustrated much determination to be a success.

Coached by Ms. Cindy Collins, the

team practised hard and learned new strategies. They ended the season with a record of 4-5-1, and also won their first sectional game. The Madison girls soccer Streaks definitely have many things to be proud of.

Varsity Soccer Kicks Off

This year's boys' varsity soccer team had a very successful season. With head coach Mr. Earl Delp, the Streaks ended the season with a 13-6-1 overall record. Leading the team as co-captains were Jack Muzzio, Chris Wirtanen, Tim Lenk, and Mike Young. The Streaks began tournament play seated fourth against Chardon. Beating Chardon 4, 3, they continued on to beat Eastlake North by a score of 3, 2 and finally ended an excellent season by playing a tough game against Mentor, only losing by one goal.

When asked to reflect on his feelings of the entire season,

junior Brian Bosworth responded, "I think we got off to a slow start, but we quickly pulled together, as a team to have a very successful season." With eleven seniors graduating this year, Mr. Delp believes next year's young team will do well, and he has strong hope for the future.

J.V.'s Impress In Performance

The J.V. soccer team will have much to look forward to in the upcoming years. Their record was 2-10-1 but they earned a lot of experience and showed signs of improvement toward the end of the season. Their coach, Mr. Art Young, felt that they should have won more games, but was impressed by their overall performance. The team captains, Chad Burgard and Clinton Behm stated, "It was a fun season and we're looking forward to next year." Overall the team performed very well and is expecting a very productive season next year.

J.V. VB Works

The J.V. volleyball team had a very productive year. The team played well together, and that showed in their 15-5 record. "All of us got along great and that helped us play better as a team," said team captains, Kate Fedele and Danielle Fidanza." A good J.V. season is important because that means a good varsity season one or two years down the road. Their coach, Miss Caroline Zook, stated, "We played a couple of offenses and defenses this year. Having smart players made the games fun to coach." Next year these J.V. players may become varsity players.

VB Spikes For Success

The girls' varsity volleyball season, coached by Miss Chris Anderson, ended up with a very successful year. Their record was 15-6 overall and 13-5 in the N.E.C., placing third in the conference.

This year's captains were seniors Wendy Hughes, Donna Miller, and Terri Spaulding. They all felt that the season was very good and a lot of fun. Wendy Hughes stated, "It was a good season and we all got along well."

Recognized for her outstanding efforts this season was Wendy Hughes- First Team N.E.C. and Second Team District. Terri Spaulding and Lynn

Hrbek received Second Team N.E.C. honors.

Coach Anderson thought the season had many fine points. The team's strong points were the defense, consistent setting, hitting, serving, and everyone working well together. She was very pleased that they beat Geneva both games because Madison has not beaten them for about eight years. Although there were spots where the Streaks lacked some experience, they always came through on the right nights and performed to their utmost potential. They all worked hard and accomplished the goals set.

Golf Swings Into Action

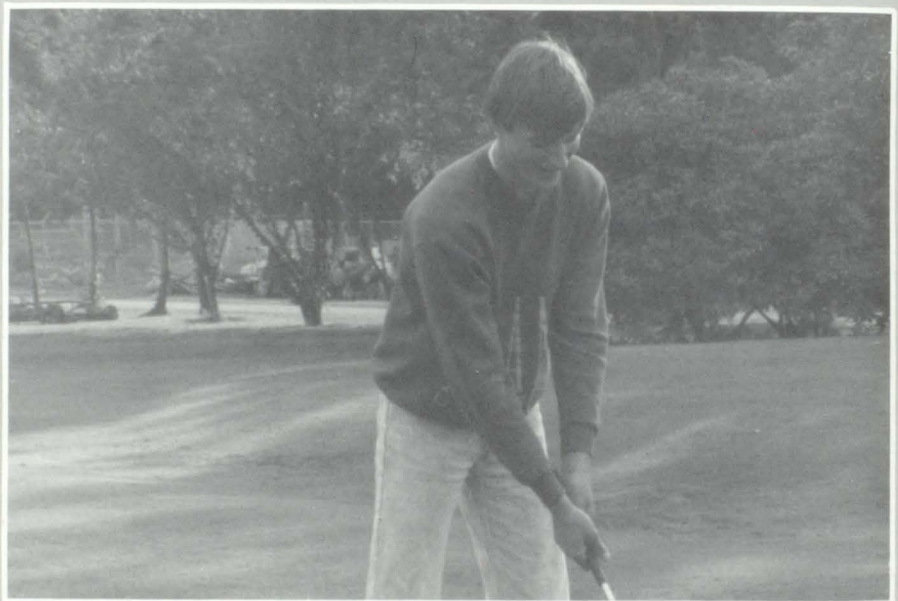

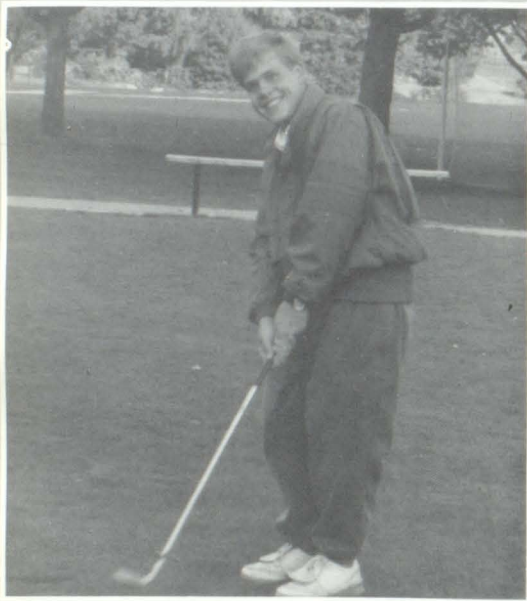

The 1989 golf team under the guidance of Coach Jack Higley had a fair season. The team consisted of senior Tom Beans, Juniors Mike Sears and Guy Tittler, sophomore Jack Davidson, and freshmen Jamie Miller and Jake Fox.

Coach Higley stated "The team was young but gained a lot of experience which will help them in the years to come." The team played well enough to win the first two matches and then a couple more after a loss to one of the better teams in the league. This helped the team gain some confidence in themselves.

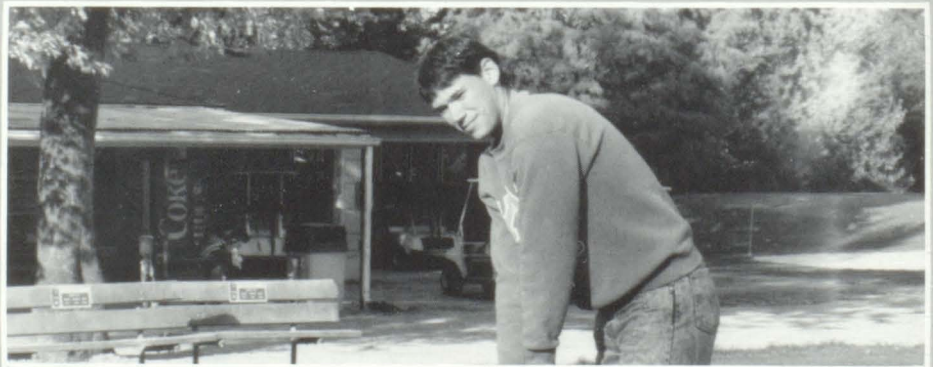

The team's N.E.C. record was 9-9 and their overall record was also 9-9. They finished eighth in the league tournament and then ended up twelfth out of twenty in sectional golf match. The golf team will hopefully have everyone return next year except for senior Tom Beans.

Runners Race

With an interesting blend of new and veteran runners along with the encouragement of coach Kevin Snyder, the boys' Cross Country team completed another strong season. The Streaks, led by co-captains Tyler Smith and Jay James with other Senior runners Chris Longstreet and Don Schley, ended the year with 6-4 NEC record, 6th in the NEC, and 8th in the Cross Country District meet. Junior Jason Somppi earned 2nd team NEC honors for his excellent performance at the NEC meet.

For a Cross Country runner at Madison High School, preparations for the season began in

early June. Weekly Wednesday and Sunday 5-7 mile jogs in the first two months readied boys for up-coming meets in the months to come. When August finally came, practice was increased to five days a week. Coach Snyder reserved weekends for rest and relaxation. Fun runs at Kirtland, get togethers at Headlands at Headlands Beach and sprint workouts at the Perry Outdoor Family Center kept practices interesting and upbeat. Finally, after hours of practicing, the season got underway. The boys competed in meets and invitationals from late August until mid-October.

Lady Streaks Stride With Pride!

With determination and pride, the 1989 Girl's Cross Country team continued tradition by dominating the NEC conference. Even though Madison took second place in the league after the final standings, the Lady Blue Streaks zipped by all of the other competitors to win first place at the NEC conference meet. Under the leadership of seniors Maija Skiba, Cathy Smith, and Lisa Harrison, the pack achieved an outstanding 5-2 record. Under the direction of Coach Jack Pavesich, the team also traveled to other highly competitive invitationals outside of conference meets and strode to outstanding finishes.

Spirits Show Spirit

A Ghoulish Day

It was the morning of October 31st., the eve of all saints' day. The doors opened, the dead gloomy halls began to come alive with ghosts, trolls, and goblins. From hour to hour, rooms filled with the dead and their assassins. As the bells tolled 2:45, creatures from all walks of life filled the corridors, and all that was left were the echoing voices of the memories from that goolish day.

JUNIORS

Admin. Looks Forward

This year started off under the leadership of a new superintendent, Mr. Stan Heffner. Mr. Heffner commented on how much he liked Madison High School because it reminded him of the high school he graduated from. He also stated that he planned to discontinue the rule on pay to play for extracurricular activities. Overall, he liked the atmosphere provided by the students and faculty.

Mr. Robert Leitch, principal, is looking forward to a more positive year. He feels that this will be accomplished because the students are much more positive than before. He has many goals for the school year. He stated, "I want to be able to become more involved with the students in more than just a disciplinary sense."

Since last year, Mr. Al Haschak believes the school has improved on the curriculum by adding two new languages. The discipline policies were also made clearer. Miss Sally

Phillips, Dean of Students, in her last year at Madison High, stated she would like to help provide a good atmosphere for the student body to get a complete education without any outside influences.

Yearbook Strives For Success

The 1989-90 yearbook staff, led by Editor, Anjie Miller and Mrs. Jill Bangerter, pushed hard to make this yearbook a success. The major portion of the staff was new to the field, and this left no room for wasting time. It takes a lot of hard work to design a yearbook full of memories. Learning the tactics of selling ads, planning layouts, and writing the copy are just some of the things the staff had to learn to do. They conquered many of the problems that faced them, such as the sev-

en percent increase Jostens imposed, and the resulting deficit last year. This year, the staff hustled to sell a minimum of five ads per person in order to maintain the quality of the yearbook. Even though the staff was new and the time was limited, they met all their deadlines and are looking forward to next year. The yearbook staff worked well together and enjoyed creating a yearbook full of long-lasting memories from the 1989-90 school year.

The *Streak* Wins Awards!

This year's newspaper, *The Streak*, worked towards a successful year. The thirteen-person staff and their advisor, Mr. Frank Ashton, continued the tradition of promoting a positive image of the high school and community. It all started in June of 1985, when the proposal of a school newspaper was passed. In the following year, *The Streak* won second place nationally among all high school papers, and since then it has received first place for three consecutive years. The staff's main objective was to see that the paper improved year after year. Mike Young, co-editor, stated, "In the past three years, *The Streak* has won first place awards, and with a staff with the quality of this year's, I really believe the tradition will continue." When asked how she felt about the staff, senior Heidi Bortz stated, "I feel the staff has worked really hard to make it a great year." The motivation of Mike Young and Laurie Gesdorf, editors of *The Streak*, coinciding with that of the staff and Mr. Ashton, brought yet another successful year for the newspaper.

Write On!

Madison's English department was based on three programs. These programs began in the Freshman classes and were continued throughout high school. Some classes were designed to help those students that have problems in general categories: literature, grammar, and composition. Students in the honors English courses studied the same things as regular English along with additional readings and assignments. For example, the senior honors class was assigned to write a short story and submit it for publishing. They also covered extensive world lit.

The junior class experienced a new development in the English department this year. For a small fee, they were permitted to take a field trip to the Cleveland Playhouse. The junior class saw *The Man Who Came To Dinner*. This play highlighted Puritanism, the area of literature that the class studied.

The Sophomore English honors class read a variety of literature. Their first novel was *Great Expectations*, by Charles Dickens. They also read two other novels and three Victorian plays, including Shakespeare's *Julius Caesar*.

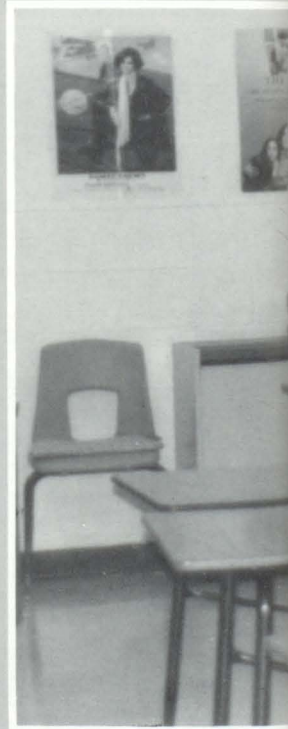

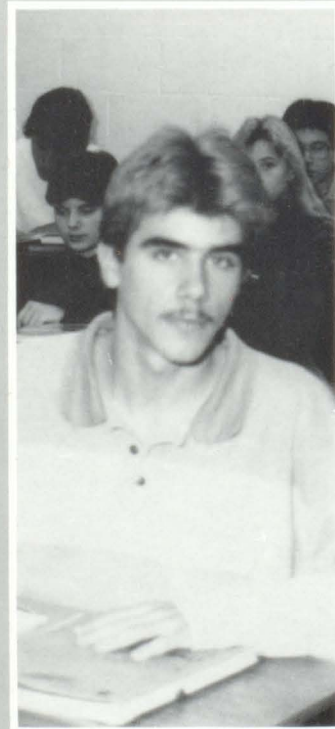

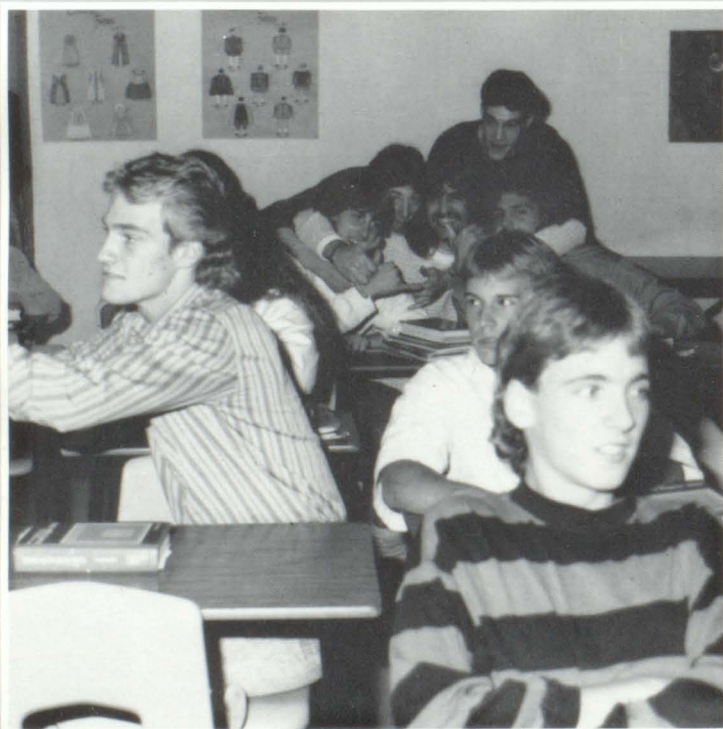

The freshman honors class was a new course offered this year. The freshmen had to read a book every nine weeks, which they chose from a book list. They also read at least one novel and the play, *Romeo and Juliet*.

Math Expands

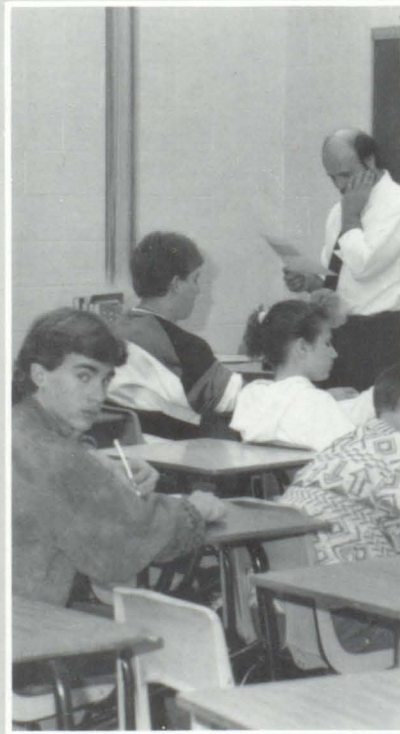

These days, a quality math background is a necessity for almost any career choice a person makes. Mr. Jerry McIntyre and the rest of the math department's goal was to provide the necessary math skills needed to be prepared for a career choice. Classes such as general math, pre algebra, algebra I, algebra II, plane geometry, trigonometry, and calculus were offered this year. The only new addition to our mathematics program was pre-calculus, taught by Mr. Kevin Morgan. Each student in the pre-calculus class was lent a graphing calculator which was the basis for the class. Last summer, Mr. Morgan attended classes at Ohio State. The class taught him everything about the calculators. Mr. Morgan is now the only teacher in the area qualified to teach this class.

Science Reveals Life!

This year, the science department set new standards of excellence. Led by eight fantastic teachers, students experienced everything from frog dissection to chemical experimentation. An outstanding program offered to the students this year involved earning a credit for a college course. Lakeland offered a special class to students having a strong interest in science. This year, Madison students attending Lakeland studied Chemistry, Biology, Physics and Math. On the home front, Biology students dissected pigs and frogs to learn about the inner workings of the body. Mr. Winfield's Physics students designed and built miniature race cars from mouse traps. Earth Science students studied the geological development of the environment. Good job, science department!

History Broadens Scope

In the social studies department, an extraordinary group of talented teachers enriched their classes by revealing stories of the past and presenting issues of the present. The basic courses in the department included Social Studies, World Cultures, World History, American History, and American Government, along with electives such as World Geography, Economics, and Sociology. This year, the freshmen followed a different course of study. They will be taking American History in their sophomore year, American Government in their junior year, and World Cultures in their senior year. World History will now be an elective for their class.

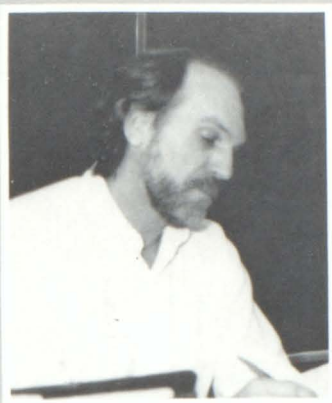

This year, Mrs. Ostrander was a new addition to the department. Because one of the teachers, Mr. George Herrick, was able to teach abroad in Brazil for the year, Mrs. Ostrander returned to the staff and adapted into the high school environment again!

Business Excels

Business teaches some of the skills for the many occupations in the United States. Madison High School academic department recognized this point. Mrs. Suzanne Grist, one of the three business teachers, said, "Three out of four jobs are in business." Our school offered a wide range of courses to choose from, including Accounting 1, General Business, Business Law, Today's Business, Personal Typing, Typing 1, and Record

Keeping. There were also vocational business courses. These courses included Office Procedure, Accounting 1 and 2, Advanced Typing, and Senior Business English. An extra addition to this year was a collection of brand new IBM electronics for Typing 1 and Personal Typing classes. With all of these business departments, a student is sure to excel in a solid business career in future years.

IOE Teaches Skills

The IOE classes, standing for Intensive Office Education, prepared a number of girls for secretarial work after graduation. The class was a vocational program whose objective aimed to train students for entrance level into office jobs. Mrs. Sue Grist served her first year in handling the IOE department for juniors while Mr. Don Byers supervised the seniors. The program offered such studies as accounting, typing, business English, and office procedure. Since the average student takes at least one business class, the department helped almost the entire student body. Senior Lynda Hughart stated, "It has helped me to prepare for my future goals in the business career."

OWA: Work Study

Madison High School offered the Occupational Work Adjustment program for some students who needed and wanted help in the academic curriculum. Taught by Mr. Dave Sears, OWA allowed sophomore students the chance to take school classes until fifth period and then attend some form of work. These job sites included volunteer work at the hospitals or schools or an actual job with a business. The one-year program placed emphasis on positive aspects of attitude.

Marching Band Rocks The Field

This year, our 1989-90 Bluestreak Marching Band gave many outstanding performances. They started out the season with two weeks of hard work at band camp where the band learned marching techniques and the major-ettes learned their routines. Mr. Joe Acerra stated, "This year, we pushed to have more music, more variety in our shows and more routines. It helped to have excellent directing from our drum major, Mike Young." The band accom-

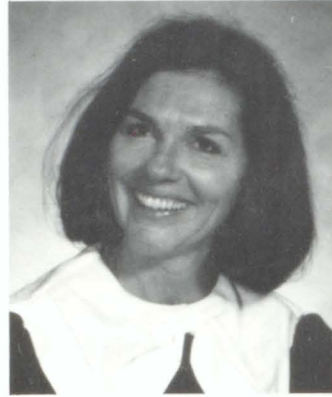

plished this goal, and it showed as they marched during the halftime show, electrifying the crowds. Not only did the band play at football games, but they marched in the Old Fashioned Day parades, the Grape Jamboree, a festival at Wickliffe, and the Memorial Day parade. On September eighth, about 260 people from Mr. Acerra's alumni band performed at pregame to honor him before his retirement after thirty years of teaching.

Music Inspires Students

This year, the stage band, pep band, and choir accomplished many things. The stage band played at the Halloween party the school gave. They also played a winter concert, a spring concert at Commencement, and for the North Madison Kindergarten. The pep band this year showed a lot of support for the Basketball teams. They played at all the Boys' Basketball home games and at a lot of the girls' games. The Choir sang at the Halloween party and at the High School Open House. They also played two spring concerts before and after Easter. All three music classes practiced hard and helped with the morale around the school.

Art Offers Variety

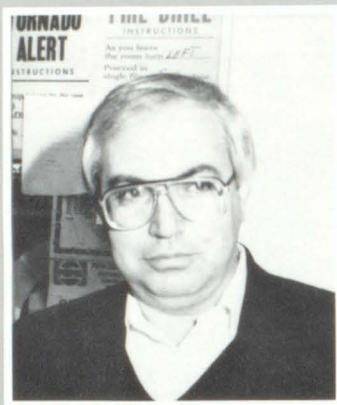

The Art Department at Madison offered a wide variety of fields for students to concentrate in. Drawing, commercial art, ceramics, printmaking, sculpture, painting, jewelry, and metals were the specific areas students were exposed to.

The two art teachers for the 1989-90 school year were Mr. Frank Ashton and Mrs. Joan Parks. Mrs. Parks stated, "Madison students have so much potential. It is so wonderful to see them succeed in their artistic endeavors. It's a joy to teach here."

The potential of the students could be seen at the Lake Geauga Juried Art Show and the Traveling Art Show of Student Work. The Traveling Art Show was a new way for students to present their work at local banks, stores, and malls.

There was much variety to keep almost all students interested. A field trip to an art museum was also being set up. Students could be found making posters for school functions and spirit week.

Limited space and a lack of basic student supplies sometimes kept the art department from achieving its fullest potential, but the teachers and students seemed to make do to turn out quality work. The projects that were taken home gave students a sense of pride in their work. Overall, the art department had another successful year!

Students Plan Ahead

Our school offers a wide variety of vocations to pick from. Included in these were Home-Ec and Industrial Arts. The Industrial Art teachers include Mr. Jack Becka, Mr. Bob Peterson, and Mr. Fred Morrison. They instructed in the art of drafting, woods, and metals. Home-Ec was under the direction of Mrs. Patti Ashton, Mrs. Betty Jean Green, and Mrs. Joanne McMahon. They offered a wide range of choices to fit interests. These choices were Food and Nutrition, Food and Economy, Child Development, Independent Living, Clothing, Life Skills I and II, Marriage and Family, and Foods. Cooking, Sewing, and learning the basics of being on their own will teach students to live independently and to make their own decisions. The Shop classes made many different items, such as shelves, bird houses, feeders, tin cabinets, and picnic tables. The Home-Ec classes had quite a few accomplishments this year. The Foods classes made many tasty foods like biscuits and apple fritters. The students also learned about cooking techniques for all foods and proper table manners. Also in the Home-Ec classes, the students sewed stuffed toys for the homeless. Both Home-Ec and Shop gave enjoyment to the students and prepared them for the future.

Language Dept. Grows

The Language Department of MHS has always been a successful and popular part of the curriculum. Many students take three or four years' worth of language credits when the college requirement is only two years. This year, the department soared to new heights. The German club returned, led by Mr. Don Strother, and along with it dances, Christmas caroling, and a spring overnight German camp. The French class, taught by Mrs. Ruth Ann Strother, reinstated the French Club. Also for the first time, members of the French class will be travelling to France. Mrs. Karen Battes, in Spanish, encourages her classes to make informative skits and tasty Spanish dishes. This year, M.H.S. has a new addition to its language department, Japanese and Russian. Facilitators Mrs. Patti Ashton and Mrs. Joann McMahon, along with six selected students, observed their teacher by intensive live broadcasts over television daily. In order to communicate with the teachers, the students often called in during the programming.

P.E. Shapes Up

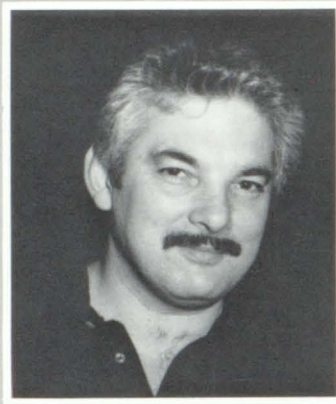

This year's gym and health courses were led by Mr. Rex Reigert, Mr. Gene Melin, Mrs. Linda Pavesich, and Mr. Bob Richmond. In gym, the instructors worked especially hard on physical fitness activities as well as playing normal sports. The program tried to add some variety in order to get everyone involved. The health classes also taught the students how to deal with various problems that they come face to face with every day, such as emotional stress-related difficulties, drug and alcohol abuse and how to prevent diseases.

J.V.'s Frosh Excel

The 1989-1990 J.V. and Freshman girls' basketball teams both had exceptional seasons. The J.V. team consisted of 9 sophomores and one Freshman who all worked hard throughout the season to come up with a record of 17 wins and 3 losses. When asked what she thought of the season, co-captain Becky Bangerter said, "It was a great season and it was a lot of fun. It was really great working with everyone involved." Co-captain Kate Fedele said, "Our team worked well together. This helped us win games and next year should be promising."

This year was the first year

for a Freshman Girls' basketball team. The freshman girls this year set a good example for following years. The girls worked hard and showed what they were made of when they ended up with a record of 4 wins and only 1 loss. Karen Behm said, "It was a great season and I think we really accomplished a lot for being the first Freshman team."

Both the Freshman and J.V. teams deserve a lot of credit. They worked hard before the season, getting in shape for the games to come, and they didn't stop working until the last game of the season was over.

Coach Stu Baffer

Streaks Pull Together

The 1989-90 Varsity Girls' Basketball Team, under the leadership of new head coach Kevin Snyder, ended the season with a 14-4 record in the N.E.C. and 16-4 overall. With only two seniors and eight juniors, the team fought very hard throughout the year, placing 2nd in the N.E.C. Senior captains were Maria Fedele and Wendy Hughes. They both agreed "because we all got along so well, we had a successful season."

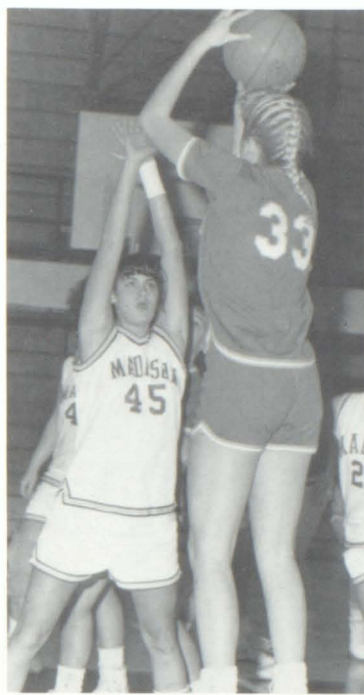

During the season, there were many highlights. First, they opened the season with a win over Mentor. Then throughout the season, they had dual wins over

Harvey and Riverside. They also pushed Jefferson to the limit even though they came up short. Coach Snyder said, "A highlight for me was to see each individual become a more mature and complete player."

Another Rough Season

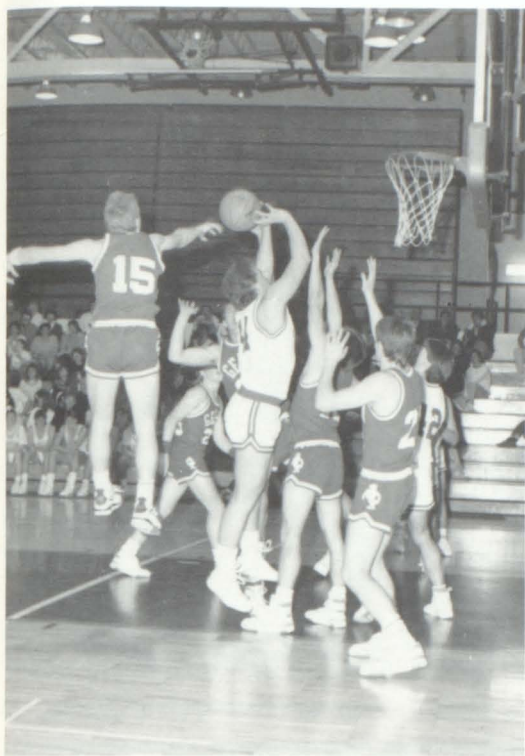

This year, the varsity basketball team went through another rough season. The team struggled during the first half of the season but made much improvement in the second half of the season. Although they lost many close games, they still never gave up on themselves. The team was led on the court by senior captains Jeremy Boyle and Brian George.

Senior Tom Beans was asked to comment on the season. He said, "It was a season of hard work and dedication from the seniors. If we had another year with coach Smith, he could have turned us around."

Frosh. J.V.s Show Improvement

This year, the freshman boys' basketball team had a difficult season, finishing with a record of 3-13. Under first year Coach Ron DePascale, there was a positive progress made in his first season. The players felt the same way. Freshman Love Singleton said, "It was a tough season, but we did our best, and that's all anyone could ask."

On the other hand, the J.V. team had a more successful season. The J.V.'s also had a new coach, Bob Peterlin. The team started out slow, but fin-

ished very strong in the end, including a big win over a very tough Mentor team. Team Captains Jason Somppi, Clint Stapleton, and Josh Cichello did a fine job leading the J.V. team this season. The younger players feel positive about the future. Sophomore Chris Brown stated, "I feel that this has been one of the most productive teams in boys' basketball in recent years. The future of the program looks promising. We feel we have a lot to contribute next year as varsity Players."

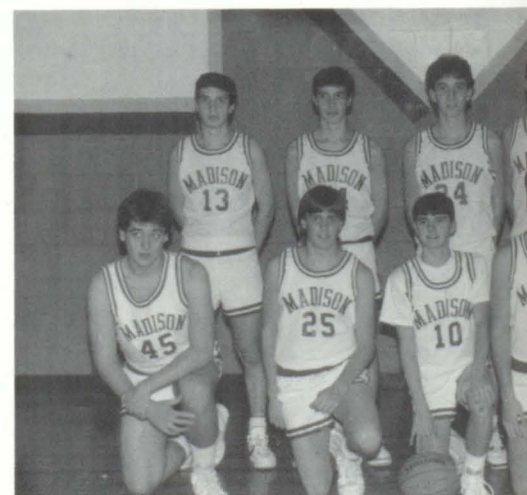

Coach Bob Peterlin

Freshmen Show Spirit

Six dedicated Freshmen make up this year's Freshman Basketball Cheerleading Squad. The team is directed by Miss Leslie Trbovich. All six girls spend long hours working hard in preparation to cheer their team to victory. Their dedication can be seen in their outstanding performances during each and every basketball game.

Varsity Wins Awards

This year's Varsity Basketball Cheerleaders showed their spirit throughout a tough season. Their season began early in the summer and continued through the winter. The girls attended Americheer summer camp and returned home with The Top Squad Award, Superior Plaque, and a Spirit Award. Miss Leslie Trbovich advised all of her cheerleading squads and helped bring out the spirit in the girls. This "new spirit" this year's Varsity Squad showed, hopefully will be continued in the years to come.

Madison Wrestles To Victory

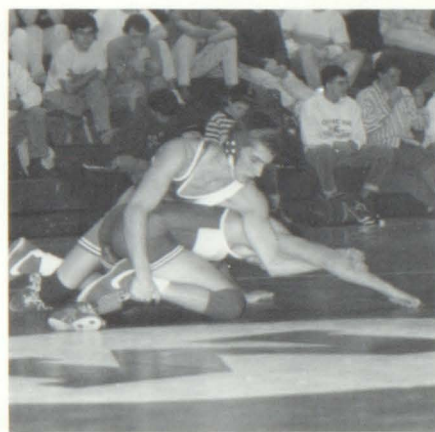

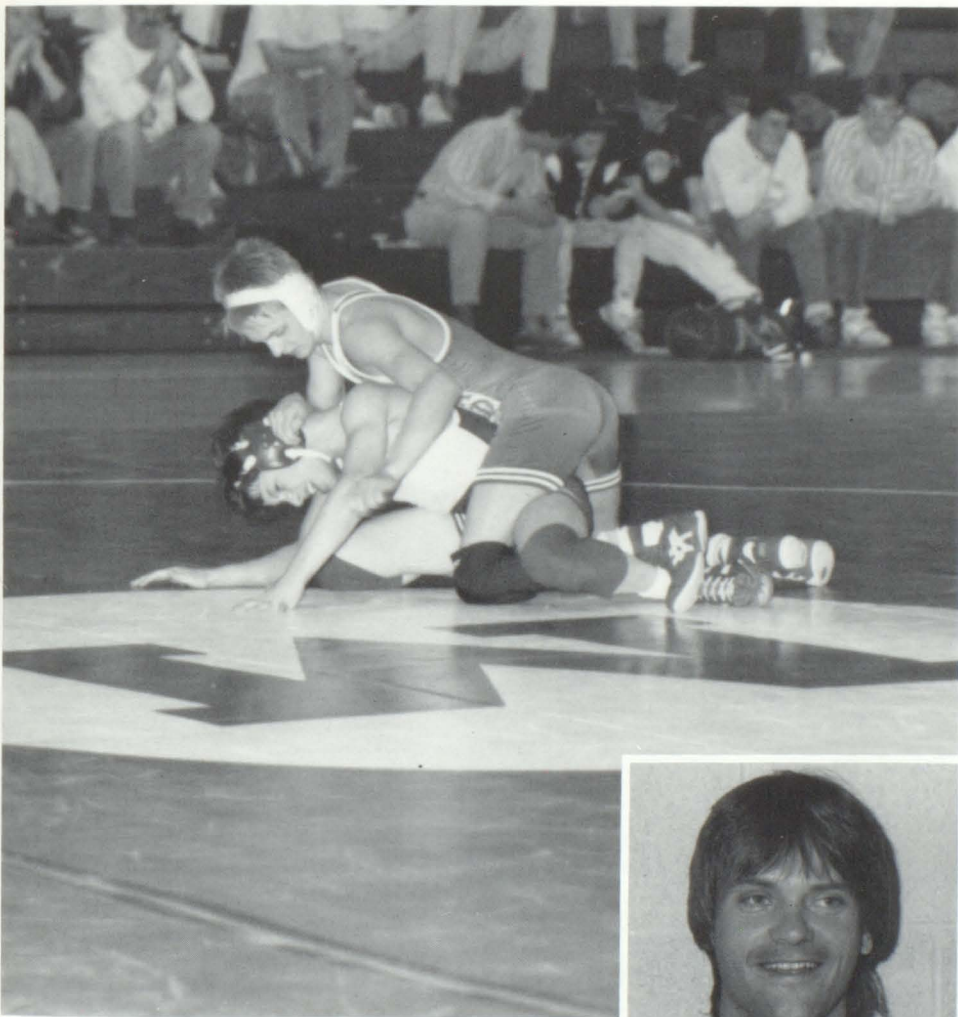

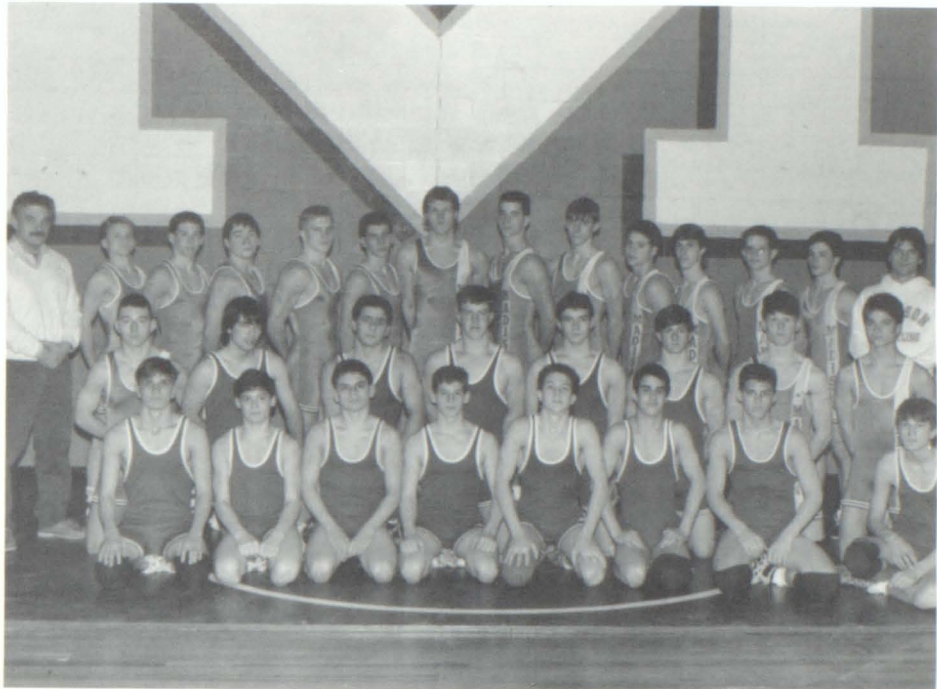

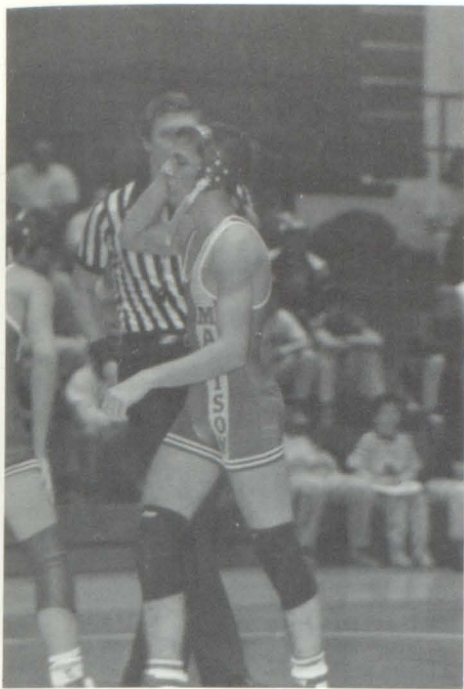

The 1989-1990 Bluestreak Wrestling team turned in an impressive season. With 12 returning seniors, Madison was off to a great start. At printing time, the streaks were ranked 2nd in the NEC. Each wrestler devoted his time and effort toward making this season a success. The team was coached by Gary Fortuna, who helped the team develop a positive outlook on themselves, and the team. Captain Mike Mahany quoted: "The season had its ups and downs. We had a great group of wrestlers who were mainly seniors. We also had the best coaching staff around."

J.V., Freshmen Gain Experience

The J.V. and Freshmen wrestling teams both had trying seasons and worked hard to do their best. Both teams had great potential and were made up of much individual talent.

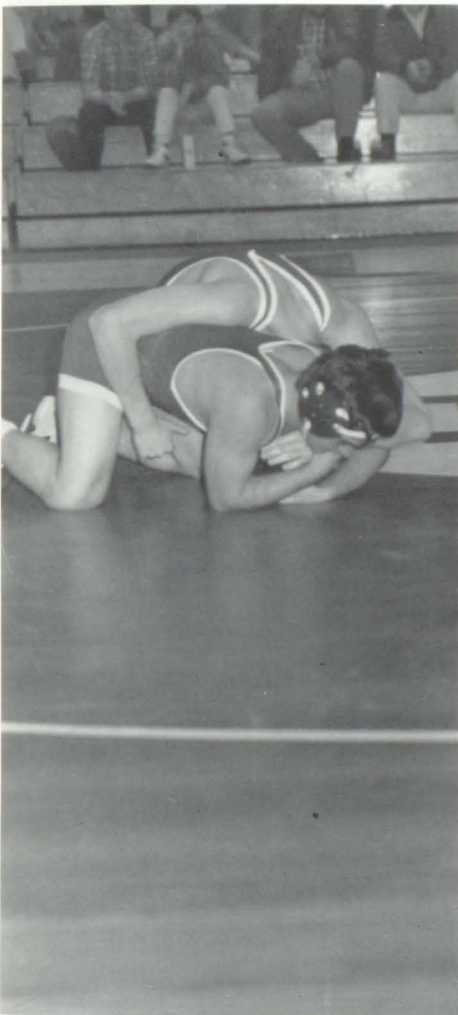

The J.V.'s concluded with a record of 10-4. Because it was possible to wrestle a freshman or senior, these individuals could not be certain of their opponent. However, they succeeded by taking third place at the Cleveland Heights Tournament and endured through a tough season. Coach Rex Reigert stated, "As long as they remain committed to wrestling, we have a promising future."

The Freshmen were mostly involved in tournaments where individuals accomplished several awards. Some of these wrestlers received such place finishes as first, second, and third at the Mentor Shore and St. Ed's Tournament. Also, many freshmen and sophomores did well at the J.V. Tournament. Coach Jack Becka said, "This season prepared the young men on the team to be varsity wrestlers."

Expanding Horizons

NHS

This year, Madison's National Honor Society was under the direction of Mr. Rex Riegert. To be considered for the group, a student must maintain a high GPA, be involved in extra-curricular activities and community service, be a leader and a good citizen of the community. During the induction ceremony, new students who are chosen by a committee of teachers are tapped and admitted to NHS. Once involved, the group takes part in a teacher appreciation day, Project Teach, and visiting other schools to share ideas. Most of the students involved in NHS are also involved in many other activities.

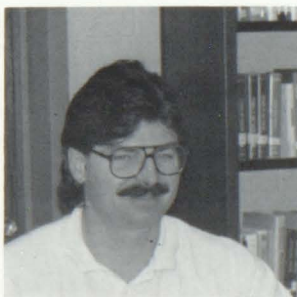

1. Advisor, Mr. Rex Riegert
2. Seniors, Natalie Hupertz, Mike Leone, Donna Miller, Dan Wilson, and Christian Zoldack get ready for a NHS meeting.
3. 1989-1990 National Honor Society
4. Officers for '89-'90 NHS.

Model UN

Model U.N. went into its seventh year at Madison High during the '89-'90 year. The purpose of the group is to study and understand world problems. The students then study policies of countries assigned to them and represent their country at a conference involving many other schools at the end of April. The conference, which takes place at Kent State University's Ashtobula branch, proves to be exciting and rewarding for the students. The other highlight of the year is the trip taken to New York City in March.

1. Juniors Katie Retsch and Beth Billington took over a resolution.

2. Juniors Marc VonEschen, Katie Retsch, Sharon Kozlevcar, and Guy Tifler debate the topic on the floor.

3. Sophomores Tracey Albert and Teresa Coger help each other with their policy statements.

4. Model U.N.'s 1990 officers: Top row, (L. to R.) Treasurer - Christine Cook, Secretary - Bethany Billington. Bottom row, (L. to R.) Pres. - John Potter, Vice Pres. - Janet Taylor

5. Advisor, Mr. Jim Deering

Aids And Stats Help Out

Statisticians and aides help a great deal in Madison High School. The office aids, student center and teacher's aides, and library aides all donated time and effort to make the school system run a little more smoothly. The aides run errands, bring messages, check out books, and do various number of tasks. They help Madison High School run more efficiently.

The statisticians are also important group of people to our school. The stats keep score at games and do any odd jobs or tasks that need to be done concerning the team. They provide proper information about the games and players. The stats are often not recognized, but they did a very important job efficiently.

1. 1989-1990 Office Aides bottom row (L. to R.): Kevin Collings, Melissa Skaggs, Tammy Eaton, Tricia Stephan, Laurie Gesdorf, Shannon Kelly, Shelly Gockerell. middle row (L. to R.) Alicia Russel, Meghan Wilson, Julie Jenks, Becky Heinz, Heidi Bortz. top row (L. to R.) Tom Beans, Matt Fisher, Chip Pennoyer, and Heather Matty.
2. Teacher Aides bottom row (L. to R.) Jason Clark; Second row (L. to R.) Meredith Spring, Trish Walsh; Third row (L. to R.) Chris Longstreet, Jeremy Boyle, Jim Rihaly, Mike Centorbi; Top row (L. to R.) Aaron Waddle, and John Pierce.
3. Fall Stats: bottom row (L. to R.) Jenny Stossel, Trish Walsh, Tricia Cleversy, Erin Wilson; middle row (L. to R.): Shannon Kelly, Laurie Gesdorf, Julie Bowler, Meghan Wilson; top row (L. to R.) Debbie Rihaly, Melissa Dolan, Angela Wang.
4. Student Center aides: top row (L. to R.) Sharon Kozlevcar, Wendy Hughes, Jenny McKibben, Trish Walsh, Robin Wheeler, Marnie Otterman, Mary Stratton, Angela Caudill, Cara Volgstadt; middle row (L. to R.) Aaron Waddle, Todd Buehner, Jeremy Boyle, Jim Rihaly, Tricia Cleversy, Tracy McRoberts, Robin Myers; top row (L. to R.) Jeff Fortney, Heather Matty, Donna Miller, Carla Schubert, Crissy McLaughlin.
5. Winter stats: bottom (L. to R) Becky Lindahl, Amy Gardner, Holly Byers, Second row (L. to R.) Christine Cook, Dina Nocente, Angela Baker; third row (L. to R.) Boy's State - Girl's State

This past summer, six Madison students attended Ohio Buckeye Girl's and Boy's State. Participants at Boy's State were Ramin Meshginpoosh, Don Schley, Mike Young, and Christian Zoldak. Girl's State representatives were Julie Mirwald and Angela Wang.

Buckeye Girl's State was held between June 17 thru the 24th at Ashland University. Along with 1300 other students from around Ohio, they participated in constructing a mock state government. Participants ran campaigns for city, county, and state offices. Julie was

a city councilman. Angela was a county commissioner. After the elections, the entire state government began functioning.

Buckeye Boy's State was held between June 17 thru the 25th at Bowling Green University. As part of the 1400 students, Ramin, Don, Mike, and Christian also assembled their state government. Ramin was clerk of municipal court. Don was director of the Department of Agriculture. Mike was in the House of Representatives. Christian was city auditor.

1. Angela Wang enjoys the company of friends in her city.

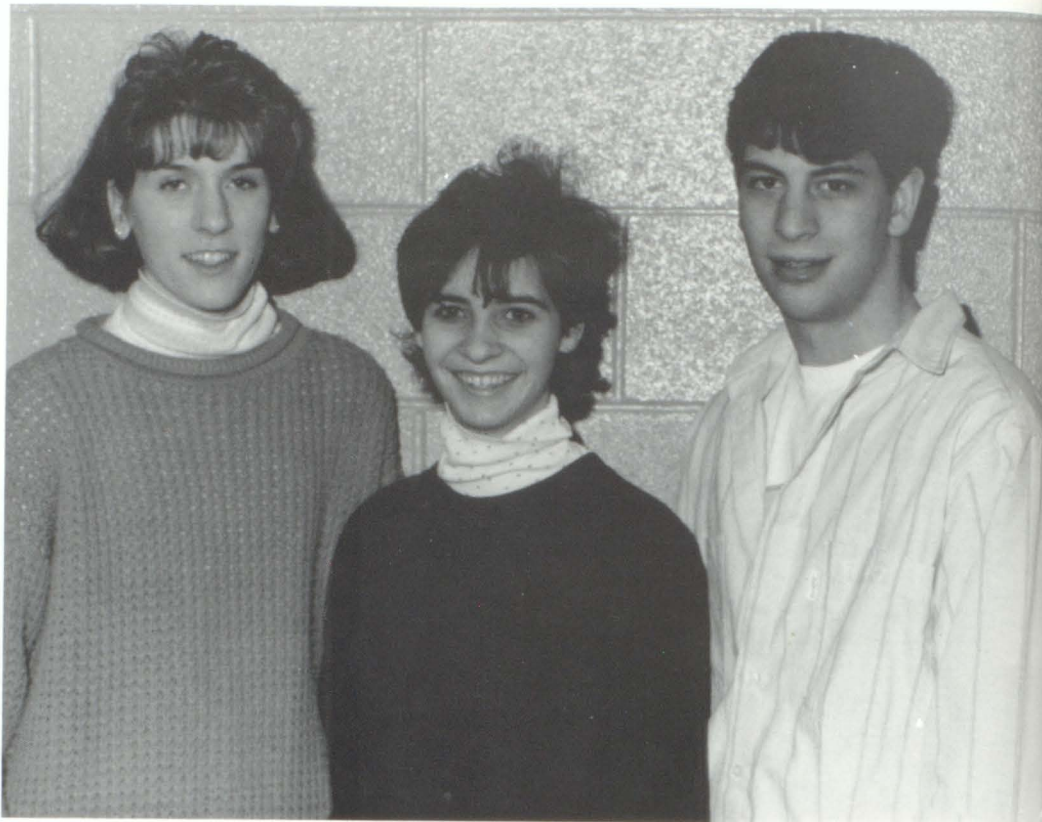

2. Boy's State representatives: Christian Zoldak and Ramin Meshginpoosh

3. Boy's State representatives Don Schley and Mike Young.

4. Girl's State representatives: Angela Wang and Julie Mirwald

Student Council

The 1989-90 Student Council had another exciting year. Led by advisor Mrs. Sandy Jaroscak; President, Anjie Miller; Vice President, Melissa Doland; and Sec./Treasurer, Rob Shindell; the group organized many things including the Mistletoe Ball, Satie Hawkins dance, and the annual canned food drive, which again was a huge success. They also held Hands Across the School to raise money for the needy. Overall, this year's Student Council proved to be an effective group of student leaders.

1. The 1989-90 Student Council officers (L. to R.): Vice President, Melissa Doland; President, Anjie Miller; and Sec./Treasurer, Rob Shindell.

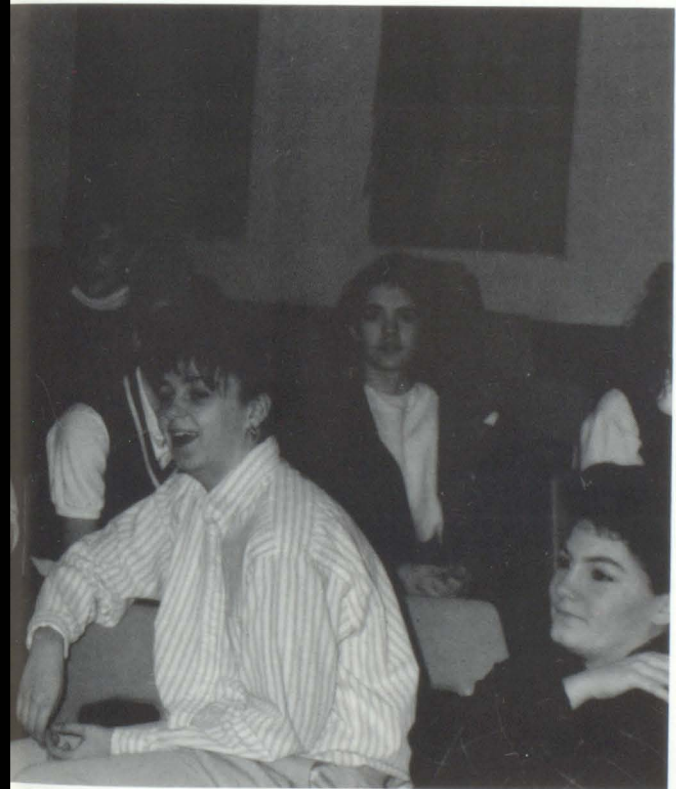

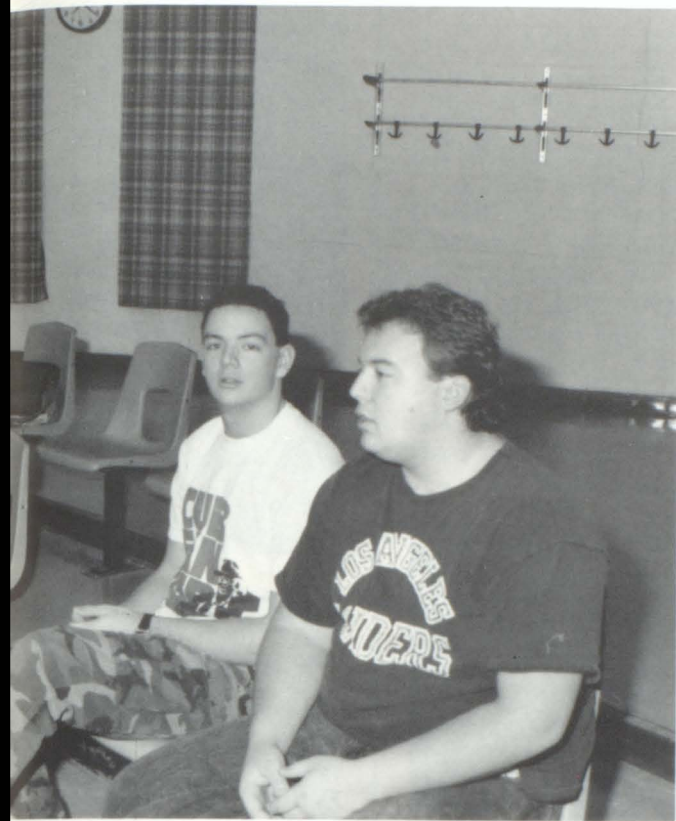

4. Mrs. Sandy Jaroscak, advisor

5. The 1989-90 Student Council.

Key Club

This year's Key Club is led by advisor, Mrs. Joan Parks; President, Deana Leber; Vice President, Wendy Hughes; and Sec./Treasurer, Dave Hughes. They are an organization which meets on a regular basis to discuss activities to serve their school and com-

munity. This year, they held the annual Slave Day, sponsored dances, and also put together the International Worldwide Teacher/Administration Appreciation Week, which recognized teachers, custodians, counselors, administration, and lunch ladies.

2. Dave Hughes and Jason Clark listen to an important meeting.
3. Mrs. Joan Parks, advisor, gives suggestions for upcoming activities.
6. Key Club Members listen to the day's agenda.
7. Deana Leber and Wendy Hughes collect membership fees.

A.C.C. Works

Auburn Career Center is the opportunity for students to earn credit while learning a trade. Throughout the sophomore year, students receive information about Auburn. The next step is a visit to A.C.C. where the pupils are permitted to attend classes. The students then submit an application and are interviewed by Mr. Laymon. Acceptances at Auburn are based on his or her grades, interests in a particu-

lar area, parental approval and approval of Auburn Career Center.

Auburn is composed of 2 different parts; O.E.A. Office Education Association and V.I.C.A. Vocational Industrial Clubs of America. D.C.T. Diversified Cooperative Training sends students to work to the community. Here students gain actual job experience. By attending Auburn, students are able to get a head start towards their future career.

Rose

Cincinnati Reds manager Pete Rose is considered one of the greatest players in the history of baseball. In 1985, he broke Ty Cobb's longstanding record of 4,191 career hits. He ended his career with 4,256 career hits. In 1989 he was banned for life from the game because of gambling. The baseball commissioner, Bart Giamatti, found that Pete Rose bet on his own team.

Political problems in the Middle East continued this year. Problems between Arabs in Israel continued, and the friction within the Arab population made Beirut a constant war zone.

President George Bush took office this year after defeating Gov. Michael Dukakis of Massachusetts in the November, 1988, election. As president, he recently declared war on drugs and sent troops into Panama. His role for the future appears to be an active one as countries of the world become more and more swayed from communism.

Tracy Chapman

Tracy Chapman is both a singer and a songwriter. Tracy sings about romantic despair, racism, and shallow American values. "Fast Car" was a Top 10 Single, and the album sold more than nine million copies. She won three Grammy Awards including Best New Artist. Her latest album, *Crossroads*, also sings of love, the underclass, and the danger of meaningless fame. *Crossroads* has been on the charts for months.

Mr. Jack Muzzio, Coach

Hughes Sports salutes this fine group of young men and their families for beginning a tradition that students in Madison will hopefully continue for years to come.

In 1988, they made a commitment to earn enough money to travel to Scotland and play an exhibition soccer match with the Saline/Dunfermline football club. The priceless memories of that summer of '88 will grow and influence their lives forever. Not only did they gain a worldly experience, but they had such a warm relationship with their host families in Scotland that this past summer, 1989, 27 Scots came to Madison. The Scottish lads enjoyed themselves so much here that many of them pledged to return some day. Through these fine young men and their families, Madison has developed an international link, "friendship thru sports", with Saline/Dunfermline Scotland. Another group of Madison soccer players has begun their fund raiser so they can go to Scotland in the summer of '90 and continue this friendship. Gentlemen, your dream of playing soccer against a Scottish team has been realized. Your ambitious goal has taught you many great lessons and has given you a great experience but you have also made Madison very proud of your accomplishments. Thank you for letting us share in your dreams.

Pop singer Martika strikes a pose after a recent interview. The 20-year-old entertainer was born Marta Marrero to Cuban immigrant parents. Although she is a big hit on the music circuit, she says being an actress is what she really wants to do.

A close-up photograph of a pencil tip pointing to the word "Autographs" written in cursive on a piece of paper. The pencil is positioned at the top right, with its tip touching the end of the word. The word "Autographs" is written in a fluid, cursive script, slanted downwards from left to right. The paper is off-white and shows some faint horizontal lines. The lighting is soft, highlighting the texture of the paper and the sharp point of the pencil.

Students Receive Art Awards

February 11 through March 15, Lakeland Community College held the Geauga County Juried Art Show. An awards program was held for those students who won a gold blue ribbon or special show award on February 13 at the college. After 400 pieces of art work are selected out of about 800, the judges choose about 175 pieces for gold awards. From these, only about 87 receive an additional blue ribbon.

Madison High School students showed an outstanding talent in the art world. Through their abilities, 32 pieces were selected and represented Madison High's Art Department. Both Mr. Ashton and Mrs. Parks did an outstanding job in bringing out the artistic abilities in each of their students.

1. Mr. Ashton And Mrs. Parks are joined with the winners of the art show.

3. Winners of the art show with honorable mention were Diana Lawrence, ceramics; Dan Andelin, two awards for printmaking; and Robin Wheeler, drawing.

2. Winners of the art show for various entries were Mark Mosley, Dan Wilson -gold award, ceramics; Trish Cleversy- gold award with blue ribbon, ceramics; Heather Matty-gold award with blue ribbon, ceramics; and Diana Lawrence-gold award, ceramics.

Students Earn Honors

In addition to excelling academically, a National Honor Society member participates in extra-curricular and community activities. This year, the Society was involved in a number of different programs, including a TEACH program in which the members had an opportunity to teach elementary classes for a day, a student exchange program with Lake Catholic, and a teacher appreciation day. To follow up on the teacher appreciation day, a buffet lunch was provided for all of the teachers.

The 38 newly elected junior members will be involved in peer tutoring, community projects, and school exchanges in the 1990-91 school year.

Boys' Track Soars

The Madison boys' track team had a very successful year. Despite having two new coaches and a limited amount of upperclassmen, the team won its share of meets. "I think the coaches did a great job", said Jay James about the two new coaches, Jerry Judd and Bill Biasotti. The team finished with a record of 4-7 even after having to forfeit two meets that were already won. The team went to a few big invitationals and turned in good performances. Marty Rosciszewski and Bill Eagle qualified for the regional meet. The team finished the season with a strong second place at the Star Beacon invitational.

Young Team Performs

The 1990 girls' track team finished their season with a 7-5-1 record overall and a 6-2-1 record in the N.E.C. They worked with new head coach Chris Anderson and new assistant coach Gary Waite. Although the team got off to a late start and was young, they ended up 3rd in the N.E.C. meet.

Coach Anderson felt that the team's strengths were in the sprints and sprint relays and also high jump. Junior Lynn Hrbek was the team's only regional qualifier.

JV's Work Hard

The JV Baseball Team consisted of seven sophomores and 5 freshmen. Their record overall was 6-7-1. The team only had one returning player this year which was Paul Leitert. Joe Wessollek led the

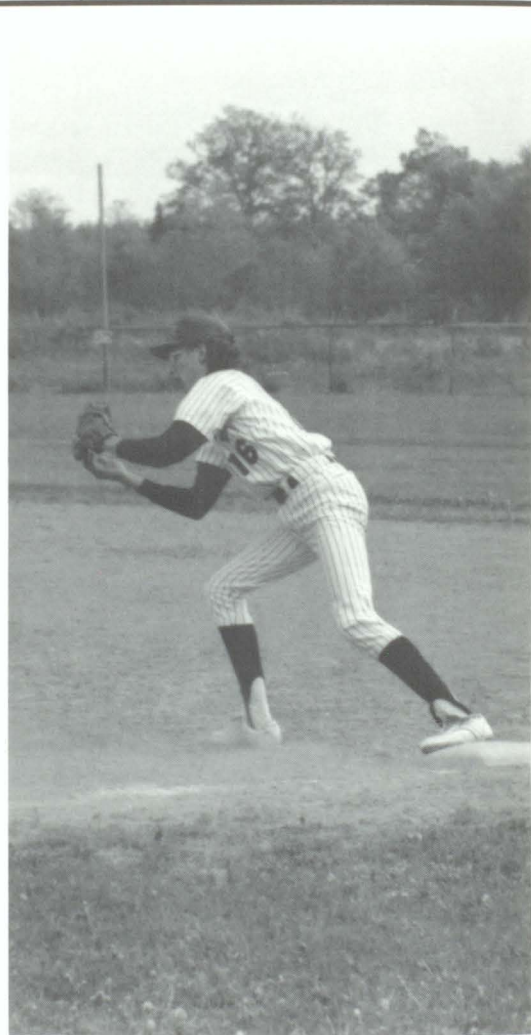

team with a .473 batting average. Coach DiPofi stated, "We lacked playing experience but we had a lot of fun and played very well. The team worked on their fundamentals and became mentally tough".

Softball Succeeds

The 1990 JV Softball Team finished their season with 7 wins and 5 losses. Their league record was 6-2.

Excellent pitching came from two sophomores, Jennifer Bell and Katie Fedele. Tammy Montgomery led the offense with a .425 batting average. Terri Depoy, the first baseman, was 2nd with a .349 batting average. Coach Sally Phillips replies, "The girls worked very hard. Though the record isn't the best, the team had a positive and enjoyable season."

Varsity Baseball Works Hard

This year's Varsity baseball team, led by seniors Jeff Fortney, Mike Leone, Lance Morrison, Jim Rihaly, Aaron Waddle, and Dan Wilson, were off to a slow start. Coming up on the short end of several games by just one or two runs, the team never gave up and continued their dedication. Although losing six seniors, the future of the team looks promising. With the talent of the three juniors, Josh Cichello, Jason Somppi, and Guy Titler, and the two sophomores, Jim Reidhl and Ed Szabo, Madison baseball should once again be on top.

When asked of his thoughts on the team, senior catcher

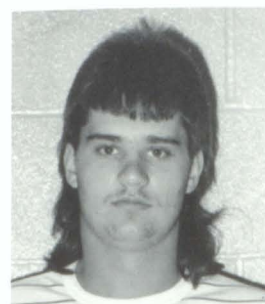

Aaron Waddle said, "A couple of close losses in the beginning of the year hurt a lot of people's attitudes toward playing which, in return, cost us a lot of games through mental errors. There are a lot of good ball-players on the team that should be recognized for their efforts." Jim Rihaly comments on the season: "As a team, we had a lot of high expectations before the season started. We had a few tough losses at the start that put a damper on things. We lost a close tournament game against Geneva but all in all, the season was a learning experience."

V. SB Does Well

The 1990 Varsity Softball Team, coached by Mr. Bill Hance, had a good season. First Team NEC honors were earned by Terri Spaulding, Lisa Horowski, Kelly Tamborski, Carrie Stoneman, and Aimee Yeager. Second Team NEC was earned by Michele Yeager. Lisa Horowski, one of the captains, said, "It was a tough season but a lot of fun. I expected more, but we did the best we could, and I'm happy with that."

This year, Madison hosted the first annual Tournament of Champions in which they took first over Bay Village, Champion, and Harvey. Kelly Tamborski, the other captain, stated, "I had a lot of fun this season. I'll miss it next year and everyone in it. Good luck to the future Wallyballers!" Overall, the season was a successful one, and they should be proud of their accomplishments.

Tennis Improves

The 1990 tennis team was coached by Jack Higley. The tennis team improved a lot from last year's season in spite of the small number of players. Only fourteen people participated on this year's tennis team, so it was difficult to fill all the spots open. Determining who makes varsity on the team was done by the players challenging each other. If a junior varsity player thought that he or she could beat someone on varsity, he would challenge him for his spot. Once the season has hit its mid-point, it is difficult for a player to challenge successfully.

Jim Beck

Debbie Owen

Coach Higley stated, "The season was really fun. It was the best group of kids I think I've ever had."

Seniors Move In New Directions

Graduation marks not only the end of something, but also the beginning. On June 10, 1990, 253 seniors graduated from Madison High School to move on to the next stage of their lives. Many went on to college or higher education, some into the military, and some went on to jobs. Whatever their choice was, most Madison graduates experienced the same mixed feelings of happiness and sadness: happiness for finally finishing their long thirteen years of high school, and sadness because of the friends that will have become distant once off into the next stage of life. Heidi Bortz summed it up with her statement, "I'm sure I'll miss everyone, but it's time to move on." Todd Horne kept it simple with, "It's about time!"

MHS Loses Faculty

This year, Madison High School is losing eleven faculty members. Miss Sally Phillips, Mr. Don Byers, Mr. Dave White, Mr. Joe Acerra, Mr. Jim Linhart, Mr. Gene Melin, Mr. Ben Grimm, Mr. Jack Higley, and Mr. Roy Winfield are among those retiring. Mr. Paul Kovats and Mrs. Laura Wiles left around Christmas. All of these faculty members have done a great job, and many students have enjoyed having them. Mr. Byers said that he enjoyed every year and had fun doing it. Miss Phillips said "If I had to do it once again, I wouldn't change anything. The parents and students of Madison have been great." Madison High School will really miss these excellent teachers. All the students of Madison High should thank these teachers for doing such a nice job.

1. (L. to R.) Mr. Dave White and Mr. Joe Acerra
2. (L. to R.) Miss Sally Phillips and Mr. Gene Melin
3. (L. to R.) Mr. Don Byers, Mr. Ben Grimm, and Mr. Jack Higley
