# Student Life

If you're looking for a dull moment, you definitely won't find it here at MHS!

## Writing Our Story

The four years we spend in the halls of Madison begin our story, from the dances, to classes, even to the cafeteria. The memories we have here will always be remembered. The Student Life section contains our portraits, a look inside our dances and includes all the funny, random moments that take place inside these walls. We have spent the recent years of our lives preparing for the future, writing our story, and looking back on all the good times spent at Madison High School. The rest is still unwritten, and now it's our turn to start the next chapter!

# Writing It Down

At Madison, there are never too many English classes. There are College Placement, Honors, and Advanced Placement. Then there are the fun electives such as Literature for Life, Writing seminar, Creative Writing, and the famous Yearbook and Newspaper Staffs. We were able to have a large staff this year, which included Mr. Harold, Mr. Smith, Mrs. Vacca, Mrs. Kemper, Mrs. Garaux, Mrs. Kilpatrick, Mrs. Bowden and Mrs. Madore. All of these teachers know how to make English classes at Madison fun and interesting, especially with all the fun reading assignments and projects.

Left to Right: Kelly Duthie, Emily Birch, Lindsey O'Donnell, Danielle Wilson, and Kaitlyn Grafton draw for fun. Taryn Doyle, Alyssa Grierson, and Alyssa Keller reading *Lord of the Flies* together. Liz Sapic cuts up a permission slip form. Connor Ball and Dominick Welniak work in a group to answer worksheet problems. Hannah Green and Ceili Shea look up vocab terms.

Top to Bottom: Beth Pelton answers book questions. Marcus Kee, Matt Lowery, and Matt Suvak make a poster. Patrick Barton doing essay questions. Miranda Faudree, Sierra Burk and Bobby Johnson perform a two-minute play in Drama Class. Jason Ryan, Brandon Smith, and Ryan Wilson show off their Epic Hero character.

## What do you like about English Class?

"Drama Class is so much fun. We get to play tons of games, and we just get so comfortable with everyone else, its like one big family."

-Freshman Liz Sapic

"I like English class because I get to learn new things, and my teacher Mr. Smith makes English class so much fun to learn."

-Sophomore Zach Byrne

"Mrs. Madore is my favorite teacher because she's really funny and helps out her students if they need it, no matter what."

-Junior Maggie Hanlon

"I love that we get to read different works of Shakespeare, and they're all really good plays. We get to read them out loud, and while we're reading it we get to watch the movie to understand it better."

-Senior Natalie Byrne

# Lab Notes

*Learning to question*

1. Leah Shea making discoveries while she dissects a cat in Anatomy.
2. Allison Smith taking a test in Chemistry.
3. Dillon Bohinc and Matt Girton examining plants.
4. Tyler Levicki helps a student with a confusing concept in Chemistry.
5. Taylor Goudy during a cool lab.

**//** *I love science, it's the best part of my day!*

- Junior, Nick Vliek

Madison High School has an extensive science department, from Earth science to Physics. There is something here for everyone; like learning how to develop a crime scene, or mixing gases. You will definitely learn a good amount of new information. "All the science teachers are really nice and approachable when you need help" said Freshman Jake Reger. As stated before we do have an extensive science department but we wouldn't be able to do it without our well rounded science teachers.

# Let's Sum It Up!

Look how excited! Kayla Grau is showing off her favorite calculator.

Mike Fish needs a little help and that's just what he got.

Jesse Sopko is the only one paying attention out of his group.

“Nothing fun happens here, joked the hardworking Christopher Claypool.

“Don't take my picture, Begged Dillon Argo, but Madison yearbook still got him!

This 2012-2013 math schedule was crazy! From intergraded 2 to the most complex classes like calc and trigonometry! The math teachers make sure that there is no child left behind. " They actually went my pace and made sure I understood" said an eager math student. It was not hard to survive this year of math as long as you studied and tried your best. This hard work from the teachers helps the students for the hard road ahead, for it begins here.

Left :This vigorous problem is not at all hard for the brainy Kayla Holdermen.

Right : Math buddies! Logan Mccoy helps out a friend .

Human behavior always kept my mind working, I loved it.

- Senior, Ben Sheidecker

I learned so much here! I also had a great time doing it.

- Freshmen, Mikayla Cline

History was pretty fun, Mrs. Gilligan is a great teacher!

Above we have students working diligently of class work in Mr Martins class. To the right: Mrs.Gilligan starts a class discussion. Below: Timmy goofing off during the last few minutes of government. Below to the right: The class study before a big exam.

# Blast from the past

*"I'm just beginning, the pen's in my hand, ending unplanned."*

Here at madison we have got a lesson for you; and that is a history lesson! Our school teachers us so much about our history and even about the world now. In classes like government students learn about how the branches of government work and how different classes and genders change how people vote. Also our school has more complex classes such as Human Behavior. "It's honestly mind blowing how our brains work and how the littlest things can trigger our brain" senior Rikki Davis said enthusiastically. Joe Bashore also chimed in by saying, "It would not have been as good of a class without Mrs. Gill. I love her!"

# Spanish

Here at Madison you will find a lot of Spanish Flair in our foreign language department. There is never a dull moment to be had, weather they are singing Spanish songs, having fiestas, or learning the alphabet, there is always something to do here. Madison offers Spanish 1-4 and is sure to give you a great time!

Look around, what do you see? students learning the skills needed in this multi-cultural nation (and having a little fun too!)

*"Having a foreign language department is great for our schools!  
-Tyler Levicki"*

Fiestas were my favorite part of Spanish Class! They were always so fun!

Learning a foreign language wasn't east but I had so much fun doing it!

The most memorable thing this year was singing the christmas carols to students.

# Auburn

## Career Center

In high school sometimes it can be hard to focus on the things that are not often applied to the real world. If you have this problem then Auburn is the answer. At Auburn students work together career advisors to develop a unique plan to create an educational roadmap for each students needs. At Auburn there are a wide variety of programs including: Early childhood education, Health tech., Auto tech., computer networking, HVAC, and much more!

*"Gym is my favorite part of the school day. I can't wait until i can pick the more fun gym classes like weight lifting when im an upperclassmen."*

*I think it is very important to be active during gym. We sit so much in school its nice to be able to run around and work out midway through the day. Team sports was my favorite gym class in high school.'*

*Ross McHenry*

# Hitting the Gym

At Madison there is a wide variety of physical education classes to promote fitness and a healthy lifestyle. From team sports to weight training and the required freshman p.e classes students have the opportunity to use their extra energy! In the classes students learn the correct way to play many sports including track events, volleyball, and the proper way to lift weights. It doesn't matter which class you take you are guaranteed a sweat.

# Learning About Life

*Life Skills at Madison!*

At high school its not all about learning book work you also learn about life skills. At Madison we teach about, sewing, cooking, organization, checks and balances, and even parenting a pretend baby.

The teacher gets to watch as the students grow and learn the basics of becoming an adult. Its a way for the kids to not have to sit down and just do regular school classes and do something different.

1. Mackenzie Breedlove shaping her calzone. 2. Madelynn Jones and Billie Kijauskas taking a break from sewing a blanket. 3. Isabelle Roach learning the basics of sewing. 4. # Draw Your Life Out

Students made some of the best work yet this year in art. Working with everything from watercolors to clay to oil pastels, students in Mrs. Oravec's class created some of the most unique paintings and masks this year has to offer. In Mr. Grier taught students how to draw with perspective and even use Photoshop.

Alex Rendek proudly shows off his creative painting he did in Art. I would be proud too if I made something like that!

I had a blast learning how to make things in ceramics.

My bestfriends visited me on my birthday in art class! I loved it!

Mr. Grier had a way of making everyone succeed in art, and I liked that.

# Thank You For The Music

"The highlight of my year was being the dance captain of Eclectica."

-Senior, Haley Richardson

"My favorite memory was Cabaret! It's always so much fun!"

- Junior, Nick Karayianopoulos

"I loved being a 3rd year member of Eclectica, it's an honor to work with these people."

- Senior, Tyler Levicki

The Madison Choral Department has had another great year in music. With the new director, Miss Calhoun we have been able to jump to new levels. The choirs put on three concerts during the year, and of course, Eclectica's Cabaret. The concert choir

Seniors Tyler Levicki, Brandon Sweeney, Ashley Gonzalez and Freshmen Sydney Sines before they sing The National Anthem at the Excellence With Distinction Rally

performed at the annual LCMEA festival where they perform songs as well as sing in a mass choir with the surrounding schools. We also have the new "Vocal Chord On Blue", taking a new spin on classic songs like "I Want A Hippopotamus For Christmas". It has been a great year for music!

2. Senior, Leah Shea accepts flowers from her father at her last Cabaret.

1. The ladies of Eclectica get what they want during the hit number "Whatever Lola Wants"

# All That Jazz

## Madison Jazz Band

The Madison Jazz Band always rocked out each of their concerts. When the Madison Jazz Band performed at the Lakeland Community College for the Jazz Band Festival the audience loved them; they also had fun at each of their concerts. As Rebecca Green-Holmes states, "I love how everyone is so crazy and talented. Jazz Band is so much fun!" When we asked Mrs. May, the band director said, "They did very well and exceeded my expectations. They picked up style in genres and had very good dynamics. Their musicianship is amazing. They work very well with swing tunes, also their will be some senior solo's, I'm very excited!" So if you haven't seen the Madison Jazz Band perform you missed out on an amazing and talented group.

Above: The Madison Jazz Band grooving to the rhythm of Jazz at the Madison spring concert

To the left: Adam Poulson, Mitchell Whaley, Ryley Baker, Jakob Cole, and Zachary Byrne are keeping up to the rhythm of Jazz.

## What do you like most about Jazz Band?

"Are you seriously asking me that? What isn't to like! It's one of the best classes I ever had. The people I know in there are super amazing. It's a great confidence builder as well."

- Katherine Kapostasy

"I like the small group setting and the people in Jazz Band. I also like the challenge."

- Monica Colaneri

"I like the different styles compared to concert band. Also, I like how close Jazz Band is, we are a pretty close group"

-Jillian Wallace

# Key Club

## Volunteer for life

What does Key Club mean to you?

A: Helping our community and feeling good about it.

~Mckenzie Roupe

A: To me Key Club is about giving back to the community.

~Lindsey Odonnell

A: Its about helping those who are less fortunate.

~Ashley Campbell

Our Madison's very own Key Club is home to a group of special students. These students do their part to improve our community as much as they can. Key Club members perform a range of volunteer work, , this year they have held

multiple blood drives, created care packages for soldiers in Afghanistan and hosted the annual Winter Formal dance which is looked forward to every year. Their caring actions and determination have helped this community for the better, all in a days work for the Key Club.

You can't help but smile when you know you're making a difference and helping save lives.

Students receive refreshments to replenish themselves after donating blood.

Everyone is all thumbs up and for the Key Club's blood drive!

*"Robotics is a chance to make new friends and also to make a family. The girls team is more like a family than a group of high school students. I will do it until I graduate!"*

# Yearbook

*Take a picture it lasts longer*

Heres to the yearbook staff of 2013! Through many trying times and deadlines we got it done. From going to games, concerts and finding people for interviews, its an experience none of us will ever forget. This is a class filled with real world experiences by going to Lakeland for yearbook workshops, to having meetings with Alex our yearbook consultant. With all the hard work came many fun days in class such as; ice cream parties, white elephant exchanges and just the days where we forgot about yearbook and socialized! We want to thank Mrs.Bowden for being a good sport when we would gang up on her. Lastly a major good luck to all our seniors in your ventures to college!

# I Came To Dance!

## Boogie Shoes!

Here at Madison we put on three spectacular dances, Homecoming, Winter Formal, and Prom. This years' dances were a blast, from the themes, to the songs, and of course, the dancing. Here is a look into the dances we had this year!

*"I loved getting to dance with my bestfriend after they announced Homecoming King at the dance!"*

- Senior, Alison Sutyak

Your best dance

# Memory

*Winterformal was nice because you could just let go and have fun, wearing goofy costumes of course!*

*I loved taking by beautiful girlfriend Ally to the dance! We had such a great night!*

Madison High School really knows how to get down, here is a look at our three dances we put on every year!

# Homecoming Assembly

# Under the Neon Moon!

Homecoming 2013

**GROUP FUN //**  
Students of all grades decided to go to Homecoming with large groups of friends.

## Ask Away!

**Q:** What was your favorite part of homecoming?

**A:** "It's a tie between the dancing and the food."  
- Amber Amato, Grade 9

**Q:** How did you ask your date to homecoming?

**A:** "I put a 'fortune' in a cookie and gave it to him."  
- Ally Baker, Grade 12

Homecoming 2013 theme was "Under the Neon Moon". The cafeteria was dark and blacked out. The ceilings were covered in high-grade blacklights. The floors had neon paint and glitter coating it. The walls were decked with neon stars and moons. Up front, a DJ played some of the year's best music and laser lights spun about the room. Everyone was glowing. Everywhere kids were dancing. And when they were too tired, they went into the gymnasium to replenish with water and cookies. Near the end of the night, all the candidates of 2013 Homecoming Court walked to the front of the cafeteria for crowning. Emily Cox was crowned queen, & Ryan Legrade was crowned king. Everybody cheered and watched them have the king & queen's dance. The night was finished with a slow dance, and then the lights came on. People laughed and hugged their friends as they searched for their rides home. Everyone had a great time and went home exhausted, but smiling.

*"Homecoming was one of the best nights of my life. I was surrounded by my friends, and my boyfriend looked awesome. I can't wait for next year."*

*// Morgan Wood, Grade 9*

## SHARPLY DRESSED //

As the students arrive they show off their outfits; from formal dress wear to silly pimped out outfits everyone had a fun time showing off their attire.

**GORGEOUS //**  
Three amigos pose for a quick picture during the dance to show off their unique dresses.

**HOW CUTE //**  
Sweethearts Isiah Denmeade and Dyan Hamercheck buddy up for a quick snapshot.

**STRIKE A POSE //**  
Seniors Chris Claypool, Robert Kish, Miranda Schroufl, Courtney Davidson dance all night long.

**DANCE**  
People danced like crazy, everything from slow-dancing to head-banging.

Winners of 2013 Homecoming Court, king Ryan Legrand and queen Emily Cox

**GRADUATING CLASS //**

# Fall

The spirit section getting pumped up for the first home football game of the year.

## Madison Spirit Fans

Ross McHenry & Hannah Spaid

"I will never forget dressing up like a hillbilly for the Perry game."

Hannah

Jake Howell

"I love being about to be the school blue steak. It's an honor and something I will never forget!"

Amanda Sill & Brandon Maroney

"The Chardon game was really fun because we did the roller coaster with the Chardon students at half time."

Brandon

Emilee Boyer & Megan Scarberry

"I love painting up every Friday to cheer for the team, it's always a fun time."

Megan

# I believe that we will win!

*"I will never forget the time that we used baby powder even though Mr. Fisher said we weren't aloud too!"*

*Ross McHenry*

*"My favorite part of the football season was, beating Perry and charging onto the field to celebrate."*

*Jake Steigner*

This is the place where everyone becomes one; we all join together to cheer on our team under the Friday night lights. These are the memories we will never forget; from the homecoming game to beating Perry and getting the little brown jug. "We wouldn't be able to do it without our fans" said Jared Yoe, appreciating the football spirit section. This year was definitely one of the most spirited years Madison High has ever had thanks to our spirit leaders Ross McHenry, Jake Steigner and Bubba Ortiz. Senior Ally Klimko said, "The best feeling in the world was storming the field after we beat perry." Every step of the way the spirit section was there for the football team through scorching heat and pouring rain they were always the loudest.

# Captains

Senior Nick Knight  
 Position: Quarterback  
 Favorite Moment: "Being named captain at Edinboro and having the opportunity to be a leader for my team."

Senior Joe Bashore  
 Position: Right Tackle  
 Favorite Moment: "The team meeting at Edinboro and hanging with my guys."

Senior Mark Murray  
 Position: Running Back  
 Favorite moment: "Jumping the kid from Geneva or seeing the high field goal snap at the Perry game."

Senior Johnny O'Brien  
 Position: Wide Receiver  
 Favorite moment: "When I cracked two kids from Perry and Coach Ciani pointing at me after and yelling 'hell yeah, thats what we do!'"

"My favorite moment of the season was beating Perry and the fans storming the field. Greatest feeling ever."  
 -Senior Ricky Kinford

"My favorite football game was the Perry game because it was probably the most fun I've had out of all of the games and because we won the LITTLE BROWN JUG!"  
 - Junior Brandon Davis

# Doubt Us

## Varsity Football

The Madison Blue Streaks' season, in the words of their players was a "season to remember." It had its ups (keeping The Little Brown Jug) and its downs (Losing to Riverside in over-time). What really stood out was the number of underclassman starting and contributing to the team every friday night. Quarterback and captain Nick Knight said, "This team was special. It may not look that way in the stat books, or even in our record but we accomplished something. We led the way for teams to come, and we showed you can never count the Madison Blue Streaks out."

### Scoreboard

|                  |       |
|------------------|-------|
| Lakeview         | 23-26 |
| Brush            | 28-14 |
| Perry            | 28-27 |
| University       | 35-15 |
| Chardon          | 0-7   |
| Eastlake North   | 63-15 |
| Willoughby South | 0-41  |
| Geneva           | 28-6  |
| Lakeside         | 54-20 |
| Riverside        | 20-21 |

The 2012 Madison football cheerleading squad was among the best. The varsity team, consisting of 9 girls, cheered their way through a successful season. Junior Allison Davis says, "My favorite part of this season was reuniting the fab 5 and I had lots of fun cheering under the Friday night lights!" Along with varsity, the 5 JV girls had an awesome time cheering. Freshman Alaina Sanders says her favorite part of cheering is knowing that all the girls on the team will always be by her side no matter what. All these girls have proven that they earned their spot on the team. The squad's amazing coach, Heidi Verdi, commented, "Another great season has come and gone. With each season our program grows with talent and gets stronger as a squad. This season we welcomed many new faces to our program and were challenged by much rainier weather than we would like. With hard work and determination the girls pulled together and provided great support to our team and to our school. I look forward to seeing what next year's squad will do." Overall this season was full of spirit and a chart topper for sure! Go Blue!

"This season was the best because I enjoyed cheering with my cheer family and for a great team!"

# We're Gonna Rock Around The Clock!

## *Madison High Marching Band*

At Madison High, I think a majority can agree that the marching band is an important part of the football games. The Marching Band helps get the crowd pepped up and keeps them well entertained during Halftime. This year proved to be interesting with an even larger class of freshmen than last year. During the first half of the season the band got to perform their 50's show with some of their favorite songs like Rockin' Robin, At the Hop, and Rock Around the Clock. At LCMEA they even got to surprise the audience by taking their raincoats off and showing their awesome 50's costumes. Their Color Show was a great hit with them marching to Yellow Submarine and Paint It Black, and jiving to Purple Haze. Even though the band was disappointed that they didn't get to do the famous band dance, they still enjoyed marching to Time Warp, and with the finale of the seniors doing the Senior Dance while the rest of the band formed a big "13"! The Drum Major Rebecca Green-Holmes explains, "Everyone in band is amazing, there's such a big group of people that support each other."

# PAC Champions!

For the Madison High School girls varsity soccer team, it was a very memorable season for them as well as the coaches. It started off not that well with the hard conditioning they went to before the season started, all of the fun, devoting practices and ending as a result with 14 wins and only 2 losses showing that hard work pays off. The season ends with a hard fought victory for becoming the PAC champions!

*"It's our time for a shining moment. Not many times in life do you get an opportunity to play for the championship. Enjoy the moment, embrace the excitement and bring home the championship tonight on our home field where we are undefeated. Tonight is our night lady blue streaks."*

*Going the distance.*

Cross Country is more than running through the woods or across the field and seeing who can get there first. It involves hours of hard running and exercise, and dealing with harsh, unpredictable weather, and working together as a team. It looks like just a running sport, something everyone does when exercising. But this involves working together as a team, not just running side-by-side, but constantly guiding and helping other teammates as they run. Seniors Annette Brickman, Katarina Funk, and Erin Hord led the team this year as the captains. All the girls on the team, known as the "Lady Streaks", worked hard, but this year's captains ran their best times, Erin Hord at 20:54, Annette Brickman at 20:47, and Katarina Funk at 21:20. And this team does more than just running. We can tell they definitely have fun at the meets, as Senior Katarina Funk says, "I always get so excited when we win the meets!" Every Wednesday during the season, the girls meet up with all the boys at one of the teammate's houses, and they all do something fun together. Senior Annette Brickman describes, "The team nights are always fun, especially when we try to play volleyball together. Even though we're obviously runners and aren't good at volleyball, we still have fun playing it!" Most of the team even went to Cedar Point together this year after school started.

## Katarina Funk

"My favorite part about cross country is how we're like a family. We're always together and we're very close."

## Sydney Ball

"We are definitely like sisters. We hang out a lot, we're there for each other, and of course we support each other during the meets."

## Erin Hord

"What I love most about cross country are the team nights. We've made so many memories at those team nights."

# We Run This Town

*"Cross Country is the only sport with no time outs, no substitutions, no hometimes; it's the only true sport."*

This season through many hours and miles of practice the men's cross country team overcame many barriers. Through injuries and the varying weather, this sport is one of the most mentally and physically grueling. Sophomore Pat said, "I wouldn't have done as well without the leadership from our seniors. They played a big role in motivating us underclassman." Pat was the only guy from the mens cross country to qualify for regionals and to make second team all PAC. With all the hard work came many person records by all of the runners! Outside of practice the team likes to get together to bond. Junior Jon Roberts stated, "Every year I look forward to spike night. It's always at the beginning of the season, so we can meet the new runners and who doesn't love a new pair of spikes!" Senior Willie Rendek said, "The season flew by, we made a lot of memories. Its definitely bitter sweet." This isn't the end though, these young men will keep succeeding in their running careers whether they are coming back next year and setting new personal record, winning road races, or starting a new chapter in their lives by going on to run in college.

## Favorite Race!

Sophomore Brian Brickman said, "The memorable race of the season was in Medina because, it was so muddy."

Junior Alex Rendek said, "My Favorite race this season was Boardman. It was so memorable because, there were over 5,000 runners there and I also ran my personal best."

Sophomore Patrick Darrough said "My favorite race of this season was PAC because i ran my PR and qualified for regoinals".

## Girls Varsity Volleyball

This was one eventful season for the Madison volleyball team; from the BGSU volleyball camp to saying goodbye to the seniors at senior night many long term friendships and memories were made. "I will never forget the cool squad and how much food we ate during this season" said Caila Denicola referring to her and her two teammates Ally Klimko and Taylor Goudy. Coach Ryan said, "This is definitely one of my most energetic and comical teams, which made me enjoy my job even more". During the summer the girls worked very hard to get in shape for the season, Coach Ryan thought endurance was a very important part of the game. Although the team did not make all of its goals, they showed great growth throughout the season. "We truly had great leadership from Haley Dake and the rest of the seniors, us upcoming seniors have big shoes to fill" Taylor Goudy stated. All the girls agreed that the most important thing was to be able to look back and have no regrets. Senior Haley Dake said, "This is the last time some of us seniors will ever play competitive volleyball; I want to make sure i can confidently say i gave it my all".

Front row: Allyson Klimko, Haley Dake, Ashley Hixon, Hallie Vollmar, Emily Cox.

## *JV & Freshman Volleyball*

The Junior Varsity and Freshman volleyball seasons have been one for the books. Memories were made on these teams that the girls are sure to never forget. From practicing, to going out and having fun as a team, these girls proved that you can be a family both on and off the court. Overall they both had a great season, with wins and loses, but are eager for next year!

Here at Madison we have an excellent golf team. They practiced hard and played even harder. It defiantly payed off despite a few losses they still did an amazing job. Olivia Lesuer said, "My favorite game was when we faced St.John because I got my best score there!" Tate Sorber said, "Ecsept a few losses we had a really good year!"

# Girls Tennis

The girls tennis team had another great season this year. They practiced hard on and off the court and it clearly paid off. The team really started to bond as the season went on. Senior Erika Nalow said "I will never forget this year with these girls, I had so much fun and made so many life long friends." Underclassmen girls are ready to be even better next year!

*Madison High School Winter Formal*

***This year Madison held a winter formal unlike any other! The theme was "Heroes of the Night", a theme where students could let out their inner nerd and dress up in superhero costumes other than on Halloween. One thing that made this dance stand out is that it strayed away from the typical high school dance by not having a court. Which made more time for some dancing and even a best costume contest.***

This year Madison's Theater Department took a different approach with the winter play. In the past there have been many comedies performed on the lecture hall stage, but new director Miss Calhoun wanted to change that. What I Want To Say But Never Will is a group of monologues about many very deep topics. The show did very well, captivating the audiences, showcasing many talents and proving that high school students can be serious. You are out of luck if you missed this one!

# Quiet On The Set

The One Acts at Madison High School

Every year Madison puts on the Winter One Acts. In the past few years they have turned into a student led production. The two directors this year were Hannah Demko and Shae Maresco. Hannah directed a drama called "Circuits" and Shae directed a hilarious comedy called "Check Please". The two shows brought in a decent audience size that loved both shows! "I loved being in a production with only three people, the one act was very serious and we bonded so well over the short weeks." - Senior, Tyler Levicki. Stay tuned next year for another great set of student directed One Acts! They are sure to be great!

Before every performance the cast grouped up to discuss the journey they made to make it to the stage, often very touching, sometimes funny. Circle is always a great tradition.

## *Girls Varsity Basketball*

The rush of aiming the ball for the hoop, the feel of dribbling the ball off of the cold gym floor, the crowd cheering you on to make that next basket. This is a feeling the girls varsity basketball team feels at every single game. The team had many late night practices to be the best they could possibly be, overall having a very good season, with some tries and triumphs. This team definitely hit a high note this year.

## *Varsity Boys Basketball*

The 2012-13 Basketball team came in with 3 strong leaders. The streaks were led by Seniors Stephon Ortiz, Brett Monty and Brandon Smith. The Streaks Started off slow but came back and at mid-season had a 7 game winning streak. The Streaks leading scorer was Stephon Ortiz who on average scored 24.0 points a game. Brett Monty was second on The team With 18.0. The streaks ended there season 13-9 and had a above 500% average in the pack with an 8-6 record. But during the first round of the tournament the Blue Streaks were cut short in a tough loss against Wilioughby south. The team was very young this year so all the seniors were happy with there efforts.

Senior Spotlight

"Playing Basketball at Madison High School was the best 4 years of my life and i couldn't ask for a better team that i had my senior year. Its sad it all came to an end. "

"IT was nice to end my basketball career at Madison High School with such a great team"

# Hoops! I did it again!

*"There may be people who have more talent than you, but there's no excuse for anyone to work harder than you do."*

The Madison Bluestreaks Junior Varsity basketball team had an amazing season this year. They had 9 wins and 13 loses; they got off to a slow start but in the end they all had a great season. Sophomore Patrick Darrough said, "We had some rough patches but overall we did good this season." All the boys were very supportive of each other which help them grow even more of a team. "Team work makes the dream work" said David.

Freshman David Albert said, " My least favorite game is against Euclid, it was our worst game all year."

Freshman Adam Elly said, " The best part of my year was beating Eastlake after they blew us out the first game. "

# Ball Is Our Lives

## *Freshman Basketball*

Our freshman team had a exciting year. They had 8 wins and 9 loses. All the team mates had really good sportsmentship, they would always congratulate the other team by saying "good game" or "good play", no matter how the game happened to turn out. The team is always focused, they took the game very seriously. Over all everyone is ecstatic with the way the season turned out. All of the players are excited for next year so they can get on the court again.

"We are the blue and white, and we're number 11" cheered the girls at the beginning of each basketball game. Although they were cheering for the basketball players, it also applied to them. "These girls are definitely the best and most dedicated group I've had," commented Coach Norene Fults. With only 3 girls on JV they showed that they earned their spot and wanted to be there. "My First year cheering was a blast and I can't wait till next year!" said Freshman Haili Juist. There were 7 girls on varsity including captains Molly McGill, Meghan Grenier, Rachel Pridemore and Kayla Grau. Every single girl worked hard throughout the season and proved that they deserve to call themselves a cheerleader.

Senior Nick Montgomery places 4th at states. When asked how he felt about the season he said,

"It was a very memorable experience. Jarrad and i had some great bonding time. States didn't quite turn out how i wanted it too, but i can't change what happened.

## State Placers

Sophomore Jarrad Lasko places 4th at States. Jarrad said,

"It felt really good to make it to place at states. I would have liked to do better at some of our bigger tournaments, but i did what i needed to do at the end of the season and i am happy with where i stand."

## Wrestling

Wrestling is an individual sport, but also a team sport. How each individual wrestler does at a tournament determines the team score at the end. This year 10 of our wrestlers made it to districts. Only two advanced on to States, Nick Montgomery and Jarrad Lasko. Both of which started the season out with an injury, but that didn't stop them from finishing out the season. Junior and team captain, Bo Ransom also suffered from an injury in the middle of the season. Nick Montgomery placed 2nd at states and Jarrad Lasko placed 4th. When asked about the season, Coach Willis said "We have a lot of dedicated wrestlers. Coach Wirtzberger puts them to some hard work and the ones who are there are the ones who are good wrestlers."

To the left is Junior Drew Schiemann pinning his opponent from Geneva at PAC. Below Left to Right: Freshman Tyler McGroder talking to his coach at sectionals. Senior Jake Steigner at Sectionals. # Our Swimmers

*"My favorite part of the season was feeling like we went in as a team and came out as a family. Overall, the season went great." - Owen Sill*

*"My favorite moment of the season was hearing our names being announced as PAC champions." - Maddie Headings*

*"This season was great. My team did awesome and I couldn't ask for a better season!" - Jacob Wysocki*

# On the go in H2O

## Madison Swim Team

In the beginning of the year, the swim team set a goal. Their goal was to win PAC. Through out the season, the team worked towards their goal. When the time came, both the boys and the girls, accomplished that goal and won PAC. Ending the season happy with their results.

1. The team huddles discussing strategies on how to win this meet.  
3. Senior Robbie Armstrong stands at attention before his event starts at the meet.

2. Allison Smith representing Madison with her 1st place win.

# Stick It!

## Gymnastics

The M-H-S Gymnastics team were in their second year of being a part of Madison Athletics. It proved to be a challenging but exciting year because now there were only four girls on the team, unlike last year. They practice twice a week at Spire on Tuesdays and Thursdays for three hours. They worked especially hard this year, and the hard work they put in paid off when they got second place at the Riverside meet on February 8, and were now able to compete in the Nationals. At Nationals, along with a few Geneva girls, they showed their strength and skills, and came in fifth place. All the girls worked hard, and even though Emily Cox got injured at the end of a beam routine, they all smiled proudly when they got their medals. These girls have worked hard to get where they are, and every meet they've had, they've proven just how hard work pays off. As Gina Madonna and Mallory Clemons describe, "Even though Gymnastics is very physical, it's definitely more of a mental thing; you have to have trust."

*"There is nothing like the feeling of achieving a goal, a new skill or routine that you have struggled to get but have worked on so hard."*

*Senior Emily Cox*

Top to Bottom: Haley Richardson leans forward from the bottom bar and grabs the top bar. Gina Madonna finishes a twirl on the floor. Mallory Clemons pulls herself up on the bottom bar. Gina Madonna does a split during her floor routine. Haley Richardson puts all her weight on her shoulders before she rolls over to stand on her chest.

Left to Right: Mallory Clemons shakes her legs during her floor routine. Emily Cox balances herself on the beam. Gina Madonna does a handstand. The girls pose for a picture after getting their medals at Nationals. Haley Richardson twirls for her floor routine. Gina Madonna prepares to do a back-flip from the beam. Mallory Clemons wraps herself around the beam. Emily Cox balances herself on one leg on the beam.

# Why they Love Gymnastics...

Captain Haley Richardson  
 "When we walk through those doors, we're in our own world. Its our own safe haven where all of us are just like family."

Junior Gina Madonna  
 "I love the commitment it takes. You can try and try for months to pull a skill and never succeed. Until that one day when you do, and all of the mental and physical pain become worth it!"

Senior Emily Cox  
 "It has taught me independence, hard work, patience, perseverance, and to believe in myself."

Sophomore Mallory Clemons  
 "I love the feeling of competing and stepping upon the podium."

# MHS Dance Team.

Last year Madison had decided to add a dance team. After an amazing year, the madison dance team got off on the right foot thanks to leader Kenzie. The dance team has many good and creative dances; they know how to get the crowds attention. They have shown Madison their skills while preforming at Madison home games. This is a club which means they organize everything on their own; which shows how committed they are to dance.

# Once Upon

This year the Drama department took the stage with the hilarious "Once Upon A Mattress". They only had four weeks to prepare and this show looked as if they had months to prepare. The show is about a hilarious love story between Prince Dauntless (Nick Karyianopolous) and Princess Winifred (Lindsey Meisterheim). They had wonderful stage chemistry, and excellent facial expressions. The audience loved every moment of the show, many came back to see it again!

"Doing this musical was one of my most memorable moments in high school to date, I loved everything about it!"

-Junior, Nick Karayianopoulos

1. Lindsey Meisterheim shows her strength.

2. Nick Karyianopolous shows his love for Lindsey Meisterheim.

3. Hannah Green, Tyler Cogar, and Tyler Berry during "The Minstral, The Jester, and I".

4. Shaelin Maresco, Rachel Dalke and Makenna Virag during bows.

5. Hannah Demko and Brandon Sweeney embrace.

"I think my favorite part of Once Upon A Mattress was peobably the music, it sounded so good!"

-Sophomore, Makenna Virag

# A Mattress

Left: Nick and Lindsey share a kiss on stage now that they are allowed to be married.

"Doing the spring musical was such a memorable experience for me, I had so many great moments!"  
-Senior, Lindsey Meisterheim.

Bottom: Shae Maresco takes the stage as Lady Rowena, a hilarious "dumb blonde" who doesn't really seem to understand what's going on. Shae however, did, and made the audience's stomachs hurt with laughter.

"There really was never a dull moment with this amazing cast, I loved working with them and wish I was here next year to do it again!"  
- Senior, Hannah Demko

# Swing Life Away

## Varsity Softball

It's the bottom of the last inning. The score is tied. There's a runner on third. You're up to bat. Nervous. Shaking. Palms sweating as you grip your bat. The pitcher is lining up to throw. Here it comes. You swing. And it's a hit! The ball sails through the air deep into left field. The runner takes off towards home plate. Then it's all over. Madison Blue Streaks take home another win! Exciting events such as this happen more often than once during the fun-filled Varsity Softball games. Every inning, the ladies try their hardest to accomplish even the hardest of tasks. They never give up. Even when the score is down, they give it their all. Each of the girls on this team show great compassion for the sport. The sportsmanship is exhilarating. The plays are swift and well enacted. This team works together to earn their wins like a well oiled machine. Each win is very well deserved. Everyday, every practice, every game, these ladies perform their best. The softball life is just what these ladies desire. This is more than a sport to them. It's a lifestyle.

# Running The Bases Of Life

## *JV Softball*

You walk up to the base, you get your head in the game. You raise the bat from the ground and position your legs. It's time. You see the pitcher wind up her arms and release the ball. You swing with all of your might and send the ball flying. This is a feeling that the JV softball team felt every time they played. They fought their hearts out this year on the field. They became a tight knit group of people, a family. After this year the team is anticipating another successful year in the future.

The softball team working hard to win their first home game of the season.

# Stick it

## *Boys Varsity Baseball*

You could call the Varsity Baseball Team a "team" but that would be a lie, they are a family. Through practices and games, they grow a bond like none other. The Baseball team had many great opportunities this year, like playing on the Captain's feild. Many of the Seniors are sad that their time playing for Madison is over, but "We had a great time these past years, I have made so many inseperable bonds" - Ross Mchenry. It's going to be tough to top this year but they are sure not to dissappoint!

# Senior Spotlight

**Ryan St. John**

"My favorite memory of Baseball was stepping out onto that field every game and feeling the bond between teammates."

**Michael Morgan**

"I don't really know what I would have done without baseball, I mean it has really changed my life."

**Ryan Ashby**

"Baseball isn't a sport, it's a way of life. These past years have been awesome with this team."

# Catching The Memories

## JV Baseball

Throwing the perfect pitch. Swinging at the perfect time. Playing the best you can. These are some of the essentials that the Madison JV Baseball team had during their exciting 2013 season. These boys took all their will power, all of their might, all of their abilities, and did their best to get through another extraordinary season. Every game was played with great teamwork and sportsmanship. Each win was celebrated while each loss was taken with dignity. They knew how to handle themselves in the best way and that's what made them perfect members of the Madison JV Baseball team.

*Dade Weir*

*"Hitting home runs since 1997."*

*"I loved playing the sport i love with all of my friends."*

*Connor Smith*

Baseball. The sport where body and mind come together as one. The game where everything counts. Every throw. Every swing. Every catch. Each movement is performed almost expertly. Every move needs to be executed with thought, dignity, and strength. This team of freshman boys has all of this down to a science. They play baseball with, not only their bodies, but just as evenly, their minds. Every game they played was just as exciting as the last. Even though the team had their ups and downs, they still had as much fun playing as the crowd did watching. The boys played each game as if it would be their last.

## Track and Field

This years track and field team was truly record breaking, with both the 4x800 girls Annette Brickman, Sydney Ball, Katarina Funk and Hilary Reigle breaking the school record and also Annette breaking the 1600 meter record. "There is a lot of talent on this team but there is even more work ethic; thats what makes it so exciting to coach this team" said Coach Verdi. Although Julie Gavorski did not break any record she was the only member of the track team to make it to States this year. With all this success the team also had a lot of fun; senior Luke Frashour stated, " My favorite part about this season was being able to run the 4x100 with Corbin." Even though the team is losing a few talented seniors, the underclassmen are ready to step up next year and make more history.

The competition girls showed their talent when they earned two special awards at a single competition.

## Blue, silver, white, will rock this floor!

The girls rocked their way into 2nd place at CCC's Hard Rockin' Nationals. They were 1 point behind the 1st place winners, Valley Forge. Hopefully next year will be their year to take the gold!

# be beat!

The 2012-2013 competition team was "better than ever," as cheered in their routine. Going strong with experienced, returning members and adding some new additions, these girls took firsts and only two seconds. New member Molly McGill comments, "This was my first year on competition cheerleading and it was filled with so much excitement and my team was awesome. It made me wish I did it my previous years and I can't wait till next year!"

## Senior Emily Mracek

This year was Emily's first year on the competition team. Along with competing as a cheerleader she also did dance solos at the competitions. "The experience was great and I loved my team!" commented Emily.

## *Juniors VS. Seniors*

With the game tied at 14-14 everyone knows it had to be intense; with many yellow flags and trash talk happening it was a very ferocious game. None the less it kept everyone on their toes. Seniors Abbie Triv and Erin Hord shined with many yards run and thrown to help their team succeed. Junior MVP's were Amanda Mangelo scoring both of the juniors touchdowns. She could not have done that though with out her quarterback and best friend Gabby Amato. Through all the trick plays and friendly rivalry it seemed to be a day no one will forget.

# Today is where your book begins

Graduation is something you really can't prepare for. One moment it's the beginning of your senior year and before you know it you are walking across the stage receiving your diploma. Walking across the stage is when it really hits you, you are leaving and moving on soon. As bittersweet as it is you start a new journey, your own journey. It's the scariest but most exciting thing you will ever experience but in the end it will all be worth it as long as you make the most out of every moment thrown to you.

- Emily Cox

The Class of 2013 is one that is sure to never be forgotten. It has been a great four years here, memories that we are sure to never forget. Graduation sounds so scary, mainly because it is such a new experience. The easiest way to

accept it is to just jump in, like a cold swimming pool. Your whole life is spent preparing for this day, with testing, reading all the text books with information you might not even use.

We are learning how to be adults, learning how to shape the world to make it into the place we want and Graduation is the first step. Congrats to the Class of 2013!

*The rest is still unwritten*
